Hire Two More Teachers For 1963-64 School Year

Two more teachers were engaged this week in preparation for the 1963-64 school year according to Supt. Rex E. Milligan of the Charlevoix school system.

They are Donald W. Peterson, a recent Northern Michigan University graduate, who will teach the seventh grade and serve as assistant coach, and Mrs. Jack (Arlette) Harris, who will teach on a half-day basis in the upper elementary department.

Mr. Peterson, a native of Crystal Falls, was graduated from Northern Michigan University in June with a B.S. degree. He has a major in science and minors in history and conservation.

He is a 1949 graduate of the Crystal Falls high school and served three years in the U.S. Army including 10 months in the Philippines and a year in Korea. He attended the Army Security School at Carlisle Barracks, Pa., and was stationed at Fort Devens, Mass. It was after his three-year tour of duty and some time spent working in the mines that he returned to college. He is married and has one child.

He will succeed Terry Rice as seventh grade teacher and assistant coach. Mr. Rice resigned recently to accept a position as teacher and head basketball coach at Grand Rapids Lee high school.

Mrs. Harris came to Charlevoix in November 1962 when her husband accepted the pastorate of the First Baptist church here.

A native of South Dakota, she is a graduate of the Northern State Teachers College at Aberdeen, S.D., with an elementary certificate. She has done additional work at William Jewell College at Liberty, Mo., and at the University of Michigan. She taught at Redfield, S.D., and at Litchfield, Mich., before coming to Charlevoix. She served as substitute teacher during the past school year.

She will teach half-days in a combination fifth-sixth grade. Glenn B. Snider, elementary school principal, will have the class the remainder of the time.

Bride Elect Feted at Shower

Marilou VerWys, bride-elect of David Ikens, was honored at a personal shower given Thursday evening by Mrs. Fred deCastro and Mrs. Wayne Belding at the latter's home.

A social hour and games enjoyed by the 25 guests present were followed by refreshments served at a table centered with a bride's cake.

She was presented with many lovely gifts.

Expansion to Begin Soon at Charlevoix Municipal Airport

The Michigan Department of Aeronautica has advertised for blds on the construction of a new 3,500 ft. East-West runway and lighting at the Charlevoix Municipal Airport.

Deadline for filing sealed blds at the Lansing office of the Michigan Department of Aeronautics has been set at 10 a.m. August 8 at which time the bids will be opened and read.

One bid calls for the grading, drainage, paving and turfing of the East-West runway, taxiway and apron and the other for the M. I. Lighting to include a rotating beacon, beacon tower, illuminated wind cone, runway lights and related equipment.

It is expected that work on the project will begin as soon as suitable bids are obtained and contracts signed.

The expansion-construction program calls for the building of a 3,500 ft. runway which will be 75 ft. wide, a 75 by 100 ft. taxiway and a 50 by 100 ft. apron. The latter will be installed at the eastern end of the new runway which will extend across the former Norwood road. The runway will be of concrete construction to permit a load up to 15,000 pounds per wheel.

The project will be part of an overall plan drawn up by Brewer Engineering of Owosso which calls for the construction of a North-South runway, terminal building to be constructed on Carpenter ave. and other lesser improvements at some future date.

The first phase of the program will cost an estimated $210,500 with federal funds totaling $105,000, state funds $47,500 and the remainder by the city of Charlevoix. The city has already set aside its share which is approximately 27 per cent of the cost.

Earlier the city had purchased the former Thorp property and entered into an agreement with the Crescent Stone Co. for the property on which its right of way was located, in preparation for the expansion program.

Rites Friday for Mrs. Kate Kooyer Here Fifty Years

Ellsworth—Mrs. Kate Kooyer, 85, resident of the Ellsworth area for over 50 years, died Tuesday, July 18 at the home of her son, John Kooyer, Rt. 1, Ellsworth. She had been in ill health for some time.

Kate Tanis was born near Fremont March 21, 1878. On November 28, 1902 she was united in marriage to William Kooyer in Fremont. They resided in Muskegon for seven years before coming to this area. Mr. Kooyer preceded her in death in 1959.

Survivors include three sons: Andrew and John of Ellsworth and George of Rudyard; one daughter, Mrs. Richard (Janet) Doctor of Muskegon; a sister, Mrs. Lambert Maring of Muskegon; 16 grandchildren and six great-grandchildren.

Funeral services were held on Friday, July 19, 1963 in the Ellsworth Christian Reformed church with Student Pastor John VanVeen officiating. Burial was in the Ellsworth cemetery.

Mrs. Walter Oliver Dies Following Car Accident

Elisworth — Funeral services were held Saturday morning July 20 in the Ellsworth Pilgrim Holiness church for Mrs. Walter (Anna) Oliver, 71, a former resident of Ellsworth, who had resided in Upland, Ind. for the past 4 years.

Anna Skow was born in Ellsworth, February 28, 1892 and died Wednesday, July 17. Mrs. Oliver suffered fatal injuries in a car accident which occurred about one mile north of Ionia as she and her husband were enroute to visit her brother-in-law and sister, Mr. and Mrs. E .Clow of Ellsworth. Mr. Oliver remains in serious condition in the Ionia hospital with chest and spinal injuries.

Mrs. Oliver attended high school in Ellsworth for two years then completed her high school work in Oskaloosa, Iowa. She graduated from Taylor University in Upland, Indiana in 1918. While there she met Mr. Oliver and they were married August 15, 1918 in Ellsworth. They made their home in New Jersey for four years where they taught in the schools.

In the fall of 1923 the Olivers left for Panama as missionaries under the auspices of the Methodist Episcopal church and served 20 years in this work.

In 1944 when Mr. Oliver transferred to work for the U.S. Gov't. in the school system in the Panama Canal Zone. Mrs. Oliver served as a teacher, a government employee, etc. assisting Mr. Oliver who organized and operated for 20 years the Pan-American Institute in the Panama Canal Zone. For their outstanding work Mrs. Oliver and her husband were the recipients of the medals of Vasco Nunez De Balboa in 1958, presented by the Panamanian government.

The Olivers returned to the United States in 1959. They settled in Upland, Ind. where Mr. Oliver taught Spanish in Taylor University.

Funeral services were held Saturday with Rev. Paul Moore, a nephew, and pastor of the Nazarene church in Grand Haven officiating. Rev. Harvey Brown, a former classmate and friend of the Olivers in Upland, paid special tribute. Burial was made in the Ellsworth cemetery.

Survivors include her husband, Walter, one son William I. of Berkley, Calif., two sisters, Mrs. Margaret Clow of Ellsworth and Mrs. Lillian Bushey of Bourbonnais, Ill.; one brother, Dr. John D. Skow of Toledo, O.; 3 grandchildren, Michael Conrad, Annie Ruth and Soren Oliver of Berkley, Calif. and several nieces and nephews.

Among those from a distance who came for the services: Dr. Wlliam I. Oliver, Berkley, Calif., Dr. John D. Skow and Mrs. Skow of Toledo, O., Dr. Clinton J. Bushey and Mrs. Bushey of Bourbonnals, Ill., nieces Mrs. Emily Bushey Moore, Grand Haven and Mrs. Alieda Bushey Deale of Coldwater; eousins Prof. Jess Sandberg and Mrs. Sandberg of Owosso; Dr. Harold Snyder and Mrs. Snyder of Taylor Unlversity, Upland, Ind., Miss Mryl Bradford of Williamson and Mr. and Mra. Emil Nasson of Petoskey.

News Round-up at Camp Charlevoix

The third week of camp started out with everyone mighty happy about the rain over the weekend, as things were in such a state of emergency that we had planned to cancel all trips due to fire hazzard. However, we had three trips leave camp Monday. Bob Lohman took his cabin 8 on a sailing trip to Young's State Park. These boys were Jim Hutchinson, Steve Gardner, Ted Herrlinger, Larry Howell, Chuck Osborn, Mike Flannery and Keith Graves.

The next trip to leave camp was a horseback trip to Bay Shore taken by Dick Kaye and his cabin 9. These boys were Tom Burr, Paul Kelly, Brock Rodgers, Peter Stege, Bill Stout and Arthur McKenny.

George Elling and Terry Ward went on a canoe trip with Cabin 10. These boys were Jimmy Carkhuff, Joe Hawk, Tom Laskbe very enjoyable, so they re-George Kryder. The Greys tried twice to run the Mugwump, but were unsuceessful both times.

Tuesday was another regular at camp with yesterday's trips returning.

Wednesday morning the 25 boys going to Mackinac Island for the day left in the rain. The downpour continued so Ken and the counsellors, Ed Bryant and Terry Ward decided that a trip to the Island in the rain would not be very enjoyable, so tehy returned to camp to find that it was having an extra hour sleep and so back to bed everyone went. The sun came out about ten thirty, but the boys were happy to try another day.

In the evening we held the annual "Capture the Camper" event. This is a very popular activity. The campers all take to the woods and the counsellors take off to capture as many of them as possible. The side having the least caught gets the point, one for each of the four sections. The Greens won three points, giving them a lead over the Greys.

On Thursday morning Ken, Terry Ward, and John Delserone took off for Mackinac Island with the lucky boys getting this trip. They were Steve Martin, Peter Crew, Steve Zeigler, Frank Kolbert, Woody Roe, John and Geoff Gould, Tom Hoyt, Oliver Janson, Dave Connelly, Peter Renchard, Larry Howell, Scott Somers, Rusty Smith, Russell and Dave Washburn, Doug Laing, Ernie Kelly, Steve Armington, Bill Stout, Jim Hutchinson, Jimmy Chalat, George Steinhardt, and Ralph Miesel.

Friday was a regular day in camp with usual activities, and everyone looking forward to the carnival.

Saturday morning early, about 5 a.m., four of our cowboys plus three boys left for a horse show at Rogers City with seven horses. They returned that evening with thirteen ribbons and two beautiful trophies. Rusty Smith won a trophy and a blue ribbon for a first place in Halter Class in which he showed Catie, a horse belonging to George King, our head cowboy.

Don Davison, one of our cowboys won the other trophy for winning the Trail Ride event with one of the camp horses, Goldie.

CAMP CHARLE CONT'D

Other winners were Brad Rea from Fort Wayne, Ind., Dave Hoyt, a camper from Akron, O., and two of our other cowboys, Max Monty, from New Mexico, and Chuck Walter from Grand Rapids.

The camp was very excited about the great showing our boys and men made. The rest of the camp spent the morning getting their booths set up for the Carnival.

The Smith's cabin was a hustling and bustling place as Ruby assisted with string, rope, scissors, thumb tacks, crepe paper, paint, and the hundreds of prizes that were doled out. Three o'clock came and the carnival was under way with a fine group of parents and visitors here to enjoy the fun.

At the dinner that noon, Ken had read several artieles from the papers regarding the eclipse of the sun, and the dangers encountered. Pieces of cardboard were cut and enough for two per boy were readied for the event. In the middle of our carnival we had this heavenly show and it was a thrilling sight to see everyone looking at the sun via two pieces of cardboard. However, one of the most popular places was a waterbucket with folks looking at the sun through a film held over the waterbucket. Ted Fleming was chairman of the carnival and much credit should be given him for the finest carnival we have ever had. The booths were very original and the winner for the most original was Cabin 14, Ted Fleming, for his Mouse Roulette. The cabin taking in the greatest number of tickets was Cabin 20. Watermelons were presented to these two cabin groups.

In the evening, the entire camp gathered on the shore of the lake for a camp-fire. Six of the staff read poetry and one of our kitchen boys, Dan, led the group in folk songs. It was a most inspirational evening, with the campers requesting more such gatherings. The camp-fire was closed with the group facing the west, looking out into the sunset, and singing taps, which were echoed from the lake by Grant Washburn playing his trumpet.

At the chapel service Sunday morning we had several visitors to our service in the woods. Jonathon Howard of the sailing dept. gave a very fine talk. In the afternoon, we had the mile swim. It was a glorious afternoon, hot and sunny and the lake was as smooth as glass. Ninety two boys entered the swim and sixty-seven finished it. The first ten to come in were: Bill Curphey, Jim Todd, Peter Eberback, Ted Herrlinger, Peter Renehard, Jim Schlscter, Doug Laing, Riek Nichols, Tom Dusbiber, and John Dusbiber.

Hank Berg, our camper from Maryland, who is only eight years old was the youngest boy to finish the race. The Greens won three points while the Greys picked up one point.

The cabin representatives met this day and started the discussions on what to do with the money we collect from the chapel collections and the carnival proceeds, and the rodeo refreshment proceeds. This money all goes to charity. The cabin groups elected the following boys to be on the Camper Council: Don Ureel, Hank Berg, Charles Limbach, Brad Rea, Jim Hutchinson, Peter Stege, Bick Huber, Geb Bushnell, Roy Feldman, Brady Shea, Bob Ausbeck, Lee Gonsior, Rick Nichols, Ralph Miesel, Dave Hoyt, Doug Laing, Frank Kolbert, Mike Ritoff, and Brendy Lange.

In the evening, the Junior and Prep sections went by truck over to the Greensky Hill to have a service in the old Indian Mission (1833). It was most interesting. We sang two evening songs and an Indian from Charlevoix, Jay Oliver told the boys about the history surrounding them. They visited the cemetery where only Indians are buried, and were fascinated by the history of Greensky Hill.

The Intermediate and Senior sections saw a movie at their Vespers. It was called "The River" and was a documentary film.

We would like to advise the parents that boys leaving Saturday should be picked up in the morning, and new boys coming in should be brought to camp in the afternoon.

The camp pictures have arrived and are on display on the porch of the clubhouse. Boys are limited to purchase only three unless special permission is given by their parents.

More next week.

Dodgers Win In Peanut League

The Dodgers scored six times in the first inning then hung on for a narrow 12-11 win over the Cubs in their playoff game for the first round title. The Cubs threatened right up to the final inning as the game ended with two Cub runners on base. After trailing 9-1 the bubs got things going with a big seven run third inning. From then on it seesawed back and forth until Mike Lord doubled home Ralph Done with the winning run in the sixth inning. Stan Warner emerged as the hitting star, along with Doan, as he collected three hits for the Dodgers.

In the opening play of the second round the Braves posted two wins with victories over the Lions and the Cards.

Paul-Reed Wins in Women's Laaguo

Paul-Reed defeated Puffs to give them the Women's league title for the first round 11-6. However it took seven runs in the final time at bat before the Champs were victorious. Puff's battled on even terms until the fatal inning. Francis Novak tripled with the bases loaded to do the most damage. Her third inning double also scored an earlier run for the winners. Erin Arvella paced the losers with two base hits.

Bloopar Opens Second Round

Novak's Insurance stung Holm and Crain Wrecks with their first loss with a 14-5 lesson. The winners seored in every inning for the win. Biggs and Daugherty swung the big sticks with two hits each for Novak's. Guy Smith and Glenn Crain did likewise for the losers.

Consumers picked up an easy win defeating Browns 18-3. The winners scored fifteen thimes in the middle innings to coast to the win.

Pee Wee Load Tied

The Jets hung a defeat on the Comets 10-5 to hand them their first loss of the season and as a result moved into a tie with them for the lead in the eight and nine year old league.

Your Community Chest

The Community Chest campaign to raise funds for 12 agencies will get underway shortly. This is the second in a series of articles designed to show contributors how their funds are utilized to benefit the residents of this area.

The Salvation Army has entered a request for $375 from the Charlevoix Community Chest.

Everyone is aware of the work of this fine organization which has been serving the people of Michigan for 70 years.

Among its services are care of unmarried mothers, prison and parole programs, missing persons service, summer camps for mothers and children of the poorer housing districts and 'golden agers'; transient welfare, family welfare, emergency disaster and other services designed to aid the less fortunate.

Last year two unwed mothers from Charlevoix county were given assistance costing approximately $300 per case, according to the report.

A breakdown of the Salvation Army request of $375 shows that $75 has been earmarked for welfare; $250 for home and hospital care of unwed mothers; $50 for other state services including the Alocholic Center, Prison and parolees, Veterans Facilities, Fire and disaster service, missing persons bureau, Children's Home, School for Officers' Training, Officers' Retirement and Administration.

Michigan Beil uses Mobile Unit for Training Classes

The Michigan Bell Telephone Company has begun using a mobile class room to train its plant construction forces throughout the state.

The portable classroom is towed from community to community and set up outside the local Michigan Bell garage. The mobile classroom can accommodate from eight to 20 students.

An instructor travels with the unit, ensuring that the same training methods are taught throughout the state.

The eight by 40 foot trailer is equipped with folding chairs, visual aids, and the various types of telephone equipment needed to simulate local field conditions.

More than 1,200 construction men have attended classes in the portable classroom at 26 locations, extending from Detroit to Petoskey. The initial course covered new cable handling and testing techniques.

Eugene T. Joyce, general construction superintendent for Michigan Bell, said the mobile classroom has cut training costs by at least 50 per cent.

Students are enthusiastic about the new mobile classroom. The training is geared to the types of equipment used in each locality.

The portable classroom also cuts traveling time, and students can park their cars outside the "school." At night, they can drive home to be with their families.

What TV Stars Do For Entertainment

What do big Hollywood stars like Marjorie Lord do when they're not working? Well frankly, their liesure time is pretty well limited by long hours and tight traveling schedules. But, when they do find a few minutes to call their own, they enjoy doing all the things that other people have more time to do.

Danny Thomas' T.V. wife, Miss Marjorie Lord, has been starring in "Blythe Spirit" at the Cherry County Playhouse. Marjorie did find time from her busy schedule and spent a quiet afternoon at Brownwood Acres, a favorite spot with many of the stars who visit our area in the summer. She enjoyed a liesurely lunch with Mary Louise Morse, owner of Brownwood Acres, and other friends at the new Brownwood Farm House. and like most girls, Miss Lord liked the shops at the Brownwood Honey House.

Organizing Weekly Contract Bridge Tournaments Here

Weekly bridge tournaments for the benefit of contract bridge players in this area have been started by Don Gragg of Dearborn, a chartered director by the American Contract Bridge League. Games are scheduled for each Thursday at the Holiday Terrace hotel, Charlevoix, from 8 to 11 p.m. Duplicate bridge games have been planned for each Thursday until Sept. 1.

The early sessions have had players from most areas of Northern Michigan. Local participation has been small, possibly due to the fact that few of the many Charlevoix contract bridge players have been unaware of the weekly contests. All contract bridge players are invited to play any Thursday evening they wish. It is not obligatory for players to be present each Thursday because all play is for individual master points.

"You don't have to have a partner," Mr. Gragg says. "If you don't have a partner we can usually find one for you."

Under duplicate bridge, the same partners play together all evening but are matched against other partners for a designated number of hands. The partners are rotated so that all partners play the same pre-arranged hands during the course of the evening. Winners are determined by comparative scoring for master points.

Fractional point certificates are awarded by the American Contract Bridge League. There are no other prizes or awards. Play is strictly for fun and competition along with the master point rating with the national league.

Mr. Gregg, a principal in a Detroit school, has been a cottager at Lake Louise the past 30 seasons. He is an enthusiatic contract bridge player, approved as a director of tournament play by the league, and this season he is directing contests in Cheboygan, Wequetonsing and Charlevoix. While there are more than 4,000 clubs in the United States recognized by the national association, the only other club in northwest Michigan is in Traverse City.

Mr. Gragg points out there is no membership fee. Players pay a nominal fee only the evenings they wish to play.

It is his desire to find a local director to continue the tournaments throughout the winter months under the sponsorship of the league.

Winners last week were Capt. P. S. Tambling of Torch Lake and C. J. Cline of Central Lake. Two local players rated in the top ten.

Nipper Makes Good As Leader Dog For the Blind

Leader Dog 'Nipper', former local pooch, and his sightless master, Henry Souler, pictured after completing their joint training program at the Leader Dog School for the Blind.

* * *

"Local Pooch Makes Good" might well be the headline on this story for it tells of "Nipper", once owned by Dean Davenport, who has 'made good' as a Leader Dog for the Blind.

Mr. Davenport gave his dog to the Leader Dog School for the Blind at Rochester, Michigan last fall. After an extensive training period during which only 30 per cent of the 'candidates' survive, Nipper came through with flying colors and was ready to take on the responsibility of a blind master.

A recent report from the school revealed that Nipper and his new owner, Henry Souler of Michigan has successfully completed their joint training program and were able to leave the school, the only one of its kind in the country.

As Harold L. Pockington, executive director of the school, wrote to Mr. Davenport, first president of the Charlevoix Lions club, "You, your club through which Nipper was given to the school and all of Charlevoix can be justifiably proud of Nipper for, as you know, not more than 30 per cent of all dogs accepted actually complete Leader Dog training. Through your interest and generosity and Nipper's hard work one more deserving blind person has been placed baek in the mainstream of life."

The Leader Dog School at Rochester is sponsored and supported in part by Lions clubs everywhere.

The proceeds from the White Cane sale to be sponsored by the Charlevoix Lions Club will be utilized for the sight conservation program of the organization. This includes the Leader Dog School for the Blind.

All Star Teams Set for Annual Venetian Games

The rosters for the all star teams that will play during the upcoming Venetian celebration have been released to the public. There will be three games during the weekend pitting the Charlevoix all stars against an all star team from Kalamazoo, In a double header starting at 7:30. In the preliminary game the annual Peanut league game with the stars from the East side of town going against the top players from the West. This game is scheduled for 6:00.

Representing Charlevoix playing against Kalamazoo will be the following players: Morweld Steel, Bob Klooster, Tom Welland, Hank Klooster, and Bob Drenth; Lake Construction, Sam Supernaw, Deano Davenport, and Ted Potter; Brows, Ken Parish, American Mold, Ken Balch, Ken Wojan, Harv Cole, Des Milligen, and Jim Alger. Kalamazoo will be bringing with them most of the players from the top team in the city plus the two top pitchers and the home run leader.

In the peanut league game the rosters are as follows: East: Plum, Carey-Tigers, Terrill-Pirates, Warner, Cummings, Crain, and Warner-Braves, Wilks, McKenzie-Dodgers, Seese, Pease, Blissett-Cubs.

For the West: B. Carey-Tigers, Swanson-Pirates, Doan, Lord, Warner, and Solomon-Dodgers, Fiedorek-Cubs, Lieberman and Grunch-Lions, Ostrom, DeYoung, and Russell-Cards.

Oil Company Sends Former Resident to Spain

A former local resident, Anthony E. 'Ed' Novotny now living in Muskegon, will be among the four Muskegon refinery employees of Marathon Oil Co. who will leave later this year for La-Coruna, Spain, to help operate a new petroleum refinery there.

The son of Mrs. A. F. Novotny, he will be accompanied by his wife and four children.

The families will leave Michigan in December so that the men will be on the job to ready the overseas refinery for operation early next year. They will also assist in the training of Spanish technicians who will eventually operate the 40,000-barrel-per-day plant.

The Spanish city, a community of some 170,000 is on Spain's northwest coast about 600 miles from Madrid. It is a resort area as well as an important fishing center. When completed the Coruna plant will be Spain's third petroleum refinery.

Meanwhile, the Novotnys and their fellow workers and families are studying the Spanish language and the culture and history of the country. Upon arrival in Spain they will receive four weeks of intensive language training.

Mr. Novotny, 34, has been with the company since 1954.

The assignment will keep them in Spain for two years.

A surprised and elated Sharon Russell is pictured here as she was crowned 1963 Venetian Festival Queen by Linda Neff who was accorded the same honor in 1962.

Queen Sharon, 18, and a recent graduate of the Charlevoix high school, was selected ta reign over the Venetian Boat parade and to represent the city during the coming year from among six candidates for the honor. Tammy Kroll, daughter af the Thomas Krolls of Petoskey was the crown bearer.

The coronation ceremony was incorporated into the variety show held in East Park Sunday evening.

Queen Sharon's first duty after receiving her crown was to serve as a judge in the Venetian Boat Parade which followed the variety show.

The daughter of Mr. and Mrs. Albert Dussell, Sharon has followed in the footsteps of her sister, Wanda, now Mrs. Kit Carson Jr., who was named Venetian Queen in 1959.

Venetian Festival Attracts Thousands

Charlevoix's 1963 Venetian Festival is now history. The two-day event, which opened Saturday afternoon with a street parade and closed late Sunday evening with the Venetian Boat Parade and fireworks display, attracted several thousand people to the community through the crowds throughout the weekend were not as large as in previous years.

The festival featured a variety of events beginning with an outstanding street parade led by the Charlevoix high school band. The popular children's event, the Dall, Pet and Dress-up parade in which 71 children were entered fallowed in East Park. The afternoon festivities also featured kids' races under the sponsorship of the Kiwanis club.

The variety shaw at 7 p.m. highlighted by the coronatian ceremony, cancluded the land events. With Bab Humphries as master af ceremonies this featured a variety af entertainment including daneers, singers and instrumentalists. Several area queens were also present and were presented ta the packed audience that had assembled in East Park ta watch this and the ensuing Venetian Boat Parade and fireworks.

The Venetian Boat parade was made up of 17 baats thaugh 23 entries had been received. Judges were Lt. Col. Joseph C. King af the 12th Detachment af the 10th Radar Bamb Scaring Squadron, Gardan Guillaume af Petoskey, Jahn Lachman of Hoskins Manufacturing Co., Queen Sharon Russell and Mr. Humphries.

Winners inn the three eategories follaw: boats 20 ft. and under: first, Jahn Ochs entry, a well-lighted gandola complete with gondolier; second, Peter Pan and Tinker Bell entered by Tom Hawley and Tony Genia; third, Ben Rassieur's entry, the Lach Ness manster.

In the secand categary, boats 21 ta 30 ft. In length the Sbakespeare club entry, a Venetian gondala, won first prize and also the traveling plaque far the most beautifully decorated baat in the parade; the Garden Club's huge litterbug placed second and Frank Webb's Ad Infin-atam, a replica of the Big Rock Point atomic plant, wan third place.

The beautifully decoroted and well lighted Lions Internatianal flaat, "Aid to the Blind araund the World", placed first in the over 30 ft. boats. The Kiwanis club's Hillbilly flaat complete with still and hillbilly band placed secand and the Belvedere golf club entry, a Paul Bunyan-size golfer wan third prize.

Prizes af $50, $35, $25 and $20 were awarded in each af the three categories.

A surprise entry in the parade was the real steambaat, "Gertrude" entered by Ralph Bartholomew of East Jordan with its smokestack emitting sparks and its steam whistle tooting merrily.

A variety af gift certificaes were awarded to the prize-winners in the street parade, the finest in recent years. Prize winners include: Industrial flaats: first, Walker's Marina; second, Hamiltan's Boat Yard; individuol floats: first, Refarmed Church af Charlevaix; second, East Jardan Hillbillies; third, Loony-Bin, the Dale Boss child; faurth, Water Wanderland entered by Janet Schofield and Marcee Wallace.

Rezoning for Amusement Park Fails to Get Council Support

A request by Allen Pease to change the zoning in the area of his amusement park to permit matorcycle and motar scooter rases failed to get suppart far a vote of the city council at Monday night's meeting.

The issue had been tabled earlier ta allaw councilmen to visit the park during the races Saturday evening. The resolution to rezone the property ta permit racing received na support so remained tabled. Petitions signed by 34 ward residents and 12 tawnship residents abjected ta the praposed change.

A seeand request to change the zoning of a piece of praperty an West Upright ave. from Residential District II ta Commercial District II ta permit eanstruction of a plumbing shap by Novatny Brothers Plumbing was approved.

Another heoring regarding the rezoning af praperty has been scheduled for 8 p.m. an Monday, Aug. 26. The request asks that the Hal Hill praperty at Burns st. be rezaned from Residential 1 to Cammercial 1.

A resolution presented by the Michigan Waterways Commission regarding the city's participation with the commission on a matching fund basis to increase the power in the yatch basin was appraved. The project which wauld increase the amount of pawer to the docking area will cost an estimate $7,000.

The council voted ta engage the engineering firm af McNomee Porter & Seeley of Ann Arbor ta make a study of the water supply and pressure needs for the narth side.

The street improvement pragram as proposed by the street committee and City Supt. James Taylar was discussed. A ceiling of $15,000 was placed on the waork which will include prime and triple seal on several streets.

It was annaunced that the canversion af the Bellaire hydra plant to a semi-automatic aperation would begin Aug. 10. The plont generates 300 KWH for use here.

Mayar E. D. Hawley was designated as a voting delegate at the forthcoming Michigan Municipal Leogue conference ta be held at Mackinae Island Sept. 5-7.

Bills tataling $14,896.53 were opproved and ardered paid. The figure includes a payment to R. G. Holey Co. in the amount af $1,895.50 far line poles and a payroll of $8,104.80.

Ready for Waterfront Fair

Charlevoix's most popular summer event, the Waterfront Fair far Artists and Craftsmen, will be presented in East Park Saturday, Aug. 10, Mrs. Jack Rader, general chairman, has announced.

Here Mrs. Rader (right) and her most active cammittee member, Mrs. Julius Gilbert are shawn with a picture dane by the German artist, Kat Lindeman af Frankfurt, shawing her version af the fair. The work was dane last year when Miss Lindeman, who was visiting in this area, exhibited at the fair and then did this painting af it which later was purchased by Mr. and Mrs. Gilbert.

This year's fair, the fifth annual, promises to be mare suecessful than ever. On Wednesday the Chamber of Commerce, sponsar of the event, reported 69 entries with many others anticipated befare the deadline Aug. 9.

Amang the eorly entries are 31 new exhibitors. The number includes more than 35 amateurs and 30 prafessianals, 12 of whom are teachers. The figure is expected to surpass the 103 entries in 1962.

Arts and crafts exhibited at the Waterfront Fair are the original works of the artists and craftsmen.

Anather artist who is exhibiting far the first time will be the young sculptar, Allen Harris af Philadelphia and Ironton, wha will shaw several of his pieces.

A feature of the fair has been made possible through the generosity of Mr. and Mrs. Nathan Cummings af the Ancharage here and of Chicago and Palm Beach who have brought twa pieces of their famous collection ta Charlevoix for the fair. This is the second year that the couple has loaned paintings so that visitors ta the fair may have an aappartunity to view real art.

Also to be faund an display will be jewelry, watereolars, oil, pattery as well as drawings, and ather forms af art.

The Waterfrant Fair is sponsared by the Charlevoix Chamber of Commerce. There is no charge far the event which is held in the aut-af-doors where visitors may browse, talk with the artists and craftsmen, enjoy the campanionhip of other art lovers, have their picture sketched or select an ort piece far their home.

Assisting Mrs. Rader and Mrs. Gilbert in planning the foir are Mrs. J. F. Webb, Mrs. Francis J. Mann, Mrs. Paul Kohler, Mrs. Karl J. Erber and Clark Nehls.

Charlavoix's..... Waterfront Fair for Artists and Craftsmen moved into the 'big time recently when it appeared on tha August calendar of world-wide avents to see as recommended by .."Show", .the magazine of the arts. The event appeared on the calendar which lists popular events in all the arts around the world through the efforts of Mrs. Julius Gilbert of Charlavoix and Detroit, an ardant member of the Fair committee.

Radar Bomb Scoring Squadron Begins Supersonic Activity

Detaehment 12 of the 10th Radar Bomb Scoring Squardron went into operation at Bay Shore on July 22, according to Lt. Col. Joseph C. King, commanding officer of the unit which was transferred here from Ironwood last month.

During the first week of operations a number of sub-sonic, simulated bombing attacks were scored. However, the sonic booms heard in the Petoskey-Charlevoix area during the first week were the result of other Air Force aetivity which was in no way related to the bomb seoring operations.

Col. King went on to say that an Manday, supersonic activity was scored for the first time by the bomb seoring unit at Bay Shore. While the B-58 aperations shauld not increase greatly, the number af sonic booms narmally experienced in this area, he said he did feel a responsibility to provide infarmation to the people residing in the area affected.

Quoting an explanation of the sonic bomb released by the Strategic Airforce Command, of which this detachment is a unit Col. King said that, fa many people startled by its abrupt saund, the sonic boom seems a noisy and unnecesary nuisance.

Unlike most nuisances, however, the sonic boom is unavoidable, and because of the world situation, it is a sound we cannot live without. It is a sound that will be heard more and more often as the United States progresses further into the age of supersanic flight.

At this time, only military aircraft are capable of creating a sonic boom, but in the future, it is likely that civilian airliners and transports also will travel supersanically on their longer flights.

Despite some thaught ta the contrary, sonic baoms are not caused by "aerial hot-radders" at play, but by mature, dedicated air crews seriausly studying their war-time jobs.

The sanic boom first came to the Strategic Air Cammand with assignment of B-58 aircraft, the free world's only bomber able to fly at speeds greater than the speed of sound. Tactical Air Cammand and Defense Command, alang with certain Navy units; earlier had fighter aircraft capable of breaking the saund barrier. Today, sonic booms are created by aircraft af all of these organizations.

In time of war SAC crews will caunt on the tremendaus speed of the B-58 'Hustler' to dash to an enemy target and return, keeping to a minimum the time the plane wauld be exposed ta enemy defenses.

In order to fulfill their war-time roles, SAC's B-58 crews must fly training missions under canditions similar to those they may be required to fly in war-time. These flights may produce sonic booms nat unlike thunder, disconcerting enough to startle a person and loud enough to rouse an average sleeper. As

Circlin' The Bases

By LEANO

Huge Crowd Views All Star Games

With nearly 2000 spectators looking on the City all-stars game within an eyelash of sweeping a double header from a highly rated Kalamazoo team. Charlevoix won the first game 4-0 behind the masterful pitching of Bob Klooster. Big Bob allowed but three hits and allowed only six men to get on base. The locals opened the scoring in the first inning when Ken Balch opened the game with a line single. Klooster followed with a line shot homerun over the centerfield fence. In the third inning base hits by Marv Cole, Bob Drenth, Sam Supernaw, Bob Klooster, and Ted Potter produced two more runs.

In the second contest the City Stars led 2-1 until the seventh inning. Then the Kazoo bats came to life with five base hits and six runs for the 7-2 win. The winner's pitcher, Bob Moore, struck out 18 Charlevoix batters in a dazzling display.

Merchents Pull Upset In A League

The patient City Merchants won their first game of the season by upsetting Lake Construction 4-0. The winners broke a scoreless contest in the seventh inning with four hits, the big one by Barry, with the bases loaded and two out. Wright pitched a great game for the winners allowing only a disputed infield hit and striking out 17 batters.

Browes opened the second round by blasting the Merchants 10-0. Ken Parish homered with the bases loaded in the first inning. Hitting stars were aplenty for the winners with Al Wojan, Bruce Kroken, Parish, and Steve Faculak each collecting two hits.

Morweld did likewise to the Merchants beating them 10-0. A five run fourth inning did the trick for Morweld.

American Mold got back into the win column with a 16-3 whipping of Browes. A wild seven run seventh inning highlighted the rout. Scott Supernaw banged out three hits for Mold while Rick Grunch homered in a losing cause.

Junior League

Barnard started off on the right foot in their battle to get back in the race for the second round title with a 16-0 win over the VFW. Ben Cunningham had two doubles as the winners scored in every inning.

The league-leading A & W nine used a ten run second inning to blast the scouts 11-6. Chip Terrill and Ed Holm paced theattack and Tom Maxwell collected two hits for the losers.

Peanut League

The Lions scored all their runs in three innings, but it was enough to give them a 11-6 win over the Tigers. Mike Etienne and Craig Lieberman homered for the winners.

The Pirates scared the Cubs before losing 7-4. The Cubs came up with three runs in the sixth inning for the win.

The Dodgers also had to rally for their win over the Pirates with two runs in their final time at bat for a 8-4 win. Ralph Doan had two Dodger hits while Ned Henley collected the only Pirate safety.

The Lions picked up an important victory by whipping the Cards 9-6. Craig Lieberman banged out three hits for the Lions while Bob DeYoung had two for the Cards.

East Wins All Star Game

The Eastern all stars scored in nearly every innlng to defeat the West 10-3 as part of the Venetian weekend. It was a team vietory for the East with all sharing in the hitting. Dan McKenzie and Jim Warner, however, each picked up two important hits.

Voice of our readers

In your editorial of last week's issue, whether or not it was intended, you appeared critical of the concern of homeowners about the broken curbs, aldewalks, driveways, and damage to carefully tended grass strips, which were the result of the installation of gas mains on our streets.

This concern is, no doubt, born of the knowledge and experience that, however honorable may be the intentions, once the job is done and the contractors on their way, the attempt to have damages repaired is a rather frustrating and long-drawn out operation. Perhaps, the concern of a few of our citizens may have alerted Michigan Consolidated Gas of their responsibility. For, after all, altho we welcome the convenience, they requested permission to come on our streets and they are expecting a dividend from the operation.

However, most of the concern voiced by the councilmen and by interested citizens was over the inexcusable and irreparable damage to our street trees, in many cases chopping off the roots right next to the trunk of the tree. It appeared that the council had expected the Gas Company to tunnel under, at least, the best of the trees. What happened?

Upon insistence by some of the council members and by individuals present, the Gas Company finally stated that they would tunnel under all the trees.

But the damage has been done to the bulk of our trees, and about the only remedy to help the trees pull thru is excessive watering and fertilization to compensate for the lost roots.

The Gas Company stated that they had had no trouble with their installations killing trees. This is understandable since the result of the damage does not show up immediately, but becomes evident in one, two, or several years, with a branch dying here and there, leaves becoming smaller, and disease and insects entering the damaged tree. By this time the orlginal damage causing the poor health or death of the tree is forgotten and attributed to an act of nature.

If Michigan Consolidated Gas is sincere in their expressed desire to repair all damage, they should be willing to participate in a survey and tagging of the presently healthy trees which have been damaged, to inspect them for several years, and to replace any resultant dying trees with a fair-sized tree for our future citizens and visitors to prize and enjoy as we do the present trees.

Sincerely,
Ted R. Miller

The Queen is Crowned

Courier Photo by Mick Smith

1963 Venetian Queen Sheron Russell is pictured here with her lovely members of her court following her coronation Sundey evening.

They are (l to r) Martha Coleman, Carolyn Brady, Ruth Ann Miller, Judy Walker and Ruth Schofield. The crown beerer is Tammy Kroll of Petoskey.

The queen was named by Jack Behan of Petoskey radio station WMBN, Mrs. Thomas Kroll, also of Petoskey, and Mrs. Arthur K. Rouse of Boyne City. Her identity was not made known until the coronation Sunday.

Radar Bomb Scoring Begins Activity

Continued from page 1

B-58 bombers are delivered in greater number to SAC, the frequency of their training missions will increase along carefully planned flight corridors.

A sonic boom is caused by schock waves which build up around an aircraft flying at supersonic speeds . . . normally about 762 miles per hour at sea level. The waves form a cone, extending back from the nose of the plane, much like the waves created by a boat speeding over water. The shock waves travel to the ground at the speed of sound and follow the path of the aircraft. The waves become audible when they slap against the surface of the earth.

Supersonic flights are not authorized below 35,000 feet.

Sonic booms cannot cause structural damage to a house or building or directly injure a person.

In response to the question "Can a sonic boom do any damage at all? The answer is yes, under certain circumstances.

The Air Force is setting up methods for paying for claims resulting from sonic booms and has established the following policy: plate and window glass may be broken by sonic booms. A substantial percentage of all window panes have internal stresses left during manufacture or imposed when the glass was mounted in the frame; light bric-a-brac may be shaken or vibrated from shelves; loosely latched doors may be pushed open and damaged; there is a possibility of aggravation of existing plaster cracks only when extensive glass damage is present. Without extensive glass breakage, aggravation of existing plaster cracks is unlikely; structural damage to foundations and load-bearing walls is practically impossible; no sonic boom pressure is strong enough to injure a person.

If you believe you have a legitimate claim against the government for damages incurred as a result of a sonic boom, contact the claims officer at the nearest Air Force Base (Kincheloe or Wurtsmith Air Bases). All possible assistance will be given to satisfy your claim.

Former Summer Resident Dies From Hornet Sting

A Cooperstown, N.Y., surgeon, Dr. James Mithoefer, 49, a native of Cincinnati and former Belvedere Club resident, died Sunday of multiple hornet stings.

The hornets had attacked him in swarms when he went to remove vines which had grown over a window in his Cooperstown home.

He was rushed to Mary Imogene Bassett Hospital, where he served on the staff as an associate surgeon, but lost consciousness enroute. He died about five hours after the attack.

A hospital spokesman said the unusual death was caused by anaphylactic shock, which occurs as the result of an allergy. According to medical authorities, it is very rare for death to result from hornet stings.

Dr. Mithoefer was the son of Mrs. William Mithofer of Cincinnati and the late Dr. Mithoefer. He was well known here, having been reared since childhood at the family cottage here.

of California using a new high speed color film, are expected here this weekend, according to Dave Banks, of Netherwood, producer of the company.

The spectacular night-time boat parade and fireworks were filmed by a new process which may produce the first night-time colored motion pictures of the festival, which was filmed in its entirety by Mr. Banks.

The colored films of the festival will be included in Artista's "Lure of the Lights' series being filmed throughout northwestern Michigan from Traverse City to Mackinac City by Mr. Banks who hopes to have the screening of the footage available within 10 days.

News Round-up at Camp Charlevoix

The fourth week of camp dawned bright, sunny and hot with Monday morning finding the camp excited about the three day horse trip leaving. The lucky twenty five boys and the five cowboys were all busy packing, getting hats to protect the riders from the sun, and the trips department was busy packing food and tents, etc. It was quite a sight to see this long line of riders and horses leava camp. In fact, it was very impressive.

The boys chosen to go on this trip were: Jim Kuehn, Tom Laskey, Brady Shea, John Martindale, Joe Hawk, Chuck Reynolds, Phil Fisher, Dave Hoyt, Paul Kelly, John Cote, Keith Graves, Jim Graves, Alan Hoffman, D. J. Somers, Jim Cudiip, John Pattern, Jim Todd, Skipper Sales, Mike Flannery, Scott Graves, Brock Rodgers, Robbie Pliskin, and Peter Cudilp.

On Tuesday, the Sailors took their overnight trip down to Youngs State Park. The staff was headed by John Bingham and Jon Howard, assisted by Rusty Gilmore, Ace Hoyt, Wes Murfin, and John Rotz. The campers were: Jim Chalat, Brad Corbin, Howie Davis, Bruce Douglas, Jack Gould, Tom Hoyt, Teddy Herrlinger, Bick Huber, Eric Jensen, Jay Jorgensen, Frank Kolbert, Steve Manis, Bob Mardigan, Steve Martin, Art McKenny, Jim Niezer, Rick Osborn, Pete Renchard, Bill Stout, and John Ther. It was quite a sight to see the seven sailboats take off. The boys were busy ordering their camp pictures which arrived over the weekend.

On Wednesday, the sailors returned from their trip, and the riders returned from their three day horse trip.

Larry Takalo, our canoe man, took a group of boys on a trip down the Jordan River. These boys were: Rusty Smith, Ernie Kelly, Rick Nichols, Jack Requarth, Jim Holloway, Peter Eberback, Jeff Gould, and Larry Light. Assistant Counsellor John Steffensen and C. I. T. Mark Taylor were the assistants on this trip.

In the evening, the Intermediate Softball team challenged the Senior Softball team to a game which the seniors won. Later, the entire camp gathered in the Bigwam to see the movie "The Adventures of Robinson Crusoe". It was a color picture and as one of the boys said as he left the show, "Gee, Ken, that was tha best movia I have seen at camp."

Thursday was a regular day at camp with activities going full force and the canoe trip coming in.

Friday the Camper Council met and decided that the funds from the Chapel Collections, the Carnival, and the Rodeo refreshments were to go to three sources: The lady in Charlevoix to provide battery service to her electric wheelchair; to the Michigan Society of Epileptic Children camp to send two children to camp this summer, and to the Foster Parents Organization to support a European orphan.

The boys who were going home Saturday started to pack their trunks and gather oll their gear from around the camp. In the afternoon, as it was so hot, all activities were called off and a waterfront afternoon was held with the entire camp enjoying the lake and the sandy beach.

Saturday was a very busy day here in camp with over a hundred and fifty sets of parents visiting us to either take their sons home or to bring their boys for the second period. It was a lovely day, and though the morning was a sad time with boys leaving, the afternoon was a gay time with the new boys arriving and the full season campers busy showing the new boys around the camp. It was most gratifying to hear all the nice compliments on the staff, the way the camp looked and above all, how well the boys liked camp.

In the evening we had a song fest in the Bigwam with our staff trio leading the campers in many folk songs and from the sound of the singing and watching the boys, a really great time was had by all.

Sunday morning at our chapel service the head of our waterfront, George Mott gave a very fine talk on the Golden Rule, bringing in many examples which apply to the campers and their experience here.

After chapel and in the afternoon, swim tests were given, and our camp nurse Pat Kuehn was busy giving the new boys a physical. It is olways amazing what she discovers, ear infections, athlete's feet, and a few other minor ailments.

In the evening, the C. I. T.'s assisted the staff trio in performing at the Venetian Night celebration in Charlevoix and we were very proud of them as they sure are professional. The campers had a movie here in camp, and they all went to bed anxious for Monday morning and the start of their chosen activity.

Early Sunday morning, the cowboys left with a load of horses for the horse show at Gaylord where we gathered a fine group of ribbons. The boys going to the show were Rusty Smith, Jim Todd, and Tom Laskey.

We would like to urge parents, grandparents, uncles and aunts, etc. not to send candy or gum. This is a camp rule and we desire the parents to cooperate as it causes a problem all the way around when this rule is broken.

RECORD OF THE COUNCIL

July 22, 1963

The Common Council of the City of Charlevoix met in Special Session on the above date with Mayor Hawley presiding. Aldermen present; Staley, Fochtman, Gill, Grubaugh and Neff. Absent: Alderman Parsel.

The purpose of the meeting was to discuss with officials of the Michigan Consolidated Gas Company the grievances that the Council and the Citizens of Charlevoix may have in regard to laying of the gas lines in the City of Charlevoix.

Enter Alderman Parsel.

Complaints were registered by the Council members and several Citizens, principally in regards to sidewalk, curb and tree damage and sodding or reseeding of torn up lawns.

Mr. Montrose of Michigan Consolidated Gas Company answered the grievances by assuring the Council that all damages would be repaired and everything would be in as good condition or better than before the construction started. It was suggested all complaints be brought to the attention of the Gas Company.

On motion the Council adjourned.

Community Chest Fund To Benefit Twelve Agencies

The Community Chest campaign to raise funds for 12 agencies will get underway shortly. This is the third in a series af articles designed to show contributors how their funds are utilized to benefit the residents of thi area.

The Crooked Tree Council of the Girl Scouts of America is one af the 12 agencies participating in the 1963 fund campaign.

The council has entered a request for $1,812, the iargest request ever entered by this group. However, this la accounted for by the fact that Charievoix is now operating as a member of an areo councii. In this instance, the council is composed of 11 northwestern Michigan counties with Girl Scout organizations in 40 counties in this area.

In the Charievoix area which takes in Bay Shore there are 10 troops in which 167 girls of various ages are enroiled. There are 21 voiunteer adults working with these troops as leoders, ossistant leaders and in vorious other capacities.

It is anticipated that the troop beginning of the 1963-84 schaol enroliment will grow with the year ond that more adults will be participating in the program, according to Mrs. Benjamin S. Gill, Neighborhood choirman.

Based on the present membership, the program costs $9.05 per giri under the council plon.

Remember When the First Railroad Circus Played Charlevoix?

Friday will mark the 70th anniversary of the first great railroad circus to show in Charlevoix, according to Clyde Wixom, grandson of Mat Wixom who operated the circus for many years. Mr. Wixom has o summer home on Park ave.

Writing to the Courier this week, Mr. Wixom reminisces ond brings to date reports from the Charlevoix Sentinel and the Manceiona Herald. The letter follows in full.

Dear Sir:

While perusing an issue of the Charlevoix Sentinci, dated Wed., Aug. 2, 1893 some time since, I observed this item in its "Local News" coiumn, viz: "Mat Wxom's circus next Wednesday, Aug. 9."

On the same date, Wednesday, Aug. 2, 1893, the Mancelona Herald commented, in part, thusly: " . . . the (Wixom) show this year contoined many new attractions that took well, and unlike a great majority of tented shows does not tolerate the presence of fakirs and thieves who are generaliy found piying their nefarious vocations at, or nearby the show grounds, and who rope in the poor deluded suckers, without pity or mercy. Mat Wixom's circus makes o pretense towards respectability and, if for no other reason, it is deserving of patronage."

The Chicago and West Michigan Railroad was compieted in June, 1892, running its first train on Mondoy, June 28, 1892. While other circuses may have gone thru Charievoix enroute to or from Petoskey, Mat Wixom's Great Railroad Show was the very first railroad circus using the new railroad to exhibit in Charlevoix. The show grounds were on Nettleton ficid on Petoskey Road (about where the IGA store is todoy).

It seems, according to onother item in the Sentinel, that a "Local recital billed for the Lewis Opera House as the "Gale Entertainment" was, because of the appearance of Wixom's Circus, postponed from Wednesday, Aug. 9 to Friday, August 11."

Mat Wixom, who, by the way was a ciose friend of Mr. Wiii Hampton, o former publisher in Charlevoix, was my grandfather. Clyde Wixom, who has a summer home at 404 Park avo. was born on o circus wogon 74 years ogo this coming October.

The above couid most fittingiy be headlined "Do You Remember?" - Wixom's Raiiroad Circus here 70 yeara age.

I feit this would be a timely item for your issue of the Courier which will be dated Thursday, August 8.

Respectfully submitted,
Yours truiy,
Clyde Wixom

Plan Hearing on Proposed Minimum Wage Legislation

Empioyers and empioyees of the Grand Traverse region will have an opportunity Wednesday to express their opinions on proposed minimum wage iegislation for Michigan, according to Representative Don Gordon, of Leiand, chairman of the House-Senate committee conducting the pubiic hearings.

The hearing will be conducted from 10 a.m. untii noon at the Park Palace hotel.

Witnesses will be limited to 10 minutes. Written statement, with copies for each of the six members of the committee are requested, but not mandatory. Witnesses who require more than 10 minutes will be asked to summarize their remarks and submit a complete statement for record.

Walt Draper Wins In Golf Tourney

Walt Draper of Torch Lake was the winner of the first annual Eastern Michigan University Arm of Honor golf tourney staged Saturday at the Charlevoix municipal golf course.

He posted a 91 for the 18 holes.

George Driggett of Milwaukee, Wis., who is spending the summer here, placed second with a 93.

Other entries were Lloyd Olds of Eastern Michigan University in Ypsiionti, Ralph Foster of Good Hart, Leo Spencer and Les Coatta of Torch Lake. E. Jim Houston of Detroit and Ossie Osborn of Central Lake.

Mr. Driggett and Mr. Coatta were co-chairmen of the event.

Grandvue Medical Care Facility to Sponsor Bazaar

The Grandvue Medical Care Facility near East Jordan will sponsor a bazaar featuring handicraft items mode by patients in its diversional therapy department. The bazaar will be held at the facility from 1:30 to 4:30 p.m. Thursday, Aug. 22. In the event of rain it will be held the following afternoon at the same time.

This program was initiated last January and many hours have been spent on the projects to be offered for saie. Part of the proceeds will go to the patients ond the remainder for the purchase of new materiais.

The pubiic is urged to visit the bazaar, visit with the patients and encourage them in their rehabiiitation efforts.

Hospital Guild Completes Plans For Summer Ball

The Women's Guild of the Charlevoix hospital extended an invitation this week to oil residents of the Charlevoix orea to attend the second annual gola summer baii to be held at the Holiday Terroce Hotei Saturday.

Music for dancing will be by Woyne Belding's trio beginning at 9 p.m.

Tickets moy be purchased from Guild members or ot the door.

The Ball Committee, in its invitotion to the pubiic, emphasized the foct thot this event is open to everyone ond that it will be the only benefit event to be held this summer to raise funds to purchase additional equipment for the laboratory at the Charlevoix hospital.

Open Bids for Blacktopping School Drives

Three bids for the black-topping of drives at the Charlevoix high school were opened at the reguiar meeting of the Charievoix board of education Monday night.

Bids were submitted by Northland Construction Co. of Petoskey, Hodgkiss and Douma Construction of Petoskey and Tri-City Concrete of Charlevoix. They are to be tabulated before the contract is awarded at a speciai meeting of the board next Mondoy.

It was onnounced at the meeting that the 1959 debt retirement fund (for the new high school) would require a tax levy of 3.5 mills on the schooi district's valuation of $20,438,170 as compared to 4.25 miiis ievied on the 1962 valuation of $18,420,621.

The feasability of heating the library with natural gos was discussed. Bids for the conversion of the present heating system to gas will be asked at o later date.

Max Novak of the Novak Insurance Agency was present to discuss insurance needs for the school's fleet of buses. Specificotion for the needs will be announced later. It was decided to increase liabillty from the present amount of $50-$100,000 to $100 to $300,000.

The audit as presented by Jack Baird of the firm of Cramer Beattie and Nichols of Cadillac and Big Rapids was accepted. This is to be published in the Charlevoix Courier at a later date.

Annual Frank Poole Trophy Tourney To Begin Friday

Ploy in the ninth annuol Frank Pooie trophy tournament wiii get underwoy Friday at the municipal goif course according to Keith Carey, club manager, wbo said that the tourney would be a 27-hole handicap event. The 27 hoies may be played anytime between Friday and Sunday, Aug. 18.

Entries are now being accepted at the clubhouse.

George Driggett is the defending chompion.

Because Mr. Carey must be out of town on business the week of Aug. 12, there wiii be no pianned ladies day event on Wednesday or stag night on Thursday. However, the course wiil be open for aii those who wish to play.

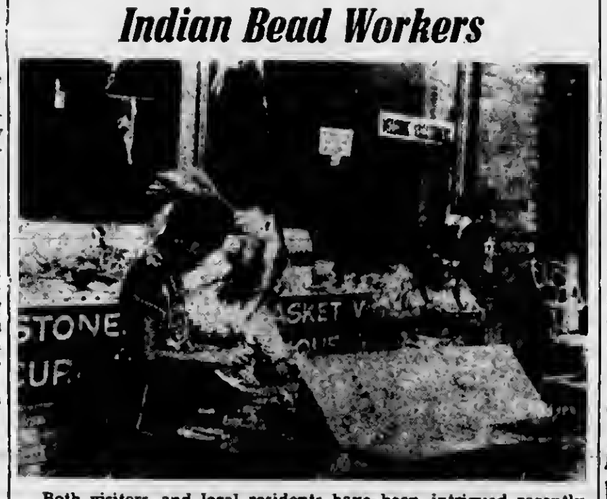
The city championship tournament is stiii to be played off, Mr. Carey added.

In the flights that have been completed, Stan Fiedorek defeated Bruce Heniey 2-1 to win the first fiight; Bob VanSchoten edged Del Terriil 2-up to take the second fiight.

In tho championship flight, Bob Livingston trimmed Bob Wallace 3-2 to win a berth in the finals against the winner of the Bob Doyie-Perry Smith match to be played. Doyle defeated Ted Ager 1-up to odvance to the semi-finals

In other flights, Dave Fowler is scheduled to meet Jim Lewis for the third flight titie and Bob Fergusan wiii take on Jim Lawyer far the senior fiight championship.

Indian Bead Workers



Both visitors and local residents have been intrigued recently by the beautiful Indian bead work demonstrations by Indians of the area.

Pictured above is Mrs. Mary deGuvara who may be seen nearly every day working at her craft on the sidewalk in front of the Rock and Relic Shop in Charlevoix. Assisting her at left is her son Joseph and in the center is a nephew, Joseph Otto. All full-blooded Indians of the Ottawa and Chippewa Iribes.

Two-Day Track And Field Day Attracts 100

The City Recreation Department's second track and field doy proved to be very successful as over 100 boys ond girls turned out for the two-day event.

In the girls division Erin Arvilla paced the senior giris by collecting four first place ribbons while Patti Rieman led the junior giris division by winning four firsts.

In the boys division Gene Hiil paced the seniors and Dick Worfel led the juniors. Each won four first ploce ribbons.

Ribbons were awarded for each of the first, second, and third place finishers in the 25 yard dash, 75 yard dash, 60 yard hurdles, broad jump, high jump, softball throw, and the 440 yard relay. Each contestant wos ollowed to enter any two of the running and the fieid events.

The following are the first piace winners:

Fifth Annual Waterfront Fair Set for Saturday

Charlevoix's East Park will be come the foeal point of the community Saturday as it becomes the site of the fifth annual Waterfront Fair for Artists and Craftsmen.

Exhibitors will begin arriving early Saturday and will have the displays in plaee by 10 a.m. when the Fair, featuring more than 100 entries, opens. It will remain open until 7:30 p.m.

Among the entries received this week is one from four members of the Peter VanderHeide family of Grand Rapids who wiii exhibit in four fields of art; Charles Cuiver, a summer resident at Beiioire, whose woter coiors have won recognition at the National Exhibition ot the Butler Nationai Show at Youngstown, Ohio; Sali Franz of Saginaw and the Belvedere Club whose oils were presented at a one-man show in New York last winter; Allen Harris of Phiiadeiphia and Ironton, prominent young sculptor and former Prix de Rome scholarship winner who will show severol of his pieces.

In addition, there will be several working displays of weaving, iapidary displays showing the preparation and setting of semi-precious stones, a demonstration caricuturist and an artist who sketches or cuts siihouettes.

For those who have never seen the fair, the sight of the terraces of East Park covered with displays arranged so visitors may browse at their icisure to view or buy is an exciting experience; to those who have attended the fair in previous years, it will mean a renewal of old acquaintances among the exhibitors and the meeting of the more than 30 new entrants in the show which is open to the public without chorge.

A highlight of the event will be the showing of two paintings by renowned French artists from the private collection of Mr. and Mrs. Nathan Cummings of Chicago who are presently at their summer home, the Anchorage. They have arranged to show Bernard Buffet's "Portrait of Annobelie", a painting of the famous mannequin who is now his wife ond Paul Signac's "Harbor at Saint Tropez", an exomple of "pointiiiiseme. The Cummings selected the latter for exhibition because it was a harbor scene and they feit it would be an appropriate painting for exhibit at a Waterfront Fair such as Charlevoix's.

Mrs. Jack Raoer is general chairman of the event. She has been ossisted in planning the fair by a committee composed of Mrs. Karl J. Erber, Mrs. J. F. Webb, Mrs. Julius Gilbert, Mrs. Paul Kohler and Clark Nehis. The Fair is sponsored by the Charlevoix Chamber of Commerce and is one of the community's most popular events.

It's Your Hospital

Most of us boast about our hospital but few of us take enough interest to be a part of the organization responsible for its continued operation. Next Wednesday the annual meeting to elect three directors and conduct such other necessary business will be held at eight p.m. in the Community Room of the City Hall.

Most of us have contributed to the building of the hospital and most of us contribute yearly to its support through the community chest and other funds. But from there on too many of us take the attitude of "let George do it".

It's your Hospital.

Chances are you were born there (9 out of 10 babies born in this country are born in hospitals).

It's the best place to go if you are sick or hurt.

In epidemic or disaster it's your community protection.

It houses the scientific equipment to help diagnose and treat disease.

It's the center for the practice of medical and nursing arts.

One of every eight persons will receive hospital care this year.

You should be interested in your hospital. Now is the time to come and hear the annual report and exercise your right to vote. There are three members whose term expires. (Any person, who contributes directly to the hospital or through the following agencies: Community Chest, United Health & Welfare Fund or similar welfare agencies of the communities which are served and support the Charlevoix Hospital and is a resident of one of these communities in good standing for a period of 2 years and over 21 years of age is eligible to vote).

Your hospital is as important to your town as its fire department and other public services ready, day and night, should an epidemic or disaster strike ready for any emergency. This is a public meeting which gives you an opportunity to come and ask any questions you might have about your hospital. Look to it when you need help . . . suoport it when it needs you.

You have a civic obligation—fulfill it.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Editor's Note: On Sunday morning, August 4th, at 3 o'clock, Timothy Edward Minch was born to Larry and Carolyn Kohn Minch, at Sparrow Hospital, Lansing, Michigan.

Prayer on the Birth of A Grandson

O God, the Source from which we all have come, we thank Thee for this sign that Thou art not discouraged with the world: a child has been born. We praise Thee for every new-born babe, for every new commingling of the Divine with our dust, and especially for this child, this bright little horizon where earth and Heaven meet.

* * * *

Bless him this day and all his days. In his infancy may he be quietly aware of the love that nurtures and shelters him. Let each day move him from helpless babyhood toward helpful manhood. May the highest ideals and noblest purposes be transplanted from his parent's hearts and minds to his fertile character.

* * * *

Grant him a curious and appreciative interest in the world around him, a zest for life, and a passion for goodness. Give him both grace of bearing and beauty in the inner man. Stretch his mind and heart to make room for Thee and a place for all mankind, and let him become like the Boy of Nazareth who "increased in wisdom and stature, and in favor with God and man."

In His name. Amen.

OUR SPECIALTY is arranging something extra special for you.

Having a party? Let us "arrange" it.

Rev. James Coombes Speaks To Farm Bureau Women

The Rev. James Coombes of the Boyne City Presbyterian church was the guest speaker at the regular August meeting of the Charlevoix county Farm Bureau Women's Committee held at the home of Mrs. Frank Matchett.

He said that drinking was the No. 1 social problem and that the aim of Alcoholics Anonyomous was to help any person who can admit to himself that he has a drinking problem. He concluded by saying there are no officers in the organization known as A.A., just servants.

Mrs. Thomas Wieland of the legislative committee asked those members who are in favor of the proposed Farm Bureau wheat and grain act to write to their senators, Philip A. Hart, Pat McNamara and Niel Staebler, telling them the reasons why they feel it should be approved.

It was reported that the Farm Bureau booth operated during the Venetian Festival here netted $105.00, $75 of which was earmarked to underwrite the cost of a ceramics kiln for the Grandvue Medical Care Facility occupational therapy department.

Patients at the Facility will sponsor a bazaar at the hospital from 1:30 to 4:30 p.m. Aug. 22. The public is invited.

Mrs. William Parsons presided nt the meetlng. Mrs. Lot Notestine led the devotlons.

The September meeting will be at the home of Mrs. Theodore Speltz, Deer Lake road, east of Boyne City.

Northside Garden Admired by Passing Tourists

It has been the contention of the Charlevoix Garden Club that beauty spots created by the planting of flowers and shrubs add to the attractiveness of the community and do not go unnoticed.

The following communication received by Mrs. Harley Ochs, president of the Garden Club, verifies this:

"Will you be so kind as to express the thanks of the seven people in our party to the lady responsible for the gorgeous roses on the fence on Petoskey ave.

"We stopped with four other cars to take pictures and feel those roses and the lovely neat vegetable garden inside the fence should not go un-mentioned by some of us who found that one of your city's most beautiful spots.

"We speak for severol visitors unknown to us who visited that spot os often as we did. Thank you." Signed: Mrs. Galen G. Groham, Winnetko, Ill.

You may hove guessed that the garden she mentioned is at the Corl F. Kohler home at Petoskey ave. and Meech st.

In Memoriam

In loving memory of my dear husband, Emmett McCann, who passed away, 1 year ago today, Aogost 11.

The happy home we shared so long,
Till you were called away,
Is home no more since you're not here,
But just a place to stay.

Mr. and Mrs. Michael J. Cull To Celebrate 50th Anniversary

St. James, B.I.—Mr. and Mrs. Michael J. Cull, beloved island residents, will celebrate their golden wedding anniversary Wednesday.

An open house at the family home to which all relatives and friends are invited will be held from 4 to 8 p.m.

A Mass at Holy Cross church with the couple renewing their marriage vows will be held Wednesday morning.

Mr. and Mrs. Cull were married at the same church in 1913. Their actual anniversary, however, is June 4 but the event is being held at this time for the convenience of those who had to come from away for the event.

Mr. and Mrs. Cull have always made their home on Beaver Island. Mr. Cull was a commercial fisherman and before the arrival of lamprey eel, operated two tugs out of St. James harbor in the days when white fish and lake trout were plentiful. Mr. Cull is now retired and spends his time in his shop, making furniture or gift items for his family and friends. He is a native of the island, having been born there July 4, 1885. Mrs. Cull, the former Mable Connaghan, was born Apr. 2, 1893. She also is a native of the island. She is still active in island affairs and, as one of her contemporaries said, keeps herself busy helping others.

They are members of Holy Cross church.

The couple has six children including two daughters, Mrs. Stanley (Betty) Lockton and Mrs. Richard (Sally) Hammermeister, both of Chicago, and four sons, Larry and Jock of Chicago, Ray of Bay City and Roland, Specialist fourth class, stationed at Thule, Greenland, with the U.S. Army. They also have 20 grandchildren.

F. B. Women Attend Training Session At Camp Kett

"If you want to know, ask" was the theme of the recent training session for officers of the District and county Farm Bureau Women's committees held at Camp Kett near Cadillac.

Attending from Charlevoix county were Mrs. Thomas Wieland, Mrs. William Parsons, Mrs. Godfrey McDonald and Mrs. Fritz Healey, the latter two from East Jordan.

They were among the 130 members from 48 counties who attended the two-day conference discussing the problems facing today's farmers and reviewing their role within the structure of the state's largest farm organization. Among the issues discussed were legislation, health, education, taxation, safety and community betterment.

The Ironton Scene

C. R. Stokes

Jene Snedeker and son, James, of Jackson are visiting Mr. and Mrs. H. Perry.

Mrs. Lena Saint Perris and son, William of Grand Rapids are visiting friends in and around Ironton.

Mrs. Gustave Young, mother of Mrs. Earl Kroll, fell and broke her leg. Mrs. Young is a patient in the Charlevoix hospital.

Andy Goes was transferred from the Charlevoix hispital to University Hospital at Ann Arbor.

Roy Meyers, postmaster at Ironton has gone to Washington D.C. on business. He expects to return next week.

Visiting the H. Perrys from Holt, Mich. are Mrs. Verna Paisly and daughters Rebecca and Alice. Other guests of Mr. and Mrs. Perry were Mr. and Mrs. Wayne Mansfield from Adrain.

Cheryl A. Stokes and her brother, Charles Craig are visiting their father C. R. Stokes and Mrs. Stokes. Cheryl and Charles are living in Hazel Park.

News Round-up at Camp Charlevoix

The fifth week of camp started off with a bang with the boys who had just arrived for the second period starting their activities. The eight week campers were a great help in helping the new boys find their way around and in helping them choose their activities. Monday was a beautiful sunny, cool, day and the ideal weather gave everyone much pep. The weight-lifters under the direction of Jon Delserone were busy getting their Isometic ropes which were the gift of Dr. and Mrs. Walter Hoyt of Akron, Ohio. Now we expect to see muscles bulging on avery boy and the weight-lifters working even harder at this conditioning.

On Tuesday, Jerry Flora (Cabin 20) took his boys down to Young's State Park. These boys were Steve Martin, Robert Logan, Larry Light, Al Knoblock, Doug Comb, Richard Michael, Peter Glessner, Tom Schrader, and Rusty Smith. In the afternoon, John Bingham took his cabin (15) on a hika ovar to Lake Michigan for overnight. It was only the second hiking trip to leave camp this year, and the boys enjoying their hike over the country roads were Stuart Watterson, Chuck Poll, Doug Nouse, Ross Dicken, Jim Lemmon, Robert Swanson, Buzz Hatcher and Tommy Case.

The Greens and the Greys met and had elections to fill the places of those leaders who had gone home. Doug Laing and Ralph Miesel were elected Lieutenants of the Senior Greys; Mark Lucas was elected a Lieutenent of the Senior Greens. The Intermediate Greys elected Steve Armington and Scott Graves. The Prep Greys chose Tom Laskey. The Juniors were busy getting their leaders picked and chose Sandy Lange as a Green Lieutenant and Chris Ziehler as tha leader of the Greys.

On Wednesday, the trips returned and other trips out were cancelled as it rained most of the day. All Sections met in the afternoon for quiz programs and at tha end, the Greens won two and the Greys won two. The score being at this stage Greens 19, the Greys 16. In the evening the movie "Journey to the Lost City" was shown. It was in color and the scenes of India were beautiful and tha campers enjoyed it a great deal.

Thursday was another day of trips leaving camp. Bill Plaides took his cabin 16 on a solling trip to Whiting's County Park. These boys were Scott Graves, Peter Crew, Jim Warner, Steve Kessler, David Harris, Mark Gillett, Pat Smith and Richard Michael. A little loter Ted Fleming took Cabin 14 on a canoe trip down the Jordan River. The boys on this trip were Mark Murfin, Doug Porker, Phil Fisher, George Southwick, Rick Bruner, Paul Kirwin, John Levin, and Bradley Comb. A hiking trip over to Susan Lake was enjoyed by Jonathon Howard and his cahin, the boys being Bill Curphey, Brady Shea, Ernie Kelly, Greg Lane, Jamie Jordon, Louis Raden, David Nagev, and Jeff Owen. The Junior Section was represented by Cabin 2. Tom Kennedy, who took his boys over to the Charlevoix Beach for the day, the boys being Kirk Kirlin, Ben Warren. John Simmer, Dan Buckley, Tom Kirwin, Randy Peterson and Artie Schultz.

Friday was a regular day of activities with the C.I.T.S (16 strong) toking off for the play at the Petoskey Playhouse. The boys came to dinner dressed in their finery and they were indeed a handsome group. Each C.I.T. was introduced in the dining room, and they left amid much applause. We do have a fine group of C.I.T.'s under the guidance of Rebel Thompson. We are very proud of this group of great boys.

Saturday was a regular day at camp with the lake in a turmoil all day and the boys enjoyed the high waves. In the evening, Cabins 21, 20, 19, and 18 in the Senior Section took off for a dance at Chippewa Trail Comp. They were all dressed up, and upon their return they reported a fine time was had by all. Tha rest of the camp on Saturday evening had a Capture the Camper event with the Greys winning by three points.

Sunday morning, our camp nurse, Pat Kuehn, gave the talk at the Chapel Service and it was one of the best talks we have had this summer. In the afternoon, we had a waterfront afternoon with swimming races, sailing races, canoe races, a water polo game, and at the end of the events, the Greens had picked up three points. So at this stage of the summer the score now stands at Greens 21, Greys 19.

We would like to have the parents plan to attend our Rodeo at three o'clock on Friday, August 23rd with the Final Indian Ceremony that same evening at eight thirty. We hope that all parents will plan to be with us. Plans are already being made for the 1964 season with twenty boys already enrolled so that they may be on a trip to Mackinac Island next summer.

More next week.

Cheboygan Here Saturday

The strongest team in Northern Michigan, and one of the best in the entire state, will be playing against the local all-stars Saturday night in a double header starting at 8:00. Ormsbee Motors of Cheboygan. Winner of 33 of 36 games this year O. M. will bring a squad paced by Bobo Johnson, one of the great pitchers in Michigan softball history. Ormsbee was runner-up last year in the state finals and are one of the favorites this year.

Morweld Leads in Men's League

Morweld continued undefeated, but it took a bit of luck for them to edge the luckless Lake Construction 1-0. Bob Klooster pitched a magnificent no-hitter, but it took a mix-up in the Construction infield for the winning run to score. It was in the bottom of the seventh, and Construction pitcher, Ted Potter had matched Klooster through six innings, when Klooster doubled. Then with two out a easy pop fly fell between two infielders allowing the only run to score.

Morweld shut out Brows 10-0 with Bob Klooster collecting three safeties, one a long home run. Ken Parish had the only hit for the losers, two one-baggers.

Men's Batting Race

Sam Supernaw continued to hold a large lead over his rivals in the race for the batting title. Supernaw is currently hitting at a .515 clip with his nearest competitor, Tom Weiland, hitting .389.

Supernaw-LC.	33	17	.515
Weiland-Mor.	36	14	.389
G. Balch-Am. Mold	288	9	.321
D. Milligan-Mold.	32	10	.313
B. Klooster-Mor.	37	11	.298

A & W Tops In Junior League

A & W easily topped VFW 13-0 to remain unbeaten in the junior league. An eight run fourth inning clinched the win for A & W.

Barnard remained a game back with a strong 12-3 win over the Scouts. Ben Cunningham and Dennis Warner were the hitting heroes for the winners. Tom Maxwell doubled for the losers.

VFW fell victim to Barnard 13-3 as the winners scored in all but one inning for the win. Gary Crain had a hot bat with four hits for Barnard. Neil Cross had two in a losing cause.

Belding Leading Junior Hitters

Warren Belding remained the leading hitter in the Junior league hitting .478 with eleven hits in 23 times at bat. Dennis Warner is second with .394, Gary Stutzman .393, and Gary Crain .321.

Teri Freedman Tells of First Month Abroad

Teri Freedman, Youth for Understanding exchange student who is spending the summer in Humble, Denmark, under the sponsorship of the program, has written of her first month abroad. In her letter, written in response to an earlier request by the Charlevoix Courier, she touches briefly on her experiences of this storybook country.

"No place else I've ever been is like Denmark. The countryside is much like Michigan, there are windmills that remind you of Holland, blond-haired children who all look alike, castles that give it a romantic feeling, cities like history book pictures, and an overall charm all its own.

"The Danes are friendly and kind. They just can't do enough for you to make you feel at home and comfortable. When you walk down the street with your camera hanging around your neck and your face in a language book, you're completely given away, but you won't find a more hospitable or understanding group of people.

"My family, the Thorkind Rasmussens, owns a small hotel in the village of Humble on the island of Langeland. My Danish father is also the pastry cook in the hotel kitchen. After a few weeks of his cooking I'm afraid I'll have to pay for over-weight on the plane trip coming home. My sister, Jutte, is 16, Lars is 12 and little Dora is four. At one time they lived in Canada for year, so all but Dora speak English.

"This hotel is the center of activity in Humble, and I was amazed at how many social events are going on in a town of this size. A group of 80 or 90 women may drop in for coffee in the afternoon, and in the evening there might be a wedding banquet for 270 people or a dance put on by the soccer club. There are at least three or four events of this kind every week. When something like this does take place, my sister and I are at our battle stations, armed with dish towels, ready to attack the steady flow of dishes.

"About 100 years ago the first organized group of Danish emigrants came to America. They came to think of both the United States and Denmark as their countries. In 1905, Ivar Kirkegaard founded a society which was to be a link between all Americans of Danish descent. In 1912 they bougnt a piece of land in the hills of Jutland, the peninsula part of Denmark. That tract of land was to become Rebild National Park and has become the scene of 51 Fourth of July festivals where thousands of Danes and Americans come each year. My birthday was July 2nd and for a present my family took me on a three-day trip which was highlighted by attending the celebration at Rebild. Last year Richard Nixon was the principal speaker and this year it was Dr. Ralph Bunch. American Ambassador William McCormick Blair, opera singer Frams Anderson and Prime Minister Jens Otto Krag were also on the speaker's platform. Groups of Girl and Boy Scouts from both Denmark and Americe sat side by side and the University of California glee club sang to the Danish military band while thousands of red, white and blue clad people sat on the surrounding hills looking down on the American and Danish flags proudly flying in the breeze. To me the most moving part of the whole day was when all 30,000 people stood and sang the "Star-Spangled Banner." It was a wonderful day and one I'll never forget.

I think that the most surprising experience that happened to me was in Copehagen. On the island around Langeland there are five exchange students for Youth for Understanding. Two weeks ago the five of us and our older Danish brothers or sisters took a four-day trip to Copenhagen. Our first night there we were in famous Tivoli and I had the shock of my life when I turned around and saw Don Nowland and Tom Martin! It's amazing enough to run into a slight acquaintance so far from home, but to actually see two boys from Charlevoix is almost unbelievable.

"I've met so many Americans who are on a tour of all Europe, but as soon as they've come to Denmark, they want to spend the rest of their time here. Two sueh people are a couple from Pontiac, Michigan, who are staying at the hotel right now. Denmark is truly the enchanting fairytale land you read about.

"I read somewhere that to hear Danish spoken was like listening to a person with a cigar in each corner of his mouth while drinking a glass of water and speaking into the glass. It's not quite as bad as that, but it is a difficult language and I had a hard time at first Although they begin learning English in the fifth grade, many people are hesitant to use it. I'm learning rapidly, but can understand more than I can speak. I haven't really found language a barrier because it's marvelous how well you ean communicate with people even though you can't speak to them.

"The purpose of an exchange program is to bring an understanding between two countries. I think it's a growing up experience for young people too. Not only am I learning about another country and different people, but I'm also learning more about myself.

"I've been here four all-too-short weeks but could almost write a book on all the fun times and happy experiences I've had. In four more weeks I'll be home again and my summer will all seem like a dream —a wonderful, worthwhile dream."

Make Survey of Trawl Fishing In North Lake Michigan

Intensive trawl fishing explorations were conducted in Green Bay and northern Lake Michigan off Sturgeon Bay, Wis., Manistique and Arcadia during a two-week cruise early in July.

Primary objectives of the cruise were to determine the geographic and depth distribution and the abundance of various fish stocks; define areas suitable for otter-trawl-type fishing and assess the effectiveness of commercial-type otter trawis for catching obundant species such as alewife, smelt and bloater chubs. Thesa areas will be revisited periodically for some time in order to follow seasonal fluctuations in the distribution of fish and their aavilability to otter trawls.

In order to expedite and economize commercial fisheriea research activities going on concurrently in Lake Erie and Lake Michigan, the Bureau research vessels Cisco and Kaho exchanged duties during this cruise period. Whila tha Cisco waa used for trawl explorations in Green Bay and northern Lake Michigan, the Kaho was utilized for environmental research in Lake Erie.

Noteworthy features of the cruise include the virtually straight alewife catchcs taken in Green Bay, the generous amount of obstruction-free trawlable grounds located in both Green Bay and northern Lake Michigan ond the total, or near total, absence of yellow perch, whitefish, and walleye from trawl catches throughout the cruise.

These findings may prove to be important in advoncing development of methods for utilizing alewife which have become extremely abundant and often a nuisance in Lake Michigan and connecting waters in recent years. Like the notorious sea lamprey, the alewife is another Great Lakes invader from the Atlantic Ocean.

Green Bay pound net fishermen at Cedar River and Menominee have, in the past year or two, produced several million pounds of alewife for animal food markets. Pound net fishing, however, is effective only when fish are in ralatively shallow inahore water. Trawling could make it possible to follow alewife into deeper waters and extend the producing seoson from the present few weeks to as long as nine or 10 months. Commercial trawlers have accomplished this objective in southern Lake Michigan since 1959. Such an extension of the production period provides a considerable advantage in handling and storing the catch for supplying processors who opereted at a sustoined level throughout the year.

Until this year, the trawl method of fishing was confined to Lake Michigan south of Ludington and Algoma, Wis.

Otsego County Adopts New Sanitary Code

Otsego county, which is the first northern Michigan county to adopt a sanitary code, will place the code in effect Aug. 4, Dr. A. F. Litzenburger, director of District 3 Health Department, has announced.

The new code relates to woter supply, sewage disposal, developments of land plats and provisions for control of nuisances and for the storage, handling and disposal of garbage and refuse. It was approved recently by the Otsego county board of supervisors and will be administered by John Reynolds, district sanitarian.

Under the code all persons engaged in manufacturing, installing, constructing, maintaining or cleaning sewage disposal facilities in Otsego county must register with the district health department. This ruling also applies to well-drivers.

Area residents planning to construct a sewage disposal facility or have a well drilled should make application to the Otsego county clerk for a permit before construction is started. Permits may also be obtained at the District 3 Health Department office here.

In explaining the code, Mr. Reynolds said that nuisances that create a health hazard and are found on private property can be ordered removed or abated by the health officer. Garbage must be stored in roden-proof, fly-proof and water-tight containers and disposed of so as not to create any nuisance to public health. Vehicles used to transport garbage and rubbish must be so constructed and covered so no portion of the contents can be deposited on any public highway.

Through the administration of the sanitary code, building lots can be developed and wells and septic tanks properly located and arranged so that every lot owner can use his property to best advantage, Mr. Reynolds continued.

Sanitary code requirements will be explained by Health Department officials who will make field visits when necessary, Mr. Reynolds said.

In announcing the adoption of a sanitary code by Otsego county, Mr. Reynolds urged that other counties in the area consider adopting a similar measure as "tools used by local agencias to control environmental health hazards".

Wendell Corey Stars In Family Comedy At Circle Theatre

Called back to Traverse City for the second time, Wendell Corey, star of TV's "Eleventh Hour" is bringing his wife Alice and daughter Bonnie to the Cherry County Playhouse August 6-11 to appear in a family life comedy with a lively interest for everyone, 'Take Her, She's Mine". The Coreya appeared here in 1960 in "Goodbye Again".

In "Take Her, She's Mine" Wendell plays a doting father with a heart as big as his wallet, who becomes distraught at some of the fads taken up by his co-ed daughter. As sha runs tha gamut of freshman and sophomore frustrations, he is educated by his own violent and largely humorous involvement in her problems. "Take Her, She'a Mine" ran for a total of 408 performanees in Broadway before the show began a national tour early in 1963.

Children Warned Not To Enter C. G. Property

A warning was issued this week by Leo Norton, BMC, commanding officer of the Charlevoix Lifeboat Station that children must not enter Coast Guard property unless accompanied by a parent or guardian.

In making the announcement, Mr. Norton said the warning was issued as a safety factor to protect the children who have been coming to play on the docks and on the adjocent railroad bridge pilings and catwalks. Even when accompanied by adults, the ehildren must wear approved type life jackets while on the docks to fish or walk. Swimming in channels and diving from the bridge or docks is extremely dangerous and will be discouraged whenever sighted, Mr. Norton added. This also applies to children swimming across the channel near the harbor entrance from Lake Michigan. There are always swift currents in this area and swimming in this area is most hazardous. Parents are asked to warn their children against these violations.

In conclusion, Mr. Norton said that Charlevoix is fortunate in having three public beaches where lifeguards are stationed. At two of these areas there are diving boards; therefore, there is no need to swim and dive in restricted areas such as those mentioned above.

The local Coast Guard Station welcomes visitors from 8 a.m. to 4 p.m. daily, work committments permitting, but do not appreciate children coming to play, *swim or fish* from Coast Guard property.

U. S. Coast Guard Called to Perform Mercy Mission

St. James, B. I.—The U.S. Coast Guard from the air station at Traverse City was called upon to perform a mercy mission early Monday when they 'air-lifted' an injured Mercy nun to the mainland for treatment.

She was Sr. M. Claire (Malloy) superintendent of St. Joseph hospital in Ann Arbor, who had arrived a few days earlier for an island vacation at Holy Cross convent here. She received a fractured hip in a fall in the bathroom at the convent late on Sunday.

Early Monday, she was taken by helicopter to the Pellston Airport where she waa placed aboard the U. S. Coast Guard plane for the trip to Ann Arbor. She was accompanied by her sisters who are twins, Sr. M. Bridgetta of Muskegon and Sr. M. Isobel of Dyer, Ind. All three are natives of the island and members of the Mercy Order.

Three other island residents who are members of the Order of St. Dominic, Sr. M. Alexandra and Sr. M. Leonora (Gallogher) and Sr. M. Lorraine (Gibson) are also vocationing on the island. A seventh, Sr. M. Lucy Marie, is with them as a guest.

Lighthouse Welcomes Visitors To Annual B. I. Homecoming

In 1856 the first Irish immigrants are said to have come to Beaver Island to work as masons on this lighthouse located on the shore at St. James harbor.

Today the lighthouse stands as a monument to these hearty, freedom-seeking souls who ventured to the New World in the early 1850's, journeyed to the Straits of Mackinac when they heard of good fishing in the area and later invaded what had been known as King Strang's Mormon Kingdom to help build this guardian of Great Lakes navigation.

Whether the island reminded them of their homeland of County Donegal, County Mayo or some other far-off place in Ireland or whether they pictured this as another Emerald Isle, free from famine and tyrannical role, will never be known. But once there, and despite the hardships of living on an island isolated by 22 miles of water in a land where the feeling ran high following the assassination of King Strang in June, 1858, they put down their roots.

It was not easy but they were a determined lot, the Gallaghers, the Mooneys, the Martins, the McCauleys and the others. With memories of famine still with them, they tried to till the soil but this yielded little more than enough to meet their own needs so they turned to the natural resources at hand . . the forest and the water. The trees they cut, peeled the bark for shipment as tanbark, and the logs they sold to passing vessels, steam ships that were replacing the sailing vessels. From the lake they netted the fish, salted or dried them and shipped them to Chicago and other ports.

By hard work and faith in themselves and their new land, they carved a prosperous community. In time they were joined by relatives and friends as they built a new Emerald Isle.

But as the island population grew, so did its needs. The forests became depleted and later the fish, in a supply that seemed endless, fell victim to the lamprey eels and the tugs of the once-proud fishing fleet were sold or left to the elements. Island residents, especially the younger generations, were forced to leave their beloved island home to make a living elsewhere.

Today the island's chief commodity is its natural beauty, the very thing that first attracted King Strang and the element that made it seem like 'a bit of Ireland' to the first Irish settlers. As a result, America's Emerald Isle, a 17-mile long-five-mile wide island, has become one of the midwest's lovelies summer resorts. Cottages now dot the shoreline and more and more visitors from the busy mainland come to enjoy the easy tempo of life among the Irish folk.

'Tis said that once a visitor has smelled the aroma of the cedars and the pines, been lulled to sleep by the woves lapping on the sandy shores and, in his dreams, heard the magic words of the native 'little people' who are said to be deeendants of the Irish leprechauns, a spell is cast and ever after, no matter where he may roam, his path will always lead back to the Emerold Isle.

On August 10 and 11 the paths of countless former island residents and visitors will bring them to Beaver Island for the annual homecoming. According to the genial keeper of the Shamrock, Archie LaFreniere, whose mother was o Boyle though he bears a Freneb name, last year's homecoming was the most sueeessful ever and this year's promises to be even bigger. In every mail comes news of the other family members or friends who have arranged their vacations in order to be 'home' for the event. With them also comes warnings to make up extra beds for they are bringing friends who have heard of this magic island.

Right now the officers of the Altar Society of Holy Cross which benefits from the August dinner, highlight of the homecoming, are doubling and tripling orders for food as news of more and more onticipated visitors reach their ears. Mrs. Russell Green, the president with the assistance of her officers, Mrs. Archie Minor, Mrs. Elizabeth LaFreniere and Mrs. Joseph McDonough, are planning for the dinner that will include typical Irish fare to be served from 1 to 3 p.m. Sunday, Aug. 11.

Mrs. Robert Smith of Grand Rapids, o summer resident, has taken over the responsibility of the annual parade from the Medieal Center, along the King's Highway, through the business district and return. This event will be staged at 3 p.m. with trophies to be owarded to the winning floats.

On Sunday evening, there'll be a danee at the parish hall with musie, including an Irish jig, by Ray Miller and his band, imported from the mainland for the weekend.

Earlier in the day, the majority of families will make their way to Mass at Holy Cross church where most of them were baptised and many were married. Others will attend services at the Episcopal mission down the street.

Though the big days of the homeeoming are scheduled for Aug. 10 and 11, the celebrating will begin when the first native-born son or daughter returns by boat or plane and will continue until the last one leaves later in the month for the Iriah are a hospitable, fun-loving lot at all times and the return of a relative or friends calls for a get-togelher.

At homecoming lime these characteristics are multiplied many limes over and, as they meet the visitors from the mainland, they truly mean what they say in this Gaelie greeting "Cead Mille Failte ... a hundred thousand welcomes".

The Charlevoix Waterfront Fair for artists and craftsmen last Saturday again proved to be one of the outstanding summer attractions. Little more than half of the atrists, exhibits and spectators are included in the above picture. This year's exhibit was the largest in the history of the exhibition.

Attractive head toques marked the members of the committee and the assisting hostesses who made tha fifth annual waterfront fair a big success.

Pictured standing in the back row (l to r) are members of the committee: Mrs. Julius Gilbert, Chairman Mrs. Jack E. Rader and Mrs. J. F. Webb. Not present when the picture was taken were Mrs. Max Hosmer, Mrs. Karl Erber, Mrs. F. J. Mann. Mrs. Paul Kohler and Miss Fran Martin.

Hostesses: middle row (l to r) are Nancy Johnson, Toni Goss and Rona Henley; Front row (l to r) Alice Ance, Carol Annis, Nancy Rader and Kathy Etienne.

Thousands Visit Waterfront Fair

Bright sunshine, tempered by cool winds, smiled down on Charlevoix Saturday for the fifth annual Waterfront Fair for Artists and Craftsmen whlch proved to be the most successful to date.

Handled by a committee headed by Mrs. Jaek Rader for the sponsoring Chamber of Commerce, the fair attracted more than 106 exhibitors from all fields of arts and erafts with all of East Park overlooking Round lake serving as the site of 'culture on the green'.

The ideal summer weather combined with a busy weekend in the area attraeted thousands of visitors to the park.

Two French masterpieces, Poul Signac's "The Harbor at Saint Tropez" and Bernard Buffet's "Portrait of Annabelle" loaned by Mr .and Mrs. Nathan Cummings of Chicogo and the Anchorage attraeted many visitors t the fair, many of whom were surprised to see sueh fine exhibits at a small-town fair.

More than 50 gifts, all contributed by exhibitors at the fair, were given away Saturday evening.

Exhibitors and visitors allke had only praise for the event. Many exhlbitors who partielpate in showings elsewhere called the Charlevoix fair the finest in the north and one of the best in the state. Only original arts and erafts ereoted by the artist or eraftsmen were exhibited at the loeal fair.

Municipal Airport Expansion Program Begins September 3

The expansion-construction program at the Charlevoix municipal airport is scheduled to begin Tuesday, Sept. 3, Supt. James Taylor has been informed following the opening of bids for the project at the office of the Michigan Department of Aeronautics in Lansing Thursday.

It is expected the work will be done by the Charles W. Anderson Co. of Pontiac whieh submitted the low bid of $104,004.54 for the expansion program whieh ineludes the grading and construetion of a 3500 ft. east-west runway which will be 75 ft. wide, a 75 by 100 ft. taxiway and 50 by 100 ft. apron. The latter two will be built at the east side of the airport. Five bids for the project were submitted. the highest bid was for $120,241.98.

Wallaee and Co. of Grand Rapids whose bid was in the amount of $15,936.94 was the low bidder for the lighting which will include a rotating beacon, beacon tower, illuminated wind cone, runway lights and related equipment. One other bid in the amount of $16,154.26 was received for this part of the project.

The work on the airport proper wnich is scheduled to begin Sept. 3 is due for completion within 60 ealendar days. The lighting project is to begin Oet. 15 and be completed within 30 ealendar days.

Both the eonstruetion and lighting bids were far below the estimates for the work made oy the Brewer Engineering Co. of Owosso which drew up the plans for the project. It was estimated the construetion work would eost $111,000 and the lighting $19,000.

The project is being financed by funds provided by federal ond state ageneies in cooperation with the city.

A Precious Commodity

What would we do if we had a bank that credited $86,400 to our account each morning; carried over no balance from day to day; allowed us to keep no cash in our account and every evening cancelled whatever amount we failed to use during the day?

What would we do? Well, most of us would draw out every cent!

We have such a bank, you know. We call it "Time." Every morning it credits us with 86,400 seconds, and every night it writes off whatever of this we have failed to invest to good purpose. It carries over no balances.

Each day it opens a new account with us. If we fail to use the day's deposits, the loss is ours. There is no going back. There is no drawing against the "tomorrow". —Industrial Press

A 1963 Parable

The Eskimos have a very effective way or dealing with wolf packs. They embed razar-sharp knives clasp down in the ice and rub the blades with a little seal blood. The wolves, attracted by the blood, lick the knives cutting their tongues. They are greedily delighted by the seemingly inexhaustible supply of nourishing blood they can lick off the knives. They stand there licking until they drop in their tracks from the loss of their own blood, and freeze to death in the snow.

In a less grisly way big and unprincipled federal spenders are forcing American taxpayers into monied-bloodletting traps.

A harsh indictment? Not at all when you look into the facts. The only money the national government has is what it takes from the people in taxes. Therefore, no matter how enticing the bureaucrat-disbursers make their programs look by smearing them with "something-for-nothing" bait, every nickel of the expendltures must be extracted from the taxpayers.

Unless there is prompt action to put a check rein on the wild spenders, taxpayers are in danger of being drained of every drop of their fiscal blood.

Voice of our readers

To the Editor,

As a professional artist participating in the Charlevoix Waterfront Art Fair I should like to enter a strong recommendation that entry fees charged to exhibitors be eliminated.

While it is inevitable that putting on such exhibitions must involve some expense, I believe it is only proper that the Chamber of Commerce, together with local merchants, should underwrite these expenses.

Since it is well-known purpose of any Chamber of Commerce, in sponsoring such exhibits to lure hundreds of outside people into town so they may patronize local businesses, I think that the C of C should frankly recognize their sponsorship as an advertising effort and raise the money themselves instead of billing artists for the privilege of benefitting the town both culturally and financially.

After all, merchants have a lot more money than artists. Anycne has more money than artists—even preachers; and if the Charlevoix Chamber of Commerce wishes a summer day of glory and unusual local prosperity, then I say let them pay for it with their own money instead of charging the actors for performing the play.

Sincerely,
Charles B. Culver
Bellaire, Michigan

EDITOR, CHARLEVOIX COURIER

First, we should like to take this opportunity to thank The Charlevoix Courier for the excellent coverage they gave the 1963 Venetian Festival. It is only through the media of the local newspaper that our residents and summer visitors can obtain information about the scheduled program before the actual week end of the Festival.

We should also like to express our thanks to the chairmen of the various committees who gave so generously of their time during the weeks preceding the Venetian weekend. While the Festival is financed by the Chamber of Commerce business and profeasional people of the Charlevoix area, an undertaking such as this depends largely on the cooperation the Venetian Festival Committee receives from the many residents of the community. The success of the entire Festival is reflected in this cooperation.

Looking ahead to 1964, the Chamber of Commerce office would be very glad to receive comments and constructive suggestions to help in planning the 34th Annual Venetian Festival, scheduled as always, the last weekend in July.

Sincerely yours,
Robert S. Hamilton
President, Charlevoix
Chamber of Commerce

LETTER TO THE EDITOR

In regards to complaints from "Sonic" Booms made by those living in the Charlevoix county area. Before moving north to Michigan where my family and I now live we resided in Virginia just 1½ miles from the world's largest Naval Jet base Oceana, Va., where training continues 24 hours every day all year long and where Sonic Booms is as much a part of everyday life as brushing your teeth. It's true some discomfort and a few broken windows must be put up with but after a while you don't even notice it. But try to think of what could happen if we didn't have those aircraft up there training day after day. Our security and defense depends on the quality of our armed services and if we must have a few discomforts such as the "Sonic" boom let's have them. I'm sure ex-servicemen will tell you it's not as noisy as the Boom of Bombs falling. The bombs may never fall, and with the training of our Air Force going on the chances are even less so let's buckle down and be glad we do have them "Sonic Booms only from American Aircraft.

Prayer On The Passing Of A Loved One

Everlasting God, the Source from which we come, the Goal of our pilgrimage, and our Companion along the way, in love hast Thou fashioned this earth on which we briefly dwell, and hast breathed into being all living things and all those we cherish. We lift our hearts to Thee in sorrow and gratitude, in sad bereavement and in glad remembrance. We ask for Thy comfort, O God, because the pangs of parting are sharp and the burden of grief is heavy. But we need to thank Thee, too for our loss reminda us of all that we have left when death has done its worst.

• • •

Eternal Father, hear our thanks. As surely as Thy great hand is upon the helm of the world, upon the mighty tides and the far-swinging stars, so Thy hand of help is extended to us now, and "underneath are the Everlasting Arms." For this confidence we thank Thee.

• • •

We praise Thee that the things we care for most are not at the mercy of death; that our love for departed dear ones and their love for us is not diminished; that death knits together our interest in this world with a fondness for the new world to which our loved ones have gone, and earth and heaven, because of them, have been blended into one.

• • •

We thank Thee for the new birth, called "death"; for the new freedom our departed loved ones have found; for the adventure that takes them ahead of us apace; for the joyous new world they know and the higher fellowship they enjoy, at present denied to earth-bound souls.

• • •

We praise Thee that all tombs have been sealed in vain since that day when One who died for love's sake rose again.

• • •

For the life of our dear one we give Thee thanks. We are grateful Thou didst loan him to us for awhile. We praise Thee for the many mercies and benefits bestowed upon him, and upon us through him, in the days he was allowed among us. For his gentle affections and thoughtful services to family, friends and neighbors, for all the joys he found in things of earth and in the life of the spirit, for his quietly growing confidence in Thee, we praise Thee. We thank Thee, too, that when his work was done and Thy high purposes served, Thou didst give rest to this weary one and glad liberty to a spirit once bound by pain-ridden flesh.

• • •

Grant to those who sorrow the grace to be drawn closer to Thee and to each other by the grief they share. May they be steadied by this new tie that binds them to the world of the Eternal. Mless them with the sense of a continuing companionship with those who have gone to the Father's House. When we pray they seem near us. In prayer we who remain and those who have passed on draw nearer to Thyself and thus to each other as naturally and as joyfully as children come from different rooms to gather at their father's knee. May the sorrowing be given this trust, that when our departed dear ones are with Thee, and in prayerful communion we are with Thee, we are also near each other. Keep us all ever near Thee in this life and the next.

• • •

May the certainty that our days here are limited make every day precious to us, and let awareness of the brevity of our lives lead to improved living. Let us learn from death to love each other as mortals so that the good we should do will be done now, without hesitation; the love of our hearts will be expressed now and not be saved for later; the kindly, cheering, strengthening word will be spoken now, and not be delayed until some uncertain tomorrow. Make us "quick to be kind" because "we shall not pass again this way."

• • •

In the name of Christ, our Lord. Amen.

Mr. and Mrs. Peter O. Gallagher To Mark Fiftieth Anniversary

Mr. and Mrs. Peter O. Gallagher, residents of this community for the past 32 years, will celebrate their golden wedding anniversary Saturday, Aug. 24.

An open nouse rrom 2 to 8 p. m. Saturday, Aug. 24 at the Charlevoix Rod and Gun club to which relatives and friends are invited will mark the occasion.

The couple will renew their marriage vows at a Mass to be celebrated at St. Mary's church at 11 a.m. Aug. 24.

On hand to join in the observance will be their daughter, Mrs. Ivan (Helen) Phillips, and their two sons, James W. Gallagher, who is stationed aboard the U. S. Coast Guard Cutter Sundew and Danford D. Gallagher, all of this city. Their 10 grandchildren will also be present.

Mr. and Mrs. Gallagher were married at Holy Name Cathedral in Chicago Nov. 19, 1913. However, they are observing the anniversary at this time because of the presence of family members who cannot be present at a later time.

Mr. and Mrs. Gallagher lived in Chicago and later Milwaukee, Wis., before coming here 32 years ago to make their home.

Mr. Gallagher was born on Beaver Island Mar. 23, 1885, He left the island for Chicago at the age of 18 years and sailed aboard Great Lakes freighters, earning his pilot's license. He continued to sail for a brief time following his marriage before becoming a strectear motorman in Chicago. On July 20, 1928, he joined the U.S. Lighthouse Service which was to become a part of the U. S. Coast Guard in 1938 and was stationed aboard the Milwaukee light ahip for four years. In 1932, he was transferred to the Greys' Reef light ship. He served aboard the ship and, when the ship was replaced by the present light station in 1938, continued as a member of the light station crew until his retirement on May 1, 1952.

Mrs. Gallagher, the former Vivian Roddy, was born at Manistique Aug. 20, 1893, and moved to Beaver Island with her family at the age of two years. She left the island to go to Chicago in 1910.

Mr. and Mrs. Gallagher are members of St. Mary's church here. Mrs. Gallagher is also a member of its Rosary Altar Society and Mr. Gallagher is a member of the Holy Name Society.

Rites Saturday For Morris Ackert Ex City Employee

Morris E. Ackert, 85, retired veteran city employee, died unexpectedly at the Charlevoix hospital Thursday less than 12 hours after he had been admitted.

Funeral services were held Saturday at the Winchester Funeral Home with the Rev. Raymond J. McBratnie officiating. Burial was in Brookside cemetery.

Mr. Ackert was one of the community's oldest native born residents, having been born Oct. 18, 1877. In 1903, he was married to the former Elizabeth Marshall who preceded him in death in December 1955. He was employed by the municipal water and electric department and for many years was the community's 'meter man'. He attended the First Methodist church and was a life member of Charlevoix lodge No. 282 F. & A.M.

Surviving are one daughter, Mrs. James (Elizabeth) Novotny of Charlevoix; four grandchildren and five great-grandchildren. A son, Marshall, preceded him in death in January 1961.

Local Girl Scouts And Leaders Visit Niagara Falls

Girl Scout troop 270 of the Crooked Tree Council enjoyed a trip to Niagara Falls earlier this summer with their leaders, Mrs. Orlin Cunningham and Mrs. Lloyd Arnold.

At Midland, Ont., where they were hosted by Girl Guides of the community, they met a girl from another Girl Scout troop Owosso who told them that her troop was planning a northern Michigan trip this summer. Recently, the new-found friend called and the local Scouts met the visitors at Young State Park for a get-together.

Local Scouts who made the trip to Niagara Falls were Rona Henley, Ruth Bogart, Jane Norton and Kathy Etienne.

Name Winners In Duplicate Bridge Tourney

Local bridge players took two of the top three places in the duplicate bridge tourney being held at the Holiday Terrace Hotel.

Mrs. Charles Hamlin, paired with Mrs. Ralph V. Hess Sr., won first place honors with a score of 79½ points; third place was taken by Mrs. G.B. Saltonstall who was paired with E.D. Hawley. They posted a score of 70½ points. Mr. and Mrs. R. M. Leas of Homewood, Ind., won second place honors with 73 points.

Robert M. Danforth Head Coach At Ellsworth

Ellsworth. . .Robert M. Danforth, Central Michigan University graduate and a native of East Jordan, has been signed as head basketball and football coach and teacher at the Ellsworth Community high school. Jerome K. Albright, superintendent of schools, has announced.

Mr. Danforth will be remembered as a former member of the East Jordan Red Devil squad and an outstanding high school athlete.

He comes to Ellsworth from Merritt to succeed Tom Roberts who has accepted a coaching position in the thumb area. Mr. Danforth will teach social subjects and have charge of the physical education prorgam at the Ellsworth school. Mr. Danforth will be accompanied to Ellsworth by his wife and two daughters.

Mr. Abright said that all but two teaching positions had been filled in preparation for the fortheoming school year. He said he was still looking for commerce and general science teachers.

Vocalists to Appear At Community Church of God

The Harbor Lights quartet of Battle Creek will appear at the Community Church of God Sunday Aug. 25, according to the pastor, the Rev. George L. Majors.

The widely known vocal group composed of Dean Latta, bass, Leon Smith, lead, Arnold Burch, tenor and Arden Field, baritone, will sing during the 11 a.m. worship service at the church. They will also participate in the Sunday school devotions beginning at 10 a.m. Larry McCoy, pianist, accompanies the group.

George Burns, 70 Former Resident Dies Unexpectedly

George Burns, 70, of Grand Junction, former local resident and retired railroad employee, died unexpectedly early Sunday at the Bangor hospital where he had been a patient for three days.

Funeral services were held Tuesday at the McKane Funeral Home in Bangor with burial in a Bangor cemetery.

Born in Charlevoix Aug. 8, 1893, Mr. Burns attended the Charlevoix schools and during World War I served in the U.S. Navy. He later moved to southern Michigan where he was employed by the Pere Marquette and later the C & O Railroad companies for many years.

He is survived by his wife, Dorothy; two sons, George Jr. of Holland and Robert of Grand Junction; a sister, Mrs. Leon (Gale) Jones of Dearborn and three brothers, Robert of Flat Rock, Leonard of Charlevoix and John of Romeo.

In Bangor for the services on Tuesday were Mrs. Robert Burns, Mrs. Leonard Burns and Mrs. Frank Behan, the latter of Petoskey.

Former Manager Federal Hatchery Is Transferred

John G. Wege, former manager of the federal hatchery here, has been named manager of the National Fish Hatchery at Crawford, Neb. The appointment became effective Aug. 1.

Mr. Wege was transferred to the federal hatchery at Brimley in Michigan's Upper Peninsula from here.

Set New Record At Municipal Golf Course

The numbers of golfers playing at the Charlevoix municipal course set a new record when 85 players purchased day tickets on six of the first 11 days of the month. This is the largest number to use the course daily at any time during the past 10 years according to course manager, Keith Carey.

The excellent weather combined with the large number of visitors to the community have resulted in this record, Mr. Carey added.

Twenty-one local golfers are registered for the 27 hole medal play Frank Poole trophy tourney which is presently underway. Anyone wishing to enter may do so.

A record number of golfers, a total of 55, participated in the weekly stag night event last week. Posting winning scores were John Thompson, Del Terrill, Tip Riley, Bob Goss and Grover Geneit. John Swanson was awarded the cady-cart.

The play-off in first and senior flights of the city champion ship tourney are expected to be played this week.

Locals Pull Upset

The local All-stars gave Ormsbee Motors of Cheboygan a dose of City League softbal when they defeated them 6-2 to hand them their fourth loss of the season against 34 wins. The loss also broke a 19 game winning streak the visitors had rung up. Actually Charlevoix came close to beating them twice. In the first game Bobo Johnson and Bob Klooster of the locals, hooked up in a great pitching duel. Cheboygon broke the ice in the fourth when Johnson singled home VanParis who had walked. That was the only run in the 1-0 contest.

In the second game Charlevoix sent Klooster to the mound again. This time his mates banged away with Tom Weiland driving home two runs in the first inning with a single and then aided in scoring the fourth run in the third inning. Ken Balch led off with a one-bagger, Bob Drenth beat out an infield hit. Sam Supernaw scored one with a single, then Weiland scored two more with his third hit of the night. Ken Boss sent Weiland home with a line shot to right to end the scoring. Klooster and battery mate Bob Drenth combined to allow the losers only three hits.

Morweld Appears "In"

Morweld Steel, winner in the first round, appears to heve sewed up the second round as they dealt American Mold their second defeat of the round 4-1. It was all Bob Klooster for the winners as the big hurler limited the losers to only three hits then knocked home all the winner's runs with two long home runs. Fritz Puffpaff pitched a fine game, but Klooster was the big difference.

Lake Construction defeated the Merchants, 10-8, getting even for an earlier upset. The Merchants scared the Construction gang however by scoring five times in the seventh inning. Davonport got three hits for the winners while Cliff Pierec had two doubles in defeat.

American Mold eliminated Lake Construction from the race with an 6-4 win. The loss, the third for Lake, knocked all hope of sharing the second round title. The winners scored five times in the fourth inning with Harve Cole and Ken Balch's hits the big blows. Ted Potter homesed in a losing cause.

A & W Rolls in Jr. League

A & W looked impressive in defeating the Scouts 13-3 and in doing so remained undefeeted in the Junior loop. Tom Webb, Warren Belding, and John Bleha each banged out two hits for the winners.

The VFW gang refused to fall to the Scouts as they acored seven times in the final inning for a 10-8 victory. There were many hitting heroes for the winners with Chuck Masley, Rich Heeres, Andy Carey, and Greg Seese all spraying out key hits. Larry Edwards had three Scout hits.

Cubs Beat Dodgers for Peanut Lead

The Cubs knocked the Dodgers from the undefeated ranks and in doing so took over the second round lead all by themselves. The Cubs scored twice in the bottom of the seventh inning for a 4-3 win. In the fatal seventh the Dodgers were leading by one run when Skippergosh, Anderson, and Bond all singled for two runs and the ball game.

The Braves used a seven run fourth inning to beat the Pirates 11-5. Seven walks aided the winners in their big inning. Cummings led the winners with two hits.

The Dodgers edged the Lions 7-4 with Ralph Doan collecting two important Dodger hits. The Lions collected only four hits off Dan McKenzie while the winners were banging six off the Lions Craig Lieberman.

Novak's Cinch Blooper Title

The second round title in the blooper ball league went to Novak's Insurance as they easily defeated Browns 20-2. The winners displayed tremendous power as they banged out 14 hits in the win. They now play first round winner Holm and Crain for the title.

Consumers edged Holm and Crain 8-7 in a nifty contest. The losers had the winning run on base in the winal frame but couldn't get him home.

Paul Reed all but Cinches Women's Crown

Paul-Reed needs only a win over Barnard tomorrow night to win the second round and the city championship. During the week they humiliated Puff's 24-4 in a wild hitting display. Borb Skeel homered twice for the winners. Connie Smith singled twice in a losing cause.

Jets Beat Comets for Pea Wee Title

The Jets emerged with the Pee Wee title by whipping the Comets. This is the first year for the Pee Wee league and it proved to be very successful. The three team league was for boys eight and nine years old and as was witnessed in the championhip games, there are several good prospects coming up for the Peanut League draft next year.

Sonic Boom Is Startling But Seldom Causes Property Damage

The high speed jet corridor established over this area has caused numerous sonic booms during the past few weeks.

Area residents are asked to regard sonic boom as a sound of security by the U.S. Air Force The following is an elaboration of that concept.

Sonic booms is the new sound of security, but because it is a startling sound and may be at first a frightening sound, it is greatly misunderstood.

Basically, the sonic boom is an intense pressure wave of sound comparable to a thunderclap during a storm, or the shock wave of sound from a dynamite explosion, as explained in a U.S. Airforce press release.

It occurs when aircraft pass through the speed of sound; and because the Air Force and the Navy are receiving greater numbers of supersonic airplanes, it is going to become more and more common.

This is true in spite of the fact the Air Force has established severe restrictions on the operations of these aircraft. No aditional restrictions can be imposed without effecting the ability of the Air Force to do its job of providing the major force for defending this Nation against attack through the aerospace.

We must learn to live with it, but at the same time, we should know that it is more startling than dangerous.

In simplified terms, when an airplane passes the speed of sound, a shock wave forms like a cone around the craft. The cone can be likened to a funnel going through the air, with the airplane at the pointed end.

Because loudness of sound decreases with distance from the point where it originates, the higher the airplane above the ground, the weaker the sound. Or, the weaker the sonic boom will be.

If the airplane is traveling in level flight, the people most conscious of it will be those directly underneath the flight path. The airplane, in effect, will have dragged the trailing edge of the cone over them.

If the airplane is diving, or climbing, or turning, the manner in which the trailing edge of the cone touches the ground will vary considerably.

This explains how people in one block of a city will hear a strong boom, while those in the next block will report little or nothing.

Careful and thorough research has proven that although the sonic boom has great force as a sound, the high altitudes ot which jet aircraft operate causes the boom to diminish to a force where it has relatively little power to do actual physical damage to walls, windows, doors, and structures.

The Air Force set up test structures and then dragged sonic booms over them with supersonic aircraft.

It was found that if there were tension in the structures, coming from twisted door frames or improperly installed windows or brick walls that were sagging, then a sonic boom could add enough extra pressure to cause damage.

But if the houses were of normal construction required by the building codes, very rarely did any damage result from repeated booms directed at the buildings.

Because supersonic flight is largely restricted to very high altitudes, the chances are small that the full force of a boom will be felt on the ground.

The sound of thunder is commonplace and accepted as part of nature's show and just as the American people learned to tolerate and accept the noise of steam engines and automobiles, so they must learn to accept sonic booms as a necessary part of the defense of this Nation.

T. C. Playhouse to Present Musical 'Guys and Dolls'

Something special is in store this week for patrons of the Cherry County Playhouse at Traverse City.

The road troup of the Broadway hit, "Guys and Dolls", starring Peter Palmer, will present one performance only Sunday evening. Curtain call is 8:30 p.m.

"Guys and Dolls" has won wide acclaim for its music, dancing, sound and color effects. The entire cast is composed of actors and actresses who have appeared in other Broadway musical comedies.

Beginning Tuesday, the circle theater will open its show for the week starring Whitney Blake in the hilarious three-sided love comedy of the two-headed "Janus". Miss Blake is widely known for her enthusiastic personality as Missey B on the popular TV show "Hazel".

Your Community Chest

The Community Chest compaign to raise funds for 12 agencies will get underway shortly. This is the third in a series of articles designed to show contributors how their funds are utilized to benefit the residents of this area.

The Scenic Trails Council of the Boy Scouts of America is one of the 12 agencies participating in the 1963 fund campaign.

The Council, which is comprised of 18 northern Michigan counties with headquarters in Traverse City, has entered a request for $1,475 which is 2.4 per cent of the council's budgeted needs.

Last year a total of 97 boys of various ages participated in the different phases of the Scouting program in Charlevoix including the Cub, Boy Scout, Explorer Scout and Sea Scout programs. There is a total of 25 adults including den mothers, Scout Masters, Explorer advisors, their assistants and committee members, all volunteers, are involved in the Scouting program in Charlevoix. The Scouting program costs approximately $15.21 per boy based on last year's membership.

In addition to offering assistance to the volunteers in the operation of the Scouting program locally, the council issues all supplies including certificates and advancement badges, handles membership registrations, rechartering of all Scout units, aids in many other ways and operates Camp Grielick, a camp for Scouts near Traverse City.

Visiting Scouts Camp at Bell's Bay On Lake Michigan

A tent city appeared within minutes at the new Charlevoix township park at Bell's Bay on Lake Michigan Sunday when the Air Explorer Squadron 62, Boy Scouts of America, from Columbus, Ind. spent the night here while on an eight-day trip through Michigan and northern Wisconsin.

A contact had been made earlier through George Schraut, executive director of the Scenic Trails Council, so when the 27 Explorers, their advisor Jack K. Fram, and two other adults arrived via bus and truck with trailer, they were met by membera of Charlevoix's Explorer troop and escorted to the camp site on Lake Michigan. Fifteen tents were in place before the group enjoyed swimming and supper prepared over open grills in the park. Later Scoutmaster Louis Edwards visited the site to offer any assistance needed.

The group which had spent the first night at Ludington departed the following morning for Paneake Bay Provincial Park where they camped Monday night, Kincheloe Air Force Base near Sault Ste. Marie where they spent Tuesday night and then across the Upper Peninsula to Menominee Wednesday night and Sister Bay, Wis., Thursday night before crossing Lake Michigan aboard the C & O car ferry to Ludington where they spent Saturday night enroute to Columbus, Ohio.

The new camping area has been in constant use, now that the resort season is at its peak, according to Clarence Rabaeh, Charlevoix townhip supervisor. The camp site has been developed through the cooperation of the township, the Michigan Conservation Department and the city.

Board of Education Awards Contract to Tri-City Concrete Co.

The Tri-City Concrete Co. of this city was awarded the contract for black-topping the drives at the new high school.

The company's bid for the work was in the amount of $7,004.50 and includes the black-topping of the north and east drives and a section which leads to the south gymnasium entrance. The parking lot is not to be black-topped at this time.

Camp Daggett Scene of Kiwanis Dinner Meeting

The Kiwonis club held its regular weekly dinner meeting at Camp Daggett Monday according to Barney Englebart, club president.

The camp is one of the projects of the local service club. Ralph Gillam, chairman of the Camp Daggett committee, presented a check for $100 to camp officials while guests ot the dinner which was attended by 25 members. The contribution was to be used to fight the camps erosion problem.

A group of girls, including several from Charlevoix, sang songs and presented a program for the entertainment of the club members.

This week's meeting will be held at the Holiday Terrace Hotel. Mr. Englebart asked that all members be present to elect delegates to the state convention and to nominate candidates for club offices.

SUNDEW REPORT

Since our last report, we have spent a good deal of our time underway. As we mentioned, we had a number of buoys, both lighted and unlighted, to check for position and for proper light characteristics on the lighted aids.

During the week of 24 June, we checked out buoys in Lake Huron and paid a visit to the C.G. Base at Sault Ste. Marie. While at the Soo we delivered some buoys for repair and received some new battery racks for our lighted buoys.

On the first of July we paid a visit to Port Delomite, Michigan, to check the privately maintained aids to navigation there. On 2 July we completed our check of all our various aids to navigation and returned to Charlevoix. We remained in Charlevoix until the 15th, adjusting our magnetic compasses and holding various drills and instructions.

The 14th of July found us bound for Milwaukee, Wis., to pick up construction materials to be used in the refurbishing of the Indiana Harbor Breakwater light near Chicago. At 0930 the following morning we had completed the loading of these materials and were bound for Indiana Harbor. Arriving at 1534, we found plenty of work awaiting us. First we relit two buoys which were extinguished, and then decommissioned two more. We finally started unloading the construction material at 1944 that evening and worked until after 0230. After unloading, we were again underway for Milwaukee to off-load the two buoys we had just decommissioned. We arrived back in Charlevoix the evening of the 16th, just in time to get underway the following day for Port Huron, Mich., and the Port Huron to Mackinac Island Yacht Race.

Arriving at Port Huron on the 18th, we began preparations for the race, which was to start at noon on the 20th. Saturday morning, the 20th of July found us in company with the CGC Raritan and the Coast Guard Auxiliary vessel, Elen-Ann, on station ready to patrol the start of the race.

At 1230 the first class of yachts was underway with a spanking breeze of 25 miles per hour. By 1500 all classes were underway and driving hard with a fine wind from the north. The next morning, however, found the wind just about gone and the racing fleet coasting along under light airs. The race continued in this fashion until the finish on the 24th. Our job during the course of the race was to "keep tabs" on all contestants and to stand by ffor any assistance needed. We were assisted in this task by the Raritan and the Elen? Ann and by aircraft from the Coast Guard Air Station at Traverse City.

After the finish of the race on the 24th, we returned to Charlevoix, remaining there until noon on the 25th, when we got underway to deliver machinery to Manistique Light Station to be used in a new fog signal. Returning to Charlevoix the evening of the 25th, we departed again on the 27th for Grand Haven, Mich., for a week's practice on the rifle range.

Sundew Scuttlebutt

On the 1st of July, we lost our First Lieutenant, Chief Boatswain "Mick" Finn. He is bound for his new job at the office of Coast Guard Croup New Youk City . . . . Billy Six, our Chief Boatswain's Mate, was seriously injured in a fall from the buoy deck into the main hold on the 3rd of July. He is coming along well now but is being transferred to the Public Health Service Hospital in Detroit for further treatment. . . . . Our Hospital Corpsman, Bob Skakun, was recently transferred to the Coast Guard Loran Station at Gesashi, Okinawa In addition to losing "Doc", we also parted company with Al Gulau, Chief Engineman, who is now enroute to his new duty station at Cape May, N.J. . . . New arrivals to the Sundew include Forrest Taggart, Chief Boatswain's Mate; Harry King, Commissaryman Second Class and Vince Paolone, Commissaryman First Class. In addition, our new First Lieutenant, Chief Boatswain Buford Morris recently reported aboard from Group Duluth; however, it will be some time before we can enjoy his presence, as he has departed for the Damage Control School in Philadelphia.

Justice Court News

Justice John Connolly reports the following cases which appeared in his court recently:

Gerald E. Left, who earlier had pleaded not guilty to a charge of violating the city's nuisance act, was found not guilty by a jury following a justice court hearing July 24. The case was dismissed.

Charged with being drunk and disorderly persons, fines and costs: Willlam J. Farmer, 24, of East Jordan, on a citizen's complaint, $25 fine and $5.00 costs or 25 days in the county jail. He was committed; Case Pettigrew, 81, of Petoskey, $5.00 fine and $4.30 costs. City Police.

Charged with violation of the basic speed law involving a property damage accident were: John E. Haggard, 22, $5.00 fine and $4.30 costs plus restitution; Gordon Ward, 23, of Grand Rapids, $5.00 fine and $4.30 costs plus restitution. City Police in both cases.

Mary E. Martin, 41, of Boyne City, charged with consuming beer on a public highway, $5.00 fine and $5.00 costs. City Police.

Grace M. King, 18, of Petoskey, contrihuting to the delinquency of a minor, $10 fine and $5.00 costs plus 10 days in the county jail. If fine and costs are not paid she must serve an additional 10 days. State Police.

Wilbur Wells, Jr., 32, assault and battery on a citizen's complaint, $15 fine and $5.00 costs.

Chorged with speeding were: Willard B. Drost, 39, $15 fine and $4.30 costs. State Police; Robert K. Newman, 21, of Cedar, $5.00 fine and $4.30 costs. State Police.

Robert M. Fraley Jr., 22, of Boyne Falls, improper overtaking and passing, $5.00 fine and $4.30 costs. Stato Police.

Cnargeo with ston sign violations: Voiley J. Lochman, Jr., 18, of Boyne City, $5.00 City Police; Ruth H. Hoyt, 64, of Iola, Kans., $5.00 fine. State Policc.

What heats most Michigan homes,
cooks most Michigan meals,
provides hot water for Michiganders,
powers much Michigan industry
and has never been seen by man?

Natural Gas!

It's our principal product. And we've never laid eyes on it. But because of natural gas, Michigan is a better place to live and work.

Quick, clean, quiet, economical and unfailing, gas keeps most of Michigan warm, washed, well fed . . . and busy.

As the State's principal supplier of this invisible wonder-worker, Michigan Consolidated Gas Company has adopted the new mark above.

It's the familiar gas flame gone modern.

A fitting mark, we think, for a company that enters into the lives—and livelihood—of the entire State.

It's tall for growth: Michigan Consolidated no serves nearly 900,000 customers in more than 150 communities.

It's broad for expansion: through Michigan Con solidated our State has access to the continent's largest natural gas producing areas.

It's clean. Clean as our product. Clean as our service.

You'll be seeing this new mark in our advertising. On our trucks. At our showrooms. It's the symbol of our desire to serve you better.

And a reminder that what you can't see can help you.

News Round-up at Camp Charlevoix

The fifth week of camp started out with a bang with several trips leaving camp. Dan Cameron and Aee Hoyt took their cabin seven on an overnight to Youngs State Park. The boys on this trip were Scott Harris, David Washburn, Jimmy Chalat, Brad Rea, Chuck Herrington, Steve Baker and Scott Eckhold. Bob Lohman also took his boys of cabin 8, the boys being Jim Hutchinson, Mason Jenkins, Ben Hudson, Mike Kelly, Bob Nagey, David Pliskin, Keith Graves and Brock Rodgers. Some of the sailboats took off in the afternoon with Terry Ward and George Ellings cabin 10. They sailed down to Whiting Park, and these boys were Jimmy Carkhuff Joe Hawk, Tom Laskey, John Waddell, Rick Gillett, John Emmert, and Frank Veit. Our Juniors from Cabin 4 with Marv Crain and Geoff Smith took off by car for an overnight down to Eastport. The boys enjoying this trip were Chris Donnellan, David Sasenbery, Robert Butts, Dick Schultz, Chris Zeiler, Mike Danaher and Steve Danaher.

On Tuesday, more groups left camp. Trips are sueh an important part of camping and do so much to train a boy in outdoor living. Ed Bryant took his cabin 19 down to Youngs State Park. These boys were Jim Todd, Doug Laing, Bruce Douglass, Ron Root, Bill Gross, Chris Quayle, Bill Lambert, Steve Pferd, and Mike Pliskin. The State Health Inspector arrived in camp, and after a trip through all the faeilities and inspecting everything, he gave us another 100% with no suggestions for recommendations. We were very pleased to continue our long list of high percentages from the State Health Department.

Tom Kennedy and Wes Murfin took cabin 2 (juniors) down to Eastport for their overnight. These boys were Kirk Kirlin, Ben Warren, John Simmer, Dan Buckley, Tom Kirwin, Randy Peterson and Artie Schultz. These little fellows reported a great trip with lots of fun.

Wednesday, we had more trips leave camp including the long Nature trip which Ted Fleming takes each year with those boys interested in this very popular camp activity. But first, we had several other trips go out. Terry Ward, our trips man, was a very busy fellow getting trips shuttled back and forth.

Gary Nagel took his eabin 17 down to Whiting on a sailing trip. The boys were Ralph Miesel, George Steinhardt, Howeie Davis, Peter Eberbach, Russell Pulliam, Mike Frappier, Dan Hall, and John Hartz.

George Smillie took cabin 12 on a trip by truck to Youngs State Park. These boys were David Root, Chuek Reynolds, Roy Feldman, Steve Armington, Matt Dee, Curtis Jones, Kirk Rogers, Tom Danaher and John Danaher.

A hiking trip left here to hike over to Nine Mile Point on Lake Michigan. Jim Crary took his cabin 18 on this hike, and the boys were Mac Wyatt, David Nagey, David Hoyt, Herb Baker, Charles Booth, Chris Calvin, Freddy Myers and John Eckhold.

In the evening, Ted Fleming, our head nature man, and John Delserone, plus three assistants took the Nature Trip out of camp. The 25 lueky boys being chosen from a long list of boys who wanted to go on this trip were: Chuek Gardella, Scott Walters, Skip Sales, George Lackey, David Root, Chuck Reynolds, Randy Peterson, Kim Kuehn, Artie Schultz, Bob Zitsman, Jim Warner, Bobby Mardigian, Scott Harris, Joe Michael, John Levin, Dick Schultz, Pat Smith, Terry Mast, Don Buckingham, Mark Herschede, Doug Parker, Mike Danaher, Steve Danahan, David Sasenbery, Stuart Watterson.

Later in the evening, a technicolor movie was shown to those remaining in camp. It was "Goliath and the Dragon" and the boys loved it.

Thursday was the day when the canoe trip left for its trip to the Intermeriate chain of lakes. The boys on this trip were Bill Lambert, Ernie Kelly, George Steinhardt, Mark Gillett, Jim Hogan, Ron Root, Peter Eberbaek, and Brady Shea. The staff on the trip were Larry Takela, Aee Hoyt and Jon Steffensen.

Cabin 9, under Diek Kaye's guidanee took a sailing trip to Whiting. The boys were Tom Burr, Paul Kelly, Bill Kirwin, Eric Peterson, Ron Baker, Peter Calvin and Andy Case.

In the evening the Prep Section with Dan Cameron at its head had a "weinie roast" over on the shore of Lake Michigan. They really enjoyed this.

This might be a good plaee to mention the fine projects that the C. I. T.'s (Counsellors-in-Training) have been doing. They built a very attractive bridge over our Limberlost Creek along the path to the stables. This was quite a major project as it meant tearing out the former bridge which had been there for thirty years and was broken down.

Another project that this fine group did was to put up a new backstop for the Junior Ball Diamond.

On Friday the Nature trip returned. In the afternoon, we took several of our camp teams over to Bay View for an afternoon of competition and we were very proud of our boys. Bay View won the Intermediate ball game, the archery match and the tennis match. Camp Charlevoix won both swimming meets and the Senior ball game. So the afternoon ended in a 3 to 3 tie, good for everyone concerned.

In the evening, the Mugwamp was hidden again and the Greens found it. However, later in the evening the Greys found where the Greens had hidden it, and thus had it for keeps to start on the "running of the Mugwamp".

The Intermediate Section had a scavenger hunt which the Greys won, bringing the score at this point to Greens 24, Greys 21. It is still a close race for season's honors.

We had several visitors in camp an Saturday and regular activities were held both morning and afternoon.

In the evening we had another "Skit Night", with the best set of skits given this summer. All of them were very original and the boys had a great time performing for the rest of the campers.

Cabin 21 (Spotty Adams) started the evening off with a skit called the "Chartreuse Murder".

Ed Bryant's cabin no 19 gave one of the best of the evening. It was called "Indecision" and was very hilarious, with Jim Todd, Doug Laing, and Chris Quayle starring.

Cabin 18 (Jim Crary) gave a skit called "The Birds" and was a ballet.

Cabin 20 (Jerry Flors) presented a take off on the TV show "To Tell the Truth" with three guests being "The Hermit". Every boy in the cabin starred in this. Steve Martin was the narrator, and the panel of judges was composed of Tom Schrader, Rusty Smith and Doug Comb. Larry Light as the man who broke in with the commercials was very good, and brought forth many laughs.

Gary Nagel's group, no. 17 gave a skit called "Preparedness" and it was very funny. The evening was closed with the C.I.T.'s presenting a "Hootnanny" Skit.

Sunday morning we had several visitors at our Chapel service held at the Chapel in the Woods. Jonathan Howard was the speaker and gave a really fine talk, very challenging to the boys and staff as well.

In the afternoon, the Mile Swim was held and about 130 boys entered with 95 finishing. The first ten to finish were: David Nagel, Bill Curphey, Russell Washburn, Jim Todd, Chris Quayle, Freddy Myers, John Eckhold, Peter Eberbach and Bruce Douglass. Each team, the Greens and the Greys picked up two points in their team scores, so the score now stands Greens 27-Greys 24, with one more week of competition.

Rodney Deyo, our Indian Daneing Instructor arrived in camp with his family, ready for two weeks of preparation for the Final Indian Ceremony. Boys are excited about taking part in this event, and Rodney's classes are full. In the evening, Vesper Services were held in each seetion.

We would like to once more invite parents and friends to the Rodeo to be held on Friday, August 23rd. at 3:00 p.m. and to the Final Indian Ceremony held that same evening, Friday, August 23rd. at 8:30 p.m.

Parents are asked NOT to visit camp the final week until Rodeo time, as there is so much the boys are doing in getting ready for these two big events, and campers are busy working on "Stars" in their chosen activities. So PLEASE Parents, do not plan to visit the camp the final week at all.

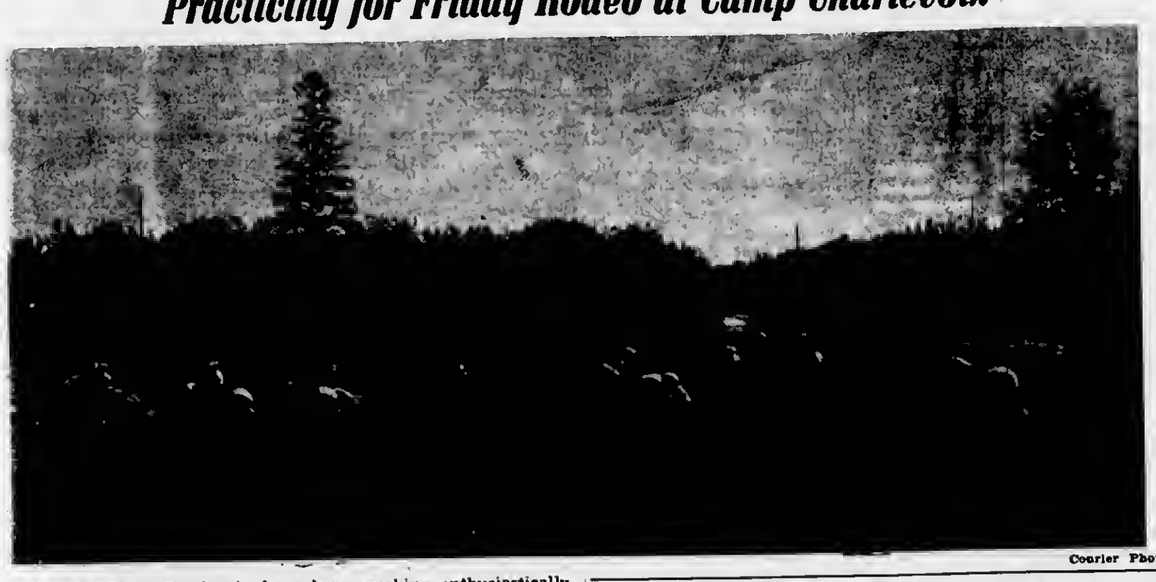
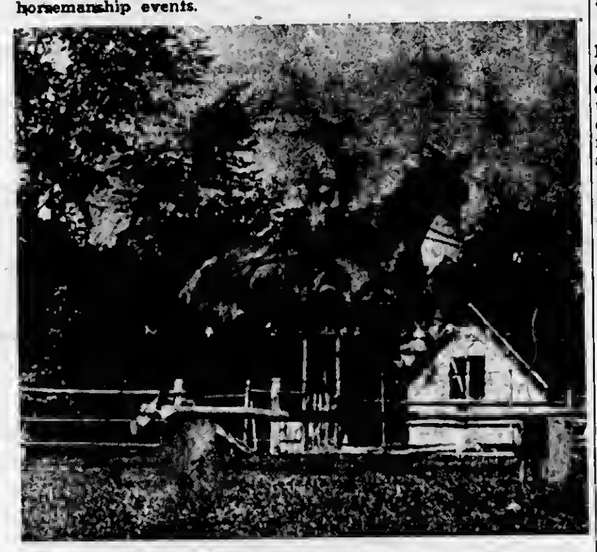
Practicing for Friday Rodeo at Camp Charlevoix



Courier Photo

Boys at Camp Charlevoix have been working enthusiastically the past week to be in tip-top shape for the rodeo they will stage Friday afternoon from three to five. Pictured above is only a few of the horsemen working their mounts in a big circle. There is no admission charge to the rodeo and the public is invited to see these youngsters demonstrate their skills in competitive horsemanship events.



Taking the jumps with a horse is a fascinating event of the Camp Charlevoix rodeo. Pictured above is one of the cowboys taking his mount over the bar.

Courier Photo

Courier Photo

Practicing for the barrel-bend event. Above one of the instructers leads a group of campers around one of three barrels which form a triangle. In the contest Friday each rider will take his mount around the course as fast as possible. It takes horsemanship to hug the barrels as close as possible without touching them. Many other interesting events are scheduled on the program.

Hospital Board Re-elects Three; Hears Superintendent's Report

Three incumbents, Fred Willis, Mrs. Edward K. Shanahan and Gordon L. Freedman, were re-elected to the Charlevoix Hospital board of directors for terms of three years each at the annual meeting held Wednesday at the city hall.

In her annual report to the board, Miss Anne Baumgartner, superintendent, reported that during the fiscal year ending June 30 a total of 1,135 patients had been admitted and 1,146 discharged. During the same period 2,088 out-patients were treated; 1,342 patients passed through the x-ray department and 2,512 patients received laboratory services.

A breakdown of admittances revealed 408 surgical, 206 obstetrical, 357 medical, 192 pediatrics cases and 187 births. During the year 49 adults and one baby expired at the hospital.

All of this added up to 8,518 number of hospital days care and 800 days eare to new born patients at a per diem cost of $38.30 as compared to 33.79 per diem income. A total of 40,298 meals were served at an average cost of 89 cents per meal.

The average of 60 employees resulted in an annual payroll of $200,093.20.

In her report, Mrs. Shanahan, board secretary, told of the federal grant of $46,200 received under the Public Works Acceleration Act-Hill Burton for construction and addition of auxiliary hospital services,a physical therapy department, enlargement of the laboratory thus increasing laboratory facilities and the addition to the cafeteria.

She also reported that Dr. R. Cajigas and Dr. R. T. Lossman, patholigists at Munson Hospital in Traverse City, have become members of the consulting medical staff of the Charlevoix hospital, making regular visits to advise and supervise laboratory procedures. Dr. Harry L. Weltz, also of Traverse City, comes as radiology consultant.

She also expressed the appreciation of the board to the Belvedere Club, Chicago Club and Northside Association which annually contributes $2,000 each to the support of the hospital; to Mr. and Mrs. D.D. Walker who annually underwrite the cost of a $500 professional nursing scholarship which this year was awarded to Elizabeth Bell of East Jordan and to Barbara Joe Trevan of Bellaire, the latter replacing the 1961 recipient who dropped out of nursing school; to the medical and hospital staffs and employees and to the Women's Guild of the Charlevoix Hospital which annually raises funds to purchase equipment for the hospital and assists in other ways.

Other members of the hospital board are Charles Bleha, Max Novak Hans DeYoung of Ellsworth, Ralph Price of Ironton, Floyd Brown and Bruce Malpass of East Jordan.

Judge C. L. Brown Arraigns Three In Circuit Court

Ten persons were arraigned before Judge Charles L. Brown during the opening day of the August term of circuit court Monday.

Boyd Carson, 30, of RR 2 East Jordan, pleaded guilty to a charge of statutory rape involving a 12-year-old girl. His case was referred to the probation department for investigation. He will be sentenced at a later date.

Two of three southern Michigan youths, charged with larceny from a building, pleaded guilty to the charge and their cases referred for investigation. They were Edmund H. Chatham, 20, of Marine City, and Jeffrey Hinman, 20, of Hastings, who with David Daugherty, 21, of Vandalia, were arrested in southern Michigan and returned here on a charge of taking a cash register containing an estimated $980 from the Weathervane Inn late the evening of Aug. 9. The trio took police to an area in Hayes township where they had hidden the cash register. They had waived examination and were bound over to circuit court when they appeared Friday before Justice John Connolly who had set their bonds at $10,000 each. Daugherty was released on bond Saturday and is scheduled to appear for arraignment Friday. Chatham and Hinman were released Monday on personal bonds.

R. Theodore Herrick, 45, of Boyne City, stood mute when charged with driving without a license, second offense, and with unlawfully driving away an automobile. Pleas of not guilty were entered in his behalf by the court. He was returned to the county jail to await trial.

The following pleaded guilty to crimes with which they were charged and their cases referred for investigation prior to sentencing: Paul L. Fraser Jr., 22, of Boyne City, resisting an officer in discharge of duty; Robert Crothers, 21 of RR 1, Petoskey, larceny from an automobile; Bruce H. Anderson, 21, of Holland, larceny from a building and Donald A. Crandell, 17, of RR 2 Boyne City larceny from an automobile.

Samuel Tasco, 81, of Detroit, charged with possession of stolen property, and Keith West, 34, of Boyne City, charged with resisting an officer, had been arraigne earlier and, after pleading guilty, are awaiting sentences which will be handed down following investigations by the probation department.

The charge against Lyle West, 29, of Boyne City, was reduced from resisting an officer to being a disorderly person. He was ordered to pay $35.00 fine and costs.

Judge Brown is scheduled to return Friday.

Color Films of Venetian Parade To Be Available

First color motion pictures of the Charlevoix Venetian Festival are in process by Artista Films of California. Rushes of the spectacular night parade and fireworks were screened this week by John Bradley, of Netherwood, cinematographer of the marine documentary company, who termed them "highly satisfactory."

"Thanks to the co-operation of local businessmen and townspeople," he said, "We'll hnve the first night shots of the most colorful marine event of the nation ready for screening in September."

Much interest has been manifested in the production, which will give Charlevoix the opportunity to present its unique summer highlight to viewers on TV and in theatres throughout Michigan and the Midwest.

The footage is to be incorporated in the Great Lakes episodes of "Lure of the Light", the lighthouse series now nearing completion by Artista. Previous filming of the California coast from Ensenada to Point Reyes, north of San Francisco, is based on the paintings of widely acclaimed artist George von Physter, who is expected in the Charlevoix-Mackinac area soon for definitive portraits of such local landmarks as Skillagallee and Waugoshance.

The Charlevoix City Band To Present Request Program

The Charlevoix City Band, directed by C. A. Odmark, will close its 1963 summer concert season with a request program to be presented in East Park at 8:30 p.m. Wednesday from the park stage.

The season now coming to a close has been one of the most successful the band has had in recent years, according to Mr. Odmark, who added that the weather has cooperated and all concerts scheduled have been played, attendance has been the largest the concerts have drawn and the band itself has achieved a balance and precision that has been its goal for several years.

Numbering 50 pieces this season, the band is composed of a nucleus of adult musicians from Charlevoix who, along with selected members from the championship Charlevoix high school band, rehearse weekly the year around preparing for the summer concerts.

The adult nucleus consists of Arthur Nettleton and James Bearss, clarinetists; Mrs. Jerry Shupert, flutist; Ilo Helms and John Kroken, cornets; Susie Helms, French horn; Robert Gill, baritone; Pat Moran and David Patrie, trombone; Clifford Riley, Sousaphone and Rev. Jack Harris, percussionist. Mr. Moran is treasurer for the group and Mr. Helms stage manager during the summer season.

High school students who have appeared regularly with the group this summer are Shirley Stoel, Marcia McCall and Roberta Hiller, flutists; Richard Odmark, oboist; Ruth Schofield, Barbara Sugden, Judy Walker, John Ochs and James Stewart, clarintists Terry Nielsen and Patti Penn alto saxes; Tom Hawley, Ben Cunningham and Harold Smith cornetists; Robert Odmark, French horn; Bruce Kroken, baritone; Steve Kroll and Larry McBride, trombones; Gary Stutzman and Larry Fiendt, Sousaphones; Peter Brock and Sharon Sugden, precussionists.

Returning to the band for the summer season are former band members attending college or working away from Charlevoix during the school year. Among them are: Elva Trimble, flutist; Virginia Hamlin and Jerry Kieser, clarinetists; Joel Arvilla, alto sax; Don Heise, tenor sax and George Majors and Evelyn Peters, cornetists.

Members of the band from adjacent communities include a group from East Jordan, brought to rehearsals and concerts by Dwight Smith, director of the East Jordan band and himself a long-time member of the city band. These include, besides Mr. Smith, his wife, Judy, Jean Sliugh and Laurie Grauel, clarinetists; Jane Slough, tenor sax, and Velma Sweet, trombone.

Coming from Petoskey to participate in the group have been David Dombrowski, oboist; Ralph Schweigert, cornetist; Linda Starmer, French horn; Celia and Robert McCartney, percussionists. In addition, John Wynn, also of Petoskey, has played E flat clarinet with the band in several concerts.

Coming from Roseville has been clarinetist, Larry Anderson, grandson of Mr. and Mrs. Earl Shapton, and from Western Michigan University for several concerts Karen Sato, also a clarinetist.

All of these people have contributed their talents to this series of concerts without remuneration. The necessary expenses of presenting the concerts are paid by the city of Charlevoix while rehearsal facilities and equipment are furnished by the Charlevoix public schools.

Charlevoix Public Schools To Open Sept. 9

The Charlevoix public schools will officially open Monday, Sept. 9, with a teachers' workshop Supt. Rex E. Milligan announced this week.

Charles A. Robinson, Superintendent of the Charlevoix-Emmet county Intermediate School District, will address the opening session and discuss the changes in the intermediate school district.

School will begin for all students except in the kindergarten at the usual time, 8:45 a.m., Tuesday Sept. 10. Buses will travel over regular routes at the usual times. School will be dismissed at 2:30 p.m. on opening day.

Plans for the opening of school will be discussed at the regular meeting of the Board of Education held Monday evening.

At the meeting the board gave its approval to the proposed change of fuel sources from fuel oil to natural gas for the library; engaged two new bus drivers, Wayne Carter and Joe Martinchek Jr. and hired Mrs. S. E. Coleman as clerical assistant at the elementary school office.

Bids on various needs were opened and awarded. The Farm Bureau was awarded the fleet inurance for buses and driver training cars; the Standard Oil Co. the gasoline for buses and driver training cars; the Osceola Refining Co. of Reed City the bid for heavy fuel oil; Erber Oil Co. the bi for No. 2 fuel oil; the Maxbauer Creamery the bid for milk and Michigan Bread Co. the bid for the cafeterias.

CHS Football Practice Sessions To Begin Monday

"Everybody out!" will be the order of the day beginning Monday as all candidates for the Varsity and J-V football squads report for two practice sessions daily until school starts.

Coach Don Carey has scheduled practice sessions for 7 a.m. and 5:30 p.m. which means that prospective players must be dressed and on the practice field at these times.

After school begins Sept. 10, practice sessions will be held after school hours in preparation for the opening game at Rogers City on Sept. 13.

Uniforms were issued to the majority of players Friday night, Coach Carey reported. Others were to be issued when players reported for physical examinations Wednesday.

Only Newcomers Need Register For School Year

Only students who were not enrolled in the Charlevoix school system last year need register for the 1963-64 school year Supt. Rex. E. Milligan said this week.

Pupils who will be enrolled in the elementary (Kindergarten through 6 grades) for the first time may register at the elementary school office on Grant st. from 9 a.m. to 12 noon and 1 to 4 p.m. Tuesday, Sept. 3.

Students enrolling in the local junior-senior high school (7 through 12) for the first time, may register at the new high school office from 1 to 4 p.m. Friday, Sept. 6.

Youngsters who were enrolled in Kindergarten last spring need not register again. However, newcomers to the community may register their kindergarten-age children on Sept. 3 or on the opening day of school, Sept. 10.

Leonard S. Staley Joins CHS Faculty

All vacancies on the faculty in the Charlevoix public schools were filled this week with the hiring of Lenoard S. Staley to teach high school English and speech, Supt. Rex E. Milligan has announced.

Mr. Staley, a native of Sault Ste. Marie, is a 1957 graduate of Central Michigan University and attended Mexico City College in 1960. He taught at the Sault Township high school for three years and at the Laingsburn Community School for two years before coming here. He will also serve as assistant football coach.

Final Rites Held In Fort Myers, Fla. For Charles Hampton

News of the death of Charles H. Hampton, 76, at Fort Meyers, Fla., Aug. 15, has been received here.

Mr. Hampton left here in June 1962 to make his home in the south.

Funeral services and burial were in Fort Meyers.

Mr. Hampton was reared in Charlevoix where his father, the late W. E. Hampton, was mayor, and publisher of the Charlevoix Courier for many years. He was graduated from the Charlevoix high school in 1906. He lived in southern Michigan, returning to Charlevoix in the 1950's to make his home. During that time he served as deputy sheriff and was active in local circles. He was a lover of the north country and left only because of failing health.

Surviving are his wife, Irma; a daughter, Mrs. Jean Gaddy; two sons, Robert and Victor W. Hampton and two brothers, Victor H. and William E. Hampton Jr., both of the Detroit area

The Waterfront Fair

A letter to the Editor signed by Charles B. Culver of Bellaire apparently disapproves of the Chamber of Commerce charging an entry fee for those wishing to exhibit at the annual Waterfront Fair. We take it that Mr. Culver is a profcssional artist who exhibits soley for thc purpose of selling his wares.

As we recall, the Waterfront Fair was first established to give the amateur artist and craftsman an opportunity to display his handiwork as well as the professional. There have been both amateurs and professionals who have sold their works, and more power to them. This complaint, however, is the first we have heard about an entry fee being unjust.

It has been our observation that the artists and craftsmen enjoy the Fair as an annual get-together with the opportunity to exchange ideas and see the work of others. It is evidenced by the number of visitors that the general publie enjoys viewing works of the artists and craftsmen and the opportunity to visit with them. The Fair has been especially benefieial by creating an interest in arts and crafts among many persons who had never given much thought to this part of American culture.

The Chamber of Commeree underwrites the eost and gets some revenue from the exhibitors. Merchants in Charlevoix have never attempted to commercialize the event. It is possible some of them do a little extra business on that day and most of them would probably contribute that extra profit if that were all they had to contribute for promotions.

Charlevoix appreciates the support the professionals have given the Fair. Their support has materially helped make this one of the best outdoor art exhibits in Northern Michigan. Their efforts are on a par with the members of the local committee who give endless hours of their timc to make the exhibit possible.

BETWEEN YOU AND ME

- By Harold E. Kohn -

A Prayer to Be Spoken When It Is Hard to Pray

O LORD,
JUST NOW
I DON'T HAVE MUCH TO SAY.
PERHAPS IT DOESN'T MATTER,
SINCE WHAT I SAY
IN PRAYER
IS LESS IMPORTANT
THAN WHAT IS SAID TO ME.
SPEAK, FATHER,
WHILE I LISTEN.

* * *

IN CHRIST'S NAME. AMEN.

Voice of Our Readers . . .

Editor of Courier:

Below is a copy of my letter to Senator Philip A. Hart which I hope you will print in your paper.

Aug. 14,

My dear Senator Hart;

Thank you for your prompt reply to my telegram in which I complained about the "Sonic Booms" caused by super sonic planes used by the Strategic Air Command in this area.

Since wiring you I have talked to many year around residents as well as the summer residents and we feel that neither our questions nor our suggestions for a compromise are being considered by the S.A.C.

Yesterday I went to a meeting in Petoskey (about this whole problem) at which two officers explained what the program involved.

I came away with some very disturbing and definite impressions which I should like to pass on to you.

The first and most overwhelming feeling was that the Strategic Air Command officers who spoke, defended their program by continually alluding to a coming war! They said things something like this; When the Russians come over and down into Canada we want to be able to intercept them". They did not say we hope they never will, but "when"!

The second was that when they were asked why the planes couldn't fly above 40,000 feet, their answer was "Tactical Reasons".

One of the officers continually contradicted himself. At one point he said they flew around 30,000 feet and at other times he said, "We always stay at 40,000 feet".

When someone asked why these runs couldn't be made over the waste areas of the United States or even over the Great Lakes, the answer was that they had to have a populated area with ready targets etc.

Why is it impossible to build targets in the form of simulated towns on the desert?

The low flying planes, which as it was explained fly low to get under the radar screen, are so close and come so so often (sometimes twelve to fifteen minutes apart all night long) that it is far worse than living next to an airport and for some of us it is impossible to get a night's sleep.

Are the S.A.C. and the defense department completley ignoring the fact that it is the people of the United States whom they are defending? And that we, up here, are among those people? The things we live for and love in this country are being destroyed by this kind of practice/

We, of course, accept the need for some practice for defense but we want a compromise, we don't want the Air Force to lose all sense of proportion. It seems reasonable to consider the wishes of those whom they are defending.

This meeting yesterday seemed to me to be proproganda to soften us to make us accept this program, and made no satisfactory answers to our suggestions for limitations and controls.

I hope with your full schedule that you will have time to read and consider my pleas and I thank you for your interest.

Most Sincerely,
Francis E. Boal
(Mrs. Ayries Boal, Jr.)

Something to Think About

Fresh ammunition for government economy advocates was provided by an official statement showing that Uncle Sam paid out during the 1963 fiscal year (ending on June 30) a massive total of $113,888,000,000—a jump over 1962 of $6,205,000,000.

At the same time the government collected $109,762,000,000 from the public compared with $101,887,000,000 in 1962—leaving a deficit of $4,126,000,000 in 1963 and of $5,746,000,000 in 1962.

These figures include trust funds receipts and expenditures for such things as Soeial Seeurity and highway eonstruction.

So far as the regular—or administrative—budget is eoncerned, the Government spent $92,590,000,000 in 1963, a gain of $4,803,000,000 over 1962.

Regular budget receipts were $86,357,000,000, an increase of $4,948,000,000.

This resulted in a 1963 deficit of $6,233,000,000, compared with a $500 million surplus forecast by President Kennedy when the budget went to Congress in January, 1962.

Rise of Federal Outlays, And Debt, is Staggering

Sen. J. Glenn Beall (R-Md.) is understandingly staggered at just how much $100 billion is. He notes: "Handing out the sum of $144,190 every day, it would take you 19 eenturies to get rid of $100 billion— which is approximately the amount the Administration proposes to spend in one year.

Sen. Beall compiled the following table showing how the national debt and federal spending have inereased, notably since the early Roosevelt administration days. Asked the Senator: "Where will it end?"

Fiscal Year	*Annual Federel Expenditures	National Debt at end of year
1934	$ 6,700,000,000	$ 27,100,000,000
1941	13,300,000,000	49,000,000,000
1942	34,000,000,000	72,400,000,000
1947	39,000,000,000	258,300,000,000
1949	39,500,000,000	252,800,000,000
1952	65,300,000,000	259,100,000,000
1955	64,400,000,000	274,400,000,000
1957	69,000,000,000	270,500,000,000
1959	80,300,000,000	284,700,000,000
1961	81,500,000,000	289,000,000,000
1962	87,880,000,000	298,200,000,000
1963 est.	94,300,000,000	303,500,000,000
1964 est.	98,800,000,000	315,600,000,000

*These are regular budgetary outlays and do not take into account other expenditures such as those for Social Security, highway construction, etc.

News Round-up at Camp Charlevoix

The seventh week of camp started off on Monday with a rainy day, which meant that we all had Sunday schedule which means that we didn't arise until 8:30 with a 9:15 breakfast. It rained all day long, so the Rainy Day committee went into action and came up with a most interesting day. Rodney Deyo started his reheorsals of the Indian dancers.The other campers met in the Bigwam for a few movie shorts, and some of the staff put on a skit. Jerry Fiora, Bob Lohman and Rusty Gilmore atarred in "The shooting of Dan McGrew".. George Mott was the reader. In the afternoon Rodney had his second group of prospective Indian dances. The rest of the camp met in the Bigwam for a weight-lifting match. John Delserone took charge of this and some of the winners were. Keith Graves, Chuck Limbach, John Hartz, Phil Knox and Rusty Smith.

We had an all-camp evening in the Bigwam and the campers saw a movie starring Victor Mature, "Chief Crazy Horse".

Tuesday, still raining, and the sailing trip still waiting to take off. We forgot to mention that last Tuesday we were hosts at dinner to the Kiwanis Club of Charlevoix board of directors. Our camp manager, Barney Engelhart, is president of the of the club.

On Wednesday, the rains finally stopped so that our two long trips could leave camp. The sailing trip was the first to get away with oll of the sailing department, headed by John Bingham and Johathon Howard, plus Wes Murfin, Ace Hoyt, Jon Rotz and John Deane. It was a perfect day and a mild wind made the take-off just perfect. The boys cbosen for this trip were: Howard Davis, Bruce Douglass, Steve Martin, Danny Hall, Dave Nagey, Tom Schrader, Rick Brunner, Chris Calvin, John Eckhold, Bill Curphey, David Washburn, Doug Laing, Jeff Owen, Andy Case, Greg Lane, Peter Calvin, Tom Case, Doug Nouse, Robbie Zitsman, Peter Crew and Mike Ritoff.

One of the highlights of any camp season is the long horse trip. The best ridera in camp are chosen to go on the trip, and to see a string of 30 horses all lined up is really a sight to behold. Four of our aix cowboys, Don Davidson, Don Strutz, Max Monty and Ron Kirk, took out this trip, assisted by Don Cameron fro .mthe staff and Dean MocVicar from the CIT's. The boys on thls trip were: Dave Knox, Mike Pliskin, Mark Murfin Jim Lemmon, Mike Kelly, Kirk Rogers, Chuck Herrington, Al Knoblock, Tim Rodgers, Jamie Jordan, Steve Pferd, Rudy Palobit, Irving Ingraham, Doug Comb Brad Comb, Peter Glessner, Bob Swanson, Robert Uagel, Brad Rea Steve Armington, Chuck Poll, Dave Hoyt, John Danaher and Dave Pliskin.

During the afternoon the GREENS made a successful run for the mugwump and picked up another point. In the evening that annual Capture the Counsellor was held. This is a very exciting event. There is a price on each mans head, and caricatures of them are placed on trees all over camp. The pictures were very funny and boys enjoyed seeing them. The total amount caught by each team decided the winners. At the end of the evening, each team had won in two sections thereby each getting two points, making the score at this time GREENS 30 - GREYS 27.

On Friday morning, the sailors arrived back from their trip in time for a pancake breakfast with the rest of the camp. They got up at four a. m. atarted at five as there was a brisk wind and came the entire length of Lake Charlevoix in good time. The men were afraid that if they waited until later, the wind might die down and then they would be on the lake for hours trying to get back to camp. In the afternoon regular activities were held, and about five o'clock it got quite dark and by five thirty we were having a real thunderstorm with torrents of rain and much lightening. It rained all evening and campers watching completely

On Saturday, there was much excitement with cabin 21, the oldest boys in camp drawing an assignment to husk 35 dozen ears of sweet corn. They sang and sang as they husked and husked, with a crowd of the smallest campers busy watching completely enthralled at the sight of so much corn and so many husks. In the evening we had the annual birthday party. Pat Kuehn, our nurse arranged the program which was one of the best we have ever had. After the meal, with sweet corn as the treat, the program was presented. By the way, the birthday boys and staff numbering 22 who had birthdays during the season sat at a long head table which was centered with a hugh pine barrel filled with fresh fruit. The first number on the program was a piano medley played by Dave Roberts, one of our C.I.T.'s who plays extremely well. Next on the program was a trombone solo by Jamie Jordan, accompanied by Ken. Then the camp trio, Bob Hickham, Dan Morganrauth and Terry Ward, played a medley and sang folk songs. The boys always enjoy the efforts of these 2 staff men. Next Art Dewolf, one of our dining room boys played a clarinet solo, accompanied by Ken. Cabin 3, Lorry Takalo's cabin, sang "Clementine" with Mike Ritoff, of Cabin 21, as Clementine. This was a very fine presentation and the boys were: Kim Kuehn, George Lackey, Charles Limbach, Scott Walters and Sandy Lange. They did a terrific job. The final number was Bill Washburn, one of our staff, doing an Indian Dance. It was a very fine banquet and the boys enjoyed every minute of it. Later in the evening we had a campfire down on the shore of the lake in front of our lighted Indian Tepee which we light every night and keep lighted all night long. Jonathan Howard read a story by Jack London, we sang songs, and closed the evening as we faced a beautiful sunset and sang taps.

Sunday morning we had chapel in the woods with Bill Townsend, Director of Activitics, as the speaker. Te spoke on the theme "Some of You Will Succeed". It was a most challenging talk. In the afternoon, the final event of the GREEN-GREY Competition was held with the annual Obstacle Relay. This is an event in which about 140 boys take part, and it takes in every camp activity plus many added races like a potato race, eating a peanut butter crecker and whistling blowing up a balloon unil it bursts, etc. It was a great afternoon, with swimming races, canoeing across the bay and back, etc. and at the end of the relay, the GREYS had won by three seconds, tying up the season's total at 31-31. Thus it necessitated a run-off to choose the winner as this was the end of the competition. But to digress a moment, for Vespers we had the distinct pleasure of having Rev. Harold Kohn, Pastor of the Congregational Church in Charlevlox, and Nationally Syndicated writer of 37 newspapers, as our speaker at the Vespers. The entire camp met in the ciubhouse, we had a fire in the fireplace, and after several songs which the group sang very well, Rev. Kohn spoke on "Directions for Living". The boys enjoyed him so much and it was a great treat for the boys to hear this outstanding minister, who is also a neighbor of ours at camp. After the Vespers, tha GREENS met in the Bigwam for a Quiz program, the GREYS met in the clubhouse for a quiz program, each group bavIng the same set of questions. Each team had four men on their panel. It was very exciting. The whole camp met out on the basketball court in a wide circle and excitement was running high. The committee talled up the quiz scores, and Bill Townsend, Director of Activities announced that "The winner of the Green-Grey competition for the 1963 season is the . . . . . GREYS "It was a terrific climax to a wonderful yeor of competition. There were cheers which I know must have been heard in Charlevoix, and there were many tears. It was a really great finish to a fine seoson. Russell Washburn did a truly fine job leading his team of Greens and credit goes to Al Knoblock for leading the Greys to winning. The Greys came through in the final hours.

More next week.

Circlin' The Bases

By JEANO

The local women's softball league added much respect to their league by easily whipping the Boyne City women 7-3. Boyne City won the class D State title just last year and are figured a threat to repeat again this year. The Charlevoix all stars, representing the local four team league, went right to work in the first inning. Cindy Cunningham and Linda Supernaw scored three runs with sharp one-baggers. In the second Fran Novak sent a run home with a base hit. Doris McBride, Linda Supernaw, and Ellen Arvilla combined base knocks to score two more runs in the third. McBride's triple and an error set up the final run. Meanwhile, Boyne found Merna Boss impossible to dent as they collected only one hit off the local hurler until their final time at bat. Finally in the seventh inning they combined three hits and an error to score three runs for the 7-3 final score.

Morweld Cinches City Title

Morweld Steel used a 6-1 win over second place American Mold to cinch the second round. Morweld has only one game remaining and they won the first round. The winners scored at least once in every inning but the first, and had a no-hit shutout going into the last inning. Then the losers came to life to bang out three hits and score a run.

Morweld used a big seven run second inning to beat Lake Construction 9-3. Hitting stars were many as JackVanloo, Bob Klooster, John Swanson, and Jack Engles each collected two hits.

Browe Electric held Morweld to a 5-0 lead until the sixth when the Champs seored five times for a 10-0 victory. Ken Parish continued his fine hitting for the losers. Bob Klooster paced the wimners with three hits.

Standings

The race for the batting trophy has narrowed down to three players. Sam Supernaw of Lake Construction has a narrow lead over teammates from Morweld, Bob Klooster and Tom Welland. Each has one game left.

Jr. League

A & W hooked up with Barnard in a real thriller with Barnard posting a narrow 4-3 win. The win for Barnard gave them a tie for second round with A & W. However, A & W played the game under protest and at this writing the league officials had not yet reviewed the contest. Gary Crain scored the winning run with a single in the bottom of the seventh inning then scored on an error. Ben Cunningham had a two-run double for the winners, and Chip Terrill singled home one run and scored another for the losers.

A & W made short work of VFW as they scored a 12-0 win. Nearly all the lineup enjoyed a good night at the plate but Ed Holm, A & W pitcher, didn't need much hitting support as he hurled a fine two-hitter.

Peanut Lead Tied

With one game remaining for both the league leading Cubs and Dodgers, it appears that a tie will result in the race for the second round title.

The tie came about as the Tigers upset the Cubs 8-6. The Tigers played their best game of the season in posting the upset. Tim Carey, Bill Carey, and Spook Coleman combined to score the winning runs in the Tigers sixth inning. The Cubs threatened in the seventh but the Tigers came up with the big play to end the game.

The Dodgers kept pace by blasting those same Tigers 10-0 The winners only picked up five hits but used six walks to best advantage.

The Pirates surprised the Lions with an easy 12-1 win. They picked up sixteen walks to add to some timely hitting. Dave Stapleton led the winners attack with two hits while Craig Leiberman had the same number for the losers.

Blooper Title Game is a Thriller

There was no doubt that the final championship game in the blooper league was the best of the year. Novak's Insurance Agency and Holm and Crain's Wrecks squared off for the title. They had split during the regular season. The Wrecks picked up a first inning run on Ron Peterson's single. Novak's went ahead in the third on walks and Don Kowbel's chutch hits. The score remained 2-1 going into the top of the final inning. The Wrecks Lloyd Cummings and Bob Potter collected base hits, then Clyde Cunningham blasted a three run homer into right field. Guy Smith scored the final run with a three-bagger. Novak's threatened in the bottom of the inning but the Wrecks payed strong defensive ball to cinch the title, 5-1.

Miss Connie Ellen Nachazel, Stanley Bennett Wed August 10

Ellsworth—Mr. and Mrs. Stanley Irving Bennett have returned from a wedding trip to Niagara Falls to make their home at East Jordan.

The couple was married Aug. 10 at St. Mary's church in Charlevoix with the Rev. E. Francis Denay officiating at the double ring service during the Nuptial Mass.

The bride is the former Connie Ellen Nachazel, daughter of Mrs. Elden Hofman and the late Norbert Nachazel. Mr. Bennett is the son of Mr. and Mrs. Irving Bennett of East Jordan.

Mrs. Frank Oleksy was the organist and Mrs. Charles Hart the soloist.

Escorted to the altar by Mr. Hofman, the bride selected a Chantilly type floor length gown fashioned with a Sabrina neckline, fitted bodice and bouffant shirred lace skirt. Her veil of bridal illusion fell from a crown of the same material. She carried a bouquet of white carnations and stephanotis centered with a white orchid.

Mrs. Richard A. Clark Jr. of East Jordan, cousin of the bride, was maid of honor and Mrs. Donald Skop, also of East Jordan, was bridesmaid. They wore identical street length gowns of blue lace over blue taffeta styled with sculptured necklines and bell skirts. They wore matching accessories and carried colonial bouquets of pink and white carnations with blue accents.

Teri Sue Nachazel of Atlanta, Ga., was flower girl and John Nachazel brother of the bride, was ringbearer.

James Lilak of East Jordan assisted the bridegroom as best man. Larry C. Boyer of East Jordan was groomsman. Edward F. and Joseph P. Nachazel, brothers of the bride, seated the guests.

A wedding dinner for the bridal party and relatives was followed by an evening reception for 175 guests.

For traveling on their wedding trip, the bride wore a black velvet suit and matching accessories complimented with a white orchid corsage.

Announce Sale Of Whittier Hotel To I. T. Quarnstrom

The purchase of the 800-room Whittier Hotel at 415 Burns st. near the Detroit river by industrialist I. T. Quarnstrom was announced last week in Detroit.

Mr. Quarnstrom, 63, who lives at the Whittier, is president and general manager of the Detroit Mold Engineering Corp. and president of the American Mold Engineering Co. here, both of which he sold to the VolShan Corp. of Los Angeles last year. He is a director of the latter.

In announcing the purchase of the well-known Detroit hotel, Mr. Quarnstrom also revealed his plans for a summer resort, Water's Edge, on Lake Charlevoix here and aid he plans to establish air travel facilities between the Whittier and the resort.

Plans for the renovation of the Whittier amounting to an estimated $1.5 million were also made known. They include a night club on the 16th floor; a new ball room, two swimming pools, a 20-boat marina on the waterfront, two additions to house WSTE radio studios and a drugstore. It will also include conversion for coal to oil or gas and central air conditioning.

The purchase price was approximately $2.5 millions. The operating firm will be known as the Quarnstrom Corp.

Mrs. MacDowell Hosts Garden Club

"National Parks" was the subject of the lesson presented by Mrs. Arthur Osborn and Mrs. William Paddock at the regular meeting of the Garden club which followed a cooperative luncheon held Tuesday at the home of Mrs. Malcolm MacDowell.

They presented the highlights of the National park system and then presented the film "The Mountains Are Smoking".

At the business session, tentative plans were made for hosting the district meeting here Sept. 11.

Seventeen active and one associate member attended the recent meeting. There were also two guests.

Miss Silvers Becomes Bride Of Wesley Shooks in Church Rites

Ellsworth—The Atwood Reformed church was the scene Friday evening of the wedding of Janet Kay Silvers and Wesley Shooks Jr.

Parents of the couple are Rev. and Mrs. W. L. Silvers, former residents now living in Muskegon, and Mr. and Mrs. Wesley Shooks Sr.

The Rev. Mr. Silvers officiated at his daughter's wedding, assisted by the Rev. V. L. Draggoo of Hastings. Mrs. Hans DeYoung was the organist and Dean Fiedler of Traverse City the soloist.

Given in marriage by her father, the bride chose a floor length gown of white Chantilly lace over taffeta fashioned with a fitted bodice, long tapered sleeves and sweetheart neckline outlined with irredescent sequins. Tiers of lace formed the bouffant skirt which ended in a chapel length train. A tiara of irresdescent sequins secured the buffant veil. She carried a bouquet of white glamelias and yellow rosebuds.

Marcia Silvers of Muskegon was her sister's maid of honor. She wore a mist green street length sheath of nightlight taffeta with an overskirt of embroidered taffeta and matching accessories and carried a basket of yellow daisy mums. Maribeth Draggoo of Hastings, Ila Ingalls and Priscilla Gibbs as bridesmaids and Rhea Silvers of Muskegon, as her sister's junior bridesmaid, wore gowns identical to the honor attendant's in yellow and white accessories and carried baskets of flowers.

Karen Boenbrake of Muskegon was flower girl and Gary Strange of Charlevoix ringbearer.

Clifford VanSickle of Lansing assisted the bridegroom as best man. Completing the wedding party as groomsmen and ushers were Henry DeYoung, Maurice Taylor, Richard Shooks and Robert Johnstone, the latter of Charlevoix.

A reception followed in the church parlor, served by the Evening Missionary Society of the Ellsworth Pilgrim Holiness church. A tiered cake was a feature of the refreshment table. Mr. and Mrs. Marvin Elzinga were master and mistress of ceremonies.

After a brief wedding trip the couple is at home at 222 Washington ave., Muskegon.

Both are graduates of the Ellsworth Community high school and plan to continue their education at Michigan State University.

Louis Orlowski of Detroit, president of the class during their senior year, welcomed class members and their guests as they gathered for a social hour and dinner. Robert Neff, who with Mrs. E. James (Mildred Withers) Hiller was co-chairman of the event, served as toastmaster at the brief program which followed the dinner.

Those present were Mr. and Mrs. Ted Ager, Mr. and Mrs. Ormiston Bergeon, Mr. and Mrs. Gerald (Marion Cellner) Lakies, Major and Mrs. Harold Chew of Lorado, Tex., Mr. and Mrs. Gordon (Luella Cunningham) Bartlett, Mrs. John (Marjorie Falting) Garner of Los Angeles, Calif., Mr. and Mrs. Benjamin S. Gill, Mr. and Mrs. Edward Hansen, Mr. and Mrs. Hiller, Mr. and Mrs. Emil Krchak of Crystal Lake, Ill., Mr. and Mrs. Robert (Mildred LaBlance) Withers, Mr. and Mrs. Robert Livingston, Mrs. David (Alice Meyer) Griswold of Grand Rapids, Mr. and Mrs. Edward S. (Marjorie Miller) Radle of Whitefish Bay, Wis.

Also Mr. and Mrs. Neff, Mr. and Mrs. Franklin Ochs Mr. and Mrs. Orlowski of Detroit, Mr. and Mrs. Doyle Richardson, Mr. and Mrs. Rodney (Betty Ross) Creede of Cadillac, Mr. and Mrs. Ralph Shapton of Royal Oak, Mr. and Mrs. Harold (Evelyn Shapton) Schrouder of Traverse City, Mr. and Mrs. Louie Sharrow of Dearborn, Mr. and Mrs. George (Josephine Stevens) Bergmann of Petoskey, Mrs. Kenneth (Carroll Whitley) Irwin of Northville, Mr. and Mrs. Howard L. (Geraldine Williams) Stephens of Allegan, Mr. and Mrs. Lee (Frances Withers) Sanborn of Traverse City.

Communications from several members who were unable to attend were read during the after dinner program.

Former Governor To Speak at Teachers Institute

A former governor of Formosa and a world famed cartoonist will be among the speakers on the program at the annual fall teacher's conference more familiarly known as the Teachers' Institute to be held in Cheboygan Oct. 3 and 4.

"Mechanics and Methods of Communism" will be the topic to be discussed by K. C. Wu, former Formosa governor, at the second general session Oct. 4.

Munro Leaf, creator of "Ferdinand the Bull" and the "Watchbird" series which has run for 23 years in the "Ladies' Home Journal" will speak at the first general session of the conference on Oct. 3. His topic will be "I was a Cultural Exchange".

The theme of the two-day conference which is expected to attract more than 2,000 teachers from Region 14 which is composed of 17 northern Michigan counties will be "Teaching—a Profession Dynamis". In addition to the general sessions, 45 small group meetings will be held to present new teaching methods and techniques. Topics will range from aerospace education to agriculture.

The Cheboygan conference is among 12 similar conferences to be held in the state during October under the sponsorship of the M.E.A.

All schools in the region will be closed Oct. 3 to 4 so teachers may attend the conference.

IF YOUR CLUB, church, or civic group is planning a program, we'd like to remind you that there are about 60 topnotch movies available for your use from Michigan Bell. Most are in color, and cover a range of subjects wide enough to entertain almost any group. There is no charge for using them. We have an attractive 24-page booklet describing these films and additional program ideas. Call our Business Office and we'll see that you get one.

"NO VACANCY" signs at motels—and long waiting lines at restaurants, theaters or recreation areas—need not spoil your holiday fun this summer. Just telephone ahead and make sure there's a friendly welcome waiting for you, all along the way. Takes just a minute, makes such a difference.

QUICK QUIZ. Can you guess which room is the favorite spot for telephones—in homes all across the nation? Here's a partial list of possibilities to help you answer:

☐ BEDROOM ☐ KITCHEN ☐ DEN
☐ LIVING ROOM ☐ ENTRANCE HALL ☐ BASEMENT

Did you think first of Mom's husy day—and guess the phone in the kitehen? You're right! Next comes the bedroom, for privacy and protcetion. Hall and living room locations tie for third place. Actually, more and more families are finding telephones indispensable in a number of locations. To get an extension phone for any room in your home, just eall our Business Office—or ask the man on the telephone truck.

New Owners Take Over Publication With Next Issue

Negotiations were completed yesterday for the sale of the Charlevoix Courier to Albert Schaller of Petoskey who will form a new corporation which will be a subsidiary corporation of Northern Michigan Review, Inc., Harold M. Totten, managing editor of the Charlevoix Courier for the past six years, announced.

Under terms of the sale, the new owners will take over the equipment and assets of Charlevoix Courier, Inc. as of Monday. The subsidiary corporation will take the name of Charlevoix Courier, Inc. and the present corporation will dissolve under the name of Courier Company.

The Charlevoix Courier, Inc. was formed in 1957 by Mr. Totten, former Courier publisher Victor Spaniolo and local business people who brought the business from the late J. Clark Dolliver who published the Courier for five years.

The Courier will continue to be puhlished in Charlevoix as a Charlevoix paper serving this area, according to Albert Schaller, president of Northern Michigan Review, Inc.

Mr. Schaller has announced that Tom McDaniels who has been working with the Courier for the past week wil be advertising manager, supplementing the present staff.

McDaniels has established a reputation for his award winning advertising ideas, merchandising knowledge and hackground in city-wide retail promotions.

Beginning as a printers devil on a small country weekly Tom has worked on both daily and weekly newspapers in retail and classified advertising.

Before coming to Charlevoix, McDaniels was advertising manager of the Ingham Couoty news in Mason.

The McDaniels family which includes Tom's wife Grace Ann, their children David 2½, and Martha 1, will move to Charlevoix as soon as possible.

In closing the sale of the Courier, stockholders of Charlevoix Courier, Inc. look forward to a bigger and better newspaper for Charlevoix. This was the unanimous opinioo of directors when negotations were completed last eveniog. Stockholders include Mr. Totten, Mr. Spaniolo, Miss Virginia Spaniolo, Robert Bridge, Ralph Hess, Mrs. L E. Grate, E. D. Hawely, Gordon Freedman, Fred Willis, Carl Kohler, Fred Dittmer, Fraoces Martin, and Karl Erber.

Welcome New Executive Officer

★ ★ ★

Lt. Charles A. Millradt (right) arrived here recently from U. S. Coast Guard headquaters in Washiogton, D.C. to assume roommand of Coast Guard Group Charlevoix.

He succeeds Albert J. Bates, Ch. Bosn W-4, (left) who has been associated with the Group Office here since July 1959 as executive officer and later as commanding officer of the unit which has under its command all Coast Guard facilities from Grand Traverse Bay on Lake Michigan to Alpena on Lake Huron.

This marks the first time that a commissioned officer has headed Group Charlevoix.

Lt. Millradt, a native of Milwaukee, Wis., was graduated from the U.S. Coast Guard Academy in 1955. He has been assigned to Coast Guard headquarters for the past four years. Prior to that time, he served as executive officer aboard the buoy tender Sedge in Alaskan waters for 13 months and as commanding officer of a 95 ft. vessel at San Diego and the Gresham at Alameda, Calif.

He was accompanied here by his wife, Irene, and six-months old son, Robert. They will make their home on May st. in Meadowlane.

Mr. Bates who came here four years ago as executive officer of Group Charlevoix and later headed the Group as commanding officer, has been assigned to the Captain of the Post office at Sault Ste. Marie.

A veteran of 28 years in the country's oldest serviee, Mr. Bates enlisted Apr. 1, 1935, at South Haven. During World War II, he served aboard assault vessels during the invasions of North Africa, Italy, Tarawa and Kwajelein. He later was assigned to Lifeboat Stations at Two Rivers, Wis., Grand Marais, Minn., and Erie, Pa., served aboard the Cutter Hollyhock from 1946 to 1951 when he was assigned to the Group Office at Frankfort where he served from 1951 to 1957 when he went to the 14th Coast Guard District to serve aboard the Blackhawk stationed at Honolulu.

Mr. Bates will be accompanied to his new assignment by his wife, Edith, and their family, Sheryl, 16, George, 10 and Robert 7. Another son, Dennis, will attend Western Michigan University this fall.

Boulder Park Ass'n Studies Ways to Reduce Vandalism

In an effort to cut down on the vandalism in the Boulder Park area during the months when cottages are closed for the season, the members of the Boulder Park Association, at a recent meeting held at the Jack Schiff home, have authorized Peter Grapp to act in their behalf in their absence.

In an announcement following the meeting, it was stated that Mr. Grapp has been authorized by homeowners in the area to keep all trespassers off the Boulder Park property; to prohibit hunting in the Boulder Park area and to notify and prosecute any and all persons who are illegally trespassing or hunting on the property.

The association also voted to erect a sign listing the homeowners which is to he posted at the gateway to the park.

Community Chest Early Campaign Nets $1,875

The Special Gifts and the Summer Business Division of the 1963 Community Chest campaign launched earlier this month has resulted in contributions totaling $1,875 or 59 per cent of the goal set for the advanced campaign according to John Lachman, 1963 campaign chairman.

The generous support of the community's summer residents and the seasonal businesses is greatly appreciated by the campaign committee, Mr. Lachman said in making his report.

The regular campaign will get underway next month. Plans are now being made for a kick-off meeting for all campaign workers on Sept. 16 when an intensive campaign will be launched to raise the $11,511 needed to meet the budget needs of 47 local, state and national agencies.

In urging that everyone give the united way Mr. Lachman said by giving in this way your "one gift works many wonders".

Mrs. Harry Webster Lifelong Resident Dies Unexpectedly

Mrs. Harry Webster, 69, lifelong resident of this community, died unexpectedly late Tuesday a short time after she had been admitted to the Charlevoix hospital.

The body is at the Winchester Fungral home. Services will be held at 2 p. m., Friday.

Born in Charlevoix Apr. 28, 1894, the former Grace Shapton was married to Mr. Webster about 1923. They always made their home in the area. Mr. Webster preceded her in death in 1953. She was a member of the First Methodist church and the Americao Legion Auxiliary.

She is survived by a daughter, Mrs. Thomas (Janet) Louiselle of Charlevoix; four sons, Allan and Richard of Detroit, Harry Jr. of Pompano Beach, Fla., and Albert of Charlevoix and 15 grandchildren.

Award Swimming Certificates to 182 Participants

The City recreation department wound up the summer swimming season with the annual City Swim Championships and also presented youngsters enrolled in the Red Cross Swimming program with their certificates.

City Recreation Director Deano Davenport called on recipients to come forward and receive their awards from Water Safety Instructor Gary Smith, who was in charge of instructions, and his assistant, Sam Supernaw.

A break down of certificates is as follows: 112 enrolled in the beginner's class with 35 passing the examination and receiving pins. Those that did not pass received certificates of merit; Forty-four were enrolled in the advance beginner's class with 26 receiving passing awards. Eleven were enrolled in the swimmers classes with 10 passing and receiving badges. One hundred and eighty-two swimmers were officially praised for completing the six week program. This was the largest number to complete the Red Cross Swimming School.

The City Swim finals were run off after the awards were presented and the large crowd enjoyed the competition. Ribbons were awarded to the finalists. In the junior division of the boys participating, Bill Stapleton, Bruce Meggison and Herb Schofield each captured blue ribbons in individual races. The Senior boys were led by Mike Etienne, Dave Darnton, and Chuck Terrill, each with two wins. The junior girls were led by Lynn Fiederek who captured three firsts. Cathy Wood and Lenore Livingston led the Senior girls with two blue ribbons each.

The special dog paddle race for boys under eight years was won by Kevin Martin.

Dedication Service To Honor the Late Albert A. Wilbur

A special dedicatioo service honoring the late Albert A. 'Bert' Wilbur, Worthy Grand Chief of Alpha Tau Omega fraternity from 1941 to 1946 will be held at the graveside in Brookside cemetery at 10 a.m. Monday.

Albert A. Wilbur

At that time, a bronze plaque which has been attached to the granite marker will be unvieled and dedicated hy the Very Rev. J. Milton Richardson, Dean of the Episcopal Cathedral in Houston, Tex., and Worthy Grand Chaplain of the fraternity.

A native of Northport who was reared in Charlevoix, Mr. Wilbur became associated with Alpha Tau Omega in 1906 while a student at Albion College. He died March 19 at his Evanston, Ill., home.

Also present for the dedication services will be Stewart D. Daniels of Champaign, Ill., executive secretary of the fraterolty, and Miss Helen Rose Cline of New York City, niece of Mr. Wilbur.

Council Okays Zoning Change On Northside

The re-zoning of property at 210 Burns st. from Residential District I to Commercial District I met with no objection at the hearing held during the regular council meeting Monday night.

The property is owned by Mr. and Mrs. Hal M. Hill who had asked that the property be rezoned so that the latter could operate a beauty salon at the residence.

Keith Carey, who has completed his tenth summer as manager of the municipal golf course, reported that the clubhouse would officially close Labor Day and that, to date, the course had grossed $9,770. He will submit a more comprehensive report at a later date.

Mrs. Alfred Scheid appeared to ask that her property at 1004 Bridge st. in which her real estate office is located be rezoned from residential to commerical. She was advised to discuss the issue with city attorney, John Michael, and to present her request on porper forms at a later date.

Bills totaling $14,862 were approved and ordered paid. They included $1,786 to Swanson Gravel, most of which was for repairs at the diesel plant and a payroll of $8,084.84.

Housing Brochures Being Readied For 1963-64 Season

The Charlevoix Chamber of Commerce Housing brochure to be distributed during the forthcoming 1963-64 season is now being readied for the printer, it was announced this week.

Anyone having any accomodatioos who wish to be listed in the new brochure is asked to contact the Chamber office, LI 7-2101, by Sept. 7.

These housing brochures are mailed out by the thousands in response to direct inquiries as well as mailed to those inquiring about the Charlevoix area through the West Michigan Tourist Association. The brochure has proven to be effective advertising for motel owners, guest lodges, cottage and resort owners. The Chamber will be glad to have additional listings for this is the only means many people have of advertising their facilities.

If you have questions regarding the brochure, please feel free to call the Chamber office.

Rites Held Monday For Mrs. Earl Blood Here Thirty Years

Mrs. Earl Blood, 74, local resident for more than 30 years, died Friday at the Charlevoix Hospital where she had been a patient for nine days.

Funeral services were held Monday at the Winchester Funeral Home with the Rev. John M. Miller of East Jordan officiating. Burial was in the Barnard cemetery.

Born in Chestonia township, Antrim county, Feb. 9, 1889, the former Daisy Clark resided in the Alba area until her marriage to Mr. Blood in 1929. They made their home in Norwood township for 30 years. Following his death in May 1960, she continued to live in Norwood township notil last fall when she moved into Charlevoix. She was a member of the Charlevoix Rebekah Lodge and attended the Barnar Methodist church.

She is survived by her twin sister, Mrs. George Cook of Charlevoix; a half-sister, Mrs. Orpha Gibson of Oklahoma, and three step-sons.

Fall 4-H Show At Whiting Park Set for Labor Day

Charlevoix area 4-H club members will exhibit their summer projects and compete for prizes at the Fall 4-H show to be held at Whiting Park on Labor Day according to Ed Rebman, Charlevoix county extension director.

Among those entered from this area are: Foods, Mary Himebauch, Lynn Weidman, Laura Hutchinson, Laura Coones, Betsy Johnson, Dena VerWys, Dena Dinwiddie, Janice Bruce, Joyce Holm, Billie Bergmann, Lori Goss and Kay Lewis; photography, Dena VerWys, Janice Bruce, Joyce Holm and Laura Coones; entomology, Billie Bergmann, Laura Hutchinson and Mary Himebauch. Their leader is Mrs. Robert O. Bergmann.

Dairy: Diane Himebauch, Sandra Cellner, Dan Louiselle, Marlene Cunningham, Ross Blanchard and Mark Blanchard; beef: Roy Elliott and Jerome Kimble. Their leader is Franklin Cellner.

The annual county-wide event, which will open at 10:30 a.m., will give local residents an opportunity to see the 4-H club work done by the young people in the county during the spring and summer months. Judging will start immediately and ribbons placed. Exhibits will remain open until 3 p.m.

How Would You Curtail The Rising Traffic Accident Rate?

(One of a series of articles on Michigan's critical traffic accident problems by F. Granger Weil, editor of the Port Huron Times Herald and for 10 years chairman of the Traffic Safety Committee of Michigan Press Association.)

Slap-on-the-wrist sentences for traffic violators fail to deter the culprits—or the rest of us—from similar violations.

Looking at the record in the state, this article is almost on the order of a whimsy.

The record isn't bad—it's terrible! In some counties people say out of the side of their mouths, "If you want to commit legalized murder, use a car."

Spend several hours if you wish with one of the state's leading traffic experts. He'll go around and around with this and that suggestion for improving traffic safety but when you get all done, he'll throw up his hands and admit that unless our courts insist on stricter and more uniform implementation of our traffic laws, the end of the rising traffic accident rate is not in sight.

Just a minute, Judge, we're not shooting directly at you. Our gun is aimed at your clientele—the great mass of people—but you get the ricochet.

When the experts get down to business and put the glass eye on the situation, they'll admit that the courts daily because their attitude is affirmed by public sentiment. (Jury decisions in some areas consistently reflect this.)

It would help if the judge in Grand Rapids passed out a similar sentence for reckless driving or drunk driving, or negligent homicide as did the judge in Port Huron—not the identical sentence; or course, but similar fines or jail terms, tempering justice with mercy (tempering justice with mercy—and not with maudlin or political considerations).

Sure, it would help but the job won't be done until the public regards the traffic violator, the drunk driver, the death-car driver, the driver of the car in which people are maimed for life, on a par with the man who shouts "fire" in a crowded theater, threatens the bank teller with a pistol, or smashes his neighbor's jaw in a barroom fracas.

Unfortunately, in some counties, death-car drivers "properly handled" before a court of law will usually come out of their difficulty with a probation sentence.

Unfortunately, the driver caught weaving down the road under the influence of liquor—a menace to himself and fellows—will go scott free or admit he was driving reckless and be fined, say, $25 and costs.

Unfortunately, the judges who take the bit in their teeth and get really drastic with law violators may be unpopular.

But, they'll have a clear conscience and the knowledge that they have saved us from death, or what is worse, a life of uselessness through serious injury.

Voice of Our Readers . . .

Dear Mr. Editor:

In the name of the many Americans who died for their country, the veterans, Reservists, National Guardsmen, and the millions of men and women presently in our Armed Forces stationed all over the world, available for the defense of our country any time of day or night, 365 days a year in fair or foul weather, at one moment's notice, who risk their lives for long periods of time performing dangerous duty along communist countries' frontiers, or in Viet-Nam and Korea, or those who drive thousands of miles every year to perform Reserve duty or Civil Defense work, day in, day out, for no remuneration, without publicity or fanfare, and the many who have to neglect their families, businesses and educaion, in order to be of service to their country, always in a state of maximum readiness, I strongly object to the uncalled for, unjust, ridiculous and irresponsible remarks made in a telegram to one of our United State Senators, that you were asked to publish in the Courier of 22 August, 1963: I object to the ranting against the members of the United States Air Force, who, while in the performance of their duty, never knowing whether they will come back alive, occasionally create sonic booms while travelling at super-sonic speeds, disturbing a minority of ungrateful American citizen who have the nerve of complaining about their temporary discomfort.

To these few unpatriotic people who asked you to put their gripes in print; I would like to say that if it were not for the U. S. Air Force and others of the U. S. Armed Forces ALWAYS ON THE ALERT, Krushchev's supersonic bombers and his millions of genocidal, fanatic communist supporters would have been here long ago. As long as we have malcontents in this wonderful country of ours, self-appointed critiques of our defense efforts, our civilian population will remain the weak link in our defenses. The fact is, that we cannot afford weakness ANYWHERE, ANYTIME, and to put more restrictions on the performance of our Armed Forces in preparing for the defense of our country, including the ungrateful, vociferous writer of the telegram, would mean a further weakening of our defenses.

To the picayunish person who sent that telegram of complaint to Senator Hart I would like to say:

GOD AND THE SOLDIER ALL MEN ADORE
IN TIME OF TROUBLE—AND NO MORE:
FOR WHEN THE WAR IS OVER ALL THINGS ARE RIGHTED—
GOD IS NEGLECTED AND THE SOLDIER SLIGHTED.

Yours truly,
Francis J. Seidel

Services to Mark Dedication of St. James Church

St. James, B. I.—The new Episcopal chapel on this northern Lake Michigan Island, to be known as St. James church, will be dedicated at a special service to be held at 10 a.m. Sunday.

The Right Rev. Charles E. Bennison, Bishop of the Diocese of Western Michigan, will conduct the service at which the Episcopal missioners of the village of St. James will realize the fulfillment of a part of their building program. Assisting will be the Rev. Kenneth Okkerse of Allegan who is vacationing on the island.

The summer mission was organized in 1954 and is the only non Roman Catholic church on the island. Until now services have been held in one of the older homes. Future building plans call for the construction of a cottage for vacationing Episcopal clergy conducting the services at the mission.

The construction of the log chapel, built to accomadate a seating capacity of more than 100 people, was made possible for the missioners through the assistance of a contribution by the diocesan building fund.

The Rev. Alexander Wood, vicar of Christ church mission in Charlevoix has been named to serve as priest-in-charge of Beaver Island's St. James Mission.

Joan Drenth Becomes Bride Of Mr. Wedeven in Church Rites

The Ellsworth Christian Reformed church was the scene Saturday afternoon of the wedding of Joan Drenth and Jay Wedeven of Holland.

Parents of the couple are Mr. and Mrs. Peter John Drenth and Mr. and Mrs. Albert Wedeven of Holland.

Rev. Henry Zwaanstra of Grand Rapids, former pastor of the Ellsworth Christion Reformed church, officiated at the ceremony.

Carol Tuls of Holland was the organist and Henry Drenth, uncle of the bride, of East Jordan the soloist.

The bride given in marriage by her father chose a gown of white Peau de Soie fashioned with a fitted bodice appliqued with rosepoint lace and featured a portrait neckline and bracelet length sleeves. Self material rosettes on narrow ribbons were suspended from the waistline in the back over soft pleats that fell in the chapel length train. Her bouffant veil was secured by a single rose fashioned of the Peau de Soie to match her dress. She carried a cascade bouquet of yellow and white roses.

Mrs. Gordon Witerink was matron of honor and Mary Essenberg was bridesmaid. They wore identical street length dresses of beige Sate Peau fashioned with fitted bodices and semi-full skirts accented with bands of matching velvet. Their halos and cascade houquets were of bronze and yellow daisy pom poms.

Vern Wedeven of Holland attended his brother as best man. Edwin Drenth, brother of the bride was groomsman. Donald Drenth and Donald Korhorn of Grand Rapids seated the guests.

A reception followed in the church dining room served by the Junior Ladies Aid of the church. A tiered wedding cake was a feature of the refreshment table Mr. and Mrs. Arthur Drenth were master and mistress of ceremonies. Assisting were Marcia Drenth, sister of the bride, Mrs. Edwin Drenth, Mr. and Mrs. Norman Rigerink of Zeeland, Mr. and Mrs. Lloyd Boerman and Mary Churchill of Grand Rapids.

Both are graduates of Calvin college and Mr. Wedeven plans to continue his education at the University of Michigan. The couple is at home at 1020 Granger, Ann Arbor.

Wedding guests were present from Chicago, Grand Rapids, Zeeland and Holland.

To Participate in School Bus Driver Education Program

Charlevoix county school bus drivers will be among the more than 1,700 from 38 Michigan counties who will participate in Central Michigan University's 15th annual school bus driver education program this fall.

This year's program will consist of three four-hour sessions to be held at various locations in each county according to William Jakad, associate professor of driver education and safety in Central's Field Service division.

Charlevoix county drivers will first meet at Boyne City at 7 p.m. Sept. 10. They will hold a joint meeting with Antrim county drivers at Ellsworth on Dec. 16 and will meet again on March 10 at Charlevoix.

New areas to be featured will include Michigan highway and county road programs, Michigan's problem drivers and railroad problems affecting school busses. They will also discuss new school bus laws, emergency procedures, problem children, visual techniques of driving, retirement problems, liability of the bus driver and tips for winter driving.

Taking part in the programs, in addition to CMU personnel, will be representatives from the Secretary of State's license division, safety supervisors of Michigan railroads and county and state traffic engineers.

Mr. and Mrs. George Nelson Pike Honeymoon on Beaver Island

St. James, B. I.—Mr. and Mrs. George Nelson Pike have returned to southern Michigan after spending their wedding trip here and in Canada.

The couple was married Aug. 17 at Christ the Good Shepherd church in Lincoln Park. The bride is the former Judith Carol Turcott daughter of Mr. and Mrs. Harold Turcott of Lincoln Park. Mrs Pike is the son of Mr. and Mrs. John David Pike of Montague, former local residents.

Given in marriage by her father, the bride chose a floor length gown of silk organza fashioned with a scoop neckline, elbow length sleeves and a full skirt featuring a bow at the waist. A crown secured her fingertip veil. She carried a bouquet of orchids, phalenopsis and ivy.

Barbara Turcott was the honor attendant and Mrs. Patricia Poirer and Mary Kapostkus were bridesmaids. They wore identical floor length gowns of mint green organdy, matching accessories and carried bouquets of mums and carnations.

Thomas Thimnes assisted the bridegroom as best man. Max Puffpaff and Charles Townsend were groomsmen and John Pike, Francis Pike and James Turcott seated the guests.

A reception for 200 guests followed at the Purple Heart Memorial Hall at Wyandotte.

Both are graduates of Western Michigan College. They will make their home in Mona Shores near Muskegon where Mr. Pike has accepted a teaching position

Mr Pike is the nephew of Mrs. Lloyd McDonough, Vernon LaFreniere and Archie LaFreniere.

Charlevoix Retarded Center To Open Sept. 10

The Charlevoix Retarded Children's Center will open Sept. 10 with 11 children enrolled for the 1963-64 sevhool year it was announced following a meeting of the Charlevoix Association for Retarded Children Thursday at the center.

Mrs. Robert O. Bergmann will be the director. She will be assisted by Mrs. William Bergmann.

Money contributed to the center by the 1963 graduating class of the Charlevoix high school will be used to purchase folding chairs for the center, it was decided at the meeting. The group also voted to purchase a Cyclo-Teacher, a teaching aid published by the World Book Encyclopedia.

Mrs. Bergmann announced at the meeting that Mr. and Mrs. John Ford of Detroit and Chicago had donated 30 tapes to be used in speech therapy at the center.

Oct. 4 and 5 were set as the date for the annual fall rummage sale. Anyone having material for the sale is asked to call 6702, 6623 or 9406 for pick ups.

Mrs. Bergmann, Clyde Cunningham and Edwin Medsker were named to explore the possibility of operating the center five days each week instead of the present three-day week.

William Carey was asked to review the insurance needs at the Center.

A committee composed of Frank Oleksy and William Morrison of East Jordan was named to check the cost of railings at both entrances and the landscaping of the property.

James Mort to Speak At Community Church of God

James Mort, a former resident and missionary student at the Great Lakes Bible College in Lansing, will be the guest speaker at the 7:30 p.m. service at the Community Church of God on Sunday, Rev. George L. Mathers, pastor of the church, has announced.

Mr. Mort is a 1955 graduate of the Charlevoix high school. He will be accompanied here by his wife and two children. While here they will visit his parents, Mr and Mrs. A. C. Mort.

Mr. and Mrs. Donald Bare and son, Robert, of Grand Rapids visited recently with Mrs. Bare's parents, Mr. and Mrs. Lee Sneathen Sr., returning home late Sunday. On Tuesday the Sneathens' granddaughter and her family, Mr. and Mrs. Jess Kauffman and three children of Ann Arbor spent the day with them.

Local Woman Gets 1 to 3 Year Prison Sentence

As the August term of circuit court continued here Friday, a local woman, Marie Sands, 31, was sentenced to one to three years in the Detroit House of Correction on a charge of being drunk and disorderly, third offense, after violating the terms of her probation set in April.

Samuel Tasco, 61, of Detroit was placed on three years probation and ordered to pay $110 fine and costs on a charge of possessing stolen property. The matter of fixing restitution was reserved until further order of the court. An attempted bribery charge against him was dismissed.

Charges of larceny from a building against Jeffrey Himman, 20, of Hastings and David Daugherty, 21, of Vandalia, were reduced to petty larceny to which both pleaded guilty. Their cases were referred to the probation department for invesigation. The pair and a third youth, Edmund H. Chatham, 20, of Marine City, had been charged with taking a cash register containing about $930 from the Weathervane Inn on Aug. 9. The cash register and most of the money was recovered.

Keith West, 31, of Boyne City, who had pleaded guilty to resisting an officer, was ordered to pay $100 fine and costs.

A Boyne City man, Lloyd McClintock, 41, pleaded guilty to a charge of resisting an officer when arraigned Friday. His case was referred to the probation department for investigation.

Charges of larceny from on automobile against Robert Crothers, 21, RR 1 Petoskey, and Donald A. Crandell, 17, RR 2 Boyne City, were dismissed.

A. . Souter Named Sailor of the Month

St. James, B. I.—Arthur G. Souter, Hospitalman second class granoson of Mr and Mrs. Arthur Larson and a veteran of three years in the U.S. Navy, was recently named the Sailor of the Month aboard the USS Galveston presently at San Diego.

The ship, formerly stationed at Philadelphia, was named the Ship of the Year. Miss Y.M.C.A. of Philadelphia was present to award the plaque to the commanding officer of the ship.

As Sailor of the Month, Mr. Souter was presented with a check for $50 and given the honor of showing the young lady the city of San Diego.

He is the son of Mr. and Mrs. Ray Souter of Holland.

Children's Play To Be Repeated at Cherry Playhouse

Because of popular demand, the Cherry County Junior Players will give a repeat performance of the successful children's play, "The Clown Who Ran Away" on Friday, August 30 at 10:30 A.M. at the Cherry County Playhouse.

This delightful story about a wayward clown, a homeless horse and three beautiful walking and talking dolls thrilled capacity crowds during its run the first part of August. Although the regular scheduled season for the Junior Players closes August 23 with "Pinnochio", Director of Apprentices Charles Doughty is delighted that the response to "The Clown Who Ran Away" warrants a repeat performance.

Outstanding members of the cast include Anne Thomson, a veteran of three major productions this season including "Blithe Spirit," "Oh Men, Oh Women!" and "Come Blow Your Horn"; David Rider, as the Clown, who thrills children from six to sixty with his sad faces and humorous antics; Ann Gratham and Gale Lockhart who make up the front and the back of the horse, Gladys, true heroine of the story; and Rikki Klieman, Rebecca Ditzler and Libby Edwards who portray the very remarkable dolls.

Draft Board Names Two to Report Physical Exams

The names of the two Charlevoix county draft registrants who will leave Sept. 3 for preinduction physical examinations have been announced following a meeting of the draft board.

They are Allen Ingalls of Ellsworth and Robert C. Lively of Boyne City.

The county has received a draft call for two men to report for induction Oct. 9 and for three for pre-induction physical examinations at a date to be announced later. The names of these men will be selected at a meeting of the draft board to be held next month.

Frank M. Oleksy to Teach in Alanson

Frank M. Oleksy, former teacher in the Charlevoix school system, has accepted a position as math teacher in the Littlefield township school at Alanson for the 1963-64 school year.

Mr. Oleksy is a graduate of Northern Michigan College with a B.S. degree and has his master's degree from the University of Michigan. He taught in the local school system for five years before leaving the profession to become a tool designer in Detroit during World War II. He later became a contractor and builder and more recently a construction worker.

He will continue to make his home here.

College Money Gone With the Wind

Judy Ikens, who will be a sophomore at Central Michigan University this year, has a lot of faith in people. Though five days have passed since $225, most of it in change, was lost from a money bag, she is hopeful that who ever found it will return it to her.

The money, receipts from the stand she operates at the Belvedere golf course to help pay for her education, was in a money bag, ready for deposit, when it was accidently left hanging on the door of the family car. Her mother, Mrs. Carlton Ikens, unaware that the bag was left on the door handle, heard what was probably the tinkle of coins as they spilled out on the highway but thought the sound came from a passing truck so did not stop. It was not until she arrived at her downtown destination did Judy locate her by telephone to inform her of what had happened. She retraced her route but found nothing.

But Judy is sure that when the finder realizes what the money means to her future, he or she will return it. Everyone is hoping her faith will not be in vain.

Horseman Speaks On Harness Racing

Robert Dyksterhouse was the guest speaker at the regular dinner meeting of the Kiwanis club held Monday at the Holiday Terrace Hotel.

He spoke on harness racing and on his stable of horses he now races as a hobby. William Paddock was program chairman.

Plans were announced for a board of directors meeting to be held at the home of Cmdr. E. K Shanahan Tuesday.

Guests at the meeting were Robert Burlin of Stockton, Kans., Ferris G. Elliot of Detroit and Thomas McDaniels.

Norwood Road Closed to Traffic

With work on the airport expansion program scheduled to begin next week, the former Norwood road will be closed to traffic, City Supt. James Taylor has announced.

The road will be blocked off from Carpenter ave to US 31 South though residents on the south end of the road will be able to use it to their driveways.

Dealers Preview Chevrolets for '64

William Foehtman of Charlevoix Oil Co. was among the nearly 7,000 Chevrolet dealers and dealership executives in Detroit last week to attend one of the largest conventions of its kind held by the automobile industry.

While in the motor city, dealers previewed the new line of 1964 Chevrolet cars and trucks to be introduced. Following the spectacular display of new cars and trucks at Cobo hall, dealers and General Motors executives attended an evening banquet.

Mrs. Mary Allen left Monday for her home in Cuperitino, Calif., after spending the past two months at her summer home near Maple Grove in Hayes township.

Darrell Somerville Joins Staff at Jeff's Barber Shop

Darrell Somerville, a June graduate of the Professional College of Barbering in Detroit, has joined the staff at Jeff's barber shop at 409 Bridge st., Fred Jeffry, owner-manager of the shop, has announced.

He passed the Michigan State Board examination for barbers with honors before returning here.

The son of Mr. and Mrs. Robert Somerville, he is a 1962 graduate of the Charlevoix high school where he was an outstanding football player.

He was recently married to the former Sandra Baker, daughter of Mr. and Mrs. James Baker of Bay Shore. They make their home here.

Belvedere Gang Presents Show of Stars

An outstanding feature of the program was a t io composed of Jessie Retherferd, Janet Kuhn and Carol McKay who sang to the accompaniment of Bobbie Forrester on the guitar.

A special act put on by the boys' chorus line furnished plenty of entertainment for the spectators. As they sang and danced it was most difficult for the boys to keep their wearing apparel under control. As a result several lost their shoes in the act and 'woops' someone is kicking a bit too high.

"The Skunk Song" starring the Bevedere Intermediate Gang dressed in their finery won applause from the audience. Mrs. Cy Pick directed the singing. Mrs. C. Stanley was the accompanist.

Circlin' The Bases

By LEANO

Well, another summer has gone by and the softball season has been tucked away in the record book. The largest softball program in the city's history enjoyed one of the nicest summers ever. Before we get into the column and review the past week's action, we should like to thank the many people who enabled us to have such a fine summer. Hats off go to City Manager James Taylor who provided us with so many things that it would be impossible to mention them all; regular umpires who remained loyal throughout the season despite the fact that an umpire's job is a lonely one including Bill Supernaw, Jim McCallum, Gary Smith, Kit Carson and Scott Supernaw. A tip of the lid also must go to the many adults who gave of their time without compensation to aid the youngsters of the city and supervise, coach and manage various teams. This group includes Lloyd Cummings, Harvey Hamilton, Lou McKenzie, Leo Norton, Del Terrill, Don Carey, Bob Lieberman, Bill Seese, Bob Bergmann, Max Novak, Lou Skeel, and John Sladek. Also many thanks to Sam Supernaw, who proved to be a very able assistant in the entire program.

Now, let's take a look at the final week of action.

Men's League

Norweld Steel of Ellsworth swept both rounds in the men's league and as a result repeated as the 1963 city champions.

Junior League

Bitter rivals, A and W and Barnard squared off for the Junior crown with Barnard winning 11-3. The win enabled Barnard to repeat as league champions. Ben Cunningham and Dennis Warner collected two hits apiece for the winners. Doug Winnell led the losers with two hits.

Peanut League

The Dodgers made an unbelievable comeback to beat the Cubs 7-6 in a thriller. The Cubs seemed on their way and were leading 6-3 going into the bottom of the seventh inning. However, the Dodgers had other plans. Three walks and an error produced one run, and then Mike Lord poled a long double to clean the sacks and score three runs for the narrow victory.

Womens' League

Paul-Reed completed an undefeated season to wrap up the women's title. The Champions took on all comers and won the crown by winning both the first and second round titles.

Batting Champions

The Men's batting title race went right down to the wire with Bob Klooster and Sam Supernaw battling for the trophy. Klooster had a chance to catch Supernaw in his final game; however, when the Merchants were unable to field a team he lost his chance in the forfeit win. Supernaw finished strong with a 1 for 3 effort in his final game. This enabled him to finish with a .417 average for the season.

Warren Belding captured the Junior League batting crown with a fine .423 batting mark. The A & W slugger edged second place finisher Gary Stutzman for the title.

Belvedere Casino Scene of Annual Show of Stars

Tuesday night was fun night at the Belvedere Casino as the youngsters of the club presented their annual Belvedere Gang Show of Stars for the entertainment of families and friends.

Presented under the direction of Mrs. Cy (Sally) Pick, unsuspected talents were revealed as the entire 'gang' appeared in a variety of acts including a boys' chorus line and special selections by various age groups.

Featured in special acts were Julie Clapp and Julie Taylor, a baton duet; Sarah Meyer, Mary Pick and Camille Leatherman, vocal solos; Melissa Morris, piano solo; the Bates family in an exhibition of the twist and Rudy, Glen and Phyllis Mueller, an acrobatic act. Also featured was a trio composed of Jessie Retherford, Janet Kuhn and Carol McKay, accompanied by Bobbie Forrester on the guitar.

Bill Clapp was master of ceremonies. Mrs. C. Stanley was at the piano and the props were in charge of the Teen-age gang.

The program concluded the gang activities for the summer season.

Complete Phase Of NCMC Campus Development

The first phase of the North Central Michigan College Campus development program has been completed and will be placed in use next week. Included in this phase are a central heating plant that will eventually serve the entire campus; the library building that will house 18,000 volumes, seat 124 students and furnish faculty office space and a drafting room and the chemistry building that will serve all chemistry, biology and physics programs, according to Dean A. D. Shankland.

These facilities along with necessary roadways, parking lots, water service and sewer service were constructed at a cost of approximately $400,000 on a matching fund basis with the state of Michigan.

The library building will be used for this purpose for about 10 years when a permanent library building will be constructed. At that time, the present building will be converted to classroom use with the addition of partitions which have all the fittings and utilities roughed in at this time.

The chemistry building, while not large, will be one of the finest in the state and will make it possible for the college to offer an expanded chemistry program including Organic Chemistry. Equipment features stone tops with utilities including hot and cold water, gass, compressed air stations. Also included in the building is a small completely equipped laboratory for instructors' use in the preparation of experiments and for conducting small research projects. The building also features a 96-seat lecture room with permanently mounted continuous table tops and seats with the rows of seats elevated. There is also a complete demonstration table plus a large area for charts and displays and a dual lighting system.

The heating plant contains one 100 hp. hot water boiler. Two additional boilers of this size may be added as they are needed. The burner is a dual burner that it will utilize either industrial oil or natural gas and can be converted from one fuel to the other with the flick of a switch. This is the first dual fuel burner to be placed in operation in this area. The central services plant also include the main service entrances for electrical and communication equipment to service additional buildings as they are constructed.

Portable equipment will be moved by the staff beginning next week in preparation for the fall semester which will open with orientation Sept. 9 and registration on Sept. 12 and 13 with the classes beginning on a full schedule Sept. 16.

A formal open house will be held later in the fall but interested persons may visit the campus at any time to look over the new facilities, Dean Shankland said. Visitors are reminded that the only entrance is off Howard st. beyond Sheridan school.

Achievements of Hospital Guild Told by Mrs. Harry Gebeau

The accomplishments of the Women's Guild of the Charlevoix hospital during the past year were revealed recently in a reprnt given by Mrs. Harry Gebeau, Guild president during the 1962-63 year.

Equipment purchased for the hospital during this perlod includes a heart machine costing $1,505.50; two hi-lo beds, $1,059-.60; thermal jugs, $218.80 and dish dispenser, $820.26 for a total of $3,614.16.

In addition, the Guild awarded a nursing scholarship to Lorah Foley and made payments of $100 each to three other earlier recipients, Nancy Klooster, Sandra Zipp and Joan Swaboda, the latter of Boyne City.

Major fund-raisIng projects during the year were the fashion show and luncheon, the summer ball and the Thrift shop.

Besides contributing to the cost of the above equipment, the Guild members made puppets for the children's ward where a total of 92 were given to children during the year and made layettes for indigent mothers. This sewing program cost the Guild $171.10 during the year.

At Christmas time Guild members decorated the hospital and grounds and earmarked $50.00 to be used for decorations; supplied favors for patients trays during all major holidays during the year; supplied daily news papers, three Sunday papers and numerous magazines for the patients and operated the library and notions cart which was taken to the patients' room three times weekly by volunteer pushers and left in the hall for the convenience of patients at all times.

Only fund raising project conducted to date by the Guild was the Summer ball at the Holiday Terrace Hotel earlier this month which netted approximately $12-00.

The annual Thrift Shop will be held this fall. At the present time items for re-sale are being accepted by the chairman, Mrs. G. B Saltonstall. Clothing of all types, men's women's and children's, household items, furniture and accessories of all kinds are acceptable for re-sale. These may be left at the Saltonstall home or Mrs. Saltonstall may be called for pick-ups.

Achievements of Hospital Guild Told by Mrs. Harry Gebeau

The accomplishments of the Women's Guild of the Charlevoix hospitol during the past year were revealed recently in a report given by Mrs. Harry Gebeau, Guild president during the 1962-63 year.

Equipment purchosed for the hospital during this period includes a heart machine costing $1,505.50; two hi-lo beds, $1,059.60; thermal jugs, $218.80 and dish dispenser, $820.26 for a total of $3,614.16.

In addition, the Guild awarded a nursing scholarship to Lorah Foley ond made payments of $100 each to three other earlier recipients, Nancy Klooster, Sandra Zipp and Joan Swaboda, the latter of Boyne City.

Major fund-raising projects during the year were the fashion show and luncheon, the summer ball and the Thrift shop.

Besides contributing to the cost of the above equipment, the Guild members made puppets for the children's ward where a total of 92 were given to children during the year and made layettes for indigent mothers. This sewing program cost the Guild $171.10 during the year.

At Christmas time Guild members decorated the hospital and grounds and earmarked $50.00 to he used for decorations; supplied favors for patients trays during all major holidays during the year; supplied daily news papers, three Sunday papers and numerous magazines for the patients and operated the library and notions cart which was taken to the patients' room threo times weekly by volunteer pushers and left in the hall for the convenience of patients at all times.

Only fund raising projeet conducted to date by the Guild was the Summer ball at the Holiday Terrace Hotel earlier this month which netted approximately $12-00.

The annual Thrift Shop will be held this fall. At the present time, items for re-sale are being accepted by the chairman, Mrs. G. B Saltonstall. Clothing of all types, men's women's and children's, household items, furniture and accessories of all kinds are acceptable for re-sale. These may be left at the Saltonstall home or Mrs. Saltonstall may be called for pick-ups.

Church Women Hold Benefit Tea

Mrs. Clark Coulter opened her home Wednesday for a tea to benefit the Harold E. Kohn Award, a scholarship given to a young Protestant man or woman who is preparing for a career in a church-related profession.

The Mary Brewster circle of the First Congregational church of which the Rev. Kohn is minister of the pulpit hosted the event.

Members and friends of the church gathered at the Coulter home for tea served from a table decorated with summer flowers.

The Kohn award whoch benefited from the silver tea was established in 1961 to encourage young people to enter the religious field. The award carries with it a scholarship of $100 a year which may be continued for more than four years if the student does graduate work.

The first Kohn award was given in 1962 to Ronald Koteskey who was graduated in June from Asbury College in Wilmore, Ky.

Ernest Staley, 72 Lifelong Area Resident Dies

Ernest Staley, 72, lifelong resident of this area, died Thursday at the Charlevoix Hospital where he had been a patient, except for five days, since June 3.

Funeral services were held Saturday at the Winchester Funeral Home with the Rev. George L. Majors officiating. Burial was in Brookside cemetery.

Born in Eveline township June 10, 1891, Mr. Staley came to Chalevoix in the early 100's and had always resided here. For many years he had been employed as a grounds keeper at the Belvedere Club.

He is survived by three brothers, Arthur and Albert of Charlevoix and George of Eveline township.

AGRICULTURE in ACTION .....

by M. L. Woell

$1,020,000,000,000.

One trillion, 20 billion dollars. That's the true size of today's national debt if we are honest in facing up to all of our commitments. According to Glenn Martz, farm writer and long-time Washington newsman, when current debts are added to committed projects and give-away programs, the trillion figure is reached for the first time in history.

Martz, former top writer for both A.P. and U.P. wire services, recently visited in Lansing and passed along his observations on the national scene. They included the feeling that in Washington, "things are happening that are not good for the future of America."

"There is no greater story to be told than the rise of our nation, now only 185 years old and already one of the greatest civilizations since the dawn of time," Martz said. He looks back to the breaking up of the prairie sod, the pioneers carving homes out of the wilderness;—the huge cities, the great roads and bridges that all followed in less than two centuries.

"We have done all of this because for the first time the energies of men were unleashed, allowing them the privilege of reaching for the stars with the true hope of attaining them. This new nation put no curb on ambitions, each individual could soar as high as he pleased."

How then could this rich, lusty nation plow headlong into a trillion dollar debt?

According to Martz, "We got there because of the multiple 'welfare' and 'give-away' programs sponsored by people trying to erase what they call 'evils' of the old economic system that amassed the wealth in the first place. They are trying to do this through costly government programs that pay farmers not to grow crops, or place able-bodied persons on relief programs and pensions.

"These tend to undermine the old spirit of free enterprise by which two-fisted men and women built this country to what it is in 185 years. Whenever we make is possible for each person to make all the economic mistakes they want,—then give up their jobs and live off the country, we have killed the spark that has made this country great."

"A man owes it to himself to become a success . . . . A successful man owes it to the tax-collector."—Plains (Tex.) Record.

Impressions of Germany As Told by Mary Harrison

Mary Harrison, daughter of the Rev. and Mrs. A. Robert Harrison, returned recently from Germany where she had spent the summer under the Youth for Understanding program of the Michigan Council of Churches.

At the request of the Charlevoix Courier, she has written of her trip and her impressions of Germany.

"For the past two months I have been in Germany taking part in the Youth for Understanding program. I would like to share some of my discoveries and experiences with you.

The German family with whom I have lived for the summer has three members. Mrs. Wehmann became a widow a year and a half ago when her husband was killed in a hunting accident. Before his death, he was the doctor for our village of Kirchhaten and the surrounding area. My German sister, Frauke, is 15 years old and my brother, Tammo, ten. Although the family had met with tragedy, they remain busy and happy people.

In the north central area of West Germany where Kirchhatten is located, the land is widely used for agriculture. Much sand is found in this region but with modern techniques in farming and a plentiful rainfall, the farmers are able to produce good crops each year.

The countryside of Germany is very quaint and picturesque. Flowers are to be seen everywhere not only in the fields, but in the homes and gardens. The heavy rainfall keeps the air pure and fresh and the grass a rich green. When I was awakened early in the morning by our neighbor's rooster, I often enjoyed going to the meadow behind our home to gather colorful wildflowers for the house.

It was interesting to watch the farmers leave for the fields while their wives, donned in long aprons and carrying milking stools, hurried out to milk the cows and feed the chickens. These people believe in keeping things extra clean and yet they never neglected the necessary work, making every minute count.

Before I arrived in Germany, my mother had undertaken the task of painting 33 window shutters. She was also having the house across the street, which she owned, remodeled. As a result, the major part of the painting fell to Frauke and me. Yes, it was hard work but we finally finished it with a wonderful feeling of accomplishment.

When I went to school in Oldenberg with Frauke, I met many young people who were all full of questions about America and its people. The two main impressions that the Germans have of us are that some seemed to think that America was the land flowing with milk and honey while others questioned the presence of true democracy in the States. I read an article one day in my sister's school paper which was titled "America . . . Democratic?" which told of the troubles between the whites and the negroes in the South, as most German newspapers do.

My family and I traveled through the northern section of Germany to Denmark, by way of Puttgarden which is on the East Sea. Frauke and I went on to an island in the North Sea called Helgoland. The scene from this island is just beautiful.

Of all our travels, the most meaningful to me was my trip to Berlin. Another American exchange student, Karen Dorjath of Southfield, and I went there together, staying at a Youth Hostel and at a Red Cross mission one night. We weren't sure how safe we would be if we went to the Eastern Zone of Berlin but we saw many other Americans doing it so we took a tour through both East and West Berlin. We were allowed to get out of the bus once in the Eastern Sector. This was at a Russian memorial for an unknown soldier. This was only part of East Berlin that I saw that had any scenic beauty to speak of. The major part of the Eastern Sector still stands in ruins from World War II.

On the train going into Germany I was sitting with a German couple who seemed to be exceptionally cordial. Even though we could not converse, it did not keep us from becoming friends. As I look back on the two months in Germany, I now realize that this couple was not exceptional, but that all German people I came in contact with were just as warm and friendly as these two had been.

I hope again to see my German family and German as well as other countries of Europe. It has been a wonderful summer. The Youth for Understanding program is certainly a very worthwhile project. I'm hoping to see more students from Charlevoix participating in it.

Water Sports Fans Urged to Observe Safety Rules

With 184 drownings in 392 Michigan water accidents up to August 15 this year, the State Police cautioned that there should be greater observances of safety rules through the remainder of the month and the Labor Day period when water sports activity is particularly high.

The number of accidents is already 30 more than 362 through August 29 last year, the 168 persons injured is an increase of five and deaths are down only one.

To lessen possibilities for an accident, the State Police offer these suggestions to water sports fans:

When boating, see that youngsters and nonswimmers especially have and wear life jackets. Don't overload or over-power your craft.

When swimming, don't overestimate your ability or overexert. Patronize authorized supervised areas. Don't swim alone or at night. Along some Great Lake beach sections beware of possible undertow conditions.

When diving be sure there are no underwater obstacles and that the water is sufficiently deep.

Keep a constant watch over youngsters playing in or near water.

Finally, know how to apply some method of resuscitation.

For every man who ever fell in love with a Jeep—a new kind of family station wagon has been born. The 'Jeep' Wagoneer. It's the first station wagon ever built to offer the comfort, silence, speed and smoothness of a passenger car—plus the traction and safety of 4-wheel drive.

It's sheer pleasure to drive. Simple too. One lever puts you in 4-wheel drive. So at a second's notice you can shift into greater safety...from wheel-spinning in mud or snow...from skids on slick surfaces...from getting stuck or going out of control on the highway or off!

The Wagoneer really makes a demonstration worthwhile. It'll be your most exciting 30 minutes behind the wheel in 1963. Also in 2-wheel drive models. See your 'Jeep' dealer.

News Round-up at Camp Charlevoix

The eighth week of camp, the final week, started off with the Mackinac Island trip leaving camp at seven a.m. on a beautiful sunny day. Ken was accompanied by Dan Cameron and Ed Bryant and the boys were: Chuck Reynolds, Jimmy Kuehn, John Waddell, Bill Kirwin, Mason Jenkins, Keith Graves, Dick Shultz, Scott Walters, Tom Kirwin, Kirk Kirlin, Dan Buckley, Art Shultz, Scott Harris, Howie Davis, Mike Frappier, Jim Warner, Mark Gillett, Scott Graves, Buzzy Hatcher, Paul Kirwin, Mark Murfin, George Southwick, Louie Raden, Jeff Owen, and Jamie Jordan. The boys reported a very enjoyable trip.

The rest of the camp was busy with their activities plus the Indian Dancers were practicing their steps, the riders were busy getting ready for the rodeo, and everyone was in a great mood. This final week is always a really exciting time. The Greens were busy arranging the Green-Grey banquet.

The campers were quite excited in the afternoon, as Al Dorow, former counsellor in 1951-52, visited camp. Al was All-American from Michigan State in his college days, and played pro-football with both the Washington Redskins and the New York Titans. He was accompanied to camp by the famous football coach at Hillsdale College, "Muddy" Waters.

Tuesday was another busy day with Russell Washburn and his Green team decorating the dining room, arranging the program, and getting everything ready for the Green-Grey banquet that evening. Rodney Deyo was putting the final touches on his Indian Dancers, and the tom-tom could be heard throughout the day. The Green-Grey Banquet was the finest one we have ever had. The decorating committee did a great job, and the program was most enjoyable. The captains of each team gave fine talks, and as the losing captain, Russell Washburn turned the trophy and the Mugwump over to Al Knoblock the winning captain, who also unveiled the carving "GREYS 1963" on the clubhouse wall. It was all very exciting.

Wednesday was a regular day in camp with all activities going full force and boys finishing up star requirements in their activities. In the evening, the cabins winning ispection for this four weeks went into town to the movies.

Thursday was a great day at camp with the final banquet in the evening. This is always one of the highlights of the season, with everyone feeling in a sad but happy mood. Christmas Tree lights were strung around the dining depiciting a certain sport, were placed on each table. Ruby, Ruth and Pat did a great job, and the dining room never looked lovler. Turkey and dressing were served topped off with banano splits for dessert.

The program was tops, too. Dave Roberts, one of our C. I. T.'s played a group of piano solos and it was thrilling as he plays so well. Jon Howard, one of the sailing staff played some Bach, and once again the three folk-singers from the staff performed. Grant Washburn played a trumpet solo, too. Steve Martin, a five year camper from Decatur, Illinois, gave the talk fom the campers. "Spotty" Adams, a three year staff man, gave the talk from the counsellors. Bill Townsend, director of activities gave a few remarks and Ken was the last speaker. He spoke on "It Didn't Seem So Long Ago That" and recalled all the highlights of the season. Bob Lohman, a counsellor from Fort Wayne, Indiana, was the toastmaster and did a noble job.

The banquet closed with the lights all being turned out, and in complete darkness, twenty-one of the staff came in with lighted candles and were singing the Whiffenpoof Song". They sang a medley of songs including "Halls of Ivy" and there were many tears in the room as these fine young men sang so beautifully. Of the twenty one staff men singing only three were first year men. It was truly one of the finest banquets we have ever had and a credit to everyone. The programs were in a cover designed and made by Bill Washburn who had used a silk screen to make a huge arrow "C".

On Friday, the morning was spent in having the boys pack their trunks. In the afternoon, the annual Rodeo was held, and it was a tremendous show.

There were about 1200 people here and the boys rode very well. The riding department, headed by George King, deserves a lot of credit for a very fine show. The weather was perfect, and with banners flying and music in the background, it was a very joyous affair.

In the evening, Rodney Deyo put on the final Council Fire with about 1000 people in attendance and many remarked that it was the most impressive ceremony we have ever had. The dancers did a very fine job, and there was a lump in many throats as the 1963 season was brought to a close.

We would like to thank those parents who were thoughtful enough to personnally thank their sons counsellor for his help and guidance. These men work hard at the counselling job and a word of thanks from the parents is not only the courteous thing to do but is greatly appreciated by everyone concerned.

NCMC Granted Accreditation By Commission

North Central Michigan College in Petoskey has been accredited by the Michigan Commission on College Accreditation Milton E. Muelder, chairman of the commission, has informed Dean A. D. Shankland.

Accreditation was granted after a formal application was completed by North Central Michigan College last winter, a visitation at North Central Michigan College by a four-man visitation team last spring and a review by the entire commission this summer.

In judging, for the purposes of accreditation, the commission makes a qualitative rather than a quanitative survey and investigates all phases of the operation of the college including Board of Trustee activities, administration, faculty qualifications, physical facilities and equipment, library services, student services, and history of student achievement and accomplishments after leaving NCMC.

Having accreditation means that any NCMC graduate will be automatically accepted in transfer at any Michigan college or university with no loss of credit or honor points. This will make the transfer aspect of program work more smoothly even though in the past no student has ever lost applicable credits in transferring to any college or university in the United States.

The Michigan Commission of College Accreditation is a voluntary organization representing all segments of higher education in the state of Michigan.

Accrediation has been the goal of the college from its beginning in 1959.

Am- Right of Way Association to Meet At Boyne Mountain

The annual three-day meeting of Michigan Chapter Seven, American Right-of-way Association will open at Boyne Mountain at Boyne Falls beginning Sept. 12 with approximately 200 people in attendance.

Michigan Right-of-way Association members are those involved in the appraisal or acquisition of property for governmental or private use.

Featured speakers at the meeting will include the Honorable Judge William R. Peterson, 26th Judicial Circuit; Michigan's Solicitor General, the honorable Robert, Derengoski; Roscoe De-Vries, Ottawa County Drain Commissioner and Walter M. Kyes, Michigan State Highway Department, Kalamazoo District Right-of-way agent.

A tour of Consumers Power Big Rock Point nuclear plant here will close out the meeting Sept. 14.

To Offer Course in Real Estate Law In Petoskey

A state-wide certificate program in Real Estate will be offered at North Central Michigan College in Petoskey this fall under the guidance of the University of Michigan School of Business Administration and the University Extension Service.

Also cooperating in the presentation of the course are the Michigan Real Estate Association, local real estate boards and the Division of Vocational Education, Department of Public Instruction.

The course to be offered at this time will deal with Real Estate Law. Ormond S. Danford, Traverse City attorney, will be the instructor for the class which will be held from 7 to 10 p.m. every Wednesday beginning Sept. 25 and continuing for 11 sessions. The class will be offered in Room 3 at the college.

The course is open to all persons interested in real estate law including bankers, attorney, appraisers, city and county officials and all others interested in property.

The course is among a series of courses relating to real estate being offered under this program sponsored by the University of Michigan.

Further information may be obtained by calling North Central Michigan College in Petoskey.

State Police to Operate Special Labor Day Patrols

Citing the mounting traffic death and injury toll as a warning to motorists to be doubly alert during the Labor Day weekend, the State Police reported they will operate special Intensified patrols over the period in an all-out effort to help hold down accidents.

The intensified patrols, augmented by 106 members of the National Guard who will be the second man in regular two-man patrols, will be in effect from noon Friday, August 30 to midnight Monday, September, September 2.

Pass days have been canceled and all personnel will be on desk, patrol or supervisory assignments. Detectives wil take additional patrols.

Maximum patrol coverage is scheduled for the 3 to 9 p. m. period each day of the holiday weekend when traffic is expected to be the heaviest.

Thirty-five persons were killed during the July 4 weekend this year and 23 during the Memorial day holiday. Both holidays were 102-hour periods.

Labor Day traffic mishaps last year claimed 36 fatalities, the worst for this period since 1954 when the same number of deaths were recorded. The 78-hour period was a rate of one death every three hours as compared with one every four and a half hours for this holiday the previous five years of 1957-61.

Michigan's traffic deaths through the first seven months of this year have increased more than 10 percent compared with the same period in 1962.

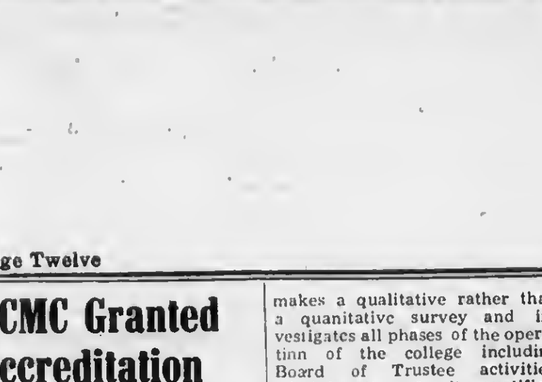
'No Bed of Roses' Now Showing at Cherry County

Metropolitan opera baritone, Walter Cassel, and Broadway musical comedy star, Gail Manners, will combine their musical and acting talents when they open in "No Bed of Roses" at the Cherry County Playhouse Tuesday. The brand new play with music adapted from the popular broadway hit comedy "The Fourposter" wil run through Sunday, Sept. 1.

In real life husband and wife, the Cassels will star in "No Bed of Roses" when it opens on Broadway this fall.

Martin Kalmanoff, who wrote the original music and lyrics, will provide the musical accompaniment for the Cassels at the Cherry County Playhouse with Robert K. Adams, formerly national production manager for NBC, coming to adapt the show to the arena stage at the Playhouse.

The story of "No Bed of Roses" is the warm and human story of a marriage which touches the heart and humor of everyone from honeymooners to golden agers.



A day we celebrate the foundation of our nation's might...the hard work, thrift and enterprise of those who keep our country strong and free and prosperous.

Have a pleasant week-end and drive carefully

Fire Department Gets New Tank Truck

The 1500 gallon tank truck pictured here has been added to Charlevoix's fire fighting equipment, according ot Fire Chief John Curtis (center), who said that the truck will be used primarily for furnishing and additional water supply for fighting fires in the outlying districts which the local fire department serves.

On hand to accept delivery of tbe truck were Don Meggison (l), onc of the department's 16 volunteeer firemen, and Dan Geneit, president of the Charlevoix Fire Department.

The unit contains pumping equipment for filling the tank and dispensing woter tu the eity's other fire trucks.

In addition to serving the City of Charlevoix, the local fire department offers protection to the residents of Charlevoix, Norwood and Marion townships and to those in sections of Hayes and Eevline townships.

The tank truck, powered by a Chevrolet engine was purchased from the R. V. Seaman Co. of Saginow for $600. Revamping the former gasoline tank truck for its present use, ineluding the installation of pumps, special light and other cquipment is expected to bring the cost to an estimated $2,000.

Ground Broken Wednesday For New St. Mary's Church

Ground was broken Wednesday morning for the new St. Mary's church to be constructed on South Bridge st. between the present church and the school, according to Rev. F. Francis Denay, pastor of the church.

The Bare Construction Co. of Petoskey was awarded the prime contract for the ont level structure whose overall dimensions will be approximately 50 by 120 feet and which will cost approximately $125,000 when completed and furnished.

Designed by a former Charlevoixan, Louis S. Orlowski of will be built of concrete, brick and stone with laminated A-arches. It will seat approximately 460 and will have, in addition to the church proper, an auxiliary room, a mother's room and a choir loft to the rear of the narthax. There will also be a sacristy with storage for vestments of all kinds and other accessorics.

There will be four entrances to the church. The altar will be to the west of the church proper which will have a center aisle and side aisles. Completion date for the church proper will be early spring when the present church will be razed and the tower built where the church now stands. It will be heated with hot water heating system and will have indirect lighting.

The Browe Electric Co. of Charlevoix has the lighting contract. The others will be subuet by the prime contractor.

James Vander Heide Receives Injuries In Car Accident

Atwood—James Vander Heide, 67, escaped serious injury when he was struck Sunday evening by a car driven by Ronald Serna, 27, of Charlevoix. Mr. Vander Heide was crossing the highway in front of the Atwood Christian Reformed church when the accident occurred, according to Deputy Sheriff, Robert Volmer of Bellaire who was called to the scene of the accident.

Mr Vander Heide was taken to the Charlevoix hospital via the Hastings ambulance of Ellsworth, where his condition was reported fair.

Dr. Kenneth Turner of Central Lake treated Mr. Serna for shock. Another passenger in the Serna car was uninjured.

Charlevoix Schools To Open Tuesday Buses on Schedule

The bus policy and schedule for bus runs as well as the schedule for the opening week of school have been announced by Supt. Rex. E. Milligan.

The bus policy will be the same as in the past, Mr. Milligan said with transportation being furnished to kindergarten, first, second and third grade pupils living more than one-half mile from school; to fourth, fifth and sixth grade students living more than a mile and to students in the seventh through the twelfth grades living more that 1½ miles.

Buses will be operated on approximately the same routes as at the end of the last school year and will be at the end of their designated pick-up stations at approximately the same time. Pupils should be ready about 10 minutes before the anticipated pick-up time.

Monday, Sept. 9, will be devoted to a Teachers' Workshop, with classes for students scheduled to begin Tuesday, Sept. 10.

In the Junior-Senior high school division, classes will begin ot 8:45 a. m. and continue unlil 2:30 p. m. with time out for lunch.

Children in the first through the sixth grades will attend classes from 9 a. m. to 2:15 p. m. with time out for lunch.

There will be no kindergarten classes on Tuesday. There will, however be kindergarten registration for children who have NOT previously registered.

Regular classes will begin Wednesday, Sept. 11, Mr. Milligan said with the following schedule going into effect: high school (7 though 12) 8:45 a. m. to 3:30 p. m.; Elementary (first through sixth) 9 a. m. to 3:15 p. m.

Kindergarten morning session will run from 9 a. m. to 11:10 a. m. and the afternoon session from 12:45 to 3 p. m.

Ironton School Voters Approve Tax Levy

A one-mill tax levy for one year for operational costs was approved by a 30-11 vote by the voters of the Ironton school district at a special meeting called Friday for the purpose of voting on this issue.

The funds derived from the pecial levy wil be used toward the cost of operating the district's new school which will open at 9 a.m. Tuesday for the current school year.

Mrs. Aaron Brock, who has taught at the Melrose Community school at Walloon Lake for the past two years, has been engaged as teacher for the school in which 20 children in the kindergarten through the sixth grode are expected to enroll.

It will mark the first time in more than two years that the chilren of the community have attended their own school. After the old Ironton school was closed by order of the State Fire Marsbal in April 1961 the students finished that school year in a room provided by the East Jordan school. During the past two years they have been transported to Charlevoix schools.

The new Ironton school was completed recently. Constructed by Shaw Construction Co. of Ludington at the cost of $29,358, it is of block and brick construction with glass being utilized in many ways. It is 30 by 70 ft. and features a large clas room, a glassed in office that can be utilized as a small classroom, a kitchen, and other necessary rooms including rest rooms, a clock room, storage and entry. It will be heated by an oil-fired hot water system.

The school was designed by Paul A. Hazelton, architect of Traverse City. It is built on the site of the former school built in the 1870's and razed in the summer of 1962 to make way for the new school.

Members of the school board are Joseph Howe, president; Howell Parsell, secretary and Earl Kroll, treasurer.

4-H Club Dairymen Capture Ribbons At Traverse City

Ellsworth—With nine entries in the Northwestern Michigan Fair at Traverse City, the, Hillside and Hill Top Dairymen, 4-H Club, whose leoder is Roy Stnudenmeyer, captured six A and two B ribbons.

The club had entered seven dairy animals, one animal in the beef division and one gardening project.

In the Junior Showmanship contest, Helen DeYoung, daughter of Mr. ond Mrs. Bernie DeYoung, won a first place and Eugene Drenth, son of the Gerrit George Drenths, placed second.

Allen Veenstra, son of Mr. and Mrs. Mike Veenstra placed first in the Senior Showmanship division and was also a winner in the Advanced Showmanship division.

A Pledge to You---

Throughout a long era, the city and county of Charlevoix has been served by an outstanding weekly newspaper. Once again the trust of responsible newspaper publishing has been passed on to a new publisher.

Because of the outstanding record of the Charlevoix Courier as a publication reflecting the views of the citizens (summertime and year around), it will require a lot of effort on our part and a great deal of cooperation and indulgence on your part.

We will continue to publish a newspaper packed with as much news, information and enjoyment as possible. We will endeavor to provide a family-type newspaper in good taste and news and advertising designed to be of value in every household.

You may rest assured that the effort required to make the Charlevoix Courier an even bigger and better paper will be exerted. Intensified pictorial coverage of local news and features, objective editorials, unbiased reporting, of local issues and complete coverage of local and county government are but of a few of the ideas we have for making Charlevoix's Courier a weekly newspaper that will be pointed to with pride by the residents of Charlevoix and Charlevoix county.

We take the role and the need of a good Charlevoix newspaper seriously. The Courier staff is always open to suggestion as to ways of increasing its value to this community, which it will make every effort to serve.

We pledge to you, our readers and subscribers, our advertisers, that the challenge of producing this type of newspaper will be met.

Federal lake trout hateheries in Michigan include Pendill's Creek and Hiawatha at Brimley, Charlevoix at Charlevoix and Jordan River at Alba. These hatcheries produce three million yearling lake trout annually.

Way Cleared to Begin $210,000 Local Airport Expansion Program

The Charlevoix City Council, at a special meeting held late Tuesday afternoon, entered into an agreement with the Federal Aviation Agency for the purpose of obtaining federal aid for the development of the Charlevoix Municipal Airport.

The adoption of the resolution cleared the way for the work to begin at the local airport.

City Supt. James Taylor said Wednesday that the C. W. Anderson Co. of Pontiac was prepared to move its equipment in late this week or the first of next week to begin the project.

The company's bid was for $104,004.54. The work is to be completed within 60 calendar days.

The Wallace Co. of Grand Rapids whose bid for installation of the lighting and related equipment was for $15,936 will begin their work Oct. 15 and have it completed in 30 days.

The city has already invested $52,332.55 of its share in the project and will mail a check for the remaining $15,667.45 to the office of the State Treasurer which handles the project money in a restricted fund. The state will supply $48,000 as its share and the federal government the remainder of the $210,000 the expansion project will cost.

Rayders to Meet Rogers City in Opening Game

It's been nothing but hard work for aspiring young athletes as they are whipped into shape by Coach Don Carey in perparation for the Rayder's opening game with Rogers City on Sept. 13.

At the field every morning and every evening, 64 young athletes, including 35 who are competing for positions on the Varsity squad, are going through conditioning procedures.

"Right now I am trying to find a basic ball club", Coach Carey said Wednesday, adding that the team was going to lack the size and strenth it boasted last year when the Rayders captured the Northern Michigan Class C title. Coach Carey said that all positions were wide open at the present time with the players showing the best potential getting a chance for a starting assignment, regardless of experience.

Candidates for backfield positions are Ted Weidman, Jack Stockwell and Tom Maxfield, fullbacks; Ken Parrish, Nick DeYoung, Larry Edwards, Rick Miller, Dave Smith and Jim Uhrick, halfbacks; Del Terrill, quarterback though one or more of the other backs will be considered for the position.

Candidates for line positions are Andy Carey, Steve Kroll, Bruce Kroken, Brenden La Blance, Jim Stewart, AAndy Carey and Merk Bouergoin, ends; Ben Cunningham, Richard Getz, Ron Weislik, Randy Carey, Rick Grunch, Larry Messmore, Don Smith, Doug Winnell and Gary Kanoff, tackles; Pete Ance, John Ochs, Lewis Poule, Steve Wilson, Ray Browe, Rex Milligan and Jan Anderson, guards and Dave Novotny and Bob Odmark, center.

One Day Schedule Change for Beaver Island Ferry

The beaver Island ferry schedule will be changed for one day only on Sept. 17, James W. Gallagher, business manager, has announced. On that date the Beaver Islander will leave Charlevoix at 9 a.m. and the return trip will leave St. James at 5 p.m.

The change has been made to accommodate the County Board of Reallors who will hold their regular monthly meeting on the Island on that date.

Charlevoix Men Injured in Two-Car Crash

Two local men, Robert Russell, 33, and his nephew, Jack, 31, were in satisfactory condition at area hospitals where they are being treated for injuries received in a two-car crash late Saturday.

The former is a patient at Munson hospital where he is being treated for possible internal injuries, a fractured jaw, facial loeerations and multiple bruises.

The lotter is hospitalized at the Kalkaska Community Hospital for treatment of a crushed vertebrae, a fractured nose, facial laeerations and multiple bruises.

The accident occured at 11:30 p.m. Saturday on the eutoff between Grayling and Mancelona when a car, driven by a Detroit resident, pulled off a side road into the path of the Russell car as it broke over a hill. The Russells, who work on a construction project in the Detroil area, were enroute home to join their families for the weekend at the time of the accident. Robert was the driver of the car owned by his nephew.

One of the four people riding in the other ear, a Lincoln Continental, was hospitalized with a fractured pelvis. The name of the driver and his passengers were not known by the Russell families.

Two Injured When Car Strikes Stone Wall at Pier

Jill Stewart is hospitalized at the Charlevoix hospital for troatment of ankle and knee injurics and lacerations received Friday when the brakes failed on the car in which she was riding to gain momentum as it proceeded down the Coast Guard hill and struck a stone wall at an estimated 30 miles an hour.

The car was driven by Mrs. James Alger, who suffered lacerations and severe chest and facial bruises as she was thrown into the steering wheel by the impact.

The four Alger children, ages 6, 5, 4 and 3, who were wearing life preservers prepartory to going fishing off the pier, received only minor injuries.

The 48, Chevrolet, owned by Mrs. Alger's brother, Don Meggison, struck the wall at the fish hatchery.

Miss Nancy Ruth Girdler, Terry Louis Davis Exchange

In an impressive ceremony solemnized at High Noon Saturday at St. Paul's Episcopal church in Muskegon, Nancy Ruth Girdler became the bride of Terry Louis Davis.

Parents of the couple are Mr. and Mrs. Louis Tracy Girdler Jr. of Muskegon and Mr. and Mrs. Fay C. Davis.

The Rev. Walter Hurley read the service. Arnold Bourziel was the organist.

The bride, escorted to the altar by her father, chose a gown of ivory peau de soie for her wedding. Appliques of Brussels lace outlined with soutache braid trimmed the bodice, bell skirt and panel train. Her bouffant veil was of bridal illusion. She carried gardenias and lilies of the valley.

Sheryl Whiteman of Scottsdale, Ariz., was maid of honor and Cynthia Ross of Phoenix, Ariz., Mary Auston of Muskegon and Jill Davis, sister of the bridegroom, were bridesmaids. They wore idenitical floor length gowns of willow green peau satin. Flowing back panels, edged in deeper green, accented the bell skirts. Matching Dior bows formed their headpieces. They carried cymbidium orchids and stephanotis.

Louis Tracy Girdler III, brother of the bride, was best man. Seating the guests were James Klewicki of East Lansing, Gilbert Cox of Charlottesville, Va., and Kit Carson Jr.

Following the ceremony, a luncheon-reception was held at the Muskegon Country Club where Mr. and Mrs. Henry J. Jacobi of Muskegon were master and mistress of ceremonies.

Mr. and Mrs. Davis hosted the rehearsal dinner at Houston House Friday evening.

After a Wisconsin wedding trip, the couple will live in Cedar Rapids, Iowa.

The bride is a graduate of the University of Arizona where she was affiliated with Alpho phi sorority. She studied last year at the University of Florence, Italy.

Mr. Davis is a graduate of Michigan State University where he was affiliated with phi Delta Theta fraternity. He receive his M.A degree from the University of Arizona. He is employed at the Collins Radio Corp. of Cedar Rapids.

Mr. and Mrs. Warren Shapton, former residents now living in Lansing. Mr. and Mrs. Clifton Walker and Thomas LaBlance, former residents now of Chicago and Mr. and Mrs. Louis Davis of Boyne City.

To Dedicate Weilenga Memorial Sunday Evening

The memories of two brothers, Leon and Raleigh Wielenga, who lost their lives in a traffic accident Jan. 21, 1963, will be perpetuated in sacred music to be heard from the bell tower of the Community Reformed church of Charlevoix for 15 minutes preceding every service, the Rev. Charles A. Stoppels, pastor of the church, has announced.

A plaque designating the recording and public address system as a memorial to the only sons of Mr. and Mrs. Charles Wielenga who are now residing in Grand Rapids will be dedicated at a service to be held at the church at 7:45 p.m. Sunday.

Those relatives and friends through whose efforts the memorial was made possible are especially invited to attend the dedication ceremony, the Rev. Mr. Stoppels said. At the same time, books given to the church library in memory of the two youths will be dedicated and placed on the shelves of the library.

Leon, 20 a 1961 graduate of the Charlevoix high school, and Raleigh, 12, a seventh grade student in the local school, were members of the Community Reformed church. They had come here from Grand Rapids with their parents in 1958. Since the tradegy, Mr. and Mrs. Wielenga and their daughter, Myra, 7, who was injured in the accident have returned to Grand Rapids to make their home.

NCMC Schedule Announced By Dean Shankland

The schedule for the opening week of the fall term of North Central Michigan College's fifth year has been announced by Dean A. D. Shankland.

The week will begin with freshmen orientation in the new library building at 10 a.m. Monday, following evening class registration in the main building at 7 p. m. the following day Tuesday. Registration for day classes will be held Thursday and Friday with classes officially opening on Monday, Sept. 16.

All new students to North Central should report at 10 a.m. Monday and receive instructions for the remainder of the week.

All returning students should report Tuesday and Wednesday at times designated in letters mailed to them earlier.

Again his fall, North Central Michigan College will offer an evening program for students who are interested in getting college credits but who cannot attend full-time day classes. The schedule for these classes follow: Monday, English Composition and Astronomy; Tuesday Introductory accounting, Conservation of Natural Resources, and Remedial Reading; Wednesday, Introductory Psychology, English, and World Geography; Thursday, Introduction to Public Speaking, Political Science and Intermediate Algebra. All these classes will give regular college credit the same as daytime classes and may be transferred to other colleges and universities.

Each class will meet one night a week for 16 weeks at the cost of $8.00 per credit hour for residents and $10 for non-residents plus $1.00 per hour registration fee to a maximum of $5.00 and a $3.00 Student Center fee.

Registration will be held at 7 a.m. Tuesday in the old building of NCMC. It is important that all persons interested in enrolling in these classes attend the registration meeting as classes with insufficinet enrollment at that time will be cancelled.

The Rev. Harry VanderArk of Fremont, uncle of the bridegroom, officiated at the service.

Given in marriage by her father, the bride chose a gown of Venise lace an organza for her wedding. A basque bodice of Venise lace fashioned with cap sleeves and a scoop neckline topped the bouffant floor length skirt. A matching lace pillbox secured her veil and she carried a cascade bouquet of light blue Fuji an feathered chrysanthemums and ivy.

Cynthia VanValkenburg, as her sister's maid of honor, wore a delphinium blue organza sheath, topped with a short bouffant overskirt. A matching double-tiered crown held her veil and she carried a cascade of blue and white fuji and feathered chrwsanthemums and ivy.

Diane VanerArk of Ellsworth, sister of the bridegroom. Mrs. Judson VanderWall and Norma Jeanne Westrate, the latter two of Grand Rapids, as bridesmaids, wore gowns and accessories identical to the honor attendant's.

Thomas Rooks was ringbearer.

Donald VanderArk of Holland assisted the bridegroom as best man. John Brashler and Frederick Winkle were groomsmen. James Fridsma and Keith VanderArk of Ellsworth seated the guests.

Mr. and Mrs. Ralph Wolthuis of Muskegon presided at the reception at Knollcrest dining room.

After a wedding trip through northern Michigan and Wisconsin the couple will reside at 211½ Diamond ave. in Grand Rapids.

Miss Norma Drenth Is Graduate Nurse

Ellsworth—Norma Drenth, daughter of Mr. and Mrs. Gerrit John Drenth of Ellsworth will be graduated Thursday evening (tonight) from the Blodgett Hospital School of Nursing in Grand Rapids. Graduation exercises will be held in the Fountain Street Baptist Church.

Norma has been active in class activities, having served as class secretary in her junior year and as class president in her senior year. She also served on the Student Council and as an officer in the N.C.F.

Mr. and Mrs. C. A. Odmark and daughter, Julie, returned Monday from a five-day camping trip at the State Park at Interlochen. They were accompanied by Mrs. Odmark's brother and sister-in-law, Mr. and Mrs. J. R. Stewart and five children of Royal Oak who had spent two weeks camping at the new township park at Bell's Bay.

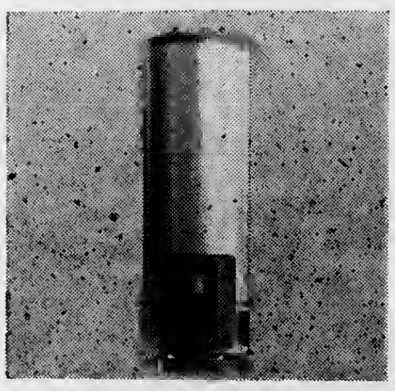
It's here! Your direct pipeline to better living with Gas!

Gas Incinerators are smokeless, odorless, noiseless. Reduce combustible trash and garbage to ash, indoors, for just pennies a day.

The new Gas pipeline is here in Charlevoix. Now you can do things the modern, economical way — with Gas appliances. They've a talent for saving time, work, and money. Let them do the same for you. See the latest Gas appliances at your dealer's showroom. Or visit the Michigan Consolidated Gas Company office, 216 Petoskey St., Petoskey.

Gas Ranges make light work of cooking. Instant on, instant off heat. Unlimited settings, not just a few. Smokeless broiling, too.

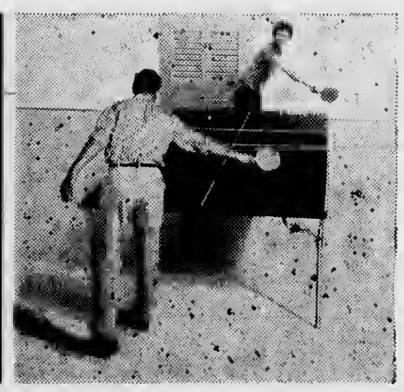


Gas Water Heaters never run out of hot water. Use all you want, night or day. See how nothing heats water faster for less than a flame.

Gas Heat is clean, efficient, thrifty. Trims fuel bills up to one-third. Conversion is quick . . . about four hours for the average home.

Gas Dryers dry five loads of wash for the cost of drying one load in other dryers. Easy on clothes . . . easy to use . . . and easy on you!

Gaslites add soft, glowing light to your lawn, porch, or patio. Charming addition to any style home, yet cost very little to own.



Gas Air Conditioning cools and dehumidifies in summer, heats and moisturizes in winter. Compact and thrifty, same as modern Gas heat.

MICHIGAN CONSOLIDATED GAS COMPANY

Denton S. Montross (left) area manager for Michigan Consolidated, and Robert G. Grice, manager of the company's Northern District Sales Division, look over some of the more than 3,600 applications for gas service the company has received since it began extending natural gas to this area.

Denton S. Montross Area Boss For Michigan Consolidated Gas

With natural gas being extended to eight northwestern Michigan communities this summer, about the busiest fellow around has been Denton S. Montross, Petoskey area manager for Michigan Consolidated Gas Company.

"Monty," as he has become well known by since moving to Petoskey last April, has been with Michigan Consolidated since 1949, following his graduation from Michigan State University with a degree in civil engineering. He held a number of engineering posts with the company and was assistant superintendent of service in the Company's Grand Rapids District before taking his present post.

A veteran of World War II, Monty met and married his wife, Gisele, of Farfleur, France, while serving overseas with the Army. The couple have two sons, Gary, 15, and Mark, 3, and two daughters, Nancy, 12, and Chrisiana, 9.

A home workshop and model railroad hobbiest, Montross also enjoys golf, bowling, fishing and swimming. The Montrosses have purchased a lot in Petoskey and plan to build a new home in the near future.

Office and sales supervisor for Michigan Consolidated Gas Company in this area is Kenneth M. Thiel, who moved here last April after holding the same post in Manistee. Thiel started with Michigan Consolidated in 1950 in Reed City and moved to the Big Rapids office in 1953. Active in civic and church affairs in every community where he has lived, he also enjoys bowling and golfing, and hunting for unusual rocks along Little Traverse Bay with his wife Virginia and daughters Star and Linda.

A new addition to Michigan Consolidated's staff in this area is Bob Feasel who will be a clerk in the company's Petoskey office. A native of Traverse City, he formerly worked at the Perry-Davis Hotel.

Research Finds New Uses For Gas

In some places, buses, tractors and other vehicles operate on propane gas which is a cleaner fuel, providing less exhaust fumes than diesel oil or gasoline. But in addition, great quantities of propane go into the production of polyethylene and other petrochemical products.

Skimming off the liquids from natural gas actually improves the fuel that arrives at your home. Pure methane is the cleanest fuel known. It burns completely, leaving no residue whatever.

Count the products you use today that didn't exist five or ten years ago. Chances are most of these are the result of research in petrochemicals. And if these are impressive — just wait till tomorrow!

Three major interstate pipelines will deliver approximately 268 billion cubic feet of gas to Michigan Consolidated Gas Company this year.

Natural Gas Is The Trend For Modern Home Heating

Nearly 1,150,000 homes in the nation are expected to install gas heating this year, bringing the total customers heating with utility gas to more than 24,740,000.

The results of the American Gas Association's 15th annual gas house heating survey forecast that 727,000 installations would be in new homes and the remainder would be in homes converting from another fuel.

This million-home annual increase would continue a decade-long trend. When A.G.A. began its househeating surveys in 1949, there were 7,443,000 such customers. This number had tripled by the end of 1962. According to the latest U. S. Census, 43 percent of all homes in the U. S. are heated by gas.

Michigan Consolidated Gas Company has extended natural gas service to 60 communities and constructed 2,000 miles of gas mains in the last nine years, enough to build a pipeline from Detroit to Los Angeles.

Operations foreman for Michigan Consolidated in this area is Jack Elder, (a 13 year veteran with the company who worked for the utility in Evart before coming to Petoskey last spring.

Customers at Michigan Consolidated's Petoskey office can be assured of a pretty smile from clerk Mrs. Don Parsel, who joined the company last April.

Mrs. Richard Mackenroth finds meeting and talking to people an enjoyable part of work since she joined Michigan Consolidated last May as a clerk in the Petoskey area office.

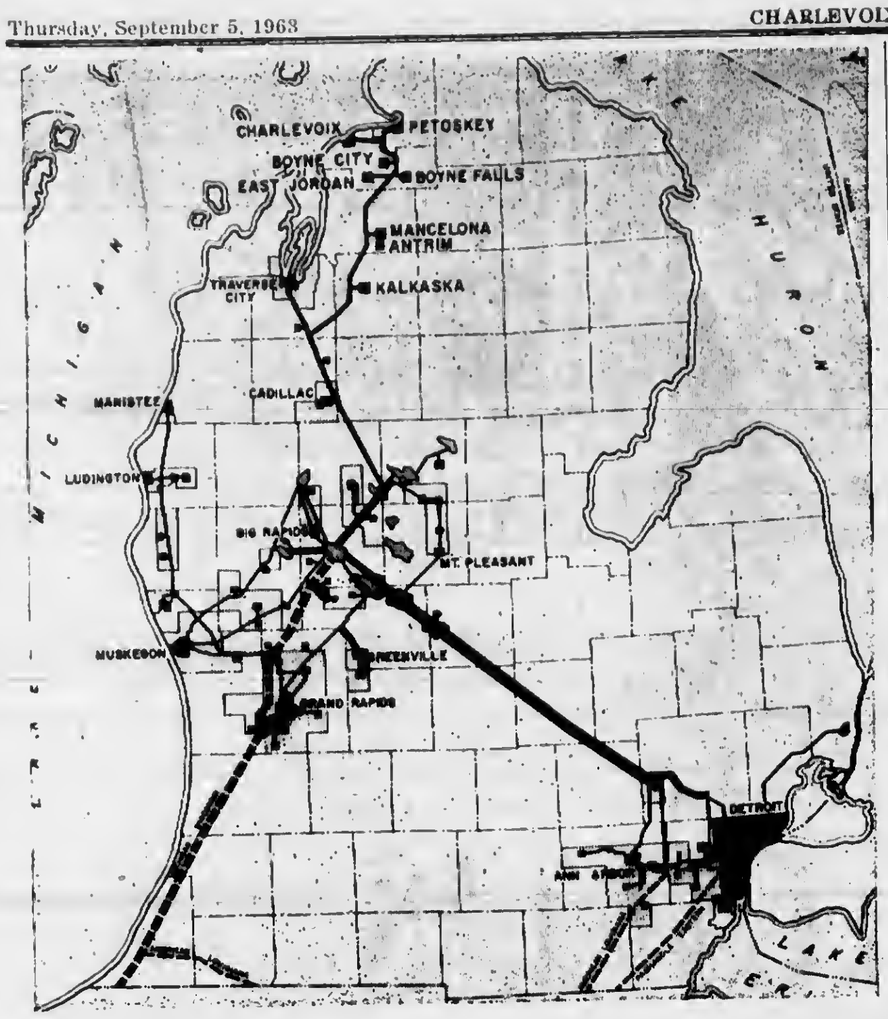
Natural Gas Arrived In Charlevoix Wednesday



Michigan Consolidated Gas Company's natural gas system now stretches from the southeast corner of Michigan to northwest corner, with the completion of its pipeline to Petoskey. The new multi-million dollar project is shown on the map starting just south of Traverse City. Over 1,000 miles of transmission lines tie the company's distribution districts and underground storage fields together. The storage fields are indicated by the diagonal line area. The three pipelines which deliver gas to the company are shown in broken lines.

Michigan Consolidated Gas Company put more than a year of planning, three months of construction and $4.3 million into its project to extend natural gas to this area. Gas was also turned on in Petoskey and Boyne Falls.

Other communities which will be served from the new pipeline, including Boyne City, East Jordan, Kalkaska, Mancelona and Antrim, will be tied into the system later this month when distribution systems are completed.

City officials joined Michigan Consolidated executives at a valve turning ceremony at the company's delivery station on Boyne City Rd.

Denlon S. Montross, area manager for Michigan Consolidated, said that gas service is now available on the south side of the city and the company will install meters and convert bottled gas appliances and furnaces as it is notified by heating contractors, appliance dealers and customers. There is still some construction work to be done on the north side and gas will be turned into mains in that area as they are completed, Montross said.

Since Michigan Consolidated announced plans to bring natural gas to northwestern Michigan, some, 3600 customers have applied for service. The company installed nearly 90 miles of distribution mains and nearly 100 miles of transmission line in bringing gas here from the Traverse City area.

The company spent $363,000 to install its system in Charlevoix and constructed 76,000 feet of distribution mains here.

Montross said Michigan Consolidated will convert burners on existing LP furnaces and appliances free of charge. Other types of furnaces can be converted to use natural gas within a few hours at nominal cost.

Michigan Consolidated used three private contractors to install its distribution system in the eight communities it will serve. The company agreed to complete downtown Petoskey and Charlevoix before the tourist season began and pushed its work through with a minimum of inconvenience to traffic. Montross said that rocky soil delayed construction beyond expectations, "but we hope Charlevoix residents are happy."

Many miles of pipe were installed under ground to bring natural gas to Charlevoix. Long hours were required for meeting the turn-on date which was Wednesday.

Gas Facts . . . .

The largest natural gas field discovered in Michigan since the 1930's, the Belle River Mills field in St. Clair County, has reserves estimated at over 50 billion cubic feet. Michigan Consolidated has contracted to purchase all of the gas in the field.

★

According to Michigan Consolidated Gas Company there are more than 150 uses for hot water in the average home and 80 percent of all the water used by the average family is hot water.

★

Natural gas today sells for half the price charged for manufactured gas 50 years ago.

Natural Gas Industry Sets New Records

Nearly 10 thousand trillion British Thermal Units of natural gas are almost beyond imagination. But that's what the American Gas Association says was the amount sold in this country last year by the industry.

It was a record year for energy furnished by natural gas. And along the way the industry set other records. Gas utilities, including pipeline companies, spent $1,700,000,000 on construction, to push gross plant investment to $24,500,000,000.

The industry also developed some new uses for gas.

These included a new commercial clothes dryer and a baseboard heater. But AGA says its most exciting product was a newly developed quick-connect- disconnect unit, which for the first time, makes possible a truly portable gas appliance.

Multi-Million Dollar Project Is Now Serving Charlevoix

With the completion of its $4,300,000 project bringing natural gas to this area, Michigan Consolidated Gas Company has linked Charlevoix to the largest gas producing fields on the North American continent and one of the nation's largest natural gas systems.

Michigan Consolidated is a subsidiary of the American Natural Gas Company, which also owns two gas transmission companies, the Michigan Wisconsin Pipe Line Company and the American Louisiana Pipe Line Company both of which supply Michigan Consolidated. American Louisiana's system extends into southwestern Louisana and Michigan Wisconsin's pipeline draws gas from Texas, Oklahoma and Kansas. It also has a line in Wisconsin which connects with pipelines bringing gas from Alberta.

Michigan Consolidated also purchases gas from Panhandle Eastern Pipe Line Company which has lines bringing gas from the southwest.

With 9,000 miles of gas distribution and transmission lines stretching from Detroit to Sault Ste. Marie, Michigan Consolidated is the state's largest gas utility. It serves some 170 communities in the Lower Peninsula with natural gas and the Sault Ste. Marie area with gas manufactured from propane

Michigan Consolidated's 900,000 customers range from huge industries like Great Lakes Steel Corporation, which burns up to 1.5 billion cubic feet of gas a month, to homeowners who use a few hundred cubic feet for cooking.

The backbone of Michigan Consolidated's business has become residential and commercial space heating which has increased nearly 1,000 percent since World War II. Space heating now accounts for 63 percent of the company's business, in comparison to 31 percent in 1946. With some 695,000 heating customers, the company supplies heating fuel to over 78 percent of the homes and commercial buildings it serves.

The company's sales of gas to industry have also increased tremendously since World War II, rising from 14.1 billion cubic feet in 1946 to 78.3 billion last year. Total sales for the entire company in 1962 amounted to 245.2 billion cubic feet, 75 percent more than the next largest gas distributing utility in the state.

Although Michigan Consolidated and its corporate ancestors have been serving the state since 1851, the post-war period has seen by far the greatest period has sen by far the greatest period of expansion. Since the beginning of 1946 the utility has invested $365 million in new facilities. Its affiliated gas suppliers, Michigan Wisconsin Pipe Line Company and American Louisiana Pipe Line Company, have invested $420 million.

Ralph T. McElvenny, president of Michigan Consolidated, points out that the great increase in the use of natural gas for all hypes of uses in the past 16 years is due to basic economies and convenience.

"At one time natural gas was considered luxury for those who could afford a cleaner, labor free fuel," he said. "But in recent years natural gas has become a bargain as the cost of other fuels soared while the price of natural gas remained comparatively stable."

"As a result, Michigan Consolidated has been hard pressed to meet the demands for its product and we and our suppliers have had to invest hundreds off millions of dollars necessary to acquire the gas reserves, build the transmission lines and distribution mains. At times we were forced to restrict sales to new customers, but now we are able to supply any and all demands and we hope this will always be the case," McElvenny said.

Michigan Consolidated has extended to over 60 communities since 1956 when the American Louisiana Pipe Line was completed from the Gulf coast to Detroit.

The company's vast operations are divided into five major distribution districts, plus its Reservoir Engineering Department, Transmission and Production Department and Gas Storage Department, all coinected by over 1,000 miles of large diameter transmission system.

The Detroit District includes the city and most of Wayne County and accounts for about 80 percent of the company's sales. Ann Arbor District includes Ypsilanti, and several other nearby cities, villages and towiships, Grand Rapids District serves most of Kent County, and Muskegon extends as far north as Montague and east to White Cloud.

Michigan Consolidated's Northern Distrlct is divided into areas which include Mt. Pleasant, Greenville-Belding, Ludington Big Rapids, Cadillac, Traverse City, Manistee; Sault Ste. Marie, and the newest addition, Petoskey, which includes Charlevoix, Boyne City, Boyne Falls, East Jordan, Kalkaska, Mancelona and Antrim.

The Gas Storage Department operates the world's largest gas storage compressor station at Six Lakes and other underground storage reservoirs in central Michigan. Other storage fields, owned by Michigan Consolidated and leased to Michigan Wisconsin Pipe Line Company, are located near Big Rapids.

These storage fields provide upwards of 100 billion cubic feet of gas during the wintar, two thirds of the gas required for heating customers. With deliveries reaching a peak of as much as 1.7 billion cubic feet on the coldest day of the winter, more than half tha gas must come from storage fields.

Three large diameter pipelines connect the storage fields with the Detroit area and smaller pipelines join the rest of the system. All of this gas is routed to the Six Lakes Storage field for winter use.

Modern Gas Furnaces Take Less Floor Space

A furnace used to take up half the cellar. But the modern gas heating plant fits in as little as 2 3|4 sq. ft. of floor space —and doesn't even have to be in the basement.

According to Michigan Consolidated Gas Company heating experts, space-saving is one of the most important elements of furnace design today. An up-to-date gas furnace capable of heating the average size home, takes up no more space than a water heater. This has the advantage of giving architects, builders and homeowners complete flexibility in designing new homes and modernizing older ones. Compact styling of modern gas heating equipment has been a major contributor in the development of both basement recreation rooms and homes without basements.

Recently developed zero-clearance gas furnaces can be installed so that sides and back touch walls. Insulation keeps the cabinets cool to the touch and the choice of location is almost unlimited. They can be installed in a vertical position on the floor or in a horizontal position suspended from the ceiling.

It is not at all unusual to find new gas furnaces installed in a first floor closet, utility room, alcove, hallway, or in a corner of the basement. If the house lacks a basement, the furnace can also be installed in the attic, crawl space beneath the house or in an attached garage.

The Reservoir Engineering Department, with headquarters in Grand Rapids, is in charge of all exploration and develop-

Coast Guard Sea-Plane Damaged

An air-sea rescue plane from the U. S. Coast Guard Air Station at Traverse City with Lt. William A. Mittag at the controls was damaged while practicing landings and take-offs on Lake Charlevoix Tuesday afternoon.

The hull of the two-engine HU-16E plane was ruptured as it struck the water and the bottom compartment became flooded. The pilot taxied the craft to the north side of Lake Charlevoix south and east of the Birdland resort where it was anchored in shallow water and repaired.

On Wednesday the plan was to taxi the plane to Boyne City so that it could be removed onto the launching ramp in order to make further repairs and check those made earlier.

With the pilot at the time of the accident was the co-pilot and a crew of four enlisted men. No one was injured.

Crewmen from the Charlevoix lifeboat station went to the assistance of the craft and then stood by to assist as needed.

In civilian life, the prospective patient calls the dentist's office for an appointment but in the U. S. Coast Guard it's different . . . the dentist brings his mobile office to be patient.

Here Dr. Norman Fred, dentist with the U. S. Public Health Service attached to the U. S. Coast Guard, is pictured examining a patient, Jack W. Hopkins, Enl. of Greys Reef light station while Gary E. Corder, Dental Technician second class, stands by to assist.

The dentist's office on wheels, known as M.D.U. No. 4, is a 10 ton mobile unit which houses a complete modern office that has everything but a laboratory, according to Dr. Fred, a native of Atlanta, Ga., and a June graduate of Emory Dental School in Atlanta. The unit is stationed at Traverse City but serves the entire Ninth Coast Guard district whose headquarters are in Cleveland, where the unit's itinerary is set up.

Dr. Fred said a routine is followed by the unit when it moves into an area such as Charlevoix which has a large Coast Guard population. All personnel come in for examination and those needing dental care are then given appointments and return for necessary treatment. For instance, during three working days the majority of the Coast Guard personnel were examined and on Tuesday 17 men were treated, Dr. Fred said Wednesday. It is expected that the unit will be here about three weeks so that all personnel, including those on duty at isolated stations, will have an opportunity to take advantage of the service.

Except for the coldest and most severe part of the winter when the unit is based at Traverse City, it is on the road, traveling through the entire Great Lakes area from Duluth, Minn., on the Lake Superior to Buffalo, N. Y., on Lake Erie.

City Council Sets Record In Bill Payment

The Charlevoix city Council, at its regular meeting Monday night, set 8 p.m. Oct. 7 for the date of a public hearing on the rezoning of Lots 53, 54 and 55 of Mason's Second Addition from Residential District II to Commercial District I.

The property is that owned by Mr. and Mrs. Altred Scheid and the site of the real estate office - residence of the couple on South Bridge St.

In other action, the council voted to accept bids on fleet insurance and commercial liability insurance until 8 p.m. Oct. 21.

The bid of Novak Insurance Agency for Workman's Compensation Insurance in the amount of $2,662.15 was accepted. Only other bid was an estimate of $2,270.03 from Michigan Mutual Insurance Co.

Bills totaling $84,321.23, a record in bills to be paid, was apprnved. The figure included $15,667 to the Department of Aeronautics as the city's final payment for its share in the airport expansion program; $14,977.47 to Consumers Power Co. for bulk power purchased for resale; $14,339.20 to Mr. and Mrs. Percy Butler and $12,892.95 to Mr. and Mrs. Richard Lynns as final payments for the property purchased from them to be used in the airport expansion program. Earlier they had received $500 each as down payments on the properties; payroll of $7,649.27.

The development of the waterfront north of Clinton St. was approved. The council engaged the engineering firm of United Associates Inc. of Chebnygan to work with City Supt. James Taylor and the Michigan Waterways commission in drawing up plans for the development which is to include shower and restroom facilities for visiting boatmen.

Schedule for Sonic Booms

Supersonic missions by B-58 aircraft of the 305th Bomb Wing at Bunker Hill AFB, Ind., will continue for two more days this week, according to an announcement made earlier.

Flying faster than sound at altitudes above 35,000 ft., the missions start at a point 30 miles east of Waukegan, Ill., and 30 miles west of Benton Harbor over Lake Michigan and end at Kincheloe Air Force Base in Michigan's Upper Peninsula.

The distance between the starting point and Kincheloe is covered in approximately 20 minutes. They are scheduled for arrival at Kincheloe at 12:50, 5:50, 7:05, 8:50 and 9:35 p.m. or 20 minutes after depart from above mentioned starting point.

No Shovel

Wednesday was a day members of St. Mary's parish had awaited for several years . . . it was to be the day of the ground breaking for the new church.

Everyone was poised for the momentous occasion when it was discovered that no one had arranged for the most important implement of all . . . a shovel.

A representative of Bare Construction Co., prime contractor for the structure, hurriedly found one among the company's equipment which had just arrived from Petoskey.

Community Chest Campaign Planned For Charlevoix

The 1963 Charlevoix Community Chest campaign will be launched Monday, according to Don Anders, chairman of the Community Chest board of directors.

According to Mr. Lachman, approximately 140 volunteer workers have agreed to help in this year's campaign. They will be calling on every business place, office, industry and home in the area during the three-week campaign beginning Monday. "If everyone gives his fair share and is ready with his pledge or contribution when the volunteer calls, we will have no difficulty making the goal of $11,511 by Oct. 7," Mr. Lachman added.

At the close of the kick-off meeting, workers will have an opportunity to meet the other workers in their division. Refreshments, donated by members of the Community Chest board and other interested individuals, will be served.

James Taylor Reports to Kiwanis Club

City Supt. James Taylor presented a detailed report on Charlevoix' public works at the regular dinner meeting of the Kiwanis club held Monday at the Holiday Terrace Hotel.

Appearing in observance of annual Public Works Week, Mr. Taylor was introduced by the program chairman, Rev. Alexander Wood.

In his talk, he spoke on those things considered public works in this community including streets, cemetery, parks and recreation, fire department, municipal golf course, airport, docks and harbors, skating rink, parking lots, water utility and sewage utility. He mentioned but did not discuss at length the electric utility.

It was announced at Monday's meeting that henceforth the club would meet at the high school cafeteria.

Guests at Monday's meeting were A. A. Schaerer of Detroit, Herman Meyer of Petoskey and Loren Corwin, a new resident and owner of the Silver Birch Motel.

Planning to attend the state convention in Grand Rapids beginning Sunday are Barney Englehart, president of the local club, Ralph S. Hamilton who will be accompanied by Mrs. Hamilton, E. K. Shanahan, Curtis Burlin, Richard Wortel and Ralph Gillam who will be accompanied by Mrs. Gillam.

Charlevoix Schools Announce Opening Day Enrollment Figures

First day enrollment figures at the Charlevoix public schools revealed an increase of 14 in the top six grades, an increase of eight in the first through the sixth grade but a marked decrease in the kindergarten where 15 fewer beginners were registered Tuesday than in the same day in 1962.

At St. Mary's parochial school the enrollment dropped from 180 last year to 156 this year.

In the top six grades at the Charlevoix, high school the first day enrollment figures for this year and for 1962 follow:

Grade	1963	1962
12	67	71
11	89	68
10	85	93
9	95	85
8	84	87
7	75	77
	495	481
6	73	70
5	79	78
4	70	84
3	73	74
2	85	75
1	98	89
Kindergarten	103	118
	581	588
	1076	1069

In giving the first day enrollment for the kindergarten, Elementary principal Glenn B. Snider said that it was possible that several more children might be enrolled on the first day the beginners attended school. They did not attend classes on opening day and only those children enrolled last spring or on Friday were included in the above figure.

At St. Mary's school, Sr. M. Emeliana said that the departure of ten families from the parish plus the graduation of 18 students from the eighth grade last year accounted for the decrease at the school.

First day enrollment figures follows: eighth grade: 18; seventh, 24; sixth, 21; fifth, 17; fourth, 18; third, 22; second, 19 and first, 20 for a total of 156 students. A breakdown of first day figures by grades for 1962 was not available but the total was 180 students, the largest enrollment in recent years.

Teachers To Meet With School Board

The new handbooks for students and teachers in the Charlevoix public schools were presented and discussed by H. E. Bingham, high school principal, at the regular meeting of the board of education held Monday.

In an effort to better acquaint the board with the operation of the school program, Supt. Rex E. Milligan has asked that the heads of various departments appear before the board at an assigned time to explain and answer questions relating to that given program. Monday night C. A. Odmark of the music department appeared to discuss the music program in the school system.

E. Darrell Dinwiddie, president of the board, has appointed the following committee to serve during the coming year. They are: transportation: Albert H. Smith and Joe Martinchek; curriculum, Burr Blanchard and Dr. Robert Tollus; building and grounds, Dale Boss and Mrs. R. L. Hooper; Finance Mr. Dinwiddie and Mr. Boss; library, Mrs. Hooper who will work with a community committee to be named this week.

The use of the gymnasium by community groups was referred to the building and grounds committee after a brief discussion.

The rental of the high school cafeteria by the Kiwanis Club for weekly meetings was approved. A rental fee of $5.00 per meeting will be charged.

First Dirt Turned For New Saint Mary's Catholic Church

Wednesday, Sept. 4, 1963, marked a new milestone in the history of St. Mary's Catholic Church here for it was the day that the pastor, the Rev. E. Francis Denay, broke ground for a new church to be constructed between the present church and the new St. Mary's school on Bridge-st.

Pictured here with Father Denay as he turned the first shovels of earth are the Dominican Sisters who teach at the school and members of the parish who had assembled for the memorable occasion.

Among those on hand was Mrs. Philip Lemieur who was present when the cornerstone on the present church was laid Aug. 25, 1890.

The new one-level structure will replace that present frame church built in the early 1890's and in use since August, 1893, according to available records.

Bare Construction Co. of Petoskey is the prime contractor for the new church to be constructed of block, concrete, structural steel and brick with laminated arches and wood interior. Louis S. Orlowski of Detroit, whose grandparents were members of the parish at the time the present church was built, is the architect.

The new church is scheduled for completion in early Spring. At that time the present church will be razed and the tower for the new church constructed on the site.

Herbert A. Harrison is serving aboard the USS Jenkins presently operating in the Far Pacific. His parents, the Rev. and Mrs. A. Robert Harrison have received a letter from his commanding officer informing them of the ship's activities.

Excerpts from that letter follow:

On July 31, 1963, the Jenkins became by all legal definitions a "lady" of the fleet, celebrating her twenty-first birthday.

The past eight months have been devoted almost entirely to training the crew and preparing the ship for its primary task of hunting, tracking and destroying enemy submarines.

Local operations in the Hawaiian area occupied the ship from December thrugh May with several in-port periods for repairs.

May signalled the start of final preparations for deployment to the Western Pacific. We went 'on stage' during late May, participating in a 10-day operational readiness evaluation with USS Kearsarge (which had just returned from picking up Astronaut Gurdon Cooper) and her air groups, eight destroyers and patrol planes from Hawaii. The result of the evaluation: "Very Good" and the result of the preparation an integrated team which, on June 4, waved goodbye to its loved ones and sailed west. Our assignment —relieve the ready anti-submarine "Hunter-Killer" Group of the powerful U. S. Seventh Fleet and patrol the Asian waters.

After seven days in transit, we entered Japanese waters and drupped anchor at Sasebo, Japan where our seven-day stay was marred by "Typhuon Shirley."

Leaving Sasebo, we operated for a week with the Hunter-Killer Group and arrived at Kohe, Japan, on June 28 where the crew went ashore to tour Kobe, Osaka and Kyoto and several Japanese groups visited the ships as part of the "People to People" program.

At the end of another week's anti-submarine exercise, which included two days of operations with the USS Constellation, we entered hot, humid Buchner Bay, Okinawa where we were forced to put to sea to avoid "Typhoon Wendy". With 130 knot winds, "Wendy" left little to the imagination concerning the fury of a tropical sorm and we breathed a sigh of relief when she came no closer than 300 miles.

The next week was spent in maneuvering around the South China Sea between Formosa and the Philippines to avuid 'Typhoon Agnes". Our evasiun was successful and on July 24 we entered the Far Eastern "Shangri-La", Hong Kong, British Crown Colony, a fantastic combination of Oriental and Western culture where everyone "went broke saving money."

We are now back at Sesabo, having evaded "Typhoon Bess" while operating with Kearsarge and the Attack Carrier Coral Sea.

We will continue to operate around Asian waters until late November when we set an easterly course, keeping an alert listening watch for sounds of "Aloha" as we return to Hawaii.

The letter was signed by F. D. Richards, Commander, the commanding officer of the USS Jenkins.

Harrison's address follows: USS Jenkins (DD-447) %FPO San Francisco, California.

Mr. and Mrs. Charles Dennis and family of Homewood, Illinois have returned home after spending a week's visit with relatives here.

Mr. and Mrs. John Bos Celebrate 50th Anniversary

Atwood—Mr. and Mrs. John Bos, prominent residents of this community who also have had business interests in East Jordan, celebrated their golden wedding anniversary Sunday.

An upen house at the couple's home from 1 to 5 p.m. Sunday to which relatives, neighbors and friends were invited marked the occasion.

Earlier, their entire family joined them for a dinner marking the event.

Mr. and Mrs. Bos were married at Atwood Sept. 9, 1913, and, except for 1½ years spent in Chicago immediately following their marriage, have always resided at Atwood. They operated a store here for 31 years before Mr. Bos opened a market in East Jordan which he operated for 15 years before retiring in March of this year.

Both Mr. and Mrs. Bos have been active in community affairs. They are members of the Atwood Reformed church of which Mr. Bos has been an elder and Mrs. Bos a Sunday school teacher for many years. Mr. Bos has served as a director of the East Jordan bank for 20 years and a member of the East Jordan Rotary club for the same length of time. Mrs. Bos, in addition to her church related activies, is a member of the Meadowbrook Hospital Auxiliary of Bellaire.

Mr. Bos was born in Chicago Oct. 16, 1891, and came here as a young man. Mrs. Bos, the former Hattie Klooster, was born at Atwood Oct. 25, 1893.

They have five children. They are: Mrs. LaVern (Hildegarde) Schierhorn of Grandville, Mrs. W. E. (Freda) Coeling of Petoskey and Mrs. Jack (Joan) Grupa of Grand Rapids; and two sons, Henry of Clermont, Fla., and Adrian of Los Angeles, Calif. They also have 17 grandchildren and two great-grandchildren.

Mary Lou Ver Wys Weds David Ikens

The First Methodist church was the scene recently of the wedding of Mary Lou VerWys and David Ikens.

The bride is the daughter of Mr. and Mrs. Abe VerWys. Mr. Ikens is the son of Mrs. Vera Ikens of Oakgrove and the grandson of Mrs. Floyd Ikens of this city.

Tiered baskets of white gladioli and candelabra entwined with ivy formed the setting for the double ring service at which the Rev. L. L. Lewis of Cement City, former pastor of the First Baptist Church here, officiated. Mrs. Leonard Burns, at the organ, played a program of traditional music and the wedding marches and accompanied Clifford Riley who sang "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride chose a floor length princess gown of white organza over taffeta for her wedding. The fitted bodice which featured a round neckline und short sleeves and the bouffant skirt and the matching gauntlets were scattered with daisy appliques centered with pearls. A rose floret tiara secured her veil of bridal illusion. She carried a bouquet of red and white butterfly roses.

Mrs. Edward Huhta of Berkley, as her sister's matron of honor, wore a gold street length bell-skirted gown of shantung weave satin fashioned with back panel details topped by a self-material rose. Her headpiece of rhinestones and illusion net matched her gown and she carried a bouquet of white daisies and yellow roses.

Phyllis Porter of Rockford, Marilyn Michum of Grand Rapids and Ruth Ann Riley were bridesmaids. They wore gowns and headpieces identical to the honor attendant's in crystal green and also carried bouquets of white daisies and yellow roses.

Richard Ikens of Oakgrove assisted his brother as best man.

Another brother, Lt. J. Curtis Ikens of the U. S. Coast Guard Academy at New London, Conn., Duane Dieterle of Flint, Don Plagens of Dexter, Robert Benson of Howell and Stuart VerWys, brother of the bride, seated the guests.

Mrs. VerWys wore a navy crepe suit ensemble, a pale blue rhinestone - scattered hat and gloves and navy accessories complimented by a corsage of pink roses, for her daughter's wedding. Mrs. Ikens, mother of the bridegroom, wore a gold brocade suit ensemble and accessories and a corsage of white daisy mums.

A reception followed at Harmony Hall where the refreshment table was centered with a tiered wedding cake flanked by tapers and arrangements of pink and white mums. Mrs. Riley and Mrs. Jock Gigg cut the cake, assisted by Marcia Fair of Mt. Pleasant, Mrs. Richard Ikens of Oakgrove and Connie German of Yorktown, Va., who presided at the coffee urn and punch bowls. Mrs. George VerWys of Collingwood, N. J., assisted by Dena VerWys, was in charge of the guest book.

For traveling on their wedding trip through Canada and the East, the bride wore a white wool tailored suit, red accessories and a corsage of red roses. They will make their home in Mt. Pleasant where both will be seniors at Central Michigan University.

The bride is a graduate of the Charlevoix high school and is majoring in music at Central Michigan University. Mr. Ikens is a graduate of Howell high school and a veteran of four years in the U.S. Coast Guard where he taught electronics. He is majoring in Business Administration at the same university.

Wedding guests were present well, Oakgrove, Berkley, Detroit, from Northport, Mt. Pleasant, Howell, Grand Rapids, Cement City, Saginaw, Flint, Fenton, Rockford and Dexter in Michigan, Yorktown, Va., Germany, and Collingwood, N. J.

Mrs. Ikens hosted the rehearsal dinner at the Grey Gables Inn Friday evening.

"PLEASE DON'T HURT MY KIDS"

Dear Driver:

TODAY, MY DAUGHTER, who is 5 years old, started to school for the first time. Her brother was with her, but he's only 9 himself, and he still looks pretty little to me. Their Cocker Spaniel, whose name is "Scott," sat on the front porch and whined his canine belief in the folly of education as they waved "goodbye" and started off to the halls of learning.

LAST NIGHT WE TALKED ABOUT SCHOOL — My daughter and I. She wondered what the teacher would be like . . . she hoped she could sit beside Mary (the little girl next door). She said her "letters" for me — just to be sure she knew them. Oh, we talked about a lot of things — tremendously vital, unimportant things. Then she tried on her plaid pinafore to show me . . . and then to bed.

SHE LOOKED SO HELPLESS — sound asleep, with "Princess Elizabeth" (that's her doll) cuddled in her right arm. You see, I'm her daddy. When her doll is broken or her finger is cut, or her head gets banged, I can fix it — but when she and Brother start to school, when they walk across the street, then they're in your hands.

THEY'RE NICE KIDS, both of them. They like to ride horses and swim and hike with me on Sunday afternoon. But I can't be with them all the time. I have to work to pay for their clothes and education. So please help me look out for them. Please drive slowly past the schools and intersections — and please remember that children do run from behind parked cars.

PLEASE, DON'T HURT MY KIDS!

—A Proud Daddy

(Editor's note: We think this is as effective copy as has ever been written on Safety — and an outstanding example of public service.)

If good hard work will win ballgames for Charlevoix's Rayders, t hen you want to pick up your season football tickets now. The boys re really mixing it up at practice in preperation for Friday's encounter with the Hurons at Rogers City.

oach Don Carey (with clipboard) and assistant coach Leonard ley, right, outline the plays to he used against Rogers City Fri- night with backfield players Dave Smith, Larry Edwards, Bren- LaBlance and Del Terrill.

Rayders Open Grid Season n Rogers City Friday Night

he Charlevoix Rayders, de- ling champions of the North- Michigan Class C Con- nce, will open their 1963 foot- season at Rogers City Friday t.

hen the Rayders take to the iron this week, they will be ng one of their lightest s in recent years accord- to Coach Don Carey who d that among the 16 players by graduation was all of weight the team would be ing for some time. Among candidates for the squad 17 seniors, only nine juniors of the largest class in the school and some sopho- es who may be used on the sity, Coach Carey said.

preparation for the eight- e schedule, the Rayders mmaged against Kalkaska looked fairly good against best team the visitors have led in many years, Coach y commented.

a result of this pre-season on, he has named the follow- players as possible starters week though he may make e changes before game time lay. In the backfield will be regular from last season, e Smith, a junior who will t in the right halfback tion. Rick Grunch, a former nan, will start in the left back slot if he recovers from painful toe injury received Friday's scrimmage. Jack kwell, fullback understudy last year, is expected to this position with Chip Ter- assuming the signal calling es for the squad.

the line will be ends, Bruce ken and Brendan LaBlance, experienced players; how- the latter may end up in backfield if Grunch is unable play. At tackle will be Ben Cunningham, a letterman, and Richard Getz; at the Guard positions two lettermen with limited experience. Lewis Poole and John Ochs while at Center Dave Novotny or Tom Maxwell may take over the ball handling duties for the team. Bob Odmark, who had been expected to as- sume this position, may be benched for the present because of an injury.

Coach Carey did not name any other players who would start but did say that he expected all those who had been report- ing regularly for pratice sessions to see some action during the opening game.

Weather's Delightful

If you are a fancier of these strange fungi that seem to pop-up in the woods this time of year, then the cool damp weather has been grand. Bob Glibic of Charlevoix has been picking puffballs by the arm full. This puffball measured 47" around and stood 11" high. Bob is not telling where he picks them, but he will admit they grow in Charlevoix county.

Mascot of U.S.C.G.

"The lady is no tramp" the young sailor was quick to reply in answer to a simple inquiry regarding the 'lady' in question though no one had intimated that she was not what she seemed.

Her friend willingly admitted that, once coming to Charlevoix within the past year, she had aroused the curiousity of local residents as well as visitors and that she was a mysterious maiden, addicted to frequent travels which she never discussed.

Her age? One could only surmise, he said, since no gentleman made inquiries about such a delicate subject.

However, it was apparent that a certain few people had been taken into her confidence since she is seen quite frequently warding off thirst in places other than soda fountains.

Since one seldom sees an unescorted young lady enter a pub without an escort without being frowned upon, her young friend said that the first time he saw it happen he was amazed to see the other patrons accept this flagrant breach of etiquet with an indulgent smile. He admitted that he pondered this as he overtly watche the liesurely fall of the liquid level before her.

But the real shock was yet to come! After declining several eager offers for additional refreshments, she stretched languorously and, after a prodigious yawn, promptly fell asleep.

After much persuasion, one of those 'in the know' whispered her name and was plied generously with the available merchandise to promote confidence.

Her name, it seemed, was Shackles which sounds unusual until one discovers that this is a subterfuge to ward off the ill fortune superstitious seafaring men associate with the presence of a woman aboard ship during a voyage

She is the mascot of the locally-based Coast Guard Cutter Sundew. Part Huskie, she is black and white and walks with a slight limp in left front foot, the result of an accident aboard ship, as she makes her rounds, checking on shipmates ashore.

If, after a self-imposed drought due to underway operations, Shackles should feel the effects of her moderate indulgence, area residents are asked to call the Sundew for an escort to see her safely home. Except on rare occasions, on of her bullies on liberty will drop by for her for all feel it a rare privilege to accompany a young lady with such a winning personality.

How Are our License Plates

If your auto license plates are fading or rusting out you may replace them at any of the 200 branch outlets of the Michigan Department of State for a handling fee of $1.00.

The special service was made available when a substantial number of plates deteriorated badly to a point where readibility and letter-number recognition became difficult.

To get this service, the car owner must surrender both faded or rusted license plates at the time the new plates are issued. The title or application for title must be presented at the time of the transaction so that the new plate number can be recorded thereon.

Secretary of State James M. Hare pointed out that this $1.00 rate is available only to owners of 1962 green on white passenger plates which are faded or rusted. It does not apply to 1963 tabs, commercial, farm commercial, trailer or motorcycle plates.

In cases where passenger plates have been mutilated, lost or stolen and both old plates cannot be turned in, a fee of $2.00 will be charged.

Where the money goes

Your Community Chest

With the 1963 Community Chest fund campaign scheduled to begin locally within the next two weeks, information regarding the 12 participating agencies has been appearing regularly so that contributors may know how their donation will be spent to benefit them.

This week, City Recreation for which $800 has been requested and the Mt. McSauba Recreation Corp. which has asked for $500 will be featured.

The $800 requested by the city towar" the cost of the city recreation program will be applied to the costs of lifeguards on three of the community's beaches, the swim program in which more than 175 youngsters of all ages participated, maintaining a skating rink during the winter months and of the softball program in which five leagues participate.

"The cost of the recreation program ($13,775) far exceeds the $800 but the money does do much to supplement its cost. It also gives part-time residents an opportunity to contribute toward a program in which they participate or enjoy," City Supt. James Taylor said.

The $500 which the Mt. McSauba recreation corporation has requested will be used to underwrite the cost of instructions for local youngsters who might not otherwise be able to enjoy the facility and for the development of the winter sports park.

This year the board of directors plan to spend $100 toward the former and $400 toward the completion of a run on the northwest side of the mountain. This includes the installation of tow equipment and other facilities.

The park is managed by Mr. and Mrs. Chuck Meier.

F. Spothelf to Serve as Extern Teacher

Frederick Spathelf, a student at Central Michigan University will serve as an extern teacher at the Charlevoix high school during the first semester, according to Supt. Rex. E. Milligan.

Mr. Spathelf, a commerce major, will assist D. C. Maltby in his department.

H. Donaldson Dies Unexpectedly

Ellsworth—Howard Donaldson, 48, life long resident of this area died unexpectedly Monday morning at his home on the Ellsworth-East Jordan road. Death was attributed to a coronary thrombosis.

He was born December 8, 1914 in South Arm Township, Charlevoix County, the son of Mrs. Chester Donaldson and the late Mr. Donaldson. He had been an employee of the East Jordan Iron Works for about fifteen years.

He was married to the former Lois Frost of East Jordan, on December 12, 1937.

Besides his wife he is survived by four sons, Arthur, Lauren, Robert and David all at home; three daughters, Marian of Owosso, Mrs. Albert (Rose) Anderson of Rt. 3 East Jordan, and Linda at home; one grandson; his mother, Mrs. Donaldson; two brothers, Levi of Ellsworth and Milton of Traverse City; and two sisters, Mrs. Jack (Anna) McPherson of Ellsworth and Mrs. Fred (Eleanor) Wormell of Petoskey.

Funeral services were held in the Ellsworth Pilgrim Holiness Church Wednesday with Rev. Fred Gibbs, and Rev. W. L. Silvers, former pastor, now of Muskegon, officiating. Burial was

annually.

Nearly all states are trying to adjust their laws so that there will eventually be a uniform code from coast to coast. Like the others, Michigan is constantly improving its school bus laws so that they provide better protection for both motorists and children.

Funeral Services Held For Richard L. Dekker

Funeral services for Richard L. Dekker, 68, retired Grand Rapids postal employee, were held Saturday at the Znagman Chapel with burial in Chapel Hill cemetery.

Mr. Dekker, who with his wife had spent six weeks here every summer for the past 15 years, died Wednesday at his Grand Rapids home.

A lifelong resident of Grand Rapids, Mr. Dekker was a postal employee 35 years, having retired in 1955. He was an elder and former deacon at the Burton Heights Christian Reformed church. When in Charlevoix he had attended the Community Reformed Church.

Surviving are his wife, Johanna M.; three daughters; a sister; one brother and eight grandchildren, all of Grand Rapids.

Dean Davenport (right), prominent local resident and former mayor, is greeted by Robert S. Hamilton, president of the Charlevoix Chamber of Commerce, as he visits the Chamber office on Bridge st. for the first time following his appointment as secretary-manager.

Dean Davenport Picked for C of C Job

The appointment of Dean Davenport, prominent local resident and former mayor, to the post of secretary-manager of the Charlevoix Chamber of Commerce has been announced by Robert S. Hamilton, Chamber president.

The appointment becomes effective Oct. 1.

Mr. Davenport was among nine applicants for the vacancy created by the death of Paul Kohler in early August. Mr. Kohler had served in the position for four years.

In announcing the appointment following a meeting of the Chamber board of directors, Mr. Hamilton said that Mr. Davenport brings to the position a wealth of experience in community development. As a former member of the city council and former mayor, he knows Charlevoix and its needs from every aspect.

Mr. Hamilton added that Mr. Davenport will devote full time to the Chamber of Commerce but will continue representing his insurance company in the area.

Mr. and Mrs. Davenport make their home at 103 E. Lincoln st.

Teen-ager Escapes Serious Injury

Gary Rubingh, 15, son of Mr. and Mrs. James Rubingh, escaped serious injury late Saturday when the tractor he was driving overturned as he was returning from the Central Lake Canning factory. The accident occurred about three miles south of Ellsworth.

He had taken a trailer load of corn to the canning factory and was returning home with a load of silage when the trailer went out of control and overturned. Gary was thrown clear but received a shoulder injury and multiple cuts and bruises.

Harry Sanford Passes At Age 72

Graveside services for Harry Sanford, 72, former Charlevoix county resident and brother-in-law of Datus Dean, will be held at Brookside cemetery at 2 a.m. Thursday with Rev. Raymond J. McBratnie officiating. Mr. Sanford died Sunday at Northville where he had resided for many years.

Funeral services were held at Northville Wednesday.

Surviving are four sons, Norman and Donald of Northville, Dean of Plymouth and William of Ann Arbor; 15 grandchildren and two sisters.

County A.S.C. To Hold Election

The Charlevoix county convention to elect members to the County Agricultural Stabilization and Conservation Committee will be held at the ASC office in Boyne City at 10 a.m. Thursday, Sept. 26, according to Robert Reidel, county chairman.

In announcing the meeting, Mr. Reidel noted the make-up and requirements necessary as a member of the county committee, stating that a member should represent the type and kind of farming in this county.

He said it was advisable to have the person closest to the farmers in the county, the county extension agent, serve as an ex-officio member without a vote if he does not care to serve as secretary to the county committee. He added that the committee needs and wants the knowledge and cultural official.

Wounded "Bird" Carried Home

The 'wounded' Albatross, the two-engine HU-16E plane from the Traverse City Coast Guard Air Station which was damaged while on maneuvers on Lake Charlevoix last week, was placed aboard a barge and transported to Boyne City Tuesday.

Plans call for the removal of the plane, by use of a boat launching ramp, to the dock area where workmen from the air base plan to repair it so that it can be flown back to the base.

The plane's hull was damaged during the maneuvers and taxied to an area south of Birdland resort on the north shore of Lake Charlevoix where it was later pulled onto the beach in an effort to repair it.

Two officers and four enlisted men aboard the plane at the time of the accident were uninjured.

Stanley Daggett Passes in Elsie

News of the death of Stanley R. Daggett, 43, husband of the former Helen Edwards, at Elsie on Saturday has been received here.

Mr. Daggett had been in failing health for several weeks.

Funeral services were held Tuesday at Elsie with burial in an Elsie cemetery.

Besides his wife, he is survived by two children, Edward and Jean; his mother, Mrs. Myrel Daggett, a brother, Lawrence and a sister, Rhoda, all of Elsie.

Rayders Open Home Grid Play Friday

The Charlevoix Rayders, defending champions of the Northern Michigan Class C league, will host the Harbor Springs Rams Friday in the first conference game of the season as well as the first home game.

Kickoff time will be 8 p.m. at Kipke field.

In this meeting, the Rayders, coached by Don Carey, will find the going rough for the Harbor outfit is an experienced one which served notice Saturday night that they were strong contenders for the title when they dumped Petoskey St. Francis by a score of 35-0.

An experienced backfield, two seasoned ends and several experienced players in the line are going to make this a hard combination to stop.

The Rayders, though small in size and lacking in experience, proved that they were going to be no push-over when they held the big Rogers City outfit to a scoreless first half despite the fact that they were outweighed by the best team the Hurons have fielded in recent years.

In Friday's game, the Rayders took the kickoff, picked up a first down and then were forced to punt with Rogers City taking over on the Charlevoix 45.

Thus started a march which carried the Hurons to three yard line where the Rayder line held and Charlevoix took over on fourth down. After three tries which netted the ball only four yards, Dave Smith punted out of danger to the Rayder 48. Two unsuccessful tries and a major penalty found the ball still on the 48 as the quarter ended.

The second period was a repetition of the first with each line holding and the other being forced to punt. The Rayders were in possession of the ball on their own 38 after Bruce Kroken had intercepted a Rogers pass as the half ended.

The Hurons size and experience started to pay off early in the second half when they began to take advantage of Charlevoix's weak spots. After taking the kickoff on their own 25, Rogers City, in a series of running plays, picked up three first downs to move the ball to the Rayder 18 with Paul Konieczny and John Fairbanks doing the major part of the ball carrying. On the next play Fairbanks went in to score with Terry Syrett booting the conversion.

With Nick DeYoung carrying the ball and Del Terrill passing to Bruce Kroken, the Rayders moved to midfield where they fumbled and Rogers City recovered on the Charlevoix 47.

The Hurons moved to the Rayder 24 but two penalties set them back to the 33 where they gave up the ball to the Rayders on downs. An exchange of punts found the Rayders in possession of the ball at midfield as the quarter ended 7-0.

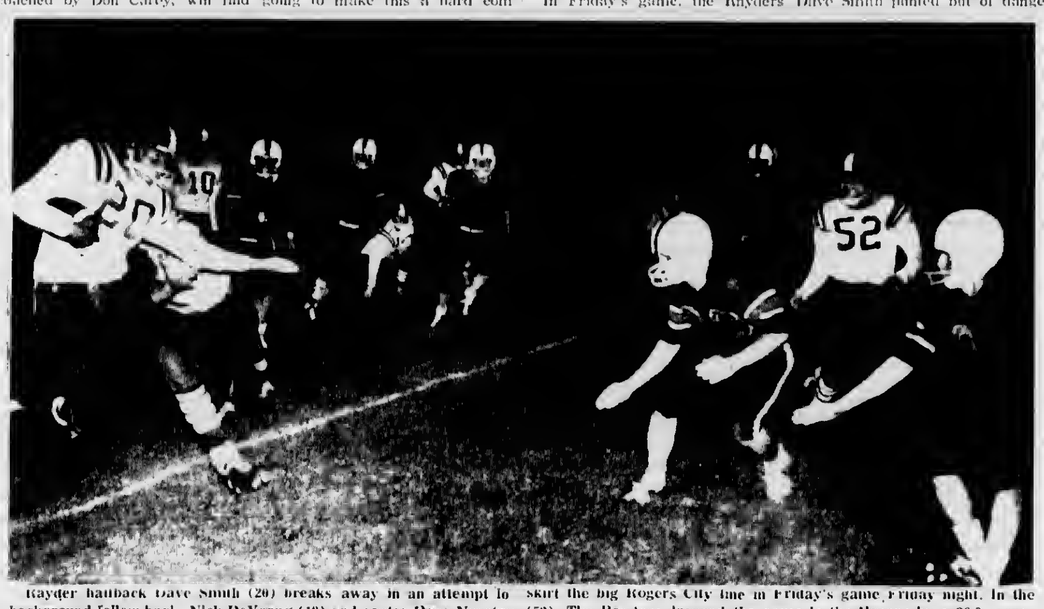
On the second play of the final period, the Rayders punted to the Hurons who took over on their own 22. On the second play, Konieczny was injured and left the game but it did not halt the Rogers' march which carried the ball to the 33 where Fairbanks took it in for the second touchdown of the game. Syrett's conversion kick was blocked as the score stood at 13-0 with 6:14 remaining on the clock.

The Rayders took the kickoff on their own 18 and moved the ball to the 42 where Fairbanks scooped up a fumble and romped the distance to score with 3:27 remaining. The kick was wide.

Charlevoix took the kickoff on the six yard line and were knocked back to the three where they lost the ball to their hosts who took advantage of the break to score again. The conversion kick was not good as the score stood at 26-0.

A pass from Ken Parrish to Jack Stockwell moved the ball from the 29 to Rogers' 48 as the game ended.

Starting for Charlevoix were Terrill, Smith, DeYoung and Stockwell in the backfield; ends, Kroken and Brendan LaBlanee; tackles, Richard Gets and Ben Cunningham; guards, John Ochs and Lewie Poole and center, Dave Novotny.



Rayder halfback Dave Smith (20) breaks away in an attempt to skirt the big Rogers City line in Friday's game Friday night. In the background fellow back, Nick DeYoung (10) and center Dave Novotny (52). The Rayders dropped the game to the Hurons by a 26-0 score after holding them scoreless first half.

Charlevoix's Harbor Advertised

Charlevoix's readers of "Motor Boating", America's authority of modern boating, were pleasantly surprised when they opened the September issue to find some unexpected publicity for Charlevoix and its harbor in an insurance company advertisement where only East Coast ports had previously been publicized.

Each month, the picture of a harbor appears under the title "Do you know this harbor?".

On page 57, was an aerial view of Charlevoix's beautiful land-locked harbor, complete with a thumbnail story of its features and facilities, calling attention to 'the water tank on the south bank as an excellent landmark'.

Several called attention to the ad but Phil Lawrence of Fairport supplied the magazine with the picture.

A well-established company, Chubb and Son Inc., underwriters for yacht insurance, sponsored the ad.

Those who receive the magazine regularly report that this is the first time they remember seeing a Great Lakes port featured in the ad.

Life Boat Station Changes Command

Edwin Pyrzynski, BMCM, a veteran of 21 years in the U.S. Coast Guard, has been named to succeed Leo R. Norton, BMC, as officer in charge of the Charlevoix Lifeboat Station.

Mr. Norton, who has been in charge of the local facility for the past three years, has been assigned as officer in charge of the lifeboat station at Grand Marias on Lake Superior. He left this week to assume his new duties.

Mr. Pyrznski comes to Charlevoix from the Thunder Bay light station off Alpena on Lake Huron where he has been assigned for the past 15 months.

A native of Chicago where he enlisted in this nation's oldest military service. Mr. Pyrzynski served aboard the C.G. Cutter White Lupine at Ogdensburg, N. Y., from 1959-61 and at Portage Lifeboat Station from 1956-59. Prior to that he served three years aboard the icebreaker Mackinaw; at a LORAN station at Cape Sarachuf off the coast of Alaska; at Sault Ste. Marie Base, aboard CGC Hollyhock and during World War II, aboard the auxiliary tanker, IOG 24, USS Sheepscott.

His wife, Dorothy M., and their three children, Suzette, 15, Henry 13 and Toni 11 are presently living in Cheboygan but will join him here at a later date.

Mr. Norton who is a native of Otsego county, is a veteran of 19½ years in the service. He came to Charlevoix in 1960 from a year's duty at a LORAN station in the Philippines. Prior to that assignment, he served at lifeboat stations at Ludington, South Manitou island, Pentwater, Frankfort, and Thunder Bay Island and at the Traverse City Air Station.

During World War II, he served aboard a destroyer escort that circumnavigated the globe by way of the Panama Canal, the Pacific via Australia the Suez Canal, the Mediterranean and the Atlantic. He also served aboard a transport in the Atlantic.

He will be accompanied to his new assignment by his wife, Geraldine, and their four children, Linda, Michael, Laurie and Michelle.

The Charlevoix Lifeboat Station has an authorized compliment of 19 men but at present has only 16 plus five presently stationed at the Beaver Island moorings.

Marching Band Numbers 70 Strong

The 70-piece Charlevoix high school marching band will make its initial appearance of the 1963-64 school year during the half-time festivities at the Charlevoix-Harbor Springs football game, according to C. A. Odmark, its director.

Led by drum major, Terry Nielsen, the band will dedicate its program to the current Community Chest fund campaign launched this week. Appearing briefly in behalf of the Community Chest will be John Lachman, campaign chairman.

Drum majorettes this year will be Patti Penn, Sherrel Pearsall and Shirley Gibson, who, with Miss Nielsen, will front the 66-pieces in the band when it appears Friday. The 70-piece marching band, however, is still only a part of the regular band, Mr. Odmark explained, adding that 18 of its regular members are playing football or serving as cheerleaders. He said it probably would be spring before the entire marching band can be put on the street.

The organization of the band, including the election of officers and appointment of student assistants, will be completed this week, Mr. Odmark reported.

City Band Resumes Rehersal Schedule

The Charlevoix City band has resumed its regular rehearsal schedule, meeting at the Charlevoix high school band room at 7:30 p.m. every Monday for a 90 minute period, C. A. Odmark, who directs the group, has announced.

Vacancies occur in most sections according to Mr. Odmark who has issued an invitation to any adult in the community to join the group. Within a short time, advanced high school students will be invited to join the ball and fill the instrumentation to a group of approximately 40.

Next week's rehearsal will be held at 7:30 p.m. Tuesday but after that date regular Monday rehearsals will get underway at the usual time.

The possibility of a series of six concerts during the winter months was discussed at the organizational meeting held Monday at which winter plans were tentatively scheduled.

Mr. Odmark may be reached at the Charlevoix high school during school hours or at his home, LI 7-2491 after 5 p.m., if anyone desires more information regarding the band.

Fran Martin was honored Friday at a ceremony held aboard the U. S. Coast Guard vessel, the Sundew. Friends, relatives, officers and enlisted personnel gathered to see Commander F. J. Mann present Miss Martin with a certificate of appreciation for her cooperation in furthering the aims of the U. S. Coast Guard in Charlevoix. Lt. Commander Paul Andersen, executive officer, outlined the many ways she had helped the men stationed in Charlvoix, and how on many occasions she had given them very helpful advice. The framed certificate pictured while being handed to Fran by Commander Mann, was signed by Rear Admiral G. H. Miller, Commander of the ninth U. S. Coast Guard District. Coffee and pastries were served following the brief ceremony.

Nancy Klooster Becomes Nurse

Nancy Jane Klooster was among the 19 graduates of Evangelical Deaconess Hospital School of Nursing who received their diplomas at graduation exercises held Wednesday at the Peace United Church of Christ in Detroit.

Miss Klooster, daughter of Mr. and Mrs. Hiram Klooster, appeared on the program as a member of a vocal trio.

Miss Klooster served as secretary of her class during her junior-senior; and was a member of the student council, the nurses Christian Fellowship and the student nurses' chorus, the latter for three years.

She plans to remain as a member of the nursing staff at Evangelical Deaconess Hospital.

In Detroit for the graduation exercises and the reception which followed were Mrs. Klooster and daughter, Carol, and Mrs. John Klooster.

Charlevoix Graduates Leave For Higher Schooling

Recent graduates of the Charlevoix high school have departed or will leave shortly for colleges, universities or other schools to study.

Among them are the following:

Nancy Koteskey and Dwight Boss who will attend Asbury College at Wilmore, Ky.; Howard Majors who has enrolled at Anderson College, Anderson, Ind., where his brother, George, will return for his second year of study.

Western Michigan University at Kalamazoo has attracted the largest number of students in recent years. Among them the Dennis Bates, Gerald Boss, Steve Faculak, Doris McBride, John Pearl and Sharon Wood. Others returning there will be Gene McBride and Bonnie Fitzhugh.

Elaine Martin has enrolled at the nearby Kalamazoo College.

Michigan State University has also attracted a large group from Charlevoix. Leaving later this month to begin freshman studies there will be Franklyn Curtis, Linda Neff, Joseph Smith, Carlton Smith and Diane Uhrick along with Garlyn Bice who was graduated in June from Seabreeze high school, Daytona, Fla., though she had received her earlier schooling here. Among those returning to the East Lansing campus will be Scott Supernaw, Jill Davis, Sam Supernaw, Dale Parsons, Ruth Ann Riley, Jeanette Novak, Peter Gibbons and Tom Swanson.

Connie Saltonstall and James VerWall have already started classes at the University of Michigan. David Miles will return for graduate study while James Ladd, Don Heise, Lenore Erber, Karen Uhrick, Tony Duerr, Jack Stewart, Donna Berg will return to continue their studies.

Irving Drost will leave this week for Houghton to enroll at Michigan Tech. Steve Wells, Gary Chew and John Norton will return to classes there.

Shirley Stoel and Sharon Russell will leave this week for Mt. Pleasant to enroll at Central Michigan University. Returning to classes there later this month will be John Bingham, who is doing practice teaching at Midland, Marilyn Novak, Vicky Racignol, Mr. and Mrs. David (Marilou VerWys) Ikens, Mable Bingham, Wayne Green, Betty Stoel, Ann Phillips, Mary Jean Campbell, Judy Ikens, Albert Arvilla, and Joel Arvilla.

Frances Arnold, Albert Wojan, Dennis Wojan and Barbara Schwab have enrolled at Davenport Institute in Grand Rapids; Dick Ostmark plans to enroll at a Junior College in Detroit; Dave Rader will go to Cincinnati where he will attend the University of Cincinnati and John Flynn, who left in June to make his home in California will attend Santa Ana College; Marilyn Lesner has enrolled at Highland Park General Hospital School of Nursing; Eileen Elliott and Bonnie Richardson are attending the Petoskey Beauty Academy.

North Central Michigan College at Petoskey has attracted six recent graduates, among them Martha Coleman, Joan Riley, Ruth Ann Miller, Ruth Schotfield, William Dohm and John Tuomela. The list of others returning to the nearby campus will not be available until a later date.

Three recent graduates of St. Francis high school in Petoskey, who are local residents, have also departed for studies elsewhere. Carolyn Brady has gone to Gale Institute in Minneapolis, Minn. and Mary Ann Gibbons and Dean Gengle have enrolled at the University of Detroit. Joseph Gibbons will return to classes at the latter.

Gerald Kelser left last week to return to classes at the North Dakota School of Forestry; Jack Rader will leave shortly to return to his studies at Oliver College; Sandra Tuomela, Evelyn Peters, Kathy Gallagher, Gary Smith and Susan deCastro will depart this week for Michigan's Upper Peninsula and their studies at Northern Michigan University.

Returning to studies at Northwestern Michigan College in Traverse City will be Virginia Hamlin and Robert Bearss, and Wanda Rossell along with Elva Trimble who is transferring there from Central Michigan.

Diane Phelps will return to Delta College in the Tri-City area of Saginaw-Bay City and Midland; Lynette Mayne and Carl Mitchell will return to their third year studies at Ferris Institute; Judy Koteskey and Ann Martin will return to studies at North Central Illinois College. The latter spent the school year in a German University; Michael Gibbons will return to classes at Wayne State University.

If your student is not mentioned, won't you please call the Charlevoix Courier or LI 7-6633 with the information.

In addition to those students named earlier who were leaving to attend school elsewhere, Dagmar Brock had returned to studies at Western Michigan University; Maralene Chew has gone to Muskegon to continue her studies at the Muskegon Business College; Stuart VerWys has gone to Toledo where he plans to enroll in the National School of Meat Cutting; Cynthia Fairbanks has gone to Ypsilanti where she has enrolled at Eastern Michigan University; Edwin Belly, who attended a California College last year following his discharge from the U.S. Marines, has returned to Michigan to enroll at Ferris Institute; Thomas Swanson and James Sneathen who have been attending North Central Michigan College in Petoskey, will continue their studies at Michigan State University.

Community Chest Fund Aides Retarded Childrens Home

The Charlevoix Community Chest fund campaign was launched this week. In order that contributors may know how the funds solicited in behalf of 12 participating agencies are used, a series of articles relating to the activities of the various organizations have been published.

This week's article deals with the Charlevoix Association for Retarded Children which operates the Charlevoix Retarded Children's Center. The agency has requested $1,500 for the coming year, an increase from $950 last year.

Porposes of the organization is to promote the general welfare of mentally retarded persons, to foster the development of a program in their behalf, to advise and aid parents in the solution of their problems and to coordinate their efforts and activities, to improve public understanding of problems of mental retardation and to operate the center for 11 children in the Charlevoix area.

The organization has asked for $1,500 through Community Chest and has submitted reqoests for additional funds from Charlevoix county board of sopervisors which this year allocated $1,000 to the center and from the Antrim county board of supervisors.

The Association now has a Center located at East Garfield Ave. on which a $600 payment must be made each year, according to the budget submitted. Other expenses includes $500 for maintenance and repairs, $50 for equipment, $300 for hot lunch program, $37.50 for insurance, $350 for educational and handicraft supplies, $100 workshop expense, $200 for fuel, $80.00 telephone, $50 for janitor's salary, $1,750 for director's salary and $775 for salary of an assistant. The remainder is earmarked for several smaller items.

The budget for 1963 is $4,911.50 and the proposed budget for 1964 is $4,917.50.

The supplement monies from Community Chest and the board of directors will conduct a rummage sale at the former Wallace garage and 310th Ordnance Co. headquarters on Antrim-st. offered by the new owner, Gerald Olsen of Traverse City, for this use, early in October. The association also conducts other smaller fond raising projects such as the sale of handicraft made by the children, rummage sales and similar events. They also receive small contributions from area organizations earmarked for special equipment or for a special project.

Parents of children outside Charlevoix County also pay a small tuition.

At the center, the children learn to get along with others, to do a variety of household duties, according to their capabilities, and to care for their own personal needs.

THINKING OF A NEW FURNACE?

ASK THESE QUESTIONS BEFORE YOU BUY.

How long has the Furnace dealer been in the furnace business in this area? Is he a Fly-by-nighter here to make a fast buck?

Are his prices way below the reputable dealers in this area? Most quality products are priced in the same price range due to material costs, labor, shipping etc.

Does the dealer carry sufficient liability insurance in case there should be any damage to your home?

Does the furnace dealer stock replacement parts for the equipment he is selling you.

Will the dealer be in business here in the years to come to back up his guarantees?

YOU'LL GET A SATISFACTORY ANSWER TO EVERY ONE OF THESE QUESTIONS WHEN YOU CALL NOVOTNY HEATING AND PLUMBING. ESTIMATES AT NO OBLIGATION.

The couple and their children also visited relatives in Cheboygan before returning to their home.

Garden Club Receives Citations

The Charlevoix Garden Club received two citations at the fall meeting of District V of the Federated Garden clubs of Michigan held at the First Congregational church here Wednesday and hosted by the local club headed by Mrs. Harley Ochs.

The citations were for the club's work including conservation and bird study and for Mrs. Ted R. Miller's interest in conservation.

Mrs. Richard Umbach of Ludington, district director, presided at the meeting of which Mrs. Ochs welcomed the district and state members.

Mrs. Charles T. Campbell of Adrian, state president, was then introduced and spoke on the aims and accomplishments of the Federated Garden Clubs of Michigan.

Mrs. Robert Briggs of Jackson, who has a summer home at Elk Rapids and who is state committee chairman on conservation, spoke on what had been done in the field of conservation on a state level. Phamphlets on Michigan's elk herd were then passed.

Annual reports were presented by district club presidents outlining the work accomplished by their respective clubs during the year.

At the afternoon session, Mrs. Clarence McBride of Detroit, state chairman of the floral committee, presented an interesting lecture on flower arrangements.

At the luncheon held at the undereroft of Christ Episcopal church, Michigan federated officers and Mrs. Maud Hoffmaster of Traverse City, long an active member, were introduced.

A musical program with vocal selections by a group composed of Mrs. E. D. Hawley, Mrs. Alan Bevan, Mrs. Robert Tollas, Mrs. Wayne Beitel, Mrs. Wayne Woods, Mrs. Richard Worfel and Mrs. Lee Moerland was presented at the close of the morning session. Mrs. Charles Bellinger accompanied them and also Mrs. Moerland who sang three solos.

The district group accepted the invitation of Mrs. Lou Davis of Boyne City to meet in her city in 1964.

Members were present from Traverse City, Sault Ste. Marie, Rapid City, Petoskey, Onekama, Mesick, Manistee, Ludington, Lake City Elk Rapids, Boyne City and Charlevoix.

Charlevoix members were in charge of registration and the coffee hour which opened the district session.

Mrs. Chester Belfy has returned as playground supervisor at the elementary school where she is in charge of activities from 11:15 a.m. to 12:45 p.m. daily. However, next week she will be engaged in the vision testing program at East Jordan and faculty members will take over her duties.

* * *

Elementary students will keep abreast of current events with newspapers geared to the various age levels, Mr. Snider said.

The children in the first through the fifth grades have subscribed to the Weekly Reader and the sixth grade to the Young Citizen.

* * *

Starting this week all elementary students will be receiving the 'perfect' food, milk, at least once a day. Mr. Snider said that arrangements have been made for youngsters to receive 146 cartons of milk during the morning session and 286 during the afternoon hours. The milk is served to all students who want it though the sixth grade does not use very much.

MSU To Offer Course In Petoskey

Michigan State University will offer a course in Petoskey during the fall term it was announced this week by Dr. Milton J. Hagelberg, Director of the MSU Continuing Education Center in Traverse City.

Special Methods and Materials of Teaching Language Arts (ED 830A) will meet on Thursday evenings from 7-10 p.m., beginning September 19. This course offers 3 term hours of graduate or advanced undergraduate credit, and class sessions will be at North Central Michigan College. Mr. R. Edward Johnston, Elementary Supervisor for the Traverse City Public Schools and special extension lecturer for MSU, will be the instructor.

This course is designed to develop an understanding of the basic principles and techniques of effective instruction in language arts. Students will be expected to investigate research as it relates to the improvement of instruction in language arts.

Registration, including payment of fees, will be held at the first class session. Further information may be obtained by contacting the Dean's Office at North Central Michigan College, local school officials, or the MSU Center in Traverse City.

CHARLEVOIX

By LES JOHNSON, *Manager*

OUTGUESSING A GROUP OF YOUNGSTERS on their way to or from school requires special alertness, special skill, on the part of every driver. That's why Michigan Bell's safe driver training program gets extra emphasis right now. Actually, traffic safety education is a year-round program with us, required of every employee whose job includes driving a company car or truck. It's one of the most important ways in which we try to be good citizens and good neighbors.

IN A STEW about lots of errands to do—when you have to stay home and cook a meal, too? If so, you need a handy kitchen extension phone! With a kitchen phone you can order groceries, call a TV repairman, check up on the youngsters at a neighbor's house, ask if that dress in the ad comes in blue . . . and still keep your eye on what's cooking. Besides, an extension phone adds just the right spot of color to your kitchen wall. Costs just pennies a day, after a small, one-time installation charge. Call us now and order yours.

"FAST AND ACCURATE"—that's the motto of Michigan Bell's Long Distance Operators when they take down information concerning calls you place through them. They use an "electrographic pencil" that writes at the merest touch, glides swiftly in the next line. A specially designed card is used for recording the exact information for each call. Of course, in many areas, customers can dial most of their calls direct. But it's nice to know that your calls placed through the Operator, too, will go through swiftly and accurately.

Last Week With Class "C"

The sounds of leather booting the pigskin, the clipped calls of signals, and the resulting muffled thuds of padded players meeting on the fields of play were heard throughout the north country over the weekend as all eight teams of the Northern Michigan Class C league launched their 1963 football season against non-league opponents.

Charlevoix bowed to a heavier, more experienced Rogers City eleven by a score of 26-0; East Jordan rode over Kalkaska 32-0; Mancelona trimmed Benzie Central 34-7; Grayling edged Harrison 21-14; Petoskey downed Boyne City 26-6; Cheboygan rolled over Gayford 19-0; Harbor Springs rmmped over Petoskey St. Francis 35-0 and Pellston bowed to Cheboygan Catholic 13-6.

East Jordan 32 Kalkaska 0

Playing at East Jordan, the Red Devils displayed their talents by rolling over the visiting Kalkaska eleven. Early in the game, left halfback Fred Malpass blocked a punt on the 22 yard line and ran the ball to the one yard line where he was brought down. On the next play Jim Goebel went over on a quarterback sneak with Malpass booting the conversion point. Later in the period halfback Don Wilson went over from the one following a 74 yard drive.

The second period was scoreless as the half ended 13-0.

As the second half got underway Malpass scored from the four after a 68 yard drive; Wilson scored from 10 yards out and again in the final period on a 50 yard run with Malpass adding the conversion point with a kick.

Mancelona 34 Benzie Central 7

Mancelona's experienced backfield started off with a bang as quarterback Pat Dutcher scored on runs of three, 25 and 30 yards; halfback Bill Bushard romped 30 yards and halfback Barry Mocke went 40 yards.

Dutcher passed to end Dave Pruden for two conversion points and to Mocke for a third.

Benzie's lone touchdown came late in the game when Dave Little scored on a 25 yard pass play and then booted the point after touchdown.

Grayling 21 Harrison 14

These two teams played a scoreless first half before Grayling found its stride as halfback Jim Young scored on a 70 yard punt return. Quarterback Bill Joseph passed to end Curt Feldhauser for the conversion point.

Harrison, not to be outdone by the feat, scored on, exactly the same play as Jerry Riedel returned the kickoff 70 yards to score and then booted the conversion point.

As the final period got underway, Joseph pitched a 15 yard pass to halfback Gary Lucksted who then kicked the point after touchdown to make the score 14-7. On the second play following the kickoff, Lucksted scooped up a Harrison fumble and went 30 yards to score.

Harrison's final tally came late in the game when Mike Darling intercepted a Viking pass and went 30 yards for the TD. Riedel added the conversion point.

Petoskey 32 Boyne City 6

A 37 yard pass play from quarterback Bruce Lawson to end Tom Basanese in the second quarter gave the Boyne City Ramblers their lone touchdown play as they fell victim to the Petoskey Northmen.

The Boyne defense held early in the game but when the Northmen took to the air, it fell apart to a point where the visitors scored with ease. Midway in the first period the Northmen recovered a Rambler fumble on the 32 and, on the second play from scrimmage, capitalized on the break when quarterback Bert Wilde passed into the end zone to end Dan Bates. In the second period Wilde repeated the play, pitching the ball 35 yards to Jerry Peck with Dave Mathews booting the conversion point to make the score 13-0.

With four seconds remaining in the half, Wilde passed one yard over the line to Peck to make the halftime score 19-6.

As time ran out Boyne's John Braun seemed well on his way for a TD before he was brought down from behind after traveling 60 yards by Mike McAlvey.

The third period was scoreless but in the last period Vic McPhee scored from 11 yards out and Mathews converted.

Frank Trulson intercepted a Rambler pass on the 33 yard line to set up the final Petoskey touchdown scored by fullback Tom Hayner after the Northmen had worked the ball into the two yard line.

Cheboygan 19 Gaylord 0

A strong Cheboygan eleven, the strongest the Chiefs have fielded in years, rolled over Gaylord, paced by a speedy halfback, Larry Chiswell.

As the second period got underway, Chiswell, on a 94 yard punt return, the longest run ever made on a Gaylord gridiron, put the Chiefs ahead.

With 11:10 remaining in the third period Chiswell again scored, this time on a 70 yard run off tackle. He then ran the ball over for the extra point. With 6:19 remaining in the game, quarterback Jack Morrison pitched a 25 yard pass to right end Dick Clark who then rambled 35 yards to score.

Harbor Springs 35 Petoskey St. Francis 0

Harbor Springs' experienced backfield came through Saturday night to score five touchdowns including two each by George Lauer on short line plunge and runs of 30 yards each by Andy Skocylas and a 40 yard romp by Bernie Corpe. Jim Stradtner accounted for a safety and Lauer for three conversions as the Rams held the Petoskey outfit to a standstill.

Cheboygan 13 Pellston 6

The Pellston Hornets felt the loss of veteran quarterback Mike Thompson, who was benched as the result of a concussion received in an earlier scrimmage when they went against the Cheboygan outfit.

A 25 yard pass play accounted for the first Cheboygan touchdown as they ran the conversion point over.

Halfback Carlton Skilton broke loose for a 30 yard run and the Hornets' single tally of the game.

Fred Bucalos scored the second Cheboygan touchdown on a 40 yard romp.

The Hornets threatened several times, bucking their way to the two-yard line but lacked the punch to carry the ball into pay dirt.

This Week With Class "C"

The Northern Michigan Class C league will launch the race for the championship this week with all eight teams looking like strong contenders for the title now held by the Charlevoix Rayders.

Pellston will travel to Gaylord, Boyne City will invade Mancelona, East Jordan will host Grayling and Charlevoix will entertain Harbor Springs.

Pellston, probably one of the strongest contenders in the loop, will take on Gaylord, another veteran-studded team that could come through this season.

But Pellston has the experience and size and, unless the Blue Devils display more than they did against Cheboygan, the Hornets should move one step up the ladder to a championship it has long sought but never won.

Boyne City and Mancelona have been bitter rivals since they were forced to share the title a few years ago. At Mancelona, where Pat Dutcher, top scorer in the league last season, is in command of the situation in his quarterback position, the Ironmen are working on a passing attack which proved successful in their recent meeting with Kalkaska.

At Boyne City, Coach Paul Pfahler is trying to solve the mystery of what happened to his veteran line against Petoskey in an effort to halt the victory-minded Ironmen. Unless he can come up with something to contain the Mancelona backfield, the Ramblers may find themselves on the short end of the score.

East Jordan has been pointing for this season for three years and will be hard to stop for they are convinced they have a winning combination.

The Grayling Vikings, who have been on the very bottom of the heap for years, are convinced of the same thing so this could be a real battle of the veterans.

East Jordan, however, will have an edge in the meeting because of their depth.

THE IRONTON Scene

Charles R. Stokes

Mr. and Mrs. P. Allen Harris, jr., and son have left Ironton for their home in Philadelphia, Pa. Mrs. P. A. Harris sr., will remain in Ironton for some time yet and is always home to her many friends.

Attendance is up over last year at the Ironton Church it is reported by Ralph Price.

Mr. and Mrs. William Dajnowiez are visiting friends in Holland.

T. S. Wilson has returned to his home in Ohio.

Mr. and Mrs. Don Bennett are the happy parents of their first daughter. The new baby came in at 7 pounds 4 ounces, is as yet unnamed.

Carl Tempie is in the Little Traverse Hospital in Petoskey.

Mrs. Gilman Wilson of Central Lake, is visiting her mother, Mrs. Gertrude Colwell and her sister, Mrs. Peter Bennett.

Mr. and Mrs. Lee Sherwnod have closed their homes in Holy I unstand and returned to Arizona for the winter months.

Mr. and Mrs. Leon Ditzell have returned to Florida after spending a month in the Ironton area.

Mr and Mrs. Lyle Walker have finished installing new picture windows in the complete modernization of their home.

Word has it that Glenn Williams is planning a trip into Canada to do a little moose hunting again. Last year his 1500 lb. moose fed everyone of his friends. It looks like we'll have some again.

Mr. and Mrs. William Peck have returned from their four week jaunt of the U.S and Canada. Mr. Peck said catching salmon in Washington State and a Western Rodeo in Idaho were the high points of his trip.

Mrs. Robert Pearl returned from the hospital in Traverse City this week. Mrs. Pearl is the daughter of Mr. and Mrs. T. E. Goode of Ironton.

For many of those who have asked, "Yes the apples growing wild in and around Ironton are good to eat in sauce and pies."

The Charlevoix hospital has engaged a dietician, according to Miss Anne Baumgartner administrator of the hospital.

She is Mrs. Kenneth Tillotson of Walloon Lake (left) pictured here as she consults with Miss Baumgartner (center) and Mrs. Bertha Roberts, chief cook at the hospital, regarding the day's menu for the patients and staff.

Mrs. Tillotson, the former Dawn Grantham is a native of East Lansing. She was graduated from Michigan State University and served her dietetic internship at Christ Hospital in Cincinnati, Ohio. She was on the staff of Little Traverse Hospital prior to her marriage.

SAC Explains Big Booms

Supersonic training flights by Strategic Air Command B-58 Hustler Bombers will start Tuesday along a route from Adrian in southeastern Michigan to Bay Shore, according to a release from SAC headquarters at Offutt Air Force Base, Neb.

Radar bomb scoring equipment at the Air Force RBS site near Bay Shore will determine the accuracy of simulated bomb drops through the use of radio and radar signals.

Flights along the route may be scheduled almost daily through December but, normally, will not be scheduled between 10 p.m. and 7 a.m.

The bombers will fly at supersonic speeds up to Mach 2 (1,300 m.p.h.) at altitudes above 35,000 ft. They will fly in a straight line, 40 mile wide corridor and may travel in either direction.

Training corridors for SAC bombers are rotated periodically because realistic training benefits diminish when crews become familiar with landmarks, simulated target complexes and other identifying characteristics of a particular area.

One of the features of the B-58, the free world's fastest bomber, is its ability to sustain supersonic speeds over a substantial distance while approaching and leaving its target. This feature enhances crew survival and assures a higher probability of mission success despite strong enemy defensive measures normally expected over a target.

A useful supersonic bomber is of little value in combat if the crew cannot use its full capabilities because of inadequate prior training. Consequently, these aircraft must test fly at high speeds, creating sonic booms along routes. However, because of high altitudes, the booms are comparatively weak in strength. Although sometimes startling or distracting in their suddeness the booms will in no circumstances cause personal injury, according to Air Force officials.

Rayders Upset Harbor Rams In Opening Home Grid Game

The Charlevoix Rayders, coached by Don Carey, upset the favored Harbor Springs Rams by a score of 26-19 to successfully defend their title in the first league game of the season.

This week the Rayders will travel to East Jordan to take on the Red Devils who trounced the Grayling Vikings last week by a score of 14-0. The Jordanites have an experienced outfit with plenty of weight and speed. They pack an offensive punch spearheaded by Don Wilson who scored both TD's on long runs but they also have an outstanding defensive machine who held the Vikings scoreless through they threatened numerous times.

The Rayders, riding the crest after tripping up the Rams, proved to be a stronger team than first anticipated despite the fact that they were out-weighed and lacked a great deal of speed. But they showed plenty of spirit and this might be the thing that will bring them through this week's game.

The underdogs as they went against the highly-touted Rams Friday night, things looked black for the home team as the Rams recovered a Rayder fumble early in the game and, on the first play from scrimmage, scored from the Charlevoix 33 on a quarterback keep by George Lauer. Lauer then booted the conversion to give his team a 7-0 advantage with 8:14 remaining on the clock.

Rayder Rick Grunch (32), former lineman-turned-back, pictured here as he broke away for the touchdown that tied the score 19-19 late in the final period of the Rayder - Harbor Springs game Friday night. Larry Edwards' conversion kick put the Rayders ahead. Grunch scored again later in the period to wrap up the victory for the local eleven.

Charlevoix was forced to punt on the next series of play with Harbor taking the ball on their own 43. A series of running plays gave them two first downs to the Rayder 24 where Bernie Corp took off on an end sweep to put the Rams ahead 13-0 when the attempted kick for the conversion was blocked at 2:27.

But the Rayders were trying and after taking the kickoff and returning it to the Harbor 39, Dave Smith picked up a yard, Rick Grunch then got off a pass to End Bruce Kroken who broke into Ram territory to the 48 for a first down. Smith hucked the line to the 26 for another first down before Jack Stockwell romped the distance to score. Larry Edwards converted to cut the Harbor lead to 13-7. Charlevoix kicked off to Harbor who ran one play before the quarter ended.

Exchanges of punts as both defensive units tightened up resulted in a scoreless second quarter as the half ended 13-7.

Charlevoix kicked off to the visitors as the second half got underway. The Rams took the ball on their 34 yard line and started a march which carried them to the Charlevoix 28 before they fumbled and the Rayders recovered on the 42 yard line. The Rayders attack seemed to bog down and, after three tries, they were forced to punt on fourth down with the ball going out of bounds on the Harbor 42 yard line.

Three plays moved the ball to midfield where the Rams fumbled and Charlevoix recovered on their own 36 yard line. On the first play from scrimmage, Del Terrill pitched a 15 yard pass taken on the Harbor 49 by Stockwell who then outran the opposition to put Charlevoix back in the game. Edwards' conversion kick was wide and the score remained 13-13 with 2:17 remaining in the period.

The period ended with the Rayders in possession of the ball on the Charlevoix 46 after taking a Harbor punt.

On the first play of the final period, Grunch broke away to score but the touchdown was nullified by an offside by Charlevoix. After three more tries the Rayders were forced to punt and the Rams took over on the 29 where they started a march which carried them to the Rayder seven on five plays. With 7:31 remaining Lauer broke away for the scoring play. The kick for the conversion point was wide as the Rams went ahead 19-13.

Charlevoix took the kickoff but failed to pick up necessary yardage and were forced to punt. Two plays later the scrappy Rayders defense jarred the Rams loose from the ball with Larry Messmore recovering for the Rayders on the Harbor 28 yard line. A pass from Terrill to Brendan LaBlance moved the ball to the four yard line from where Grunch went over to score on the next play. Larry Edwards' conversion kick was good and Charlevoix went ahead for the first time in the game with the clock at 4:03.

The Rams, trailing for the first time, took the Rayders kickoff and, in desperation, tried to pass only to be set back to the 12 yard line when an inspired Rayder defensive squad, determined to defend their slim lead, jarred the Rams loose from the ball, recovered the fumble on the three and, on the second play from scrimmage, sent Grunch in to wrap up the game. Edwards' kick was good but a penalty nullified it and on the second try it was wide but with only 1:13 remaining, it really didn't matter.

In an attempt to get back in the in an attempt to get back in the game, the Rams took to the air, but their attack bogged down and Charlevoix took over on downs at mid-field at the final gun.

Starting for Charlevoix were Smith, Grunch, Terrill and Stockwell in the backfield. Ends Kroken and LaBlance. Tackles, Richard Getz and Ben Cunningham. Guards John Ochs and Lewis Poole and Center Dave Novotny.

Did he or didn't he . . . reach from the sidelines to grab the ankle of a Rayder defense man, Dave Smith (20) as he neared the Rams' passer? Of course he didn't but if one were to believe this photograph . . . . Well!

A Harbor Springs Ram admires the progress of runback Jack Stockwell (44) in this picture but later on in the game he put the Rayders back in the running after Harbor Springs had taken a two touchdown lead. Stockwell shared scoring honors with Rick Grunch as the fired-up Rayders, underdogs as they went into the game, defeated Harbor 26-19.

John F. Ochs Earns Recognition as Scholar

John F. Ochs, 17, Charlevoix high school senior, has been named a Semi-finalist in the 1963-64 Merit Scholarship competition, Supt. Rex E. Milligan.

This is the first time a Charlevoix high school student has been accorded this honor. H. E. Bingham, high school principal and William Ratigan, guidance counselor, announced. This is the only one in the immediate area to receive this citation for high achievement which puts him among 13,000 senior throughout the country who attained semi-finalist status and thus becomes candidates for four-year Merit Scholarship, to the college of their choice. Designed to cover the undergraduate college years, the scholarship is tailored to the recipient's need. Awards may reach a maximum of $6,000 for the four years. For students who already possess financial resources, the awards are $400 for the four years. Stipends now average $850 a year.

The son of Mr. and Mrs. C. Franklyn Ochs and a varsity football player, he became a semi-finalist through his outstanding performance in the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 16,500 high schools last March.

A native of this community where he was born Dec. 1 1945, John has followed a college preparatory program. Though he is a strong contender for class scholastic honors, he is active in all school affairs. He is a regular guard on the football team, a member of the National Honor Society, a candidate for the national award for Excellence in English, plays clarinet in the high school bands goes out for track, was stage manager for the Junior Class play and is a member of the Ski club, Spanish club and Varsity club.

Both his father and his grandfather, Harley J. Ochs are pharmacists and at the present time John plans to continue the family tradition in this profession. The higher institution of his choice is Grand Rapids Jr. College, which both his father and grandfather attended. After earning his degree in pharmacy, a five year program, he thinks he might transfer to a university and work toward a master's degree in research.

Semi-finalists must now substantiate their qualifying test performances on a second examination, be endorsed by their respective schools and fulfill certain routine requirements to become finalists. All Merit Scholars are selected from the finalist group. In past years, 97 per cent of the semi-finalists have become finalists. All finalist receive a Certificate of Merit in recognition of their outstanding performance in the program. As finalists, the students will be eligible for scholarship awards financed by NMSC and some 175 business corporations, foundations, colleges, unions, trusts, professional associations and individuals.

In the last phase of the competition, the high school grades, creative accomplishments, leadership qualities, extracurricular activities and school citizenship of the candidates are evaluated along with their scores on the tests.

The names of the Merit Scholars will be announced about Apr. 23, 1963. The exact number will depend on the extent of sponsor support of the Merit program. This year NMSC and sponsors together awarded approximately 1,500 Merit Scholarships. The Merit Scholarship is a form of "educational insurance" for the student who receives it, because the amount of the stipend will be increased at any time if there is a significant change in college costs or in his family's financial situation.

Finalists designate the college they wish to attend the course of study they plan to pursue. The colleges chosen by the Merit Scholars in most instances receive supplementary grants.

NMSC and sponsors have thus far contributed about $17 million in direct financial assistance to Merit Scholars and their colleges. This amount is exclusive of obligations to the 4,000 Merit Scholars now in College.

The Merit Program was established in 1955 with grants from the Ford Foundation and Carnegie Corporation of New York. In 1962, the Ford Foundation announced an additional grant to continue the program through 1970.

Poem Written For Native Prior To Passing

Mrs. A. Nat Burney, 70, in residence for 40 years at 1344 Lakepointe Ave., Grosse Pointe Park, Michigan died at her home September 17th, after a long illness.

Born in Charlevoix January 16, 1893, the former Lelah J. Shrier was married to Mr. A. Nat Burney of East Jordan, January 1, 1920. Before marriage she had lived with her mother, Mrs. Julia Shrier at 104 Robinson and had been employed for many years by the local Telephone Company as a Long Distance Operator. Out of sentiment she had always retained ownership of her Mother's home, and visited this much loved community frequently.

She is survived by her husband. They had no children but her unusual capacity for making friends and being helpful, resulted in countless people of Detroit always affectionately referring to her as their Grandma or Aunt Burney. This capacity for love, prompted this original poem by Mrs. Pearl (Durance) LaRue:

A Treasure has been added
To the loved ones in Heaven above,
And I know that they will welcome her—
This treasure we dearly love.
We're going to miss her so very much
No one can take her place.
We'll miss her love and tender ways,
We'll miss her smiling face.
And if we would do unto others
As she has always done,
We too will have the Glory
And know our victory is won.
Her memory will always linger
Within our hearts to stay,
And if we follow the Golden Rule
We will see her again some day.

Services were held at Verheyden Funeral Home in Grosse Pointe Park, September 19th, at 8:00 P.M. by clergyman, Rev. Andrew F. Rauth.

Funeral services were held at Winchester Funeral Home in Charlevoix, September 21st at 1:30 P. M. Clergyman, Rev. Raymond McBratnie, officiated. Interment at Brookside Cemetery.

Services Held Saturday For Mrs. J. P. Maloney

Mrs. John P. (Elizabeth) Maloney, 82, the daughter of a pioneer Charlevoix county family, was buried at St. Mary's Cemetery Saturday, Sept. 21.

Mrs. Maloney died Wednesday, Sept. 18, in Lombard, Ill., where she has been living with her daughter for nine years, since leaving Charlevoix.

She was born May 24, 1881 in Charlevoix County to Mr. and Mrs. James Barrett, one of the area's earliest families. She was preceeded in death by her husband, John, a former Beaver Island school teacher and native of the island. Her four sisters and brother also preceeded her in death and are buried here.

Attending the funeral were her children: Mrs. Agnes Smith of Lombard, Ill., Mrs. Marinn Madiol of Lombard, Mrs. Elizabeth Stephens of Lombard, and son, John B. Maloney of Elmhurst, Ill.

Others attending from out of town were her nephews Carl J. Gordon of Chicago, and Patrick, Anthony and Edgar O'Donnell of Detroit.

Funeral arrangements were handled by the Brust Funeral Home of Lombard. Mass was held at Sacred Heart Church in Lombard.

Retarded Center To Operate Four Day Week

The Charlevoix Retarded Children's Center will be operated four days per week instead of three days as in the past, beginning this week, it was announced following a meeting of the organization, the Charlevoix Retarded Children's Association Inc., at the center.

It was also decided to begin operation of a modified sheltered workshop program at which those capable will make small items for sale in the community.

A committee was named to investigate the possibility of expanding the sheltered workshop program.

The purchase of three dozen chairs for use at the center was approved. Funds given to the center by the 1963 graduating class of the Charlevoix high school is to be used to underwrite the cost.

Plans for the rummage sale to be held at the Olsen building on Antrim st., the former Wallace garage, Oct. 3, 4 and 5 were completed and a schedule of workers announced. Mrs. Robert Bergmann director of the center, said the response for items for the sale had been excellent and that many worth while articles will be offered for sale at that time.

Mr. and Mrs. Edwin Medsker served refreshments at the close of the business session to the 18 members present.

Grange to View Luebke Pictures

The Barnard Grange will sponsor a booster night program at the Grange hall at 8:30 p.m. Friday.

John Luebke, Grange Deputy who recently visited Paskistao as a Granga representative for "Farmers and World Affairs Inc." will present pictures taken on the trip and speak of his impressions and experiences. He also will exhibit articles of interest which he brought back with him.

Grange members and persons interested in the organization are invited to attend the program. There will be a door prize and potluck lunch furnished by members following the program, according to Mrs. Charles Dhaseleer, program chairman.

Betrothed

The betrothal of Maurean Dorothy Brennan to Thomas G. LaBlance has been announced by the bride-elect's parents, Mr. and Mrs. Vincent J. Brennan of Elmhurst, Ill.

Mr. and Mrs. George A. LaBlance are the parents of the prospective bridegroom.

The wedding will be an event of January 18 at Visitation Catholic Church in Elmhurst.

Miss Brennan is a graduate of Immaculate Conception high school in Elmhurst and St. Anne's School of Nursing in Chicago and is employed as a registered nurse at the same hospital. Mr. LaBlance, a graduate of the Charlevoix high school and Northern Michigan University is employed at John E. Irland and Co., Lloyd's of London Agents in Chicago.

Betrothed

ST. JAMES, B. I. — Mr. and Mrs. Glenn Taylor of Grand Rapids have announced the engagement of their daughter, Kay Ellen, to Larry Wayne McDonough.

The prospective bridegroom is the son of Captain and Mrs. Lawrence McDonough.

A spring wedding is planned by the couple.

Miss Taylor is a graduate of the Grand Rapids Junior College Division of Practical Nursing at Butterworth Hospital where she is presently employed. Mr. McDonough is a graduate of Northwestern Michigan College in Troverse City and is employed at Bissell, Inc., in Grand Rapids.

Mrs. F. Noble Returns From Trip

Mrs. Frank Noble, who came to this country from Norway in 1930, returned recently from a pilgrimage to her homeland.

She made the trip with her cousins, Mr. and Mrs. Arne Larson and family of Detroit. The party departed via plane June 14 enroute to Larvak, Norway, where she spent the summer.

Mrs. Noble, whose father was Norwegian and whose mother was English, was born in England and, at the age of one year, was taken to Norway where she was reared. When she was nine years old, her father died and her mother returned to England, taking with her the three younger children and leaving Mrs. Noble and her older brother with aunts in Norway who reared them.

Mrs. Noble came to this country 33 years ago. In 1947, she returned to Norway for a visit and was disheartened by the conditions that existed there immediately following World War II. However, conditions are much improved, she said. The country is prosperous and there is plenty of employment. Many more people now drive cars which are of the compact type because of the narrow streets and roads.

New Rectory At Holy Cross Church

ST. JAMES — Construction of the new rectory at Holy Cross church was started recently and is scheduled for completion late this fall.

The one-story frame structure with a full basement is being constructed on a site overlooking St. James harbor between the church and the Medical Center. The first floor will have seven rooms.

A feature of the building will be a winter chapel where daily services will be held during the colder months.

The Rev. Fr. Louis Wren O.F.M. (Conv.) officiated at the ground-breaking ceremony.

Richard Stromberg of Geneva, Ill., is the architect. Walter Wojan, local contractor, will construct the building.

The new rectory will replace the one located south of the village adjacent to the former site of the church which was moved to its present location several years ago.

This Week With Class "C"

As the Northern Michigan Class C league goes into its second week, interest will be focused on the games between last week's winners. These games will feature Charlevoix playing at East Jordan and Gaylord at Boyne City.

In other games, Mancelona will travel to Pellston for an afternoon meeting scheduled at 2 p.m. and Harbor Springs will host Grayling.

The Gaylord-Boyne City clash promises to be a tough one with the Blue Devils probably using their passing attack to advantage as they did against Pellston. Chances are they will skirt the solid Rambler line, using either and aerial attack or speedsters such as Bill Borst or Gary Harris to advantage.

Boyne City can be expected to have an answer to the former with a good pass defense, but Coach Paul Pfahler will have to dig deep to come up with some speed to stop these backs.

On paper, Gaylord has the edge unpredictable and could come through with a win as they did against Mancelonn.

Riddled with injuries, the Pellston Hornets have lost much of their sting and, unless they get a break, will not be the powerhouse as anticipated. Their 200 pound guard, Jim Carter, is lost for the season after receiving a fractured arm in the Gaylord game; Carl Skilton will miss this week's game while recovering from a ruptured blood vessel; Denny Groulx has a pulled ligament and Ron Zulsky a knee injury which will show up or bench most of the Hornet backfield.

Mancelona, on the other hand, will be hard to stop after losing by a one-point margin last week.

The Ironmen will be favored but Pellston is not to be underrated despite their injuries.

Harbor Springs and Gaylord will be bouncing back this week after losing their openers and should be tough.

Both have experienced players, both have weight and speed so this game could be a toss-up. However, the Rams will have a slim edge merely because of past performances.

Last Week With Class "C"

Upsets were the rule rather than the exception in the Northern Michigan Class C league last week as Charlevoix halted the Harbor Springs Rams 26-19; Gaylord dumped Pellston 27-6; Boyne City edged Mancelonn 14-13 and East Jordan shut out Grayling 14-0.

Gaylord 27 Pellston 6

The big experienced Pellston eleven was expected to have little trouble with the Gaylord Blue Devils, who, while experienced, did not have the size of the Hornets. But injuries were on the side of the Blue Devils as regular fullback 200 pond Dennis Groulx was benched with a pulled ligament; Carlton Skilton sidelined with a ruptured blood vessel in his leg early in the game; 210 pound right guard Jim Carter was taken to the hospital early in the game for treatment of a fractured lower left arm and Ron Zulsky sent to the bench with a knee injury. Skilton and Carter will be lost for the season, according to Coach Tom St. Germoin.

Gaylord, taking advantage of Pellston's backfield weakness, took to the air to score in each quarter with substitute quarterback Mike Warner doing the pitching. In the first quarter the Blue Devils scored on a 17 yard pass play from Warner to Gary Harris; in the second it was a 25 yard pass play from Warner to Bill Borst with the half ending 14-0 after Jim Johnson had booted the conversion points.

In the third quarter Warner passed to End Ron Snell who lateraled to Borst who went the distance on the 30 yard play. Again Johnson converted. In the final period, it was a 24 yard pass play from Warner to Borst but this time Johnson's kick was wide as the score stood at 27-0.

With 24 seconds remaining on the clock, Mike Thompson managed a pass to Bob Shier who romped 40 yards for the Hornets' only tally.

Boyne City 14 Mancelona 13

Playing at Mancelona, the Ironmen-Rambler game turned into a pitched battle as both teams gave their all for the game.

A conversion point by John Braun made the difference in the meeting in which second string halfback Dan Cortez plunged over from four yards out for the first Boyne City touchdown as Braun bucked the line for the conversion point.

Mancelona's Pat Dutcher went six yards on an end sweep to put his team back in the game. He then passed to End Dave Pruden to tie the score 7-7 at halftime.

A 20 yard pass play from Dutcher to Pruden put the Ironmen ahead 13-7 in the third period and when the attempted pass for the extra point went awry the score remained at 13-7.

As the clock ticked off the seconds a determined Rambler eleven inched their way to the four yard line from where Don Guzniczak plunged over to tie the the score Braun scored the winning conversion point on a pitchout.

East Jordan 14 Grayling 0

East Jordan scored two quick touchdowns early in the game against a strong, scrappy Grayling outfit and spent the remainder of the game defending their precious lead.

Early in the game Don Wilson went 30 yards off tackle into pay dirt with Fred Malpass scoring the conversion on a kick.

Wilson repeated the trip this time up the middle, later in the period and again Malpass' kick was good as the score stood at 14-0.

The Vikings finally found themselves and used their experience and size to contain the Red Devils but never had the punch to make their way over the goal line though they did pierce the Jordanites defense to the 15 yard line several times. In fact, in the second half the Vikings outplayed their hosts.

The Charlevoix Public School is a member of the North Central Association of Colleges and Secondary Schools, College Agreement, and is approved by the Department of Public Instruction of the State of Michigan for the collection of tuition.

The citizens of the Charlevoix School District have provided excellent school buildings.

There is an evergrowing need for improving education, and Charlevoix, along with schools everywhere, must continue to provide more and better teaching aids and materials, and to expand and improve its curriculum.

The valuation of Charlevoix School District has increased from $16,624,365.00 in 1962 to $20,657,208.00 in 1963. The increase in revenue resulting from this increased valuation should aid the school district in eliminating the present deficit of $53,482.12 in the operating fund, and provide funds for an improved curriculum. The continued interest and co-operational program, and I am looking forward to working with you tion of every citizen is necessary in promoting a good educain helping to provide the best educational opportunities possible for our area.

BEER IS A NATURAL

Brewed slowly, by a centuries-old natural process, beer is Michigan's traditional beverage of moderation—light, sparkling, delicious.

And naturally, the Brewing Industry is proud of the millions of dollars it contributes to this state's economy through wages, advertising, rentals, insurance, transportation and utilities. Money made in Michigan, spent in Michigan. In Michigan, beer belongs, enjoy it.

Council Announces Color Tour Maps

Motorists planning to take in Michigan's dramatic fall color show which is getting underway will find a new Michigan Tourist Council publication available to assist them.

Publication of a folder "Michigan Autumn Tour Gujde," has been announced by Council Director William T. McCraw. The new folder is now in production nnd is expected to be available by mid-September.

"The increasing interest in fall vacations emphasized the need for a publication dealing with one of our most popular autumn activities," said McGraw. "With this folder the fall vacationer can plan a trip to some of Michigan's major attractions and include some of the most beautiful fall foliage in the state."

The new folder is similar in format to the ski maps produced by the Council in recent years. It contains 24 map insets depicting representative color tours throughout the state and includes information on specific points of interest.

"By using the new guide and local and regional information the growing number of post-Labor Day vacationers and weekend travelers will find that there is much to see and do at this time of year in Michigan," McGraw said.

Copies of the new color tour guide are available free of charge from the Michigan Tourist Council, Lansing 26, Michigan.

Late Report

Elmer Lyons, long time resident of this community, passed away Friday in Grand Rapids. The family has the sympathy of all neighbors and friends.

Mrs. Fred Jolliffe and small daughter, Anna Marie left Sunday for Grand Rapids after visiting the past two weeks with her mother, Mrs. Bertha Roberts and sister Arlyle Roberts. Mr. Jolliffe and her brother, Jack Roberts, came for them and spent the weekend here.

Herbert Cummings and Michael Bost have enlisted in the United States Air Force. They left Tuesday for Detroit.

Betty and Shirley Stoel left Sunday to enroll in Central Michigan University, Mt. Pleasant. Their mother, Mrs. Arthur Stoel took them and returned home Sunday evening.

The Barnard Home extension group will meet Monday with Mrs. Ray Cunningham. The lesson will be "Deserving Desserts" and will be given by Mrs. John Kloster.

Mr. and Mrs. Joseph Stutzman visited their daughter, Janice, at Allegan on Sunday. On Monday they attended the funeral of Elmer Lyons in Grand Rapids.

Donna Kerth of Charlevoix was a weekend guest of Judy Warner.

The Barnard Methodist church is planning a family night for Saturday. The event will be held at the church at 8 p.m. A pot-luck lunch will be served.

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Deleotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

JUST ABOUT everyone occasionally likes to throw the bull about matters of no importance. A few poor souls are so devoted to this sport they become weekly newspaper editors.

They are driven to this vocation by the most fundamental instinct - self preservation.

Henry D. Thoreau managed to do little more in life than engage his fellow townsmen in idle conversation, and fill a few "journals" with the results. Thoreau was a great philosopher, perhaps the greatest. However, he was usually on the verge of hunger.

A practical person, who is inclined toward this impractical pastime, has little recourse except to learn the weekly newspaper editing business.

For, who else, but a small town weekly editor, gets paid for leisurely listening and talkng to people about the homey, down-to-earth things that make life meaningful?

Which, in a roundabout way, tells you what this "Rambling" is all about, and why it's taking up space in your Charlevoix Courier.

For the past several years the fellow who types this has been sitting at a desk in the office of a weekly newspaper chain about 20 miles from Detroit (Belleville). The area is hastily being taken over by migrating "important" people from the big city.

"Important" people seldom see the value of pointless conversation and little things. Though they haven't slowed down long enough to know what's going on around them, they darn well figure to change it. Nuts!

When the Charlevoix Courier offered the chance to ramble on its pages, a hasty conference with Mrs. Shep brought gleeful approval. (She figured it would be easier to keep her truant spouse at home if there was a trout stream almost within spitting distance).

The Belleville publisher, who recalls earlier days when newspapering was a friendly affair, before the metropolis swallowed all of Wayne County, almost admitted he envied us the chance to return to grass roots journalism.

In addition to small talk, a weekly editor must try to produce a newspaper that is a friendly, constructive, welcome and needed part of your home. A paper that is alert,

CHAIRMEN REPORT — Charlevoix Community Chest Chairmen give their weekly report at this week's luncheon meeting in the Weathervane Inn. From left to right around the table are Frank Bourgoin, retail business chairman; Robert Biggs, industrial chairman; Don Anders, professional chairman and Community Chest president; Mrs. Charles Duerr, executive secretary; Mrs. Donald DeMoor, residential chairman and John Lachman, campaign chairman.

THREE DAYS LEFT TO REACH GOAL

Chest Drive Races Time

It's this week or never for the Charlevoix Community Chest Drive.

Community Chest volunteers are racing against thoir deadline with less than 40-percent of the campaign goal unfilled, Mrs. Charles Duerr, executive secretary reports.

* * *

JOHN LACHMAN, campaign chairman, pointed out $4,296 remained to be raised when division chairman made their weekly report at the Weathervane Inn Monday.

The campaign is aiming at an Oct. 5 deadline. By that time volunteers hope to have raised $11,511.

At the Monday meeting it was reported that volunteers still have a number of calls to make before everyone will have been asked to contribute. A total of $7,114.11 had been contributed as of Monday.

This represented 61.8 percent of the total goal.

* * *

LACHMAN ASKED residents to be prepared with their contributions, or pledges, when volunteers call.

"If every call is made, and everyone gives his fair share, the needs of 47 local, state and national agencies can be met effectively and economically by this one united campaign," Mrs. Duerr stated.

At Monday's meeting committee chairman reported the following collections: Special Gifts, $2,975; Summer Business, $191; Retail Business, $1,142; Industrial, $1,508; Professional, $684; Residential, $365; Rural Areas, $248.

* * *

MRS. DUERR outlined the following advantages of giving to the Community Chest:

- Out of every $100, some agencies receive as little as 3%, yet their needs are met by this small gift because everyone gives.
- Out of every $100, $95.45 goes directly to local and state agencies where it will be used for services to this community.
- Out of every $100, only $4.55 is used for campaign and administrative cost. Fund-raising costs for independent campaigns runs as high as 50% and seldom less than 10%.
- **COMMUNITY** Chest contributions are deductible from your income tax.

A detailed breakdown of the percent of total collections each agency receives from the Charlevoix Community Chest was released:

City and County Agencies, $2,897:

Charlevoix Community Nurse, 13.11; Community Nurse — General Fund, 1.99; Crooked Tree Council Girl Scouts, 12.83; Charlevoix Retarded Children's Center, 11.91; Scenic Trails Council—Boy Scout, 11.71; American Red Cross, 7.56; Charlevoix Hospital, 7.96; Charlevoix City Recreation Program, 6.37; Mt. Coleman Memorial Planned

Community Rallies to Remember 'Irish'

The memory of the dean of northern Michigan coaches and beloved Charlevoix high school teacher, Stewart E. "Irish" Coleman, 62, who died suddenly at his home Sunday evening, will be perpetuated in memorials being planned by two local groups.

One will be an athletic award, to be known as the "Coleman Award," being established by the Charlevoix Lions Club. Dean Davenport, who heads this committee for the club, said the plan is to present an annual award to an outstanding trackman and to place his name on a plaque at the school.

* * *

THE OTHER is a memorial in which the public can participate. Initial plans call for it to include a plaque at the field where teams coached by this master of the cinder track and sand pit earned 22 league titles during the 28 years he was track and field coach, to improve these facilities and to place in the lobby of the new gymnasium a case to display trophies won by all Charlevoix high school athletic teams through the years. This, too, would bear a memorial plaque.

Mr. Coleman joined the faculty of the Charlevoix high school as an English teacher in 1926, after teaching one year at Lexington. He was the oldest teacher in years of service until he retired in July of this year because of ill health.

In addition to track coaching, Coleman was a station; football and basketball coach and a member of the high school athletic council. He also introduced several generations of the youngsters to Basketball through the Coleman Cats.

Stewart Coleman

He made track part of the athletic program in the late 1920's and was instrumental in the organization of the eight-school Northern Michigan Class C league. He also planned and built the cinder track at Kipke field. Under his guidance, Charlevoix teams set numerous league, regional and state records.

* * *

IN THE community he served as secretary-manager of the Charlevoix Chamber of Commerce and, more recently as harbor master.

A native of Renova, Pa., where he was born Aug. 14, 1901, he worked in the coal fields following graduation to earn funds to finance his education.

He entered Michigan State Normal College (Eastern Michigan University) in 1923 and later received his degree and did graduate work at Allegheny College and Penn State.

He was past master of the Charlevoix lodge No. 282, F. & A.M., and was a member of the DeWitt Clinton Consistory and the Saladin Temple Shrine of Grand Rapids.

* * *

HE IS survived by his wife, the former Marjorie J. Carey, whom he married in 1940; two sons, Charles and Stewart E. Jr., at home; two daughters, Martha, at home and Mrs. S. Terry (Sara) Rice of Grand Rapids, and two grandchildren.

Funeral services were held Wednesday at the Winchester Funeral Home with the Rev. Dudley H. Burr of Emmanuel Episcopal

State Will Relocate M-66 In '66

Plans to reroute M-66 from Wickersham Rd. to the business district, so several curves and sharp turns are eliminated, were outlined to City Councilmen recently.

Ronald Roberts of the State Highway Dept., told councilmen the project will begin in January, 1966. Purchase of right-of-way will begin in 1965. Total cost is set at $416,000.

Tentatively, Roberts stated, the relocation will begin at the former Catholic cemetery, where M-66 curves north past the American Motel plant.

At this point the new road will go northwest, across the C & O railroad tracks, to Stover Creek south of the cemetery. It will then cross between St. Mary's and Brookside cemeteries, approximately 200 feet east of the chapel and over Stover Rd., the west side of the Golf driving range and Jerry's Gulf Service, to U.S. 31, east of the U.S.-31 State St. intersection.

This route will avoid the traffic congestion in the Charlevoix High School area, Roberts declared.

Parker Seiler Describes Hike To Alaska at Kiwanis Meeting

Parker Seiler of East Jordan, widely known traveler, told the Charlevoix Kiwanians and guests of his hiking trip to Alaska last summer over the Alcan Highway, at the club's dinner meeting this week.

Mr. Seiler organized a group to hike from the U. S. - Canadian border to Fairbanks, Alaska. He photographed and took movies of the trip which he plans to use in a travelogue series he is working on. He was introduced by Ralph S. Hamilton, program chairman.

GUESTS AT the club meeting were members of the faculty of Charlevoix schools. Rex E. Milligan, who came here July 1 from Sandusky to serve

DEAN DAVENPORT

Chamber Secretary Calls for Support

Dean R. Davenport wasted no time spelling out his objectives when he took over the Secretary-Manager's office of the Charlevoix Chamber of Commerce this week.

Dean Davenport

Perhaps his first official act was to write a letter to the "Citizens of Charlevoix" that could be considered a statement of philosophy."

* * *

The letter was sent to the Charlevoix Courier so it can be read by all residents. It follows:

"First of all, may I take this opportunity through this media, to express my sincere appreciation for all of the many congratulatory messages received regarding my appointment as your Secretary-Manager of the Charlevoix Chamber of Commerce.

"It is most gratifying to have so many people believe that we can do the job. My primary concern then will be to work for you and and make every effort to make Charlevoix a better place in which to live.

This however, does not mean we have any magic formula that will suddenly transform Our Town into Utopia. Nevertheless, I believe there are certain little things each and every one of us can do that will bring us a little closer to such a realization.

* * *

"It is so often said, and so many times overlooked, "It's the little things that count." In order to stimulate a Community effort we must be capable of helping one another. Emerson said, "The only way to have a friend is to be one." There are times in the lives of

Plenty of Grouse, Few Hits

Heavy Cover Blocks View

Grouse hunting season opened on a bloodless note Tuesday, according to Conservation Officer Harley Burris, Boyne City.

Late Tuesday afternoon Burris related he had not seen a single hunter with more than one bird.

* * *

"THEY'RE HEARING a lot of birds, but due to the heavy cover aren't seeing them," Burris told the Courier.

He predicted the leaves are ready to fall. "If they get wet, under a good wind, they will drop," he said.

And, if they do, Burris declared he expects this will be a banner year for Charlevoix County hunters. There are at least as many birds as last year, when the season was almost over before the heavy cover left, he pointed out.

He also anticipates some "terrific" woodcock shooting when the flights come down.

* * *

BURRIS REPORTED he saw few hunters during his opening day trips throughout the county.

He said none of the few local archers who were out for deer on opening day of the bow and arrow season got their venison, as far as he knows.

Duck hunting, which opens Saturday, Oct. 5, will, as usual, be scanty, Burris speculated.

Turtle Born As Wide-Eyed Kids Watch

It will never happen again, but sixth graders in Larrie Tuomela's class at Charlevoix Elementary School watched a turtle hatch last week.

The children hadn't expected to witness one of nature's marvels. They were content with carefully examining the turtle eggs brought to school by classmate Harold Svaboda.

* * *

BUT, AS some 30 wide-eyed youngsters looked on, a baby turtle broke through the egg shell into the world.

The eggs were about an inch around, resembling ping-pong balls and grayish-white.

County Board Drafts 2 Men

Two Charlevoix county men to be called for induction into the armed services to fill the October draft quota have been announced following a meeting of the draft board.

They are Raymond W. Guzmizak of Boyne City and Gerald N. LaFremiere of St. James.

Three other registrants, Larry D. Webb of Vanderbilt, Lauren E. Donaldson of Ellsworth and Stewart J. Smith of Charlevoix RR3 left Tuesday for pre-induction physical examinations in Detroit.

Office Closed

The local branch of the Secretary of State office, located at 402 Park ave., will be closed from Oct. 7 through Oct. 12, George A. LaBlance, branch manager, has announced.

Mr. LaBlance said that the 1964 license plates will go on sale Nov. 1.

BALANCED BUDGET

Schools to Get Less Aid

Charlevoix Public Schools will get $9,609 less in State Aid this year due to an increase in local tax income, Supt. Rex Milligan announced Tuesday.

According to Milligan, the school district will get approximately $147,870 in State Aid for 1963-64. In 1962-63 it received $157,654.

* * *

STATE AID, he explained, is based on the number of pupils and the district's "ability to" pay its own way. Due to the increased valuation at the Consumers Power Co. atomic energy plant, the district is considered to need less state help, he declared.

The school district anticipates operating on a "balanced" $411,945 budget this school year, Milligan told the Courier. Of this approximately $217,823 will come from local sources, most of it from property taxes.

The district expects to levy 10.4 mills for operation, and 3.5 for debt retirement, the superintendent explained.

There will be no deficit spending in 1963-64, he stated. It is hoped that $10,000 of the reported $53,482 operating deficit accumulated in past years will be erased this year, Milligan declared.

* * *

A REVISED budget will be presented to the Board of Education in the next few weeks, he announced. The present budget of $411,945 was prepared last spring.

An "official membership day" count of students last Friday shows 1,092 in the public schools, and

Support Plan To Divert $$ To State Police

Howls of injustice and anger that greeted Gov. Romney's proposal that highway funds be used to help operate the State Police should be weight in full view, and with less emotion.

Because the new contitution gives the Legislature flexibility in handling funds that were formerly earmarked for highway construction and maintenance, Gov. Romney's idea has a chunge of seeing daylight.

* * *

Rigid earmarking of funds has caused Michigan national notoriety in recent years. While some earmagked funds have sat idle or overflowing, other divisions of state government went bankrupt.

Not even the most naive businessman would consider such foolishness.

And, it isn't that we're against new highways. They are of vital importance to Charlevoix County's economy, and the safety of our people who drive.

But, isn't it indeed, folly to build luxurious highways system, when you can't afford the other fundamentals? If some of the highway funds are diverted to operation of the State Police there will still be plenty for new roads.

* * *

It is by no means uncommon to drive from Detroit to Charlevoix on the new highways system and never catch more than a fleeting glimpse of a State Police car.

This is sort of like buying a new sailboat, but not having the money to acquire sails, or instruction on how to sail it safely.

Another advantage of Gov. Romney's suggestion is that by diluting Highway Dept. control of gas and weight tax revenue, more attention may be given to getting as much for every dollar as possible. It would be hard to believe anyone even suspects there is not considerable waste in highway building.

The State Police are as important to our highways as automobiles. Let's bolster their operation, and avoid future Michigan financial chaos by urging legislators to push for Romney's plan.

Littering Despoils Nature's Creation

The vacationers have gone from the northland. Behind them they have left hundreds of tons of rubbish along lake shores, stream banks and in forest meadows.

The thousands of acres of inconspicuous forest, stream and lake has escaped this debauchery. Here-today, never-to-return tourist don't bother with these quiet places.

* * *

It's the more beautiful, breath taking glades and shoreline that suffers the worst from litter-spreading visitors. In these places they deposit their refuse.

Ironically, Charlevoix County's exceptional beauty makes it one of the hardest hit.

This is no exaggeration. Tramp the banks of a lake, stream, or forest path. When you come to a spot of obvious excellence, where nature's hush thunders in your heart, look at your feet. Ten to one, there's a disgusting, ugly pile of litter.

A ton of rubbish along a highway was never as repulsive as a bushel of picnic-leavings in a sun-lit forest meadow.

A senstive person can hardly be expected to stand by and see a thing so fondly treated by God, despoiled by coarse-minded thrill seekers. But what does he do?

The most apparent answer would seem to be putting some of the brains and educational effort now devoted to anti-highway litter on the problem.

"I took a day to search for God.
"And found Him not. But as I trod
"By rocky ledge, through woods untamed,
"Just where one scarlet lily flamed,
"I saw his footprint in the sod."
—Bliss Carman

This is what the litter bug destroys. And yet, don't you suppose, he goes to church on Sundays?

OUR READERS Write

TO THE EDITOR:

I've been reading the Courier carefully since it changed owners, hopefully looking for more coverage of local and state news so that we will know just what it means. For years the Courier has done a respectable joh of coveriog the obvious news, but has done very little to tell us what the actions of City and County officials really means.

I should think Gov. Romney's tax proposals, and what our legislators think of it, and how it effects Charlevoix and Charlevoix County would get better coverage. You have practically ignored the subject, which means Charlevoix tuxpayers cannot determine just how the income tax will effect their pocketbooks.

The Courier used to run at least a few editorials, even if they didn't say much. Why doesn't it start running editorials again?

We like the new, bigger size of the Courier, and hope its reporting and editorial policy will expand to go with it.

A Citizen

TO THE EDITOR:

Even though it's kind of hard to know what it's all about, I think voters now have enough information to know Geo. Romney's income tax plan is nothing we've been getting from welfare state Democrats for 12 years.

Why doesn't someone come up with a plan that makes us pay taxes according to what we get from the government? This year I suppose the Democrats will fight the income tax and the Republicans will support it. My God. How stupid do they think voters are?

Let's have less politics in government, and more concern for the people.

Youngsters Take Full Advantage of Fine Weather

GRADE SCHOOL youngsters were having a big time in Charlevoix's exceptional fall weather early this week as they got in their last playground fling before snow falls. These youngsters were the daring members of the class as they did stunts that would leave elders in a dizzy daze.

OH, MY GOSH—This young lady didn't stick around long enough to give the photographer her name. She wasn't going to miss getting in another ride on the slide.

WHEE — Just watching this group on the playground swings was enough to make the cameraman's eyes roll erratically. The "Good Ole Summer Time" was never better than this!

YOU BETTER BE FAST—The girls had to be fast on their feet and sharp of eye to get their turn at skipping rope without miss ing.

every one of us when friends are beyond price. The true acts of friendship are really so simple and so easily performed, yet they are so full of meaning.

"A united Community effort can be the greatest asset this town can show along with our God-given natural beauty.

"The spirit of Charlevoix then can be 'liking to help people'. This can be the real foundation for greater prosperity, a better way of life, and progress through cooperation.

"It is so unusual to get helpful, personal attention today that the person giving it stands out like a beacon. So, let us examine our whole work procedure, let us review our daily activities and then ask ourselves if we are investing our share in the greatest place to live in the whole world.

* * *

"From time to time I hope to be able to give you a report of activities, plans and progress of your Chamber of Commerce. We also invite you to give us the benefit of your ideas and suggestions that will help your fellow men. Whatever we are able to do for you is dependent on your support of the Chamber."

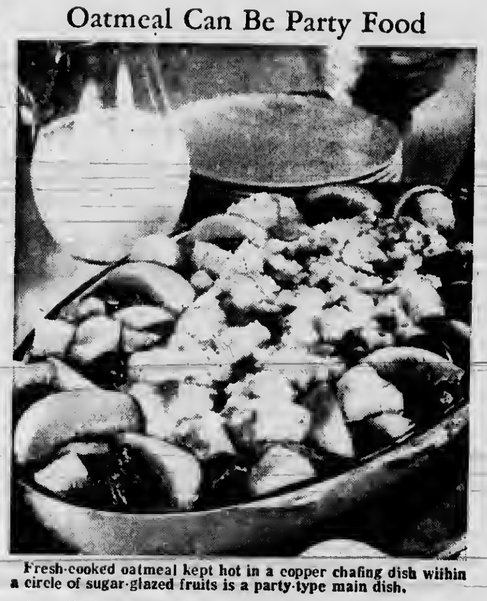
Oatmeal Can Be Party Food



Fresh-cooked oatmeal kept hot in a copper chafing dish within a circle of sugar-glazed fruits is a party-type main dish.

As an "after the game" treat, try serving the well-known basic cereal and milk breakfast. This type of meal is certain to please the hungry ones by replenishing the vitamins and food energy used up in a frantic afternoon at the stadium. Or, how about serving this same treat for a "before the game" fortifier against the disappointment of losing—or the excitement of winning? It is a really inexpensive way to entertain a group!

Orange juice, in sugar-rimmed stemmed glasses
Hot Oatmeal, with glazed fruits, in a copper chafing dish, with silver serving spoons
Milk, cool and white, in a crystal pitcher
Fresh whole wheat toast, in a silver toast rack
Coffee, in a modern electric coffeemaker
Pretty china; large size real linen napkins

Fruited Oatmeal

2 tablespoons butter
½ cup brown sugar, packed
2 cups drained, cooked dried and canned fruits
4 servings hot cooked oatmeal, quick or regular

Melt butter or margarine in chafing dish or fry pan. Add brown sugar; heat until sugar melts. Add drained fruits; heat. Push fruits into a ring around outside of chafing dish or heated serving dish. Fill center with hot freshly cooked oatmeal, cover; keep hot until serving time. Serve with milk. Yield: 4 servings.

Dear Dick Affair

RICHARD DONALDSON

Dear Dick: I have the strangest ailment. My heart flutters and palpitates when I am around men, much the same feeling that I have when going up in an elevator. I have always had a fear of height. I am 41, unmarried and in good health otherwise. What should I do?—SPINSTER.

DEAR SPINSTER: Marry a short, short man and stay off elevators. This is no doubt some sort of nervous condition . . . not helped any by the fact that you're still husband hunting. When you start hunting things for your home (soon, it is hoped), remember PUFF'S APPLIANCE CENTER, for outstanding selections in furniture and appliances, at low prices, and convenient terms.—DICK.

Fumbles Defeat Rayder Gridders

A combined total of six fumbles, two of which East Jordan converted into touchdowns, marred the Charlevoix-Red Devil game which thee Jordanites won by a 12-6 margin Friday night.

This week the Rayders will travel to Grayling to take on the Vikings who were shut out 14-0, by East Jordan in their first game and dumped by Harbor Springs by a 25-6 score Friday night.

The Rayders will find the Vikings a big, experienced team with some speed among their veteran backs. As a result, they will not be an easy team to contain.

The Rayders will have to depend on their aerial attack to get past the big line that the Vikings field and the running of such players as Rich Grunch, Jack Stockwell and Nick DeYoung, chief grand-gainers along with End Bruce Kroeken.

It will not be easy but chances are the Rayders attack will click but not without plenty of team work and hard work on the part of the local lads.

In Friday's game, Charlevoix kicked off to the Jordanites who picked up 20 yards and seemed well on their way when they fumbled and Charlevoix recovered on their own 45.

On the second play from scrimmage the Red Devils recovered a Rayder fumble on the Charlevoix 40 yard line to begin another offensive attack that moved them to the Rayder 21 where the Rayders took over on downs when their forwurd wall held.

After picking up one yard, Charlevoix again fumbled with East Jordan falling on the loose ball on the four yard line. On the first play from scrimmage, Red Devil Dave Donaldson plunged into pay dirt.

The conversion kick was not good and the score stood at 6-0 with less than a minute remaining in the period.

* * *

The Rayders took the kick-off and, in a series of ground-gains and a pass from Del Terrill to End Bruce Kroken moved the ball to their own 47 as the quarter ended.

An exchange of punts gave the ball to Charlevoix on their own 17. However, on the next play, the Jordanites intercepted a Rayder pass only to lose the ball to Charlevoix on the first play from scrimmage as the result of a fumble.

Similar play continued throughout the second period with neither team threatening and with the Rayders in possession of the ball as the half ended.

East Jordan kicked off to Charlevoix to launch the second half.

* * *

Neither team's offensive attack could move the ball, resulting in two exchanges of punts with the Rayders in possession of the ball on the Red Devils 26 as the second quarter ended.

On the first play of the last quarter the Rayders fumbled with East Jordan recovering to begin a march that carried them from their own 30 to the Rayder two where Jim Sturgell went over to score. East Jordan was offside on the conversion kick, making the score 12-0.

The Rayders then took to the air and, in a series of passes from both Dave Smith and Terrill to Kroken, interspersed with a couple ground gains, moved the ball from midfield to the three where Jack Stockwell took it over to prevent a shutout. Larry Edwards' kick was wide.

The Rayders kicked off but never gained possession of the ball as time ran out after two plays.

* * *

In the absence of Lauer, Dave Winegarden took over the quarterback duties but big George Kilborn took over the ball carrying of the Rams' making a major part of the ground gains and scoring two touchdowns, the first from 17 yards out and the second from six-inch line. He also passed to Winegarden who scored on the resulting 20 yard run. The final touchdown was scored by guard Jim Juillerct who scooped up a loose ball following a Vicking fumble and scampered five yards to score.

Grayling's single touchdown came late in the game on a 60 yard punt return by Bob Fenton.

Mancelona beat Pellston 19-0. The Pellston Hornets, already weakened by the loss of four regulars from the line-up because of injuries, suffered one more blow early in their game with Mancelona when veteran signal caller, Mike Thompson, went to the bench with a leg injury.

Mancelona's Bill Bushard had a field day at the expense of the Hornets as he went in from the one after a Hornet fumble had been recovered by Pat Dutcher.

The second and third periods were scoreless only because the visiting Ironmen had two touchdown runs nullified because of major penalities.

However, as the final period got underway, Bushard scampered around right end for 15 yards and the tally with Roger Jabara booting the conversion point. Later in the period, Mancelona gained possession of the ball on the eleven yard line after blocking a Pellston punt. Two plays later Bushard scored for the third time, this time from seven yards out.

LAST WEEK IN CLASS 'C'

Undefeated Ranks Thinned With 2 Left in League

With two weeks of the 1963 football season gone only two teams in the Northern Michigan Class C league are undefeated.

They are the East Jordan Red Devils who edged Charlevoix 12-6 and the Boyne City Ramblers who dumped Gaylord 30-12 toppling the Rayders and the Blue Devils from the undefeated ranks.

In other games, Harbor Springs got into the win column with a 25-6 win over Grayling, and Mancelona racked up its first win, a 19-0 victory over Pellston. Boyne City beat Gaylord 30-12 with a line plunge by Bruce Lawson from one yard out; a pass interception on the 40 yard line by Tom Basanese who then went the distance to score; touchdown runs of one and 10 yards by John Braun and a last minute pass play from second string quarterback Steve Ward to haliback Dan Cikalo good for 10 yards and a TD accounted for Boyne City's 30 points. However, they failed to score even one conversion point.

Gaylord's only scoring plays came in the third period when Tom Measell romped 30 yards and Gary Harris plunged over from the one yard line to score.

The Harbor Springs Rams, stinging under their loss to Charlevoix a week ago, snapped back Friday to dump Grayling 25-6, though they were without the services of regular quarterback,

THIS WEEK IN CLASS 'C'

Big Clash This Week is Between Jordan, Harbor

With a 1-1 record to their credit, the Charlevoix Rayders will take to the road this week as they travel to Grayling.

Elsewhere, East Jordan, sharing the league lead with Boyne City, will invade Harbor Springs, the Ramblers will host Pellston and Gaylord and Mancelona will clash on the latter's gridiron.

* * *

East Jordan's big, talented football eleven will invade Harbor Springs this week in a game that each is determined to win. The Rams are expecting veteran quarterback, George Lauer, versatile back to return to the line-up after a week on the bench due to a leg injury.

The return of Lauer will give the Ram backfield much needed depth as they go against the Jordanites whose chief assets are depth and experience.

Coach Wes Fleet and his gridmen have been training for a long time for this season. It Seems doubtful if they can be halted by the Rams.

Despite Coach Paul Pfahler's contention that he doesn't have much in the way of material this year, his Ramblers are shaping up into a well performing outfit that should have no trouble with the injury-riddled Pellston Hornets. Who this week, will be without the services of veteran signal caller, Mike Thompson, who was benched early in the game Friday as the result of a leg injury.

The Gaylord Blue Devils turned in a disappointing performance against Boyne City last week and, unless they shape up in a hurry, will have little chance against Mancelona's scrappy outfit. Paced by Pat Dutcher and Bill Bushard, the Ironmen turned in a fine performance last week and, against and old adversary, like Gaylord, can be expected to be at their best.

MISS DEB

. . . answers questions about Junior Miss etiquette, grooming and interests.

Q. A friend of mine has telephone-itis. She keeps me on the phone for hours at a time and my family is wild. How can I cut it short without cutting off her friendship?

A. A telephone is definitely a family affair. Hour-long chats rate zero in the family popularity poll. If your pal is wound up for a long session, plunge in at the first comma, make a date to see her soon (like tomorrow after school) and tell her you really want to talk about it *then*.

Q. Does baby sitting include K. P.? One of my "clients" always leaves a sink full of dirty dishes — even tells me to mop up the floor. Since there are three active children I think I have enough to do just "sitting." Do I have the right to say no?

A. Yes. Settle the chore question before you accept the next assignment. Your client should tell you what chores she expects you to do aside from caring for the children. If you don't mind — and many girls don't — fine. If you do — or if you feel it interferes with your primary responsibility of supervising the children — parents will appreciate your being frank about it. Of course, as an employee you always have the right to accept or refuse a baby sitting assignment.

Q. My mirror tells me my figure isn't too bad, but I do have a tendency to slump. I try to remember to square my shoulders, but as soon as I stop thinking about it, my shoulders begin to droop.

A. What you need is a sticky reminder. While you assume your very best prom-queen posture, have your mother put a strip of adhesive tape across your back from shoulder to shoulder. Every time you start to droop, a gentle tug from the tape will remind you to keep 'em square.

Kiwanis Club Sees Film At Dinner Meeting

The Kiwanis club saw a film entitled "Our American Heritage." Published by Knott's Berry Farm at Los Angeles, Calif., the film depicts the history of this country and the responsibilities of its citizens. It was shown by Ernest Manthei of Petoskey who was introduced by the program chairman John Ulrick.

Ralph S. Hamilton, past lieutenant governor, presented a brief report on the recent state convention at Grand Rapids.

Plans for a meeting scheduled for Oct. 14 at which the only charter member of Kiwanis International, Harry Young of Detroit, will be present were announced. The meeting will also be a ladies night.

Floyd Lake of Gaylord was the only guest.

Lt. Charles A. Milradi, Commanding officer of the U.S. Coast Guard Group Charlevoix, spoke on the operation of this organization.

Glenn E. Rose was program chairman.

SUNDEW REPORTS

Early August found the Sundew having just departed Grand Haven where we had completed our annual small arms target practice on the rifle range there.

We returned to Charlevoix remaining home until Munday, Aug. 5, when we were underway again to complete our regular six week check al all our lighted buoys.

* * *

On the following Friday we moored in the port of Calcite and began preparations for our part in Rogers City's annual Limestone Festival. The following day a group of 24 men and one officer, including a color guard, participated in a parade in Rogers City. Our men looked "real sharp" and, as one city official put it, "added color and dignity to our parade". That afternoon and again the following day, Sunday, thee Sundew played host to more than 1600 people, who visited the ship during the two-hour period on Saturday and the three-hour period on Sunday.

Taking leave of Rogers City that Sunday evening, we proceeded toward Mackinaw City and the following morning completed our check of buoys.

Returning to Charlevoix Monday evening, Aug. 12, we remained in port until called out on Thursday to relight Mission Point light in Grand Traverse Bay. We reeturned home at 9 a.m. that night.

* * *

On Tuesday, Aug. 24, the ship was underway again to service Gull Island light, returning at 4 p.m. the sae day. We remained in port through the end of the August.

Our semi-annual Charlie Status, or repair period, commenced Aug. 26 and carried through the next three weeks until Sept. 16. During this time, needed machinery overhauls were made as well as other neecssary ship's maintenaince.

During this period there was one outstanding highlight—on Sept. 13, in a brief ceremony aboard the Sundew, Coast Guard personnel stationed in Charlevoix presented to Fran Martin the Coast Guard's Certificate of Appreciation for her many services to the Coast Guard in publicity and community relations. The Coast Guard would be hard pressed to find a more deserving recipient.

On Sept. 16, our repair period over, we departed Charlevoix for another check of all lighted aids to navigation. With good weather helping us, we were able to complete the check by Monday evening Sept. 23.

* * *

We then proceeded to Gull Island and to Naubinway Island lights, refurbishing these fixed aids to navigation. Departing Naubinway on the evening of Sept, 25, we headed for Milwaukee where we were to pick up a 36-ft. motar lifeboat for delivery to Charlevoix Lifeboat Station and leave one of our boats for overhaul. Arriving in Charlevoix from Milwaukee, we remained home for the remainder of the month.

Sundew Scuttlebutt

On Aug. 4, our new Hospital Corpsman, Michael Cannon, reparted aboard from CGC Woodbine in Grand Haven. On Aug. 30, W. D. Keating, Seaman, reported to us from the District Office in Cleveland. Also on the 30th our new Electronics Technician, Lowry Frestedt, checked in from the Loran Station at Attu Island, Alaska. Larry Mitthuer, Seaman Apprentice reported aboard on Sept. 3, his first assignment. On Sept. 15, oud new Engineering Officer, William B. Miner, reported from the Training Station, Groton, Conn., and on the 20th Oscar Erickson, our former Engineer departed for the CGC Yeaton in New London, Conn., as its engineer.

Since the Sundew wasn't around much during the month of June, the wedding bells have had quite a workout lately. On Aug. 31, Reva Hart and Jim Sprader tied the knot. Reva hails from East Jordan. On Sept. 28, Mary Geary and John Halderman were married. The new Mrs. Halderman comes Harbor Springs. Best wishes and good luck to both couples.

Leonard Hillman Dies in Gaylord

Funeral services for Leonard Hilman, 83, a native of this community who died recently at his Gaylord home, were held at the Gaylord Methodist church Sept. 7 with the Rev. Lewis Compton officiating. Burial was in Fairview cemetery.

Born at Ellsworth Nov. 30, 1899, Mr. Hillman was married to the former Beatrice Freeman of Petoskey June 4, 1924. They lived at Grand Ledge, Lansing and Ellsworth before going to Gaylord. He retired in May of this year after 35 years as a representative of State Farm Insurance Co. He was district manager at the time.

Besides his wife, he is survived by two daughters, Mrs. Frank (Alice) Throop of Lansing and Mary Lee Hillman at home; a son, Leonard Jr., of Pentwater; nine grandchildren; two brothers, Fred of Fowlerville and Charles of Harrison and two sisters, Mrs. Louis Cummings of Lansing and Mrs. Robert Evans of East Jordan.

In Gaylord for the service were Mr. and Mrs. D. E. Clow and Mr. and Mrs. Henry Ruis.

Merchants Can Get Loans If Farmers Cannot Pay

Charlevoix County businessmen suffering financial difficulty due to this summer's drought have been made eligible for emergency Small Business Administration (SBA) loans, it was announced last week.

Charlevoix is among 30 counties in Michigan that have been declared eligible for the SBA loans because they are classified major disaster areas by the Dept. of Agriculture, Robert F. Phillips, SBA Michigan director explained.

Business concerns adversely affected financially because farm customers are unable to pay for purchase due to the draught are eligible for SBA loans, Phillips declared.

Applications forms and detailed information can be obtained from the SBA office at 242 W. Grand River, Detroit.

Thrown Away Monthly Billions Milk Cartons

Americans dispose of more than a billion empty paper milk containers every month. Add to that the containers from frozen foods, cereals, waste paper and other items and it explains why many smoke abatement authorities encourage homeowners to purchase smokeless and odorless gas incinerators.

Refrigeration in the family room, nursery or near the swimming pool is a convenience many families are enjoying. A new gas refrigerator that fits into an opening 31 inches high, 20 1/2 inches wide and 20 inches deep makes spot refrigeration possible.

Families in the market for a gas range, water heater, clothes dryer or any other household appliance must consider safety, durability and performance as well as price and style. A seal with a blue star in a white circle indicates the appliance has earned the approval of the American Gas Association and passed a series of rigid tests by trained engineers.

Natural gas delivered here may come from any of the three largest gas producing areas on the North American continent, Texas-Oklahoma, Louisiana and Alberta, Canada.

With well over 100 billion cubic feet of gas storage available in old gas fields, Michigan Consolidated Gas Company has met peak day deliveries of 1.7 billion cubic feet of gas with over half of the gas coming from storage fields.

Nearly eight out of every ten customers of Michigan Consolidated Gas Company heat their homes with natural gas.

There are three times as many gas lights in use today as there ever were during the gas light era.

Outdoor cooks don't have to put away their aprons and chef's hats when the weather gets too cool to cook outside. Michigan Consolidate Gas Company points out that gas-fired char-grills are available for indoor installation. The gas burner is built of a special ceramic material placed over a cast iron grate. It spreads heat evenly. The grills are designed for kitchen counter-top installation.

It takes a steady hand to refill ice cube trays and deposit them in the refrigerator without a trial of water across the kitchen floor. To eliminate this hazard, some models of gas refrigerators have water piped into them and the ice cubes are frozen and deposited automatically into a basket.

It's a good idea to locate your gas water heater close to the spot where the most hot water is used. Michigan Consolidated Gas Company reminds that less heat is lost when water pipes are short. Hot water is delivered more quickly, too.

Recent design changes in built-in gas ranges allow for their use in remodeled kitchens. The thin, trim cook-top can be inserted into a kitchen counter top with very little construction. Controls are located alongside the burners allowing for drawers and cabinet storage under the cook-top.

Gas ranges with a vented heater section are available for supplementary heating in homes as well as cabins and summer homes. The Gas Appliance Manufacturers Association says these appliances provide a practical way to take the morning chill and dampness out of the home.

Vented gas room heaters are available with either manual or automatic controls. According to Michigan Consolidated Gas Company, automatic controls are a good idea because they save fuel and assure even temperatures.

Natural Gas At Work in Hidden Form

Who says you can't see natural gas? You won't recognize it, but wherever you look natural gas, in one of its many forms, is undoubtedly right before your eyes.

You may be completely dressed in natural gas. Your home may be decorated with it. And you are certain to be using natural gas in dozens of different ways during the day.

The gas has undergone some radical changes from the fuel that heated your coffee this morning. And incidentally, as a fuel, natural gas was used in making your coffee pot, in producing the cup you used, and to roast the coffee beans as well. But more amazing is the use of natural gas as a raw material. As a chemical, natural gas is used to make such diverse items as nylons, phonograph records, insecticides, antifreeze, raincoats, paint, toothbrushes, and an incredible array of products you use daily.

Natural gas is the backbone of the petrochemical industry, one of the fastest growing industries in the nation. The field is so new that only the latest dictionaries include the word,, although petrochemicals are already building much of the world around us. One quick look through your house and you can count among the petro-products, detergents, synthetic fabrics such as dacron, orlon and nylon, squeeze bottles, plastic dishes, lipstick, carpets, automobile tires, and even the fizz in a bottle of soda.

Natural gas is composed of several gases as it comes from the wells in the natural gas fields. The principal gas is methane, the lighter and driest of its ingredients, and the gas you use in your home is almost pure methane. The heavier gases are generally turned to liquids, by either reducing their temperature or by holding them under pressure, in separation plants near the gas fields.

About 80 to 90 percent of the natural gas flowing from a gas well is methane, and this is shipped by pipelines to communities where gas distribution companies like Michigan Consolidated provide service to their customers. The remaining 10 to 20 percent of the natural gas flows as a liquid to processing plants where the various "gases" are separated. About 25 percent of the liquid is propane, 24 percent butane, 31 percent emerges as iso-butane and 20 percent is "natural gasoline."

Butane is used in a wide range of synthetic products, including rubber, plastics, paints and fabrics. The natural gasoline is used as a blending agent in gasoline, and iso-butane is needed in the manufacture of high-octane gasolines.

Great volumes of propane, or "bottled gas", are used in rural areas and in small towns to provide gas service in sections that are remote from gas mains.

Michigan hunters with permits will be allowed to shoot antlerless deer during this fall's regular firearm season in 46 northern areas where whitetails have overbrowsed their dwindling winter food supplies or caused serious crop damage. Slightly over 156,000 permits will be issued by the Conservation Department to shift a potential winter loss of 60,000 surplus animals into the legal kill column for sportsmen. Permit applications will be available from hunting license dealers by mid-September. Oct. 10 is the deadline for postmarking this year's new punch-card applications. Hunters are urged to apply early to aid the Department in its handling of applications which are expected to total about 250,000. Cards will be machine-processed to "draw" successful applicants for over-subscribed areas.

Births recorded at the Charlevoix hospital recently include:

A daughter, Bonnie Suzette, born to Mr. and Mrs. Gerald Johnson Sept. 23.

A daughter, Dianna Lynn, born to Mr. and Mrs. Gary W. Farmer of East Jordan Sept. 24.

A son William Edward, born, to Mr. and Mrs. George V. Spence of East Jordan Sept. 24.

A daughter, Cheryl Rae, born to Rev. and Mrs. Jim Lugibihl Sept. 24.

A daughter, Jane Ellen, born to Mr. and Mrs. Gerald L. Bingham of Elmira Sept. 26.

John Gallagher Dies, Island's Oldest Resident

ST. JAMES, B.I., — John W. Gallagher, 92, the island's oldest native-born resident, died Thursday at the home of his son-in-law and daughter, Mr. and Mrs. John Gallagher, with whom he had made his home for 21 years.

Funeral services were held Saturday at Holy Cross church with the Rev. Fr. Louis Wren, O.F.M. (Conv) officiating. Burial was in Holy Cross cemetery. On Friday evening, relatives and friends gathered at the Gallagher home to recite the Rosary.

* * *

BORN ON Beaver Island, Dec. 1, 1870 the eldest of 12 children, he was married to the former Elizabeth Roddy at Manistee in 1899. She preceded him in death in 1937. He was a member of Holy Cross church.

As a young man, Mr. Gallagher was actively engaged in sailing, lumbering, commercial fishing and real estate. He also represented St. James township on the Charlevoix county board of supervisors.

His fabulous memory was the source of information to historians delving into the history of this northern Lake Michigan Island following the reign of "King" James Jesse Strang which ended in 1856. Musicians and historians, seeking early folk songs which often related the development of community, recorded 230 of songs Mr. Gallagher knew and sang for them.

* * *

HE IS survived by two sons, Daniel C. of Chicago and Andrew J. of Fort Lauderdale, both Great Lakes captains; three daughters, Mrs. John Gallagher, Mrs. Francis (Stella) Brown of Chicago and Miss Mary Green, both of Chicago; 16 grandchildren; one great-grandchild and a sister, Miss Lillian Green of Chicago.

For '64: the price is medium... the action maximum... the car is Mercury

PARK LANE WITH RACY MARAUDER STYLING

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field—demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard, a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

'64 Mercurys are also available with Breezeway Design

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space—11 suitcases big (17.1 cu. ft.). And a far greater styling choice: racy Marauder styling (above) or unique Breezeway Design (right), with the only rear window that opens for ventilation, stays cleaner in rain or snow. School to Allow Public Use of Gym

A schedule for the use of the elementary school gymnasium by community groups was adopted at the regular meeting of the board of Education, Monday night.

The possible use wns divided into three categories: commercial use, community betterment and independent basketball, volley ball or similnrs groups. According to the schedule, no group of fewer than 10 persons will be allowed the use of the gymnasium. In the case of independent groups such us basketball teams, a responsible person must be designated as the person in ehnrge and must be responsible for the care of the building The use of the gymnasium will be scheduled through the superintendent's office.

Mrs. Robert L. Hooper, chairman of the Library Advisory committee, reported on the committee's first meeting last week. She said that she and Mrs. Robert Gill, a member of the committee, were scheduled to attend a library meeting ut Cadillac Tuesday.

Mrs. Louis Courtade, representing the high school Englsh department, attended the meeting to outline the work of the department and the written eourse of study being established and compiled by the teachers in the department. The written course is being adopted in order to improve the department, Mrs. Courtade said.

Glenn B. Snider, elementary school principal, spoke briefly on the new mathmatics program in the first five grades.

Albert Thorp was engaged as a bus driver to replace James Elzinga who has accepted other employment.

The problem of the sewer in the elementary schoof was referred to the building committee for study.

James Haggard Design Contest Winner

James Haggard, former local resident now living in Los Angeles, Calif., has been selected as one of fnur winners in a contest, Design Unlimited for Better Living.

Mr. Haggard won a fourth place award in the contest entered by more than 12,500 students, all senior or graduate students, enrolled in accredited colleges in the United States. The contest was sponsored by the Fine Hardwoods Associatiun and the Pavilion of American Interiors of the 1964-65 New York World's Fair.

The prize earries with it a cash prize of $250 plus a first class round-trip complete with hotel accommodations to New York City early in 1964 to receive the award. All designs submitted remain the property of the entrant. One of the conditions of the contest was that the right of first refusal of purchase of the designs from the entrants shall be given to manufacturers exhibiting in the Pavilion of American Interiors.

Mr. Haggard's winning design was for a table, according to his mother, Mrs. Gregory A. Shadko, who said she did not know what type of table.

Mr. Haggard is a graduate of the Charlevoix high school and attended Ferris State College before going west where he is enrolled in the School of Interior Decorating at Woodbury College in Los Angeles. He is also employed at the May Company in that city.

Graduates To Study Nursing

Two rceent area high school graduates, Betsy Bell, daughter of Mrs. William Bell of East Jordan, and Barbara Jo Trevan, daughter of Mr. and Mrs. Aden W. Trevan of Bellaire, have been named to receive the Charlevoix hospital nursing scholarship, Miss Anne Baumgartner, administrator of the hospital, has announced.

Miss Bell has enrolled in the four year professional nursing course offered at Michigan State University. Miss Trevan will attend the Henry Ford Hospital School of Nursing in Detroit.

The pair was selected by a committee composed of Max Novak, Mrs. E. K. Shanahan, Dr. L. E. Grate and Miss Baumgartner, to receive the scholarship given annually to an area graduate who plans to enter the field of professional nursing. The scholarship for $500 is made possible through the generosity of Mr. and Mrs. D. D. Walker of the Belvedere club and St. Louis, Mo., who annually underwrite its cost.

A second scholarship was made possible this year when the 1962 recipient withdrew from nurse's training and returned the part of the scholarship she had used.

PTA Meet Oct. 9

The first meeting of the Charlevoix P.T.A. will be held at the high school cafeteria at 8 p.m. Wednesday, Oct. 9, according to Frank Boss, P.T.A. president.

At this first meeting the eight new teachers in the Charlevoix school system will be introduced and Supt. Rex. E. Milligan, who also is new to the system, will speak briefly. The program for the year will also be presented by the program chairman, Mrs. Robert Tollas.

* * *

A speeial invitation is extended to new residents in the community and the parents of kindergarten pupils whose children are enrolled in the school system for the first time.

Elementary School News

Students in the first through the fifth grades were introduced to something new in elementary school mathematics when they returned to classrooms this fall.

Among the reasons given for the change is the need for more effective articulation from one grade to the next und from elementary to secondary school; the recognition that the regular elementary mathematics program, limited mainly to emphasis upon the facts of the four fundamental processes, is somewhat barren of the interesting phases of mathematics; the need for better understanding of the structure of mathematics as essential to satisfactory and permanent grasp of subject matter and the need for improved mathematics programs for children of different abilities.

* * *

IN EXPLAINING the new books and the new trend in teaching this all-important subject, Glenn B. Snider, elementary school principal, said that in the modern concept of arithmetic, the new program is one that differs from traditional programs in both content and spirit . . . for it is one that reflects new views and emphasis.

In using the word 'new' arithmetic one means mathematics new to the elementary curriculum rather than newly discovered a spirit of inquiry and a sensitivmathematics. It tries to develop ily to patterns among numbers. It also provides for applying the arithmetic the students learn to the world around them.

The new books will be introduced into the sixth grade, probably next year, Mr. Snider added.

On Monday Bruce Moore, representing Silver Burdett Publishing Co., met with the elementary school faculty to discuss the new books which were published by his company.

Pastor And Family Honored

Rev. John Hamersma, Mrs. Hamersma and family were honored at a "Welcome Home" party recently in the social room of the Atwood Reformed Church. Members of the church had arranged a special program and prepared a delicious lunch for the party, which was climaxed with the presentation of a generous gift to the Hamersmas'. The family returned recently from a vacation visit with Mrs. Hamersma's parents, Mr. and Mrs. Cornelius Van Dine in Patterson, N. J. The Van Dines came home with the Hamersmas' for a 10-day visit.

High School Girls Get Preview of Nursing

Eleventh and twelfth grade girls at the Charlevoix high school interested in exploring the possibility of a nursing career, took their first steps in this direction Saturday when they visited the Charlevoix hospital.

Accompanied by Dr. Wdliam Ratigan, school psychologist, 14 potential nurses were welcomed by Miss Anne Baumgartner, administrator, who spoke to them nn the various opportunities in the field of nursing and of the numernus jobs uvailable to them. She also pointed out the kinds of enurses and curricula necessary for the different levels of nursing careers.

The students were then taken on a tour of the hospitul, visiting the maternity ward, the new physical therapy area, the pharmacy and dietician headquarters as well as a glunce at the emergency and operating rooms. They were also shown the nursery and a typical hospital patient's room.

In the x-ray department and technical laboratory they were addressed by technicians in charge of these departments who explained the uses of the equipment and the occupational opportunities for technicians in these fields.

Both Miss Baumgartner and the girls were enthusiastic about the hospital and its implications for the future Dr. Ratigan reported. Through the cooperation of the school and the hospital, plans are being made for the future nurses to work in areas of present interests and preferences after school and on weekends.

By actual work on the floor nnd in the various departments, the students feel that they will he in a better positinn lo dgcide whether nursing is the career for them. In the process of finding out about themselves, they hope they will be able to assist in helping others, he added.

Included among those exploring career possibilities in hospitals were Shirley Gibson, Terl Freedman, Carrol Gill, MarJean Genelt, Sandy Mitchell, Carol Moore, Linda Nowland, Verenen McClanaghan, Eleanor Ordway, Terry Loujean Scott, Gayle Riley and Janice Vandenberg.

GOV. ROMNEY REPORTS

Elderly Persons Outlined Tax Relief Proposal for

By Gov. George Romney

The problems of an increasing umber of senior citizens were arumount when I drew up my roposal for fiscal reform.

Much criticism hos been directed at a single aspect of this proram — the provision to defer proerty taxes for senior citizens.

* * *

WITHOUT even considering the alidity of these criticisms, and rtainly they have some validy, many other benefits which my rogram would afford senior citiens are generally being overlookd in the debate over the property ax deferral provision.

Here are some of the ways in hich the program would recogze the special problems of senior tizens.

1. Social security benefits would exempted from state and local come taxes.

2. Every citizen over 65 would ceive a double exemption — $1,200 — in computing his or her state income tax. If both husband and wife were over 65, this would mean that the first $2,400 of family income over and above social security benefits would be exempt.

* * *

3. **IF THE** city in which the senior citizen lives imposes an income tax, each couple over 65 would have a $2,400 tax exemption over and above social security benefits in computing that tax too.

The first three points add up to the fact that the average senior citizen couple will pay no state or local income tax. In addition, senior citizens will enjoy the following tax savings:

4. Prescription drugs would be exempted from the sales tax — a significant savings where there is illness.

5. The 4 per cent sales tax would be taken off food.

6. Along with other citizens, senior citizens would get a 20 per cent mean a real savings for many senior citizens who have retired and receive a part of their income in dividends or interest.

8. Finally, there is the property tax deferral itself: I recognize the need for senior citizen relief from property taxes; I think my proposal is a sound one. Under this provision, senior citizens would have the choice of deferring property taxes on their homesteads until their death or until they dispose of their property.

At the outset, this would be limited to taxes up to $200 per year on homesteads with a market value of less than $10,000 where family income is under $2,000.

About 62,000 families would be eligible for this relief immediately.

* * *

THERE ARE three basic arguments against straight property reduction in local property taxes imposed for school purposes.

* * *

7. **THE INTANGIBLES** tax would be repealed. This would tax exemption, rather than deferrol. They are these:

I. With o few years of experience, it should be possible to broaden the program to cover many more people than could ever be made eligible for straight exemption. It should be possible, in fact, to eliminate any limitations on family income and property value. This could not be done under the exemption approach without huge expenditures of general state money.

2. One of the principal benefits of straight exemption would be to the children or other heirs of senior citizens. Is it fair to ask general taxpayers to pay millions of dollars of taxes each year so that these relatives can inherit property free and clear after the owner's death?

3. After the first few years, a tax deferral program will become self-sustaining without any charge to the taxpayers other than a modest amount to pay for administration and to cover losses. An exemption program would cost the taxpayers millions of dollars each year for as long as the program continued.

Cadillac FOR 1964

Upper: The Coupe de Ville; lower: The Fleetwood Sixty Special Sedan

MORE TEMPTING THAN EVER!

The 1964 Cadillac is more tempting than ever to look at! It has a clean, low sweep to its lines . . . greater refinement in all of its body contours . . . and a dramatically new, divided grille.

It's more tempting than ever to ride in! There's greater smoothness and quietness. The interiors are luxurious as never before. And an exclusive new Comfort Control* enables you to pre-set interior temperature while automatically controlling humidity.

And Cadillac for 1964 is more tempting than ever to drive! It has a new high-performance engine—the most powerful in Cadillac history. Cadillac's Hydra-Matic Drive has been remarkably improved in smoothness and responsiveness—and a new version, the Turbo Hydra-Matic, is standard equipment on some models. Both assure a truly amazing agility in traffic and a new over-all standard of automotive performance on the highway.

The final temptation? That's the extraordinary value that's built into each of the eleven new Cadillac models.

Be among the first to visit your authorized Cadillac dealer and

...just wait till you drive it!

CHARLEVOIX COURIER

"In the Heart of the Resort Country"

VOLUME 66, NUMBER 43 | 10 Pages | LI 7-6558 | CHARLEVOIX, MICHIGAN, THURSDAY, OCTOBER 10, 1963 | 10c per Copy | In County $3.00 Per Year

THE NICEST thing happened to us last week. Just about everybody we talked to seemed to like the new look of their Courier!

Newspaper people get sort of thick skinned about complaints. The truth, they learn, is bound to ruffle a few people. Because newspapers do their utmost to deal in this community (though it's often near impossible to uncover—they expect to hear people squawk sometimes because things weren't printed "the way I told you to."

But when someone compliments a newspaperman he just about goes all to pieces. So we were really at loose ends last week.

The Courier still wasn't anywhere near what it will be. — (And it will never be everything we would like it to be. Things just never are.) But it did reflect the future.

Everybody we asked— except one—said they liked the Courier's new look. And we didn't have to ask most people. They volunteered the opinion.

There were a couple who said they liked it "but." We could not have agreed more.

One fella, who reportedly was considering cancelling his subscription the week before, pepped us up by funningly commenting he would buy a 50 years subscription if the "Courier is going to look like this."

NEW BOOKS — These Charlevoix youngsters look over a pile of brand new books at the public library. Librarian Floranz Milner reports the library has received a large selection of new books in recent months.

FROM COMMITTEE

Library Budget Proposal Due

The Board of Education's library advisory committee will soon make a recommendation on using the half-mill voted last year, Mrs. L. R. Hooper told the Courier last week.

Mrs. Hooper, who heads the committee as the Board of Education's representative, pointed out a definite budget for the approximately $10,000 a-year library fund is being prepared.

* * *

THE COMMITTEE has also uncovered positive evidence which clears the air on several factors previously only suspected, she pointed out.

According to Mrs. Hooper, the entire half-mill voted for library operation is earmarked for the public library on State St.

The half-mill will bring in approximately $10,000 a year on the school district's $20,647,208 valuation.

The money raised this year, on the first levy of the library tax, has been spent for new books and maintenance and repairs at the library, Mrs. Hooper related.

* * *

THE ADDITIONAL income has already made a noticeable difference in the library's book selection, she contends.

Mrs. Hooper cautioned people not to expect a complete rejuvenation of the book situation and library's condition in one year. Maintenance at the library has been neglected for years, she asserts.

A letter from the Carnegie Foundation has been received by the committee which specifically states the library building was given to the city in 1907, with the written understanding it would be operated by the school district, she explained.

* * *

MEMBERS OF the committee are Floranz Milner, Mrs. Robert Foss, Mrs. Robert Gill, Mrs. Thomas Wieland, Mrs. Clarence Smith, Mrs. Louis Courtade and Mrs. Hooper.

The committee will meet Monday, Oct. 14 at 8:30 p.m. in the library to prepare its budget recommendation.

CC Annual Meet At Argonne

Arrangements for the Chamber of Commerce's annual meeting were settled Tuesday evening by the Board of Directors.

The annual meeting will be held Monday, Oct. 28, at the Argonne, starting at 6:30 p.m. Tickets are available to the public from all chamber members. They are $2.50.

Criticize Tourist Pamphlet

Sends People Around Area

Failure of the Michigan Tourist Council to include Charlevoix in its "Autumn Color Tour Guide" this week drew criticism from the Chamber of Commerce.

"It almost appears the tours are designed to include areas around Charlevoix, but not our own city," Chamber Secretary - Manager Dean Davenport asserted.

* * *

"CHARLEVOIX'S beauty obviously excells that of most of the areas mentioned, and is at least equal to any," Davenport declared.

The Tourist Council's "Autumn Color Tour Guide" is a pamphlet detailing routes for 21 tours where amples of Michigan's fall scenery. The pamphlet has 24 maps with tour routes outlined in red. It is reported to be distributed throughout Michigan and surrounding states.

Two of the tours come within a few miles of Charlevoix.

ONE OF THESE is to Walloon travelers will see outstanding ex-Lake. The other is to Eastport.

Davenport stated an inquiry will be made of the Tourist Council as to why Charlevoix was avoided in favor of less scenic and colorful regions..

The Chamber, he explained, will urge the Tourist Council to give Charlevoix more consideration in next year's fall tour guide.

"WE HAVE received excellent cooperation from them in the past, and hope to in the future," Davenport said.

The Chamber Secretary-manager pointed out the color tour guide includes a remark that there are other equally colorful areas of Michigan that are not mentioned.

Hearing on M-66

A public hearing on the proposed new route on M-66 will be held by State Highway Dept. representatives Thursday, Oct. 17, 8 p.m., in the Charlevoix City Hall.

$5 For Oldest Courier

How old a copy of the Courier do you suppose is laying around in a forgotten corner of your home or garage?

It may be worth a $5 bill if you look and see. Because next week (Oct. 13-19) is national Newspaper Week, the Courier has decided to offer $5 to the person who digs up the oldest copy.

There's a $5 bonus—making the total $10 if you come up with Volume 1, Number 1. That would have been printed in 1895.

Even if you don't win the contest, it should be fun just to see what's in that old box of stuff that's been in the attic for years.

All old papers should be brought to the office (101 Clinton St.) by noon Friday, Oct 18. If there is a tie, the first paper brought in will win.

Why not do some rummaging for your old Couriers? It should be fun, and may be profitable.

HOMECOMING QUEEN—Judy Walker (seated second from left), Charlevoix high school senior, who will reign over the 1963 homecoming festivities Oct. 17-18 is pictured here with her court. They are Terry Nielsen, Mary Harrison, Queen Judy, Diane Phelps and Terri Freedman.

Judy Walker Queen for 2-Day Event

Competition is running high among classes at the Charlevoix high school as students go about the serious business of building floats for the annual Homecoming parade at 3 p.m. Friday, Oct. 18.

The parade will be one of several feature events of the two-day fall festival that begins with a snake dance at 7 p.m. Thursday followed by a bonfire and program at Kipke Field.

* * *

HOMECOMING QUEEN Judy Walker, dark-eyed high school senior, will receive her crown during the program. With her will be the members of her court, Diane Phelps, Teri Freedman, Terry Nielsen and Mary Harrison. The retiring queen, Martha Coleman, will be present to relinquish her crown.

The Homecoming parade Friday will feature floats decorated by the students in the junior and senior high school, the Varsity Club and the Pep Club, the latter the sponsor of the homecoming events.

The homecoming game at Kipke Field Friday night will pit the Charlevoix Rayders against the Pellston Hornets. During the half-time festivities, Queen Judy and her court will be presented. Judy will then 'knight' the co-captains of the Rayder squad.

The Homecoming dance, sponsored by the senior class, held at the elementary gym, will climax the annual event which is expected to attract alumni from many Michi-

$10,000 Bond Set For Gee

An East Jordan man, Carl M. Gee, 21, charged with the assault of a Boyne Falls deputy, William Grobaski, with intent to do great bodily harm less than the crime of murder, is being held in the Charlevoix county jail awaiting arraignment before Judge Charles L. Brown during the regular October term of court.

He was also charged with unlawfully driving away the deputy's automobile after assaulting him as the pair left a Boyne Falls bar early Saturday. Deputy Grobaski had gone to the bar to take Gee into custody following a report that someone there was causing trouble. Gee was arrested on M-75 when the deputy's car went out of control and overturned when one of the 21 bullets fired by the State Police struck a rear tire.

* * *

GEE WAIVED examination when he appeared before Justice John Connolly Saturday afternoon. Bonds totaling $10,500 were set by Justice Connolly. Gee was remanded to the county jail when he failed to post them.

Grobaski is hospitalized at Little Traverse Hospital in Petoskey for treatment of a possible fractured larnyx and injured right shoulder, left knee and jaw.

County to Set 1964 Budget

Adoption of the 1964 budget and tax apportionment top the agenda for the annual fall meeting of the Charlevoix County Board of Supervisors opening Monday at 9:30 a.m.

Supervisors indicate the tentative $312,071 budget set in April will be slashed, before appropriations for various departments are approved. The 1963 budget was $284,045.85.

* * *

THE COUNTY has allocated 5.45 mills for its operation. This will be levied on the County's state equalized valuation of $51,700,234.

One new Supervisor, Forbes Tompkins, new Boyne City assessor, will be present. He succeeds Albert Bathke. Lee Sneathen, Jr., will preside.

The Board is expected to be in session a week, or longer. The public can attend.

APPROVE HIRING, 5-2

Board Splits on Attorney

The Charlevoix Board of Education early this week moved on a split decision to hire an attorney

The Board voted 5-2 to authorize new Supt. Rex Milligan to employ an attorney who specializes in school law, for a $150 annual retainer fee.

* * *

VOTING AGAINST the motion were board members Albert Smith and Dale Boss.

The motion was made by Mrs. L. R. Hooper and received approval from Darrell Dinwiddie, Burr Blanchard, Joe Martincheck and Dr. Robert Tollas.

"I think a good school attorney is worth the retainer fee," Milligan told board members. He pointed out he has worked with attornies in other school systems.

* * *

DINWIDDIE, board president, contended a school law specialist can save more than his retainer fee because the superintendent and board members "don't waste time and go off misled."

Milligan indicated he will hire an attorney from Flint he is used to working with and who specializes in school law.

The attorney will not attend board meetings. He will be on call to give the board and Milligan advise by letter or telephone.

School law, Milligan pointed out, is so complex that an attorney who specializes in its is necessary. Such a person, he asserted, can come up with the right answer immediately, where it would take a general lawyer hours of research.

* * *

SMITH, WHO opposed hiring the attorney said "I don't think a little school like this has enough use for one."

Boss, who also voted against the motion backed up Smith. "I'm not in favor of it, I don't think we have enough need," Boss said.

Martincheck stated having the attorney available could easily save the district thousands of dollars on a critical issue.

Dinwiddie pointed out the City of Charlevoix has an attorney at every meeting.

* * *

BOSS COUNTERED by pointing out the city is "always buying and selling property and doing other things we don't do."

"We hired Milligan to run our school and I think we should give him the tools to do it," Dinwiddie said.

POLICE urge local drivers to be extremely alert for incautious youngsters. Children, police remind adults, are sometimes "too busy" to be careful.

We Want Your News

The COURIER wants your news:

All organizations and individuals with news items are urged to contact the paper or one of our correspondents.

We cannot print news we do not know about. The only way we'll know about it is if you tell us. With your cooperation everything about your clubs and family will get in the Courier. So let us know what you're doing.

DEADLINES

News must be in by noon of the day after it occurs. Correspondents must have all their copy at the Courier no later than Monday afternoon.

This gives us a chance to keep a steady flow of copy going to the printers, and avoids the last minute rush that results in sloppy stories . . and things being left out.

All stories must be triple spaced and written on only one side of a piece of paper. Names must be complete. The telephone number of the person submitting the news must be included with the story.

LETTERS

Letters from COURIER subscribers on subjects of public interest are always welcomed. They should be as brief as possible. Letter writers must inslude their name, address and telephone number, although their name will be withheld if the writter so requeste.

We hope to be reading about you soon!

COMMENT, OPINIONS, FACTS

The Courier is a Sacred Trust--It Possesses Us

IT PROBABLY doesn't matter one little bit to you, but it should. Next week is National Newspaper Week.

Don't get the wrong notion. National Newspaper Week isn't set aside for newspapermen to go around blowing their horn. For us at the Courier it is a week for reflection. We know darn well we could have done a better job last week, the week before and in the coming weeks.

* * *

It's always that way for a weekly newspaper. And, especially so with us at the Courier. Making the Courier the north country's best newspaper isn't just a far fetched dream of ours.

Instead it's something that sticks in our craw. It gnaws at us. Newspapering isn't just a way to make a living with us. It's far, far more.

The Courier, like any of the papers we've been associated with, is a part of our life. It possesses us. We take it home with us. To bed with us. It goes hunting, fishing and boating when we go.

* * *

A NOTEBOOK is never further away than a coat pocket. When a thought finally crystalize—after hours of trying to break through the grey matter—it is written down before it can escape.

And, though we may never admit it again, we may even cry over it once in a while.

That's the way it has to be if we're going to put out the kind of paper we feel our readers deserve and democracy demands.

For, you see, newspapering on a grass roots level is more than just another community service. It's a sort of sacred trust. A trust that stems from the time the first men learned to communicate with each other through guttural sounds or signs.

* * *

MEN SLOWLY, learned to communicate with an ever-broadening audience. As these skills developed they began demanding, and getting, more and more individual liberty.

When small newspapers, like the Courier, no longer fearlessly serve their community a few selfish people will again regain total control of our destiny.

Because small town weekly papers are so much closer to their readers than the daily papers that can rely on wire copy, our job is much more difficult.

Our news is felt by everyone who reads the Courier. It's not something far away and irrevelant. If we don't do our job you know it. And, in time, our town and the democratic "ideal" will suffer for it.

* * *

WE'LL DO our best to live up to this trust,not only next week, but every week. If you think we could do better let us know. If you like what we're doing, we would also like to hear from you.

Let's Get Behind Chamber's Chief

NEW IDEAS, pursued with enthusiasm and, perhaps, a dash of daring, are bound to unnerve a few people who find it easier to cling to the tried—but seldom proved way of doing things.

For this reason, we suspect the Charlevoix Chamber of Commerce's new Secretary-Manager, Dean Davenport, is bound to run into some opposition.

* * *

THE COURIER hears reports that Dean has a reputation as a hard working, aggressive, far sighted person with plenty of fresh ideas. Evidently the majority of Chamber directors realize this is the kind of persan Charlevoix needs to head the organization, or they wouldn't have selected him.

Support from Chamber directors isn't enough, though. Davenport will need everyone's cooperation. There is no one in Charlevoix and Charlevoix County who doesn't, at least indirectly benefit from the promotional work of the Chamber.

So let's help Dean do the job that must be done if we're going to get the share of tourist and off-season business Charlevoix deserves.

* * *

BUT LET'S not forget, Chamber members have the biggest stake in the community. They are the ones who profit. Consequently they have a responsibility to the community. Some of the profits should, in one way, or another, come back to the community. If they don't there will be darn slim pickings.

If things don't work out under the Chamber's new chief, that will be plenty of time to gripe. But let's get behind him now.

OUR READERS Write

Courier Ads Good Investment

Local newspapers, such as the Courier, are a "home and family" affair. They are read by people who are doing nothing else at the time. House wives do not read while ironing and few newspapers are read on a tractor in the middle of the field.

More than any other single-group, farmers judge people by what they DO rather than by what they say. Printed words and advertisements are checked closely to see how well they hold up when interpreted into action. WHO wrote the ad? Where was it printed? What about these people?

* * *

FARMERS ARE quick to spot a false note. They can pick out the fast operator and shoddy merchandise in seconds. Yet they are good customers and rely on advertising to tell them about new ways to improve their farms or their standard of living.

"There are a lot of tools I'd like to own, but they aren't made yet!" one progressive farmer said recently. He will continue searching for these tools in the pages of this paper. When he finds them—as he eventually will—he will know how much to expect from them for the price he pays, in large part because of the evidence he has gleaned about how the Courier operates within the framework of his community.

If the Courier is recognized for what it is—a community investor—partner and salesman for a better future, there is no question of acceptance. When the local paper is an obvious voice in the community, in harmony with it, this "proof of performance" extends to what it prints. The old assumption that advertisements benefit only the advertiser, or the paper that carries the ad, dies.

Farmers and all other subscribers who so obviously benefit from responsible advertising will have killed it.

TO THE EDITOR:
Dear Shep:

Congratulations! I am pleased that you are going to be back in Region II.

You can be assured that I will make every effort to get to Charlevoix some time after you take over on Sept. 30 to discuss news possibilities in the area. Should you find that I can be of any assistance prior to the time when we get together, please do not hesitate to let me know.

With kindest personal regards.

To The Editor:

A Word or Remembrance—

George Ely was a man whom we will all remember with respect. An ancient philosopher said "Liking is transitory, but Respect is eternal". George was respected by all who knew him. He was a man of integrity—and integrity is becoming a rare quality.

He had lived a long and useful life. Not many men are privileged to continue to be of service to the world and to their fellow man for three quarters of a century. He served his country with distinction and credit. He served his profession well and competently. He served his God with faith and humility.

* * *

WE WHO KNEW him best did not always agree with him, but we respected his wisdom, his knowledge and his competency. He was always dependable. Even though he might not like the assignment, nor relish the task, he never wavered from duty nor from decision.

An almost fatal coronary attack in 1952 to dim his desire to be of service to his fellow man. He was busier in his "retirement" than he had been when working. We owe him a great deal in our church and in the community. He was unselfish in his work for the church. When the church needed representation, he was always willing to drive great distance and compile accurate reports of his mission. We profited many times from his representation of the church at the Association and at State Conference.

The passing of a man like George always causes us to reflect on the values of men in the world. We might explain his passing by saying that he was needed for higher service in the kingdom of God. We might say that we had benefitted from more of his services than we deserved. Either line of thought leads us inevently to the conclusion that we should be thankful that he was with us. Neither can lessen our sense of loss at his passing.

Alfred Lord Tennyson must had George in mind when he wrote:

TWILIGHT AND Evening Star,
and one clear call for me, And may there be no moaning at the bar, when I put out to sea.

George went his way as he had lived and as he would most have wanted to go-quickly, quietly, without trouble to others nor any break in the quiet dignity he carried so well.

We cannot replace him, nor forget him. The loss is permanent, and the memory will remain untarnished.

Ironton Congregational Church

TO THE EDITOR:
Dear Shep:

I just finished reading your last Enterprise-Roman column and noticed that you have a new assignment.

We greatly appreciated the excellent cooperation we received from you while at the Enterprise-Roman and wish you every success in your new venture. We know that you are now located near the out-of- doors that you like so much and hope that you find many good hunting and fishing sites.

Sincerely,
JOHN K. STERLING, Jr.

Odds .. 'N' .. Ends

By FRAN MARTIN

(NOTE: About the first thing people asked us when we came to the Courier was, "When are you going to get Fran's column back?" Here's the answer. Hope you enjoy it as much as we do.—Ed.)

* * *

Hello . . . It's been a long time but I hope that those of you who once knew me will permit me to return to your mailbox every week and that those of you who are new to the Courier mailing list will be kind enought to take a second look at "Odds 'n' ends" . . . .

As in the past, I'll be entirely dependent on you for tidbits for this column . . . little things that aren't big enough for a news story but interesting enough to share with the readers of the Courier . . . maybe an unusual experience, news from an old friend of Charlevoix, something cute and clever . . . . you know what I mean . . . Just give me a ring at my number, LI 7-6633 and I'll be ever so grateful . . . OK?

WHERE DO WE start? How A charge of simple larceny about a comment on the World Series . . . . Having been a National League fan for years with a though dislike for the Yanks, I was thrilled to pieces when the Dodgers came through . . . and in four straight, too! . . . How about those early odds that the bettors out Vegas way were posting before the series started?

Hope you've been enjoying the Injun summer that brought visitors to northern Michigan by the carloads over the weekend . . . Understand everything was filled up . . . just like mid-summer . . . There certainly were a lot of nonnatives on the street Saturday and traffic sure was heavy . . . Balmy weather, a blaze of color intermingled with the gay yellows and the maroon of the oak . . . it's a sight to behold . . . Just wish that our summer friends who love Charlevoix so much during July and August could see the north country now . . . I'm sure they'd become autumn residents, too . . . And speaking of Injun summer, I don't remember any 'squaw winter' and, according to Jake White, you can't have real Indian summer without that . . . There's even some people around who are hoping this lasts til Christmas . . . or even all winter . . . but that's asking too much . . . Anyway, what would happen at all the ski resorts.

THE HUNTERS, however, are mots unhappy . . 'cause who can't see a 'pat' or a deer with all the foliage on the trees . . .

But winter can't be too far off as you know if you've been watching the sky . . . flocks of wild geese and ducks have been going over for more than two weeks and the Northern Lights, a sure sign of cold weather, according to many, were seco seampering aeross the sky one night recently . . .I didn't happen to see them but a certain local photographer did . . Seems he's always wanted to see what kind of a picture he could get so when he saw them he grabbed his camera and tripod, dashed out on Mercer Blvd. away from the street lights, opened the lens for a time exposure (for 15 seconds) and hoped for the best . . . which was just what he got . . . a most amazing set of pictures . . . maybe next time, now that he knows what he can get, he'll try it in color . . and you know what beautiful shots Bob Miles gets in color for his posteards can be found all over the place . . . .

Was so surprised one day last week to find the picture of a former local resident looking out of the fashion pages of a daily paper . . . . but there she was, lovelier than ever, modeling for a benefit fashion show in Grand Rapids, one of Charlevoix's former Venetian Queens, Joanie Ward, now Mrs. Harry Goldberg of Grand Rapids . . . still very much a queen . . . Her parents, the Bernie Wards, are bursting with pride.

Happened to notice this little gem in a much-read 'advice' column which appears regularly in metropolitan dailies . . . "The best way to make a mountain out of a mole hill is to keep adding dirt" . . . I hope all of you aren't mountain-builders . . . life's too short for that . . .

And don't forget . . . if you've any little thing I can use here, give me a ting-a-ling . . . I'll be ever so grateful . . and if you have any news at all . . if you're going on a trip, heading south with the birds, entertaining guests, throwing a party . . just anything at all you'd like to share, just call LI 7-6633.

If you ask people who drive New FINANCED Cars...

. . . approximately 50% of them will tell you they financed through a full-service bank. Like ours. How come? No red tape; convenient terms; *low* loan cost.

Class Loads Reduced

'Not Utopia,' But Improved

Classroom loads in Charlevoix Public Schools are a "lot better than they were" last year, Supt. Rex Milligan told the Board of Education Monday evening.

A detailed breakdown of the number of children in each elementary teacher's room was presented to board members at their regular meeting.

* * *

"IT'S NOT utopia," Milligan said. However, he added, most teachers are within the 30 maximum students recommended by the North Central Assn., or just over.

According to Milligan's report, the two largest rooms in the elementary school are a first grade class taught by Louise Kowbel and a fifth grade class taught by Carolyn Klooster. Both have 34 students.

Milligan told the Courier there is one classroom in the school system — at the Elementary School—that is not being used. All High School rooms are in use, he pointed out.

* * *

HIGH SCHOOL teaching loads are reasonable, Milligan stated. He added that several English classes are nearing the over-loaded point.

Parents Set Goal For Band

The Charlevoix Band Parents Association met Wednesday evening for its initial meeting of the current school year, president Clifford G. Riley reports.

Projects for the year, a goal to underwrite them and fund-raising events to raise the funds were established at this meeting following an appraisal of the needs by C. A. Odmark, band director.

* * *

THE GROUP adopted as its goal for the year approximately $1,000 which will be used to underwrite the cost of housing for the band and ensembles as well as medals and plaques they might win, scholarships to the National Music Camp at Interlochen and the Band Twirlers Camp at Alma College.

The first fund raising project will be a dinner scheduled for Nov. 7. The annual candy sale was discussed and the tentative starting date for the annual sale was set at March 25 with Murdick's Candy Kitchen again supplying the candy.

The association also pledged support to the band concerts to be held Nov. 15 and March 25.

THE NEXT meeting of the association was set for Dec. 4.

Other officers of the association whose membership is composed of parents of youngsters who are participating in the Charlevoix junior-senior high school band program are: vice president, Mrs. Clarence Smith; secretary, Mrs. Harry Pearsall and treasurer, Mrs. Joseph Stutzman.

Mrs. Igma Pontius attended the recent meeting of the Charlevoix Area Chapter of the Hammond Organ Society, in addition to the guests and members reported in last week's Courier.

Charlevoix Dropout Rates Below Average

Dr. William O. Ratigan Monday evening told Board of Education members Charlevoix Public Schools have one of northern Michigan's outstanding counseling programs.

According to Dr. Ratigan's report to the board, approximately 33 per cent of Charlevoix High School graduates go on to four year colleges and 67 percent continue in some kind of higher education.

* * *

CHARLEVOIX High School's dropout rate is between 2 and 3 percent, compared to as high as 25 percent in some schools, he told board members at their regular meeting in the high school.

Dr. Ratigan appeared on the board's agenda as part of its program to hear from staff members at meetings.

Board members spent nearly an hour listening to Dr. Ratigan and asking him questions. He presented outlines of the counseling office's work, its objectives and aptitude testing program.

The program, he pointed out, starts in the kindergarten when teachers begin keeping a record of a child's interests and abilities.

* * *

AMONG OTHER highlights of Charlevoix's counseling operation are administering a wide series of tests to help students understand their own abilities and interests, Dr. Ratigan explained.

In addition to the usual guidance tests, the Air Force, Navy and National Employment Security Commission tests are given here.

"We have to be concerned about the larger number of students—70 percent, or so—who won't go to college," Dr. Ratigan told the board.

Mrs. Lawrence Bergmann returned home Sunday from a weekend visit with relatives in Grand Rapids.

Ladd Garden Wins Plaque

Ladd Garden 2-24 N

The garden of Mr. and Mrs. Harry Ladd of 714 Park Ave. has received the Garden Club plaque for the balance of the season.

The Ladd garden was selected for its outstanding vegetables and flowers, club members report. The Ladd's were cited for their use of fertilizer, cultivation, spacing and harvesting.

* * *

MRS. ROSS Alexander, one of the club's judges, reports several other gardens in the area are deserving of the award and may receive it next year, when the program will be continued.

Garden Club judges were Mrs. James Taylor, Mrs. Allen Campbell and Mrs. Alexander.

20 Pound Pike Landed

Three Charlevoix sportsmen returned from Canada with cow moose steaks and tales of 30 pound pike that "got away."

Irv Drost shot the moose near Jellico where he, Gordon Neff and Leon Pease were hunting.

NEFF REPORTS the trio saw five moose. They could all have filled up, but restrained from shooting in hopes of seeing a trophy bull, he explains.

They flew in 60 miles to the Little Pic River where they hunted and fished.

Several pike, weighing up to 20 pounds, were landed, Neff pointed out. However, a couple that "must have gone 30 pounds!" broke their heavy casting tackle.

* * *

THE GROUP did not hire a guide.

LEON PEASE holds some of the big pike he, Gordon Neff and Irv Drost caught on their moose hunting expedition to Canada.

Mr. and Mrs. Grant Hastings drove their daughter, Mrs. Thomas Newhouse to Denver, Colorado last Wednesday. Mr. Newhouse is stationed at Denver. Mr. and Mrs. Hastings returned to Grand Rapids by jet plane Sunday. Mrs. Hastings will remain in Grand Rapids for a few days.

Gillam Kiwanis President

Ralph Gillam was elected president of the Charlevoix Kiwanis club for the 1964 club year at the annual election of officers Monday night.

Robert Richards was elected president-elect of the business session which followed the dinner meeting at the high school cafeteria. John Uhrick was named vice president and Fred Willis, Russell Mieras and John Schmidt were elected to three year terms on the board of directors.

* * *

BARNEY Englehart will be the retiring president.

Other members of the board of directors are Kit Carson, Edward K. Shanahan, Robert S. Hamilton and Leonard Burns.

New officers will be installed early in January.

Next week's meeting will feature the appearance of the only charter member of Kiwanis International, Harry Young of Detroit. This will also be a ladies' night program.

* * *

A LENGTHY discussion of the funds in the Youth Foundation account followed the election. Many suggestions were offered but none were approved. The issue has been referred to the board of directors for a decision.

At Monday's meeting an 11-year perfect attendance pin was presented to J. Lawrence Feindt and Leon Corwin, new owner of the Silver Birches motel was inducted as a member. Guests were Norman Gibson and Elliott Carter of Petoskey.

Miss Annie Kruis of Grand Rapids visited relatives and went fishing here, her cousin Kathryn Timmer returned with her for a week's vacation.

campaign will reach its goal if these volunteers finish their work.

The Chest Drive chairmen announced total collections of $10,786.99 on Monday. This is 93.7 percent of the goal of $11,511.

* * *

"THE FACT that 93.7 percent of our goal actually was raised in the three weeks is proof of the generosity of the people in this community and the enthusiasm of the 140 volunteer workers involved in this campaign," Lachman said.

Lachman stated a complete report will be made as soon as campaign workers complete their calls.

Attending Monday's meeting were Mrs. Donald DeMoor, residential chairman; Mrs. Tom Wieland, outlying areas co-chairman; Mrs. Charles Duerr, executive secretary; Don Anders, professional division chairman; Robert Biggs, industrial chairman; Frank Bourgoin, retail chairman and Lachman.

Well, the Courier is going to look like this. So we've got a special package deal. A 50 year subscription to the Courier will only cost you a hundred bucks. You save $50, and probably more at the rate costs are going up. Get yours now!

—●—

OUR LANDLADY, Mrs. Clarence (Mildred) Coblenz of 209 Antrim (where I stayed until Mrs. Shep came up last weekend) admitted the Courier looks different.

Earlier in the week she said something about not seeing "any change in the paper." She was good enough to tell us she saw the change later in the week.

Incidentally, even without her red hair, Mrs. Coblenz would be quite a gal.

Last week she put in an entirely new concrete walk from her garage to house. She even mixed and poured the cement.

—●—

REV. A. ROBERT Harrison was in with the copy for his regular weekly ad for the First Congregational Church.

He was telling us Charlevoix people don't like to leave home. "You can't blame them, it's a beautiful town," he explained.

Almost too beautiful, we might add. A man could get so involved in just looking he would forget to get out a newspaper.

—●—

WHICH BRINGS as around to a subject we meant to discuss when this paper went in the typewriter, but forgot.

DEADLINES!

We must have your help. One person commented last week that the "Courier actually looked like it was planned." This was something new to her.

However, unless you bring your news in immediately after it happens we just can't get it all in and give it the treatment it deserves.

It takes time to lay out a story, write the head for it, get the type set, get the type in the page, then proof read it and reproof read it, then put it on a press and print it.

If we have to do all this at once, the Courier—or any other newspaper—can only be a hodge podge of sloppy heads, printing errors, and left out stories.

If, on the other hand, you will get your coming events items for the "What Our Readers Are Doing This Week" column, your bowling scores, your letters to the editor, and other news in before Friday noon, there will be room and time to handle things that develop later.

When you don't help us on these deadlines even our new and greatly improved printing facilities cannot handle everything at once. So we're back where we started.

—●—

MRS. THOMAS WIELAND came across with a good one Saturday afternoon.

Fran Martin, Mrs. Wieland and Mrs. Charles Duerr were visiting in front of the Courier office. A magnificent yellow sail boat was lolling around in Round Lake.

"Isn't that 'My Dream'," Fran asked on my inquiry about the boat.

"I think that's a lot of people's dream," Mrs. Wieland observed. So right.

Ellsworth Spotlight

Mrs. John Oosterbaan

Our school teachers attended the Teachers convention at Cheboygan Thursday and Friday.

The Junior Class, under the sponsorship of Mrs. Sivits utilized these days to increase their bank account. They made almost $100 picking up potatoes and $70 at the Bake Sale and car wash.

City Approves M-66 Relocation

Put Airport Manager On Two-Year Contract

The Michigan State Highway Department's plans for the re-location of M-66 from Mickersham's corner to US 31 east of State-st., were approved by the city council at its regular meeting Monday.

Earlier, a representative of the Department had appeared before the council to outline the plans which include the complete re-location of the highway from a curve south of the American Mold Engineering Co. property, across the C & O railroad tracks, the Mathews' property, between Brookside and St. Mary's cemetery, over Stover road, the golf driving range and the Gulf service station property to US 31 east of State-st.

* * *

The council also gave its permission to the highway department to acquire privately-owned property for use in the re-location project. The possibility of trading city-owned property with the highway department was discussed, but no decision reached.

A communication from the Michigan Aeronautics Department informed the council that the present arrangement of the appointment of an airport manager did not have its approval and that the city must enter into a written agreement with the manager. It was decided to enter into a two-year agreement with Joseph McPhillips, present manager.

The re-zoning of Lots 53, 54 and 55 of the Mason Second Addition located at the junction of US 31 and M-66 at the corner of Bridge-st. and Garfield-ave., was approved. The property presently owned by Mrs. Helen Manzy, the Alfred Scheids and the Leo Allards was re-zoned from Residential District II to Commercial District I at the request of the owners.

* * *

The installation of mercury vapor light bulbs in existing street lights on State-st. from Park-ave. to Antrim-st., was approved. It was also decided to place new mercury vapor lights at the intersections of Michigan and Dixon and at Bridge-st. and Hurlbut-ave.

Howell Parsell appeared before the council to offer $500 for a piece of city-owned property on Division-ave., at the former site of the second tee of the municipal golf course. The property, 148 ft. by 101 ft. in size, is located north of the former Curtis property on Petoskey-ave. now owned by Parsell. The offer was referred to the city attorney, John Michael.

City Supt. James Taylor reported that $10,000 had been spent this year on the prime and triple sealing of city streets, the launching ramp and the new Mason-st. parking lot.

Bills totaling $38,667.93 were approved and ordered paid. This includes a Social Security payment totaling $5,255.12; $13,470.63 to Consumers Power Co. for bulk power purchased for resale; $4,256.82, water accounts purchased; $1,823.55, sewage accounts purchased; $1,516.98, city used utilities, and $6,354.75, payroll.

Charlevoix Civil Defense Chief Dies

JV's Win

A conversion point scored by Steve Smith on n line plunge gave the Charlevoix J-V's the victory margin in their game with the East Jordan Reserves Tuesday night.

An 80 yard run by Steve Bourgoin and a pass interception by Neil Cross who then went 20 yards to score accounted for the Rayder scoring plays.

A blocked punt which rolled into the end zone where two East Jordan players pounced on it and a 65 yard run by Dale Reich gave East Jordan 12 points. Both conversion attempts were halted by the Rayder line.

Charles Valier Dies in Missouri

News of the unexpected death of a prominent Belvedere club resident, Charles Valier, 80, has been received here.

Mr. Valier died Thursday at Barnes Hospital in St. Louis, Mo., following a brief illness.

FUNERAL services were held Saturday with burial in a St. Louis cemetery.

Mr. Valier had been a resident of the Belvedere Club since 1924 and had been active in the club activities, having served on the board of directors and on various committees. In recent years the family had spent the summers here and the winters at Palm Beach, Fla., stopping enroute to and from here at their St. Louis home.

He is survived by his wife, Rose; two sons, Charles and Biron and a daughter, Mrs. Rose Barnes, all of St. Louis and five grandchildren.

HOT 'N HEAVY The action was furious last Friday as the Charlevoix Rayders fought it out with Grayling. However, Rayder fans expect play to be even faster and harder this Friday when the Charlevoix gridders host the Boyne City crowd on the high school field here.

DUMP VIKINGS 23-6

Rayders to Play Boyne

In a hard-fought game, which saw the Grayling Vikings lead the visiting Charlevoix Rayders 6-0 early in the game, the Rayders took to the air for their second victory of the season, winning 23-6.

This week the Rayders will host the first place Boyne City Ramblers who are fast shaping up into a rugged outfit with their sights on the title now held by Charlevoix.

* * *

THESE OLD rivals will be meeting each other this week without having clashed with a mutual opponent making it difficult to compare the two squads.

The Ramblers have a 3-0 record with wins over Mancelona, Gaylord and Pellston. Charlevoix has a 2-1 record with wins over Harbor Springs (27-19) and Grayling (23-6) and a 12-6 loss to East Jordan.

On the face of current standings, the Ramblers will be favored but in this game anything can happen. If the Rayders are at full strength and play the kind of ball they showed against Harbor Springs, they might well topple their old adversary from the ranks of the undefeated.

* * *

IN THEIR game at Grayling last week, the Rayders got off to a slow start, but after the first period started to drive and came through to win.

Charlevoix's Larry Edwards kicked off to the Vikings who fumbled before they could pick up much yardage.

The Rayder offense failed to click and they were forced to punt. Grayling fumbled on the first play from scrimmage, losing 10 yards-it failed to pick up and again were forced to punt.

Charlevoix didn't do any better and punted with Grayling taking over on its own 40 where the march started that carried to the Rayder 30. A pass from Jim Young to Bill Joseph paid off for the Vikings as they went to pay dirt. The attempted pass for the conversion was incomplete and the score stood at 6-0.

The quarter ended with Charlevoix in possession of the ball on the Viking 34.

A PASS FROM Del Terrill to Bruce Kroken picked up 24 yards but a penalty on the Rayders moved the ball back to the 30 where another pass, this one to Brenden LaBlance put the ball on the Grayling 14. On the next play Terrill pitched to Kroken for the scoring play. Edwards converted on a boot to put Charlevoix ahead for the first time with three minutes gone in the period.

The Vikings controlled the ball a major part of the second period, moving to the Rayder 19 before the Charlevoix defense tightened and forced Grayling to give up the ball on downs. An exchange of fumbles on the next two plays moved the ball to the 29 but the offense bogged down and Charlevoix was forced to punt, giving Grayling the ball on the Rayder 36 at the halfway mark.

Charlevoix took the kickoff on the 36 to open the second half. Two running plays with Dave Smith carrying gave the Rayders a first down on the 47. A pass from Terrill to Jack Stockwell moved the Rayders well into Grayling territory on the 33 from where Smith broke away to score. Edward's kick was good as the Rayders went ahead 14-6.

THE VIKINGS took the kickoff, failed to pick up yardage and punted to the nine where the Rayders took over. They picked up a first down on the 23 and seemed well on their way until set back to the 20 on a major penalty. With Charlevoix forced to punt, Grayling took the ball and moved to the Rayders 42 as the quarter ended.

On the first play of the final period Grayling fumbled, Charlevoix recovered, picked up a first down on the Vikings 39 but was forced to punt with Grayling taking over on the 12.

On the next play, Grayling fumbled again with Charlevoix recovering. The Viking line held and Charlevoix lost the ball on downs.

On the first play from scrimmage, the Grayling ball handler was tackled behind the goal line for a safety.

As the seconds ticked off, the game got roughed. Early in the period the Rayders were jarred loose from the ball but recovered their own fumble through losing ground on the play.

Forced to punt, Charlevoix lost the ball to Grayling and two plays later Kroken intercepted a Viking pass.

MAJOR PENALTIES forced the Rayders to punt after failing to gain necessary yardage.

The Vikings, in desperation, took to the air, but the aerial attack failed to click and Charlevoix took the ball on its own 38.

With time running out, Jack Stockwell scampered the distance for the tally. Edwards added the conversion for 23 points.

Charlevoix kicked off but before the Vikings could get organized the final gun sounded.

THIS WEEK IN CLASS 'C'

Rugged Week Due For Loop Leaders

The Charlevoix Rayders will take to the turf this week in the renewal of an old and bitter rivalry with the Boyne City Ramblers to headline loop action for Rayder fans.

Elsewhere Mancelona will entertain the East Jordan Red Devils, Grayling will travel north to Gaylord and Pellston will cross over to Harbor Springs to host the Rams in the Ottawa Indian stadium in a game previously scheduled as an afternoon bout at Pellston.

THE MANCELONA East Jordan game will pit the master against the protege: Mat Jacobson, dean of N.M.C.C.C. coaches, and his former student, West Fleet, now coaching at East Jordan for the third year.

Though Jacobson will no doubt be proud of the job his student has done in building the Jordanites to their present position with more depth and versatility than any other team in the loop, it is doubtful he will let this sentiment stand in the way when he sends his ironmen onto the field Friday. Spearheading the Mancelona attack will be veteran quarterback, Pat Dutcher, a top notch ball handler and field manager and Bill Bushard, whose specialty, to date, has been long runs.

This game will be one of the best of the season and could go either way. But, because of its record, East Jordan must be given a slight edge.

Gaylord and Grayling will be renewing an old rivalry when they they clash this week. While the Blue Devils have plenty of seasoned players they have failed to impress their opponents and, as a result, are tied for third place with Harbor Springs with one win (over Pellston) and two loses.

GRAYLING IS sharing the league cellar with Pellston, but only because they lack a good offensive attack. The Vikings big, rangy and rough, as the Rayders learned last week, and this may be their week to move out of the last place.

Harbor Springs and Pellston have been the big disappoints in the north this season.

Harbor Springs failed to gain momentum despite the fact they touted as real contenders before the season opened. The Hornets were laid low by injuries almost before launching their regular season. At Boyne City they were without Mike Thompson, veteran quarterback, and earlier had lost two other regulars for the season, Jim Carter and Carlton Skilton.

But Harbor Springs does have big George Kilborn and maybe this will be the week that the Rams get back in the win column after defeating Grayling earlier.

LAST WEEK IN CLASS 'C'

Undefeated Hold Edge on Grid Field

Northern Michigan Class C leaders successfully defended their first place standings to headline Friday's action.

The East Jordan Red Devils rolled over the Harbor Springs Rams 27-0 and Boyne City edged Pellston 13-0 to remain undefeated. Mancelona got past Gaylord 18-13 and Charlevoix got back on the victory trail, dumping Grayling 23-6.

* * *

AT HARBOR SPRINGS the Jordanites displayed a versatile bag of tricks as they scored three touchdowns one on a fumble recovered in the end zone and a field goal.

Halfback Don Wilson returned a punt 55 yards early in the game to open the Red Devils scoring attack and early in the second period scored from the seven yard line on a roll out to make the score 12-0. A 30 yard punt return set up the field goal kicked from the 12 yard line by Dan Nachazel for a total of 22 yards.

East Jordan's big Ron McWatters, a guard, got into the scoring act when he fell on the ball in the end zone following a bad pass from center on a Ram play. Tom Galmore scored over center from two yards out to wrap up the victory as the Rams offered no serious opposition.

* * *

AT BOYNE CITY, the Ramblers found the going a bit rough as Pellston held them to one touchdown for a major part of the action.

Bruce Lawson plunged over from two yard line early in the game to put the Ramblers ahead 6-0.

The Pellston defense then seemed to tighten as the Hornets contained the Ramblers until late in the game when Ron Hausler intercepted a Pellston pass and dashed 30 yards to score. Steve Ward converted to make the score 13-0 as time ran out.

Most of the action was confined within the 30 yard lines.

At Mancelona, the story was a bit different as the Gaylord Blue Devils took the lead early in the last period and led the Ironmen until the last five minutes of play.

* * *

WITH BOTH teams playing heads-up ball, Barry Mocke scored midway in the second period on a pass from Pat Dutcher in a play that covered 50 yards. Later in the period, Bill Bushard, on a line play, broke loose for a 70 yard run to make the halftime score 12-0.

As the second half got underway, Jim Johnson went over from the 10 yard line on a bootleg play and then converted for the extra point. Early in the final quarter, Tom Beebe scored from two yards out on a dive play to put the Blue Devils ahead 13-12.

The Gaylord defense held until the five minute mark when Dutcher let loose with a 26 yard pass to Paul Pospech who scored to pull the game out of the fire for the Ironmen.

Bowlers

ATTENTION BOWLERS!

The Courier wants your bowling scores every week. As far as we're concerned, they're news. Important news.

Consequently we are greatly disturbed when, due to our efforts to print a larger more responsible paper, everything comes in at the last minute and some has to be left out.

Quality, not quantity, is our objective. However, we can, and want to, get everything in. But to do it, and maintain any resemblance of quality, we must get things immediately after they happen.

So, bowlers, if you will help by getting your bowling scores to us no later than noon of the day after you bowl, we'll both be happy.

Thank you!

HE COUNTS HIS FRIENDS BY THE DOZEN

Eye Injury Sparks Work-Bee

ELLSWORTH It's a rare person who gets a chance in life to find out who his real friends are. Roy Staudenmeyer is such a man.

And Roy has plenty of friends, who aren't the fair weather variety. He found this out the hard way.

A BANKS Township farmer for the past 12 years, Roy suffered a serious eye injury leaving him at least temporarily blind.

While filling a silo with a self-unloading wagon, a chain broke hitting him across the eyes. Dr. J. VanDellen gave emergency treatment and had Roy rushed to Little Traverse Hospital.

The doctor was called to the Staudenmeyer home when Roy, Jr., 13, heard his dad call out in pain for help from the large silo behind the barn.

Bandages were put over Roy's eyes. When outdoors, or in strong light, he was told to wear dark glasses, similiar to those skiers wear to avoid snow-blindness.

* * *

Roy, of course, appreciated the medical advise. But, meanwhile, his fields needed attention. And, as always, there was mending and improving to do around the barn.

Mrs. Staudenmeyer and young Roy are used to doing everything they can. But they're not quite up to shouldering dad's chores.

Roy had a problem. A big problem. If the crops weren't looked after it could be a lean winter and spring for the Staudenmeyer's.

But the problem disappeared. Friends came to the rescue.

Antrim County Agriculture Agent Walter Kirkpatrick was the rallying point.

Farm and business people for miles around responded. They came from as far as Charlevoix, East Jordan and other points in Charlevoix County.

With them they brought tractors, wagons and—most important—a desire to pitch in and help a friend in need.

By noon 12 wagons were moving in and out of the barnyard area with corn for the two silos. Other men were mending and making new fences, cleaning the barnyard, making fence gates, and doing the numerous things that have to be done on a well-kept farm.

ROY SAT in a lawn chair in the yard behind the house. Dark glasses and bandages hid his eyes. But his face clearly showed the warm glow of appreciation he felt.

The Ellsworth Farm Bureau served dinner with help from the East Jordan Lutheran Church and neighbor ladies and friends. Meat was supplied by Shook's Brothers Economy Market.

Coffee and treats for morning and afternoon breaks came from Smalley's Super Market and John's Health Center.

Kirkpatrick reports another work-bee is planned for an undecided Saturday in the near future. Persons interested in lending a hand should contact Richard Wieland at LU 8 2928 in Ellsworth.

ROY STAUDENMEYER came to the Bank's Township farm 12 years ago. He moved to this area 16 years ago from Chicago where he was born and raised.

He knew farming in northern Michigan would be different. And, evidently, he's liked the difference.

In Chicago few people know everyone who lives on their block. Roy Staudenmeyer, however, seems to know everyone who lives in his neck of the woods. And they just about all seem to be Roy's friends.

HE CAN STILL SMILE Blindness, even if temporary, is a mighty sobering experience for an active man. However, Roy Staudenmeyer, seated, was able to smile last week when dozens of friends turned out to get his farm chores done. Farm left to right are John Wieland, Mrs. Staudenmeyer and Agricultural Agent Walter Kirkpatrick.

"Opportunity doesn't knock these days. It rings the telephone and asks silly questions."

List People at Work-Bee

ELLSWORTH—A list of people who responded to the call for a work-bee at Roy Staudenmeyer's farm last week was compiled by Agricultural Agent Walter (Kirk) Kirkpatrick.

Kirkpatrick told the Courier the list is as near complete as he could make it.

* * *

HOWEVER, there were so many people on hand a few may have neglected to sign their names to the list. Persons he did report at the work-bee are:

Beverley Veliquette, Ed Bradford, Emery Wilson, Carl Conant, Bob Hubbell, Jay Kuiper, Bud Chellis, Jim Rubingh, Conrad Kloosterr, John Wieland, Zell Bricker, Egbert Wynsma, Joseph Len, Jason Snider, Clarence Cary, Donald Hapt, Warren Salveson, Russel Hughes,

Nels Nelson, John Pillotson, Richard Wieland, Jerry Geurink, Martin Rubingh, Fred Boxss, Ewald Redmer, Grace Redmer, Pearl Staudenmeyer, David Matchett, Fed Gibbs, Arthur Drenth, Ed Petter, Gordon McPherson, Gerrit George Drenth, Irving Addis, Tom Wieland, Clarence Boss, Lynn Carpenter and Ray Wieland.

FILL STAUDENMEYER SILO—Among friends and neighbors who turned out to shoulder temporarily blinded Roy Staudenmeyer's farm chores last week were, left to right, Egbert Wynsma, Ed Petter, Dave Matchett, Rev. Fred Gibbs of the Pilgrim Holiness Church, Clarance Cary and Robert Hubbell. Wagon continually rolled into the yard from the fields to fill the huge silo. This is the silo Staudenmeyer was working at when a chain hit him across the eyes.

Compact families, if you've grown larger... Dart's for you

Something new in compacts! Family-size room. Family-size fun. Dart is a fresh new compact in the large economy size.

Dart's a little bigger outside, a lot roomier and more comfortable inside. A bigger engine under the hood, a lot more fun on the open road. And bringing up the rear? A whopping trunk with more usable luggage space than many full-size cars.

Yet Dart is a compact. You can tell by the great gas mileage. By the way it slips into skimpy parking spaces. And by its small compact price. In short, few compacts cost less than Dart. Not one gives you so much for the money. So head for your Dodge dealer and try Dart on your family for size. Three series, nine new models. With each, you get a 5-year/50,000-mile warranty.*

*THE DEPENDABLES' 5-YEAR 50,000-MILE WARRANTY—Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (II) the car's then current mileage.

'64 Jet-smooth Luxury CHEVROLET

'64 Chevrolet Impala Sport Sedan

Besides looks, ride and power—what's so special about it?

(it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice of four smooth transmissions to go with them.

And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

THE BIG SHOT labor and management people from downstate might learn a whale of a lot if they would stop in and visit for a few minutes with Hal Hill at American Mold.

After just a few minutes at American Mold you get to wondering how the union chiefs and management executives can be so blind so long.

Though people get to thinking their situation is unique and they, personally, are different, if you've tramped enough of the globe, and poked your nose in enough places you learn it isn't so.

People are people' no' matter where you go in civilized countries. Every community has so many rotten apples, so many philanthropists, and an overdose of people who just follow the easiest rut.

But give folks a fair shake and they will give you one in return.

Labor troubles inevitably seem to develop when the boss figures he will "get everything" he can from the employees, and the union aims to back management into a corner and drain it of all it can get.

American Mold's employees and bosses seem to have a wonderful spirit for each trusting the other and doing their best for them, with confidence they'll get the same in return.

Three cheers for everybody at American Mold!

SNAKE DANCE AT 7 p.m.

Homecoming Launched at CHS Tonight

Charlevoix's homecoming queen, Judy Walker, receives her crown at coronation ceremonies on Kipke field tonight (Thursday) after the traditional snake dance and bonfire beginning at 7 p.m.

Judy, a Charlevoix High School senior, will reign over the two-day event, featuring a parade at 3:30 p.m. Friday, the homecoming game between Charlevoix and Pellston at 8 p.m. and concluding with a dance in the Elementary School gym.

* * *

DEAN DAVENPORT, Chamber of Commerce secretary - manager, will be master of ceremonies at the coronation ceremony.

Leonard Staley, assistant football coach, will speak for the coaching staff. Jack Stockwell and David Smith will represent the football players.

Music for the pep rally and coronation will be by the Charlevoix High School Band directed by C. A. Odmark.

Judy will receive her crown from 1962 homecoming queen, Martha Coleman. In attendance will be the members of her court, Terry Nielsen, Diane Phelps, Mary Harrison and Teri Freedman.

The snake dance, launching the festivities, forms at the Elementary School on Mason at 7 p.m. and continues to Kipke field for the bonfire. The coronation will follow.

Rev. Kohn Back in Courier

Rev. Harold E. Kohn's religious column, one of Charlevoix's best known contributions to the nation, begins appearing in the Courier again this week.

"A Lift for Living," Rev. Kohn's nationally syndicated column, starts on the Editorial page.

The Courier made arrangements to renew the column through General Features Corp. of New York City. The syndicate distributes Rev. Kohn's column to metropolitan dailies throughout the country for Sunday publication.

Though the column is aimed at large daily newspapers, the Courier made arrangements through Rev. Kohn and the syndicate, after a long distance telephone conversation, to begin running it again.

Syndicate officials pointed out such an arrangement with a weekly newspaper was irregular, but because Charlevoix is Rev. Kohn's "hometown" an agreement was reached.

The Courier is paying General Features Corp. for the column.

Also Tell Of Plush Resort Probably Has Longest Dock

Details of two major additions to Charlevoix's vacation attractions were announced this week.

Both were heralded by the Chamber of Commerce as important newcomers to "growing Charlevoix."

* * *

THE FIRST WAS a telegram from U.S. Senators Philip Hart and Patrick McNamara announcing $4,500 in federal Accelerated Public Works money has been allocated for construction of primitive camp sites along Lake Michigan southwest of town.

The second was unveling of I. T. Quarnstrom's full plans for his now-under-construction "Waters Edge" resort on Lake Charlevoix, behind the American Mold plant.

Clarence Rabach, Charlevoix Township supervisor, said the federal grant means development of a lake shore campground in the Pigeon River State Forest rivaling in beauty any in Michigan.

Rabach, who has been seeking support for the camp site program for a decade, contends the project will result in a major increase in summer income to Charlevoix.

* * *

HAL HILL, Quarnstrom's representative in Charlevoix, released details of the "Waters Edge" resort.

Built along 1,400 feet of former swamp on Lake Charlevoix, the resort will have from eight to ten luxurious cottages. Two of them are completed.

Legislator Outlines Romney's Plan Here

Gov. George Romney's tax plan was in the spotlight Monday at the opening day of the Charlevoix County Board of Supervisors annual fall meeting.

State Representative Don Gordon (Rep.) addressed the county legislative board on the fiscal reform program now being studied in Lansing.

* * *

GORDON EXPLAINED the tax bills that are before the legislature and answered questions from Supervisors.

"I figure if you're working for somebody you should know what they want," Gordon told the Courier.

He said he could not commit himself to support or oppose the tax bills until they are out of committee and debate is completed.

According to the Leland newspaperman turned politician, it is impossible to tell what the tax proposals will be when they are finally ready for a vote in the House of Representatives.

* * *

"I AM NOT IN FAVOR of an income tax by itself, but if it is part of a whole program I may support it," Gordon said. "I hope to support as much of the program as I can," he added.

"I have introduced a bill to put a ceiling on the income tax," he said.

One of the 66 bills on tax reform before the legislature deals with setting up a state-wide program for training local assessors, Gordon pointed out.

All township and city assessors, if the bill goes through, would have to take a standard course. This, he contends, would result in all assessors working on the same formula. If persons could not pass

JAMES GALLAGHER
CC Dinner Speaker

Gallagher CC Meet Speaker

The full program for the Chamber of Commerce's third annual dinner meeting was announced this week by Secretary-Manager Dean Davenport.

For the first time, a local person will highlight the program, Davenport declared. Featured speaker will be James Gallagher of the Beaver Island Boat Co.

* * *

THE ANNUAL meeting will be held at the Argonne, Monday, Oct. 28, starting at 6:30 p.m. The public is invited and can purchase tickets for $2.50 from any Chamber member.

Other attractions on the program include invocation by Fr. Denay; opening remarks by Robert Hamilton, president; the secretary's report by Davenport, and movies of the Venetian Festival taken by David Banks and shown by Al Bevan.

Mrs. Pearl Dies

Mrs. Robert O. (Edythe) Pearl, 39, mother of two daughters, died Wednesday morning at Charlevoix Hospital. Persons should contact the Winchester Funeral Home for information on arrangements, which were not completed at press time.

Chamber Gets Reply on Tour

The Michigan Tourist Council has replied to last week's Chamber of Commerce complaint that Charlevoix was not included in the "Autumn Color Tour Guide", Secretary - Manager Dean Davenport reports.

Davenport gave the Courier a copy of a letter to the Chamber from William T. McGraw, Tourist Council director. The letter read, in part:

"YOU ARE QUITE right that some areas of the state have indicated they feel 'slighted' because they were not included . . . We certainly recognize Charlevoix's natural beauty and I am certain that your area will be represented in one of the future annual revisions of the Autumn Color Tour Guide . . . Of course every area of the state cannot be covered every year . . ."

Davenport stated he feels the Chamber's letter to McGraw, and the story in the Courier did a lot of good. "It even made local people more aware of the color," he remarked.

Chest Tops Goal

LATE REPORT MAKES IT $12,173

The Charlevoix Community Chest topped its $11,511 by more than $600. Chest Drive leaders reported late last week.

Early last week campaign workers announced they were $700 short of their goal on the Oct. 7 deadline. Just three days later this report was revised to show the $600 surplus.

* * *

COMMUNITY CHEST executive secretary Mrs. Charles Duerr explained campaign workers, on reading the Courier story last week, rallied to complete their calls, and push the campaign over its goal.

Charlevoix is the first community in northern Michigan, and perhaps in the state, to report successful completion of its Community Chest Campaign. John Lachman, chairman, pointed out.

Lachman expressed thanks to the 133 volunteers who took part ing the campaign, and the families—almost everyone in Charlevoix—who contributed.

* * *

THE AMOUNT OF money collected by a division or individual does not, necessarily, reflect the amount of work involved, Lachman declared. A successful campaign, he explained, depends on a lot of small contributions, as well as a few large ones.

Community Chest Board President Don Anders announced that if there is a surplus in the 1963 Chest Drive treasury, due to its going "over the top," it will be applied to the 1964 budget. He also expressed his appreciation to the volunteer workers and contributors.

Total Community Chest collections reported by the committee on Oct. 10 were $12,173.53. A breakdown of each division's collections follows:

Special Gifts, $3,300; Commercial, $2,323.50; Industrial, $2,352; Professional, $1,311; Residential, $1,821.52; Outlying Areas, $1,045.51.

A DETAILED list of volunteer workers in each division was released by Mrs. Duerr:

Special Gifts Division— Robert Bridge, and Archie Livingston, co-chairmen, and Charles Duerr.

Commercial Division — Frank Bourgeau, chairman; Mrs. Robert

Beached Barge is Floated

The barge that was beached on Beaver Island last week with a load of nearly 500 tons of stone, floated under the bridge and into Round Lake Tuesday morning.

Being hauled by the Mackinac Islander, the barge was taken to the "Water's Edge" resort development on Lake Charlevoix, behind American Mold, where the stone cargo was consigned to its original destination.

THE STONE IS being used to fill a 106-foot long, 9-foot wide, "T" at the end of the resort's dock.

The barge was deliberately beached on Beaver Island last week when it started to sink in the open lake while being hauled by the Mackinac Islander.

Hal Hill, spokesman for the resort developer, explained the barge floated after being emptied of water and some of its load. Part of the stone was transferred to the Mackinac Islander, and brought into Charlevoix.

The rest will be brought in later, he said.

Plug Charlevoix

Charlevoix County Leonard Refineries dealers this week pointed out the company's September-October "Going Places in Michigan" guide mentions fall color tour attractions in Charlevoix.

"From Manistique, M-66 runs north to Charlevoix through hardwood forests that are ablaze. You can take the Ironton Ferry across the lower arm of Lake Charlevoix . . ." the guide tells travelers.

Birds Abound On Beavers

ST. JAMES, B.I. — Local sportsmen looking for topnotch weekend shooting are advised to visit Beaver Island by Vernon Fitzpatrick.

Fitzpatrick, the Island's conservation department officer, reports hunting on the Beavers is "better than ever" this year.

* * *

ACCORDING TO his report hunters are flushing from seven to eight grouse an hour. There are, he adds, plenty of woodcock, ducks, geese, rabbits and squirrels.

"This is our heaviest year yet for birds," Fitzpatrick told the Courier. Three archers already have their deer, he reports.

He said enough of the foliage should be down by this weekend to make shooting pay off.

nearly completed at the resort.

* * *

THE RESORT'S plushness is emphasized in the almost carpet-like effect Kentucky Blue grass gives its lawns.

Guests at Quarnstrom's Whitter Hotel in Detroit are expected to fly to Charlevoix to stay at "Waters Edge" during all seasons of the year, Hill pointed out.

Boyer Rasmussen, district Conservation Dept. forester from Gaylord, told the Courier the $4,-500 federal grant will be matched by funds from Lansing.

Tentative plans call for developing 25 campsites in the area, but if the entire $9,000 comes through, Rasmussen said a "lot more" will be constructed.

* * *

THERE ARE already nine campsites at Bells Bay. These were developed by the township, city and Conservation Dept. The city and township recently completed a well at the campground.

Rabach said he hopes to see the entire 14 miles of state-owned lake frontage developed into primitive campsites. He speculated that when people get to know it is there, it will get "a lot of use."

He declared the campground will be the only one of any size along the lake between Traverse City and Mackinac. And, because it is "primitive" it will attract campers who do not use the highly developed state parks.

* * *

THE NINE CAMP sites now at Bell's Bay were full most days this summer, and several times people had to be turned away, Rabach explained.

These campers, he asserted, spend considerable money in Charlevoix for entertainment, gasoline, food, sporting goods and vacation clothes.

THIS BILL would also establish a County Board of Review to replace city and township boards.

Gordon asserted Charlevoix Public Schools and other county school districts will not lose any revenue due to the tax proposals, as now being studied.

He described the proposal to give income tax rebates to a school district for lowering property taxes as "taking it out of your left pocket, instead of your right pocket."

Gordon declared he opposes suggestions that the public should vote on the tax reform plans.

CHS Girls Host Regional Meet

An interesting and varied program awaited more than 25 members of the Future Homemakers of America (FHA) of the Region 14 who met at Charlevoix High School Saturday for the annual regional meeting.

The Charlevoix high school chapter was host to FHA members from 13 other northern Michigan schools.

* * *

ESTHER MIDDLEWOOD, Chief of the Education Division of the Michigan Mental Health Department, addressed the morning session on the subject "Stay in School."

Following the same theme that is the national goal of the Future Homemakers' program this year, Robert Bankov of Gaylord, immediate past chairman of the Michigan Youth Advisory Council, spoke on "School Dropouts." The advisory council represents the F.H.A., F.F.A., Y.M.C.A., Y.W.C.A. and other youth groups.

The Charlevoix High School band, under the direction of C. A. Odmark, played at the opening session.

Supt. Rex E. Milligan welcomed the assembled members. Janet Smith of Atlanta presided at the session and at the business meeting.

F.H.A. MEMBERS enjoyed a luncheon in the high school cafeteria while their adult advisors gathered for a luncheon meeting in the nearby band room.

Lorelei Gigg, president of the local chapter which boasts 25 members, is general chairman of the regional conference. Mrs. Odmark is the faculty advisor.

Barbara Clarke of the local club is regional reporter.

At the annual election held during the afternoon session, Juanita Konwinski of Hillman was elected regional chairman to succeed Janet Smith of Atlanta.

OTHER OFFICERS are Barbara Schlerschmidt of Petnskey, vice chairman; Marl Kay Soblesski of Petoskey, secretary; Joan Pekman of Gaylord, treasurer; parliamentarian, Edith Bnsel of Hillman; Marcia Boss of Charlevoix, historian; Elizabeth Cady of Atlanta, reporter; Patricin Elliott of Cheboygan, song leader; Linda Hamilton of Charlevoix, pianist.

Mrs. Ruth Smith of Hillman is the adult advisor. Mrs. Marjorie Reynard of Rogers City, co-advisor; Mrs. Arthur Cady of Hillman, regional mother.

The spring meeting is tentatively scheduled to be held in Hillman in March.

Pharmacists Observe This Week

The northern Michigan Pharmacists Association met at the Weathervane Inn to launch last week's National Pharmacy Week, Oct. 6-12, Frank Ochs of Central Drugs, reports.

The Association, of which Ochs is currently president, is made up of pharmacists from Emmet and Charlevoix counties.

Ochs pointed out the Northern Michigan Pharmacists Association is joined with others in the profession throughout the country this week is marking National Pharmacy Week.

"In today's rapidly expanding world, the pharmacist's responsibilities have grown greater than that of medication expert—he has become a vital source of family health information, a community health educator," Ochs pointed out.

"The pharmacist must continually keep abreast of new drugs entering his inventory," he added. "In the past few years, pharmacy has experienced a period of dynamic growth and its full potential is yet to be reached.

tomorrow. In an age of development and progress, few professions can match the youthful vigor expressed in the profession of pharmacy," the Charlevoix pharmacist asserted.

* * *

OCHS ALSO urged young people to seriously consider a career in pharmacy. He described it as having "unlimited opportunities for men and women."

"Pharmacy today combines an ancient heritage and tradition with the complex technical skills of

This Space For Rent

THIS HOLE in the wall at the Petoskey Area Child Guidance Clinic office is one of the reasons for the annual fund drive, which opens this week in Charlevoix, Emmet, Antrim, Presque Isle and Cheboygan counties—the five counties serviced by the clinic.

A dinner dance will be held Saturday evening, November 2 at the Indian River Inn, Indian River and proceeds are earmarked for operations renovation of the newly purchased building, to transform it into a modern clinic. Tickets may be purchased in Charlevoix from Mrs. Gordon Freedman.

The Clinic offers consultation, diagnosis and treatment services to children with emotional disturbances and of equal importance, counsels parents of disturbed children and provides instruction in how to cope with problems. Shown here are Mrs. Robert Allen and Mrs. Lee Scott of Petoskey.

Cafeteria Doing 'OK'

A complete breakdown of the Charlevoix High School cafeteria's financial position was presented to the Board of Education recently.

Supt. Rex Milligan told board members the cafeteria has a net balance of $2,509. This includes $643 cash and $1,866 in foods.

The cafeteria served 5,985 students in September.

Milligan pointed out the cafeteria purchases as much surplus food as possible, including butter for four-cents a pound and turkey for two-cents a pound.

"The cafeteria seems to be going along ok," Board President Darrell Dinwiddie remarked.

This is the cafeteria's second year of operation.

THE ADEQUATE LORD

Now as never before the world needs the Holy light that flows from the Sacred pages of His Holy Bible. The adequate Lord and the needy world must be brought together. Ambassadors of God must be summoned and transportation chartered to bear the gospel message to the "four corners of the earth." The candles we light must illuminate the Holy Word, and churches everywhere must keep preaching that Christ is what the world must have for its health and salvation. Like Paul and Barnabas may we be ministers of His Word. The whole world needs the light from the candles, the influence of the cross, and the inspiration of the Bible.

A BIG WELCOME Charlevoix winter visitors should have no doubt of their welcome when they see the newly painted sign over the Chamber of Commerce building being admired by Robert Hamilton, Chamber president, and Dorothy Kohler, assistant to the secretary-manager.

School Sets Rates for Groups to Use Building

A new policy on use of school facilities by outside groups has been adopted by the Charlevoix Board of Education.

As recommended by Supt. Rex Milligan, and unanimously ok'ed by the board, the policy sets a rate structure for profit making groups who use the schools.

* * *

IT ALSO requires that non-profit groups specify one individual who will be responsible for condition of the school when they leave. These groups will not be charged.

Recreation leagues desiring to use the gym must have at least ten people in their group, the new policy states. They must schedule a regular time to us the gym.

Profit making groups will pay from $10 to $35 for use of school facilities, depending on what rooms they require.

* * *

DURING DISCUSSION of the new policy, Milligan pointed out his office can find no record that the school has burglary insurance. Board members authorized him to purchase the insurance immediately, if it costs less than $50.

Board President Darrell Dinwiddie suggested Milligan check to see that the school has liability insurance covering accidents to persons using school facilities.

Circuit Judge Sentences Men In Weathervane Inn Larceny

In a special session of circuit court held by Judge Charles L. Brown, seven men were sentenced and two women arraigned.

Three young men from southern Michigan, who earlier pleaded guilty to charges of petty larceny were ordered to pay fines and costs of $100 each and to pay $222 each toward the cost of damages to the cash register involved in the case.

They were also required to make restitution of money taken from the cash register. David Daugherty, 21, of Vandalia, received a sentence of 60 days in jail and was paid $45. Edmund H. Chatham, 20, of Marine City, $75 and Jeffrey Himman, 20, of Hastings, $95. The trio had taken the cash register from the Weathervane Inn Aug. 9, transported it to an isolated area of Hayes township and forced it open, obtaining approximately $980 most of which was recovered. The original charge of larceny from a building was reduced to petty larceny.

Boyd Carson, 30, of East Jordan R. R. 2, was placed on two years probation and ordered to pay $60 costs and fine on a charge of statutory rape.

Following investigation by the probation department, a charge of larceny from building was reduced to petty larceny against Bruce H. Anderson, 21, of Holland. He was ordered to pay $100 costs and fine.

The charge against Lloyd McClintock, 41, of Boyne City, was reduced from resisting an officer to disorderly conduct for which he was ordered to pay $75 costs and fine.

Earlier, Rollin T. Herrick, 45, of Boyne City, was committed to Ionia State Hospital for treatment upon recommendation of doctors at the Traverse City State Hospital. He had appeared before Judge Brown at Traverse City last week. He was charged with unlawfully driving away an automobile and with driving without an operator's license, second offense.

Deloris S. Ledesma, 31, of Saginaw, and Lily Kewaygoshkum, 37, of Petoskey, pleaded guilty to writing two no account checks in the amount of $50 each. Their cases were referred to the probation department for investigation. Bonds of $500 each were continued. They were returned to the county jail. Both are parolees from the Detroit House of Correction.

OPEN FRIDAY EVENINGS
BRIDGE ST — CHARLEVOIX

TENSE MOMENT — This was a tense moment Friday evening for Boyne City football fans as Boyne's Ron Hausler grabs a pass near the 50 yard line. Unfortunately, for the Ramblers, Ron was out of bounds and the pass no good.

Rayders Clobber Boyne City 32-0

Playing inspired ball from the opening whistle to the final gun, the Charlevoix Rayders trounced the Boyne City Ramblers by a score of 32-0, knocking them out of the league lead and moving into a second place tie with their victims.

The Rayders, playing jarring football, took advantage of two early breaks, fumbles by the Ramblers, to score twice and roll to a 13-0 lead with four minutes remaining in the period.

* * *

FROM THEN ON they had everything their way as they racked up three more TD's before the game ended. Coach Don Carey emptied the bench as 28 players saw action.

The first break for the Rayders came after Charlevoix had taken the kickoff, failed to move the ball after three tries and punted to the Ramblers 15 where Boyne City fumbled and the local eleven recovered.

With Jack Stockwell carrying and Del Terrill passing to Rich Grunch and Dave Smith, the Rayders moved the ball to the four where Grunch went through the line to score with the clock at 7:51. Larry Edwards' boot was good and Charlevoix went ahead 7-0.

Boyne City took the kickoff on their own 34 following the scoring play and picked up four yards before they fumbled and Doug Winnell recovered on the 23 yard line.

* * *

STOCKWELL MOVED the ball to the 15 yard line but Terrill's pass to Brendan LaBlance was nullified by an offside penalty and the ball was returned to the 20. Grunch then picked up a first down to the 12. Smith added five to the seven and Stockwell carried to the one where Terrill took it over for the scoring tally at the 3:49 mark. The gusty wind-carried Edwards boot to the right of the goal posts as the score remained 13-0.

After an exchange of punts the quarter ended with Boyne City on their own 30 after picking up their only first down in the opening period.

On the third play of the second period, Boyne City was again forced to punt out of danger. Two quick passes to Grunch and Bruce Kroken moved the ball to the Boyne 16. A major penalty moved the ball to the 31 where Terrill pitched to Smith for a TD but the Rayders were offside and the play was nullified as the Ramblers took over on their 20 two plays later.

After three tries, Boyne punted with the ball coming down on their 37, where the Rayders took over, only to have their drive bog down as they advanced to the Boyne 14.

* * *

A PENALTY moved the ball to the 11 after the Ramblers picked up two yards. On the next play, the Ramblers fumbled the ball, LaBlance knocked it into the end zone and Ben Cunningham fell on it for the TD, making the score 19-0 with 1:23 remaining in the half. Edwards' kick was wide.

The ball ended with Boyne City in possession of the ball at midfield.

Boyne City accepted the kickoff to open the second half and on the first play from scrimmage, fumbled, with Charlevoix recovering on the Rambler 22. However, they failed to capitalize on the break and an exchange of the ball resulted. The action for the most part was confined to the area between the 30 yard line with the Rayders having another TD run called back because of a penalty.

MIDWAY IN the period, the Rayders took over on the Boyne 47 and with Smith and Grunch carrying and Terrill passing to Stockwell, Grunch and LaBlance, they moved to the two where Terrul pitched a jump pass to Nick DeYoung for two yards out for the tally. The kick was wide and the score remained 25-0 as time ran out immediately following the kickoff.

Kroken intercepted a Rambler pass at midfield early in the period but after three attempts the Rayders were forced to punt with Boyne partially blocking the punt and taking over on their own 46 yard line. The Ramblers then launched one of their most successful drives of the game, moving to the Rayder 15, where they fumbled and Charlevoix recovered.

On the second play from scrimmage, the backfield players handed off or passed the ball three times before Terrill let loose with a long pass to Kroken who was down field by himself. Taking the ball he went in to score on the play that covered 33 yards.

Edwards prepared to kick the conversion but a bad pass from center made it necessary for him to run the conversion point over with two minutes remaining.

BOYNE CITY was in possession of the ball on their own 21 as the final gun sounded.

Seeing action for Charlevoix were DeYoung, Smith, Terrill, Ken Parrish, Grunch, Edwards, Steve Krull, Stockwell, Bob Odmark, Dave Novotny, Tom Maxwell, Steve Wilson, Rex Milligan, John Ochs Lewie Poole who received a chin laceration late in the game, Larry Messmore, Ray Browe, Winnell, Richard Getz Cunningham, Kroken, Andy Carey, LaBlance, Randy Carey, Jon Anderson, Gary Kanoff, Ted Wendman and Paul Lombert.

ADD ANOTHER POINT The score stood at 31-0 with two minutes left on the clock when Larry Edwards, Charlevoix kicking specialist, picked up a fumbled center and dashed around end to add the final point to the 32-0 victory.

OUT DOOR RAMBLING

with Glen Shifferd

Charlevoix county outdoorsmen are overlooking their best bet of the year, Conservation Officer Burris suggests.

According to Burris, hunters are finding a pretty good supply of grouse, and some woodcock in local areas. Shooting, however, is still difficult, due to the heavy cover, and walking uncomfortable, due to warm weather.

HIS ADVICE? Get out your fishing tackle.

Bass and trout fishing is as good or better, than it has been all year,

Burris told the Courier. And though this is an unusual situation, as always, a darn few people are fishing.

Rainbow trout up to seven pounds are being taken from Walloon Lake, Burris related. There is also good trout fishing on the Jordan and Boyne rivers in sections that are open late.

According to Burris, the few people who have been taking advantage of the autumn fishing are getting results on minnows and small spoons.

BASS ARE ALSO on a feeding jag in Lake Charlevoix county lakes, Burris says the few people who are fishing them, report.

Bass are feeding just under the surface and down no deeper than 15 feet, in most instances.

Over in Ironton, Charley Stokes reports some big perch are being taken, but the people catching them are reluctant to say where, and on what. There have been several nice catches of 12 and 14 inch perch Stokes said.

Getting back to hunting, Burris expects the big flights of timberdoodles this week. If more leaves come down he looks for some fine shooting.

HUNTERS STILL report hearing a lot of pats, but getting darn few clear shots.

The thick foliage is also making success difficult for archers hunting deer, Burris pointed out.

WATERS UNLIMITED

If Michigan streams and rivers were placed end - to - end they would reach one and a half times around the equator, according to the Michigan Tourist Council. The state has more than 36,000 miles of rivers and streams.

COMMENT, OPINIONS, FACTS

Laud Milligan's Position Against Deficit Spending

SUPT. REX MILLIGAN'S repeated vow that he will do everything in his power to see that Charlevoix Public Schools operate on a financially sound basis should be heralded by all of us.

The Courier has every reason to believe Milligan means what he says. As a result, we will do everything in our power to assist him.

* * *

HOWEVER, THE school district's top administrator —quite rightly—does not have complete control over spending. He alone cannot assure us that the Board of Education will handle tax monies responsibly.

Last week's action of the Board of Education in fulfilling Milligan's desire to have expert legal counsel is a strong indication it is behind him.

Unless we see evidence to the contrary, we anticipate Board members will stand solidly behind Milligan in rejecting deficit financing.

Unfortunately deficit spending has become almost popular and "the thing to do" among tax spending institutions. Many excuses are fnrwarded to justify ending the year with a deficit, but none of them, we feel—short of actual war, or similar emergency—merit the voter's sanction.

* * *

SCHOOLS THROUGHOUT the state appear to have sold their constituents on the notion that spending more than they have is a necessity.

If voters go along with this philosophy they are at least partially responsible. All the blame for irresponsible spending in government or education cannot possibly be put on elected, or appointed officials.

School people, we've found, are prone to contend taxpayers will not give them enough money to operate an adequate education program.

To this excuse we would suggest two immediate answers:

* * *

1. EDUCATORS ARE not living up to their job of informing the people of the actual problem so they realize the added funds are needed, or

2. The public, though fully informed, does not feel the schools need what they are asking for; and, since schools are run for the public, its decision should be followed.

The Courier does not point the finger at anyone for past deeds. What's done is done. The right answer is always easier to find when the crisis is forgotten.

We do — without reservation — call on taxpayers, Board of Education members, and the school faculty to support Milligan's call for responsible spending.

Here's the Truth About the Courier

GIVING CHARLEVOIX the kind of newspaper it deserves is more than a fulltime job. There is no time left for the staff to spend fighting absurd, malicious, often vicious and downright untrue rumors about the Courier.

So let's dispense with them right now. It won't take long. We'll do it in the next few inches of type.

* * *

FIRST, THE Courier does have its office in Charlevoix, and always has. We're located at 101 Clinton St.—the same old place. The only difference in the office is we've tried to spruce it up a bit.

The Courier is published in Charlevoix. All decisions that effect the newspaper you read are made by an editor, advertising manger, bookkeeper who work in Charlevoix.

The Courier's editor, bookkeeper, and printers live here. The advertising manager is looking for a home here and will appreciate any help you can give him. He's anxious to bring his family to Charlevoix where they can all be close to his work.

* * *

WE ARE NO LONGER in the job printing business. Commercial printing and newspaper publishing are not compatible, if you're going to do either of them justice. In a community where the publisher tries to do both, you find a second-rate newspaper, and generally poor quality custom printing. We're newspapermen. Our allegiance is not split between printing and giving you the kind of newspaper Charlevoix deserves.

The Courier has not—and will not—discontinue any of its popular features. Bowling scores, personal columns and all the rest will continue to be a vital part of your bigger and better Courier.

Small newspapers throughout the nation are consolidating their printing operations with others so they can take advantage of modern, expensive equipment. For instance, of more than 50 weekly newspapers in the Metropolitan Detroit area approximately 30 are ptinted in two plants.

The Courier isn't asleep. It, too, is taking advantage of these benefits by paying the best newspaper printing plant in this part of the Lower Peninsula to print it.

They send us a monthly bill for letting us use their equipment and paper. Our printers do the work.

The Courier is a Charlevoix newspaper, for Charlevoix readers and advertisers. The Courier has been here since 1895, and fully intends to be here long after all of us are forgotten.

Odds .. 'N' .. Ends

By FRAN MARTIN

One of our former Charlevoix Rayders is surely heaping honors on himself . . . and because he is a former local resident, Charlevoix is basking in his honors. Of course I mean Dick VanRaaphorst, booting specialist, who is just continuing what he started while here . . . You'll recall that he did all our team's kicking then and at Ohio State has much the same assignment . . . only it's much more important now.

Those who have known Dick and who watched him kick for hours on end while he was in high school aren't too surprised at his success . . . A persistent guy, he spent many an hour at Kipke field, mostly by himself, just kicking . . . and that can get pretty tiresome—but he knew what he wanted and has worked for it.

* * *

I KNOW THE entire community and most of nll his former teammates, join me in wishing him every success . . . Dick may live in Pennsylvania, but he still considers this home, I'm sure, because he always comes back to see his old friends. . .

Was on the phone the other day with Mrs. Robert Winchester who was relaying me a bit of information, when her daughter, Susie (all of four years) came into the room to say "Mommy, I'm helping you" . . . Like most mothers, when a child makes n statement like that, she took a deep breath and said, "What do you mean, you're helping me?". . . . Susie, without blinking an eyelash, answered "I'm putting flour in the donuts." . . . I haven't had the courage to call and see just how much damage was done . . .

The other day, after having introduced our new editor to one of my friends, a young airman at the RBS site, Bob Peck, he asked me what the fellow's name was for he'd missed the last name . . . I just said "Glen Sheppard." . . . Oh, re remarked, that's an easy one to remember. . . I'll grant you it isn't a difficult name but I asked what he had in mind . . . and got the answer I might have expected from this younger generation . . . "It's easy, like I said . . . just remember the names of the astronauts . . . . Glenn and Sheppard" . . . who else would think of that?

The Courier has asked readers to call in about the oldest Courier they might have . . . Mrs. Florence King called to say she had a 1930 and 1931 issues and a copy of the Charlevoix Sentinel dating back to June 28, 1887 . . . I was surprised that one would keep a newspaper that long until she told me that it was the one that carried the account of the burning of the Champlain . . . That tragedy happened in June of that year with quite a loss of life . . . No one was ever quite sure how it happened but the ship, a passenger vessel, caught fire and burned off Fisherman's Isinnd . . . It's one of the lake tragedies told in Bill Ratigan's "Ship Wrecks and Survivals" . . . and one which old-timers recall now and then . . . I don't know whether you are aware of it or not, but on the south side of Stover's Creek, across from Brookside cemetery, there's what is known as Potter's Field, where several unidentified victims of the Champlain fire are buried . . .

* * *

DON'T YOU love this season of the year . . . Mother Nature's gypsy traits take over and she dons the gay colors of autumn . . . but one of the things I like best are the taffy apples . . . Now I will grant you that eating a taffy apple is a major project . . . what with the lick-dop sticking to everything in sight (at least the way I eat them) . . . but they're one of the nicest things about the fall . . . and that mince pie and cranberries . . . and it you're not careful I'll have wished you right into the Christmas season . . .

And speaking of cranberries, I wonder if they will harvest them on Beaver Island . . . When you hear nbout cranberries, they usually mention that they come from the east, so I was really surprised to find, a few years back, that they grow wild on the Island . . . I was even more surprised to find that they grow in our Upper Peninsula . . . that's another thing I didn't believe 'til my sister-in-law, Mrs. Phil Martin, brought some back with her on a trip to her parents' home at Watersmeet . . .

Another thing I was told and couldn't hardly believe was the story about wild rice . . . Seems it grows in the northern section of Wisconsin and Minnesota and only the Indians are allowed to harvest it. . . A former Charlevoixan, Mrs. Harold Pomeroy, (Mary Willis) living in St. Paul, sent me some once and then an Indian lady, who came orlginally from Northern Wisconsin, told me how they do it . . . the same way, I might add, that it's been done for years . . . going out in flat boats, and with the use of a primitive gadget, (I can't remember the name of it) harvest it by hand.

* * *

HOW ABOUT THAT little old football team of ours? Have you been to see them play? . . . If you haven't, you'd better get with it. . . it's later than you think . . . And those kids work hard and play their hearts out so how about giving them a little boost . . . The same goes for the scrappy J-V's—who may only win by a point but that's all that's necessary . . . And don't forget the homecoming this weekend . . . A lot of work goes into it and it's a mighty colorful feature so turn out for the various events, the snake dance, the bonfire, the coronation of our lively queen, Judy Walker, on Thursday night . . . the parade on Friday afternoon and the game on Friday night . . . Let's make it n dnte . . . I'll meet you on the corner . . .

Don't know if you read the funnies, but if you don t your education is being sadly neglected . . . One of my favorites is Dondi . . . out of whose mouth came these words—"I found out something about happiness . . . the more you give it away, the more you get it back." . . .

A Lift for Living

Deeds are More Eloquent Than Words

By REV. HAROLD E. KOHN

Each year we celebrate Columbus Day on October 12th, for it was on that day in 1492 that Christopher Columbus discovered America. Other men before Columbus believed that the world must be round rather than flat and that the East might be reached by sniling westward.

But Columbus was the first nan known to act upon his belief. It was his action that we celebrate on Columbus Day and not his theory.

* * *

THE WORLD always commemorates deeds rather than theories, for we intuitively know that all the idealistic beliefs heaped together are worth less than one courageous deed.

The Bible warns against the substitutes we so easily make for good deeds. Good words, for instance — pretty words, charitable words, make convenient replacements for nction. It is always easier to "talk a good line" than it is to live a good life. The First Epistle of John warns, "Little children, let us not love in word or speech but in deed. . . " Splendid deeds, rather than sweet words, make the real eloquence.

Like lovely words, soft sentimentalism easily becomes a substitute for shining deeds. We assume we have done something significant for people when we have merely felt surry for them.

C. S. Lewis, in his Screwtape Letters, pictures an old experienced devil advising a young devil that he must let folks feel pity for others. That will give them a glow of good feeling. But stop people from expressing good feeling in good deeds, and soon they won't even entertain good feelings, so the crafty old devil advised. And it's devilishly true!

* * *

GEORGE ELIOT, whose real name was Marian Evans Cross, was one of the most distinguished of English women novelists. She felt deeply about human misery and wrote about it, but she did nearly nothing to relieve the tragedy she snw around her. She said her faith in God diminished when she saw the world so full of heartache and bopelessness. George Eliot did little about it besides sitting at her desk and speculating on why evil should be allowed in the world.

REV. HAROLD E. KOHN
Returns to the Courier

George MacDonald, the Scottish poet, novelist and clergyman, lived in George Eliot's day. He suffered more misery than George Eliot ever saw. Plagued by serious illnesses, one at a time MacDonald could not speak or write for a period of three years. His son died. His parishioners boycotted him and would not pay his salary because his preaching was too simple and too direct for their taste. But he spent his days in compassionate helpfulness, wherever he saw human need. George MacDonald declared "Nothing makes one feel so strong as a call for help." MacDonald heard the calls. He answered.

In every community there are the George Eliots who see need, wax sentimental about it, and lament "Why is it permitted? Why doesn't somebody do something about it? And nearly everywhere, thank Heaven, there is some George MacDonald-like soul who senses the need and feels the same sentiment and does something about it.

* * *

GOOD DEEDS have another advnntnge over good feelings. Besides being more effectual in helping the world, our deeds can be controlled better than our emotions. There is hope here for those of us who regret our uncharitable feelings toward our neighbors.

If our affections are less than we wish them to be, our deeds can be better than our emotions. Our feelings will not always comply with our commands, but our feet and hands and faces are more likely te follow orders.

I cannot decide "at 6:15 this evening I shall begin loving my neighbor as myself" and be certain that my emotions will obey my order. But at 6:15 my feet will obey my command to walk to my neighbor's house. My hand will do my bidding and knock nt my neighbor's door. My lips will cnrry out my orders and form words, "Hello, Chnrles! For some time I've been wnnting to offer my help . . ."

And, soon or lnte, better feelings will follow in the wake of better behnvior, if the behnvior is persistent. Repeated kindly deeds will make for kindliness. Cheerful acts cnn lead to cheerfulness.

* * *

"LOVE YOUR enemies, do good to them which hate you," Jesus said. Love is the goal. Doing good is the way tn reach it. By doing them good we come to love our neighbors.

When anyone puts a limit on what he will do he thereby limits what he can feel and what he enn be. Act the way you would like to be and you wiit soon be the way ynu act.

By converting a belief into a deed, Christopher Columbus discovered n new world. By expressing our best thoughts nnd highest principles in helpful actions we cnn find n new life.

ALL OF US at Bell Telephone are constantly seeking ways to keep our costs down. For example, Western Electric, our manufacturing and supply unit, has found a way of using a new, less costly plastic to produce six sets of telephone parts for the former cost of five. Such reductions in costs help us offset the rise in other costs. This never-ending search for savings is an important reason your telephone remains one of the biggest bargains in your home today.

MANY FOLKS who don't see their out-of-town relatives or close friends very often have developed the pleasant habit of visiting them every week ot the some time —by telephone. Knowing that the person they wont to talk with will be there at thot time, they coll station-to-station instead of person-to-person. "Stotion" calls cost less than "person" colls. And they go through faster, especiolly if you give the Operotor the Area Code and the number you're colling.

INFORMED CITIZENS give added strength to this nation of ours. During National Newspaper Week, October 13-19, we pay tribute to the part played by our newspapers in keeping us well informed. And it's a week when we at Michigan Bell are especially proud of the part telephone facilities play in helping the newspapers gather the news and get it to you—fast and accurately.

LAST WEEK IN CLASS 'C'

East Jordan Alone in Loop Lead

With a dramatic assist from the Charlevoix Rayders, the East Jordan Red Devils assumed sole command of the Northern Michigan Class C League lead.

The Rayders knocked off Boyne City 32-0 to leave the Jordanites alone in first place after defeating Mancelona, 19-7. In other games, Gaylord stopped Grayling 21-7 and Harbor Springs defeated Pellston 33-18.

* * *

IN A GAME that saw both teams quite evenly matched until Mancelona lost its versatile quarterback, Pat Dutcher, with a shoulder injury at halftime, the East Jordan eleven took advantage of the loss to edge the Ironmen 19-7.

Fred Malpass opened the scoring for the Jordanites with a 55 yard run midway in the first period. The kick was blocked as the score stood at 6-0.

Early in the second period, Bill Bushard put Mancelona back in the game when he scored on a 25 yard sweep. Roger Jabara connected for the conversion point, putting Mancelona ahead for the first time.

The lead was short-lived however as Don Wilson scored from the 15 and Malpass made the score 13-7 with a conversion kick.

* * *

AS TIME RAN OUT, in the first half, Dutcher was injured and, on doctor's orders, benched for the remainder of the game.

The Jordanites final tally came in the third period on a two yard line plunge by Tom Galmore. The conversion kick was again blocked.

East Jordan's victory and Boyne City's loss to Charlevoix left the Red Devils alone in the league lead.

Playing on their home field, the Gaylord Blue Devils scored twice in the first half to lead the Grayling eleven 12-0 after Gene Sanders had scored on a five yard plunge with 5:51 remaining in the first period and Gary Harris scored on a 25 yard swing pass with 25 seconds remaining in the half.

* * *

THE YIKINGS scored early in the second half when Dan Tinker blocked a Gaylord punt on the 21 yard line, knocking the ball into the end zone where he fell on it for the TD. Gary Lucksted kicked the conversion to cut the Blue Devils' margin to five points.

A fumble recovered by Mike Smith on the 39 yard line resulted in a second touchdown by Harris, this one on a plunge from 1½ yards out.

With 1:59 remaining in the game, Tom Beebe scored from the one after an intercepted pass by Sanders on the 34 yard line had set up the scoring play.

None of the attempted conversion kicks were good.

* * *

THE PELLSTON Hornets suffered another serious loss in their game with Harbor Springs as third string quarterback, Ron Zulsky, a regular halfback, suffered an ankle injury that may sideline him for the remainder of the season.

However, the injury occurred after Zulsky had pitched two touchdown passes to end Doug Lovaasen for 15 and 32 yards, respectively, in the second quarter. Ed Clear, who replaced Zulsky in the line-up, scored the Hornets' final TD on a two yard sneak in the final period.

The Harbor Springs Rams were in control of the game all the way scoring three touchdowns in the first period including two by Bernie Corpe, the first on a 47-yard pass play from George Lauer and the second on a 37 yard run by Corpe following a pass interception. George Kilborn scored the third T D on a two yard line buck. Andy Skoczylas scored the conversion point on a run.

* * *

HARBOR DIDN'T score again until the last period when Kilborn scored again, this time from the 11. He then scored the conversion on a run. Skoczylas scampered to yards for the final touchdown with George Lauer passing to Mike Lauer for the extra point.

GOOD BLOCKING Charlevoix High School ball carriers had plenty of blocking support Friday as they shut-out Boyne City 32-0. Here a Charlevoix runner, Rick Grunch, 32, is surrounded by blockers who keep Boyne City tacklers off his back.

Big Showdown Friday

Riding high after their unexpected 32-0 win over Boyne City, the Charlevoix Rayders are awaiting the arrival of the Pellston Hornets for the homecoming game at Kipke field Friday.

In other games, the league leading East Jordan Red Devils will host Gaylord, Boyne City will travel to Harbor Springs and Mancelona will play at Grayling.

* * *

THE RAYDERS, now sharing second place with Boyne City, will be meeting one of the two cellar dwellers when they meet the Hornets in the homecoming game here this week.

The Hornets, short handed by the loss of five regulars with injuries, will be without the regular services of third string quarterback, Ron Zulsky, who is recovering from an ankle sprain.

The Rayders, however, are expected to be at full force and should come through with another win to hold their place in league standings.

East Jordan and Gaylord will be punching it out this week with the Red Devils defending their league lead while the Blue Devils try to dump them and better their place in the standing.

* * *

THE BOYNE CITY Ramblers who have lost regular Bill Darbee, and Jim Anthony, will have to display better ball than they did against Rayders though the Harbor Springs Rams can hardly be expected to offer as much opposition as did the local team. If the Rams play heads up ball they might just dump the Ramblers.

Coach Matt Jacobson of Mancelona was informed Saturday night, following a series of X-rays, that the team would be without the services of the versatile Pat Dutcher who received a shoulder injury late in the first half of Friday's game with East Jordan.

Coach Jacobson said Ron Grody, a player up from the Reserves, who has seen little action this season will be used to fill the position.

The Ironmen will find the going rough when they travel to Grayling this week to take on the Vikings who are seeking their first win.

Only Leonard Super has this remarkable new ingredient that cleans your carburetor as you drive—and keeps it clean!!!

Last year Leonard brought you America's first Total Performanee gasoline — the greatest value in gasoline history. Now we bring you Leonard Super, the only gasoline in Michigan with "Cleana." "Cleana" is Leonard's remarkable new ingredient that actually cleans your carburetor as you drive — and keeps it clean!

As air comes in your carburetor, it constantly deposits dirt. Some crankcase ventilation systems add still more oil-laden deposits. As this contamination builds up in your carburetor, your engine begins to idle rough, it stalls in traffic and gasoline mileage drops.

Leonard Super, with exclusive "Cleana," actually cleans out the dirt—and it keeps your carburetor clean as a whistle. Amazing but true! Just as long as you use Leonard Super with "Cleana," your carburetor will stay clean. Your engine will run better — and gasoline mileage will improve.

Only Leonard Super has "Cleana"—the amazing new ingredient that cleans your carburetor as you drive. A first-class reason why you should patronize your Leonard Community Service Station! You can depend on Leonard!

SORTING THROUGH hundreds of filing cards almost has to be a boring business. But not for the Courier's gal, Hilda Gibson.

Nothing stays dull for long at 101 Clinton St. since Hilda (Mrs. Elmer Gibson) rejoined the Courier's staff.

But it sure looked like she was in for pure drudgery the other day when it came time to sort, one-by-one, through hundreds of subscription cards in the Courier file. Poor Hilda, we thought.

We underestimated her. It wasn't long before we learned Grant Furgeson has been subscribing to the Courier every year since 1906. That's 57 years! And it appears to make Grant the Courier's longest subscriber.

R. B. Stafford isn't far behind him. Hilda soon informed us. Stafford's been getting the Courier through the mails since 1908.

We asked them both to come in so we could get these pictures. Grant, we learned, has been married 52 years, and was first named to the Murray School Board in 1928. He views the demise of rural school districts with regret.

The 78 year old Hayes Township farmer still milks six cows, and was on his way home to pick spuds after we took his picture.

WE HOPE YOU don't mind other people minding your business. We think it's vital that they do. For this reason we've started mailing copies of the Courier to President Kennedy and Gov. Romney.

School Bd. OK's $4,000 for New Library Books

Will Go to Both Public, School Units

Next year should be the best in memory for users of the Charlevoix Public Library.

The Board of Education Monday evening accepted the recommendation of its Library Advisory Committee that between $3,500 and $4,000 be spent for new books in 1964.

* * *

THE NEW BOOKS will be shared by the High School library and public library, the committee and Board of Education decided.

The appropriation for new books may be the largest in years, however no figures were released to support this possibility. This year $725 was reported spent for new books.

An additional $7,648 will be spent for operation and improvement of the public library at the corner of Clinton and State streets.

Major improvements will include installation of gas heat, hot water, a drinking fountain and roof repairs.

* * *

THE LIBRARY Advisory Committee discussed the need for new lighting and furnishings, but decided they can be put off at least another year.

The library will have a complete budget of $11,716, according to estimates made by the committee and Supt. Rex Milligan. This includes $10,116 from the half-mill tax voted for the library, $1,400 from penal fines, and $200 in state aid.

The committee recommended that books at the school library requested by citizens at the public library, should be available, if not in use.

Adults will be able to use the school library, Milligan pointed out.

* * *

DURING THE summer books will be moved to the public library, the committee decided.

Recommendations on what new books to purchase will be made by teachers, librarian Floranz Milner and the public, Milligan explained.

On Welfare Bd.

Roy Scott of Boyne City was reappointed to the Charlevoix County Welfare Commission for another three years at last week's meeting of the Board of Supervisors.

A financial report from the welfare dept. of money spent from Jan. 1 through Sept. 30 of this year reveals administrative, $11,609; general hospital, $40,168; direct relief, $152,722; Grandvue, $138,983.

* * *

OTHER MEMBERS of the commission are Rev. George Majors of Charlevoix and Clarence Healty of East Jordan.

BROTHERS BAG BEARS - Gene Bergmann, left, and Charles Bergmann, right, returned to Charlevoix Sunday with these two bears, shot less than a half-hour apart Saturday near Seney in the Upper. With them was Louis Mason, center. The bears weighed 130 and 177 pounds. They were hunting with dogs. (Courier photo)

County Pushes Planning

Supervisors Create Commission with Ordinance

A County Planning Commission to coordinate development in all townships and cities was created by the Board of Supervisors Friday.

The Commission is the first to be created by ordinance in the county's history. It will have the power to recommend and pursue federal grants for redevelopment and other public works projects, Clarence Rabach, Charlevoix Township Supervisor, told the board.

* * *

COUNTY CLERK F. R. Bulow said the ordinance creating the commission, and outlining its powers and duties, is the county's only ordinance. It was prepared by Prosecuting Attorney Harvey Varnum, who wrote a similar document for Boyne City.

Six men were appointed to the commission by the supervisors for terms of from one to three years. They will receive no pay. A $500 appropriation for commission expenses was authorized.

Named to the commission were: Three year terms—Walter Thorsen of East Jordan, James Porter of Boyne City and Ralph Gillam of Charlevoix; Two year terms—Dr. Howard Messmore of Charlevoix, Robert Davis of Boyne City and Sherman Thomas of East Jordan; One year terms—Ed Rebman of Boyne City, Alfred J. Hass of Melrose Township and George Hutchinson of Marion Township.

* * *

RABACH, WHO urged the commission's creation, said Chamber of Commerce secretaries will be asked to work closely with it.

The Planning Commission, Rabach declared, will be available to assist county, city and township government in their planning.

Federal and state funds have been made available to counties that have planning commissions, he pointed out. He stated Charlevoix is one of the last counties to create such a group.

Supervisors Back Campgrounds Plan

A resolution urging the State to move ahead in developing the "primitive" campground southwest of Charlevoix on Lake Michigan was unanimously passed by the County Board of Supervisors last week.

The resolution cites the area's natural beauty, overcrowded conditions in other campsites and economic advantages to the county.

Copies were ordered sent to state officials.

Kiwanis Halloween Fete Set

The Charlevoix Kiwanis club will entertain elementary school children at a Halloween movie in the Palace Theatre Thursday, Oct. 31, Glenn B. Snider, elementary school principal and a Kiwanian announced.

Because of the number of children involved, the early elementary grades will attend the movie at 9 a.m. with the older elementary grades attending the 1 p.m. show Mr. Snider said.

* * *

THE TRADITIONAL parade, with all children in costume, will be staged at 12:30 p.m.

The parade route begins on Grant St., continues south to Antrim st., east to State, north to Clinton st. and east to Bridge st. so children cross the highway at the traffic light.

The Charlevoix Reserve band will lead the parade to Bridge st. Children who attended the morning movie will leave the parade at Clinton st. and return to school. Students attending the afternoon movie will return to school via Clinton st.

Lower Tuition

Tuition for students from outside the Charlevoix School District to attend classes here were lowered by the Board of Education Monday evening.

The Board, following a formula set by the state, set tuition at $144.25 for elementary students and $157.13 for secondary students. This is the maximum allowed by the state. Last year tuition was $160 and $170.

* * *

CHARLEVOIX PUBLIC Schools have one elementary tuition student and 28 in high school, Supt. Rex Milligan reported.

School's Out

Charlevoix schools will close early Monday so teachers can attend a handwriting workshop, Supt. Rex. E. Milligan announced.

Alma Dorst of Zaner-Bloser Penmanship Co. will conduct the workshop beginning at 3 p.m.

BUSES WILL leave the elementary school at 2:30 p.m. and the high school at 2:45 p.m.

66 Relocation Plan Attacked

Objections to the State Highway Dept's proposed route for relocating M-66 in Charlevoix and an alternate plan were presented last week.

Frank Smith, local realtor, offered the alternate route and spoke against the Highway Dept.'s plan at a public hearing in City Hall.

* * *

A PETITION, alleged to bear 100 signatures, was presented by Smith to support his plan.

John Knecht, director of public hearings for the Highway Dept., accepted the petitions Knecht, who conducted the public hearing with three assistants, told the Courier the newspaper would be informed of the department's decision within 60 days.

Smith's proposal would route M-66 between US-31 and May St., almost to Carpenter, where it would turn and end at State. The difference between the Highway Dept.'s plan and Smith's is shown in the accompanying map.

* * *

CHARLEVOIX MAYOR Elmer Hawley spoke at the public hearing. "I realize some people will be hurt, but feel it is best for the city as a whole," the mayor said in explaining his support of the state's plan.

Hawley pointed out the City Council unanimously approved the department's route. He urged the state to speed up its construction date because the road, he asserted, is in bad shape.

Alderman Kenneth Staley, second ward, stated he feels Smith's proposal is better than the state's, though he has no objection to the present plan.

THIS MAP shows the location of the two proposals for relocating M-66 into town. The heavy, solid line represents the state's route. The dashed line (with arrow pointing to it) shows the approximate route proposed by Frank Smith.

Rose Disgusted

Sheriff Glenn Rose angrily denounced an unknown person this week for what he labeled a "disgusting display of poor sportsmanship."

According to Rose, two ducks, being kept in a pen by Bud Gill at the Waters Edge resort development, were shot to death in the pen and left there. Rose has not been able to find who did the shooting.

Shortage Of $9,044 Expected

Tax Rate Down With Value Up

A record deficit budget of $311,125 to operate Charlevoix County in 1964 was approved Friday by the Board of Supervisors.

Two Supervisors — Larry Matthew of Melrose Township and William Taylor of East Jordan — voted against increasing the budget approximately $27,000 over last year's $284,045.

* * *

TAYLOR TOLD THE Courier he voted against the budget because of the deficit and lack of satisfaction with the Sheriff's Dept.'s appropriation.

The budget anticipates a $9,044 deficit by the end of 1961.

Boyne City Supervisor Arthur Speltz contended the deficit "probably" will not develop. He anticipates some departments will not spend their full appropriation.

Finance Committee chairman Clarence Rabach of Charlevoix Township explained the county will have a total income of $302,000. Of this $281,766 will come from property taxes and the rest from other sources.

* * *

COUNTY OPERATING taxes this year will be 5.45 mills on the state equalized valuation of $51,700,234.

Last year the county levied 6 mills on less valuation of $47,195,986. This raised $283,176.

Major increases in the budget over last year, include: $1,300 for the assessment - equalization dept., $1,000 for the Board of Supervisors, $800 for the agricultural agent, $1,000 for the County Clerk's office, $13,000 for Ironton Ferry repairs; $1,000 for Register of Deeds office.

Russell L. Curtis, director of the assessment - equalization was voted a $500 salary hike, raising his

TO REPLACE GEN. ELY

Woman Named CD Chief

Alice E. Tunison of Ironton was appointed Charlevoix County Civil Defense Director last week.

She was named to the job by the Board of Supervisors to take the position held by Gen. George B. Ely until his death this month.

* * *

THOUGH NONE of the supervisors voiced objections to Mrs. Tunison there was a brief argument because assistant Civil Defense director Charles B. Landers of East Jordan was not asked if he wanted the position.

Civil Defense Committee Chairman Clyde Warner of Norwood Township pointed out Landers was not contacted about the job "because we heard rumors he's not interested."

East Jordan Supervisor William Taylor contended the committee should give Landers the "courtesy" of being contacted.

A motion to table action on the recommendation to appoint Mrs. Tunison was defeated.

* * *

TAYLOR DECLARED he is not opposed to Mrs. Tunison's appointment, but felt Landers should be contacted. Landers is East Jordan's Justice of Peace.

Harry Gebeau, supervisor from Charlevoix, said the Civil Defense Committee decided to recommend Mrs. Tunison because it "felt she knows more about it than anyone else."

Mrs. Tunison has been Gen. Ely's stenographer since 1960. During this period she has also worked as the Prosecuting Attorney's stenographer. Civil Defense and the Prosecutor use the same office in the County Building.

Mrs. Tunison will be paid $2,000 annually as Civil Defense director, and continue to receive $1,500 from the Prosecutor's office.

* * *

THE BOARD voted 19-1 to appoint Mrs. Tunison.

"If there comes a time when you really need her (disaster or war), we can hardly take orders from a woman," Eveline Township Supervisor William M. Sonderson said.

Taylor quickly countered Sanderson's remark, saying, "As long as you've been married, how can you say that."

Dog Tax Hike Defeated

Your dog won't be worth any more this year than last, the County Board of Supervisors decided last week.

The board, on a 15-9 vote, defeated a motion by Boyne City Supervisor Arthur Speltz to increase the dog license fee to $1.50 for male dogs and $3 for females. The old fee of $1 and $2 will continue.

* * *

EAST JORDAN Supervisor Robert Barnett supported the increased rates, contending dog damages have run as high at $2,100 a year.

"If you have a dog that's worth anything at all it's worth this much. All the trouble comes from female dogs," Barnett said.

Boyne Valley Township Supervisor Joseph Topolinski opposed the increase. "If the Sheriff wants another deputy let them get an appropriation, and not take it out on the dogs. I think a dog is still a man's best friend," Topolinski said.

Extension Agents At State Meeting

The entire staff of the Cooperative Extension Service in Michigan will hold their Annual Conference at Michigan State University next week. Attending from Charlevoix County will be Clare Brown, Extension Agent in Home Economics and Ed Behman, County Extension Director. Both Agents will be gone from October 29 to 31.

One of the main speakers will be Mrs. George Romney, wife of the Governor of Michigan. Other speakers include Dr. John Hannah, President of Michigan State University, N. P. Ralston, Director of the Extension Service; and Dr. Cole Jenson, Professor of Education from the University of Michigan.

He was a member of the First Congregational Church and at the time of his death was a deacon of the church. He also was a member of Charlevoix Lodge No. 282 F. A. M. and the Royal Arch Masons of Petoskey.

Rambling with Shap

(Continued from Page 1)

It costs us a pretty penny. But if Democracy is going to be served we don't feel our top elected officials should have any excuse for not knowing what's going on in Charlevoix County.

—●—

CHARLEVOIX County Democratic party chairman George LaBlance got to speculating — with a little prodding — recently on who the Dems will put up against Romney in 1964.

His guess? Congressman Neil Staebler.

If Romney doesn't come out of the legislature with his tax reform —or something real similar — we'd tain his position in 1964. In that case the Democrats might even bow to the UAW-CIO demand that Swainson have another crack at it.

And, if Romney gets a place on the national GOP ticket, we'll bet our bottom dollar there'll be n Democrat back at the helm in Michigan.

—●—

JUST ABOUT ANY way you look at it, Eveline Township Supervisor Wm. (Sandy) Sanderson is darn proud of the new emblem over the Circuit Judge's bench in the County Building.

And he's right. The "In God We Trust" motto over the state seal looks real good, and couldn't be more appropriate. Sandy points out it ought to give comfort to some of the deeply distressed people who occasion to have business in the court room.

The idea, as we get it, was Sandy's and the design was Mrs. Earl Young's.

—●—

NOTICED A DOG last Saturday that we'll bet his firmly decided the south side of the bridge is the "right side" of town.

Our canine subject was seen casually ambling up the bridge as it was being lowered, after letting the Beaver Islander out of Round Lake.

He reached the middle a couple seconds before the bridge was all the way down, saw the yawning crevice, and turned tail. Never saw a critter look and act as confused and out-and-out betrayed.

—●—

ARTHUR SPELTZ, Boyne City Supervisor, must hold some kind of a record. He was telling us at last week's Board of Supervisors meeting that before moving to Charlevoix County he was superintendent of an Illinois school district for 29 years.

Anyone that can keep a majority of parents happy that long should be available for consultation with other school chiefs around the country.

Incidentally, he was telling us he's put his pipe aside for good. And later I couldn't help but wonder if that friendly announcement wasn't a hint that my pipe was fouling the air.

—●—

LAST WEEK the Courier's one and only Fran Martin received some additional, much deserved recognition. This time from the Kiwanis Club.

We knew darn well that if Fran wanted to toot her own horn she would let us know. But, Fran being Fran, we reckon she was getting a bit embarrassed by the publicity she's been getting. So when we heard nothing from her on it, we respected her wishes.

We salute Kiwanis pundit Ralph Hamilton for being an outspoken editor. But remind him we thought the club honored Fran to show its appreciation, not make headlines for the Kiwanians.

And Fran doesn't need headlines for her sake. Her "Odds 'N' Ends" column and good deeds heartwarmingly show the community what a wonderful person she is.

★Propose M-66 Change

(Continued from Page 1)

Smith contends his plan will open up new business property, and will not require condemnation of any expensive businesses.

* * *

IF THE STATE'S plan is followed, Smith stated, businesses along the present portion of M-66 to be abandoned will be killed. By routing M-66 between May and US-31, almost to Carpenter, Smith points out these businesses will still be on the highway.

The state plan calls for closing State St. south of 31.

Knecht pointed out Smith's porposal, though it avoids the high school congestion, requires two sharp curves. He stated Highway Commissioner John Mackie will study Smith's proposal and decide if it should be used.

The state, Knecht explained, plans to start buying right-of-way in 1965, and will construct the new road in 1966, at an estimated $450,000 cost. The new road will be 24 foot wide on a 120-foot right-of-way.

* * *

BY 1980, KNECHT pointed out, the Highway Dept. expects 3,000 cars a day to come into town on M-66. This is triple its present use.

He said professional appraisers will be employed to determine the value of property to be purchased for the road. Owners will be paid the "full market value—highest price the property can be sold for on an open market to a willing buyer," Knecht said.

Miss Sue Niekerson of Grand Rapids came last week for a month's visit with her brother-in-law and sister, Mr. and Mrs. R. G. Bennett.

PLAN ANNUAL THRIFT SHOP

Hospital Guild Donates Equipment Valued at $925

The purchase of four pieces of equipment for use in the enlarged laboratory of the Charlevoix Hospital by the Women's Guild of the hospital was announced at the regular meeting of the organization last week.

Mrs. Paul Olsen, president of the Guild, said that a micro-gasometer and attachments, a sero-fuge, incubator and clinical rotator were purchased by the group in the amount of $925.00

THE PURCHASE of needed equipment and the performances of services for the hospital are the aims and goals of the guild.

Plans for the annual Thrift Shop early next month were discussed. Mrs. G. B. Saltonstall, general chairman, said the Guild is still accepting 'second best' items for the sale, which is one of the Guild's chief fund-raising projects.

The possibility of purchasing uniforms for use by the members of the Future Nurses group at the Charlevoix high school which is giving service at the hospital was also discussed and a committee appointed to check it.

Mrs. Olsen announced the local group has been asked to supply ten hostesses for the annual fall meeting of the Michigan Association of Hospitnl Auxiliaries to be held at Boyne Mountain Thursday and Friday.

Those offering to serve in this capacity include Mrs. Olsen, Mrs. Roy Pahl, Mrs. Wayne Woods, Mrs. Reed McVay, Mrs. Ralph S. Hamilton, Mrs. E. D. Mason, Mrs. Robert Nelf, Mrs. Harry Gebeau, Mrs. Arthur Skelton, Mrs. E. K. Shanahan, Mrs. Saltonstall, Mrs. John Lignell, Mrs. Floyd Brown, Mrs. Gordon Freedman and Mrs. Donald DeMoor.

Each group has been asked to display one of its service projects and name its chief fund-raising projects. The local group will display the layette that is given to indigent mothers and post a lot of its fund-raising projects.

United Church Service

Plans for a special Reformation Day service to be held at the Community Reformed Church at 8 p.m. Sunday, Oct. 27, have been announced following a meeting of the sponsoring organization, the Charlevoix Ministerial Association.

The service will mark the anniversary of the reformation of the Protestant church in 1517, the Rev. Alexander Wood, pastor of Christ Episcopal Church and president of the association, explained.

THE REV. FR. WOOD will deliver the message at the service to which members of all churches are invited.

Others participating will be the Rev. Raymond J. McBratnie of the First Methodist Church, who will give the call to worship and the invocation; the Rev. Arthur A. Austin of the Assembly of God church, the Scripture reading; the Rev. A Robert Harrison of the First Congregational Church the pastoral prayer; the Rev. Charles A. Stoppels of the host church, the welcome and announcements; the Rev. George L. Majors of the Community Church of God, the offering and the Rev. William Harmon of the Ironton Congregational church.

Special music for the service will be by groups from participating churches under the direction of C. A. Odmark.

In a formal resolution made at the meeting at which this special service was planned, the Charlevoix Ministerial Association expressed its gratitude to the Charlevoix Courier and the businessmen of Charlevoix who supported the special church page last week and who also have lent their support at other times to Charlevoix churches, Rev. Harrison, secretary of the association, reported.

Area Obituaries

L. D. Kowalske

Funeral services were held Friday at the Stackus Funeral Home in Boyne City for Lyle D. Kowalske, 65, who died Wednesday at his home following a long illness. Burial was in Maple Lawn cemetery at Boyne City.

A native of East Jordan, Mr. Kowalske was married to the former Christine Krulik of Charlevoix in 1921 and resided here until moving to Boyne City in 1930. He was employed by the Charlevoix County Road Commission for many years prior to his retirement because of failing health.

Surviving are his wife; a daughter, Mrs. Robert (Ardis) Lockman of Boyne City; two sons, Lyle Jr. of Boyne City and Donald of Virginia Beach, Va.; 12 grandchildren; one great-grandchild; two sisters and two brothers.

Estella Withers

Mrs. V. Estella Withers, a Charlevoix resident for more than 60 years, died in Syracuse, N. Y., on Sept. 18. She was the wife of the former John Withers. Mrs. Withers died at the home of her daughter, Mrs. Fred Inkster. Burial was in Myrtle cemetery, Syracuse. Surviving are her daughter Charlotte; nieces, Mrs. Rowley Williams of Marion, Mrs. Lelah Simmons of Albuquerque, and nephew Byron O. Smith of Grand Rapids and Harold Withers of Charlevoix.

Mrs. R. O. Pearl

Funeral services for Mrs. Robert O. Pearl, 39, mother of two, were held Friday at the Winchester Funeral Home with the Rev. Alexander Wood officiating. Burial was in Brookside cemetery.

She died Wednesday at the Charlevoix Hospital where she had been a patient for a month. She had been in failing health for several months.

* * *

BORN IN NEW York City Mar. 4, 1924, the former Edythe C. Goode was employed at McGraw-Hill Publishers prior to her marriage to Mr. Pearl in New York Sept. 9, 1945. They came here later that year and have always lived here. She was a member of Christ Episcopal church and had served as superintendent of its Sunday School. She was also active in the P.T.A., having served as treasurer for several years and as president during the 1962-63 year and had been active in Girl Scouts, serving as a leader and a council member. She was a past noble grond of the Charlevoix Rebekah Lodge No. 293.

Besides her husband, she is survived by two daughters, Susan Ann and Roberta Francine, both at home, and her parents, Mr. and Mrs. T. E. Goode of Ironton, former New York residents, who had moved here several years ago.

H. C. Geiken

Harold C. Geiken, 60, federal quality control inspector, died unexpectedly at his home, 208 Belvedere ave., Tuesday.

Funeral services will be held at the Winchester Funeral Home 4 p.m. Thursday with the Rev. Harold E. Kohn officiating. Burial will be in Brookside cemetery.

* * *

BORN IN CHARLEVOIX July 31, 1903, Mr. Geiken was married to the former Ruth Ware in Charlevoix in 1924. They resided in Dayton, Ohio, for 28 years and in Traverse City for seven years before returning here in 1957.

He is survived by his wife, Ruth; one son, H. Jack Geiken of Palo Alto, Calif., and three grandchildren.

The family has asked that those wishing to honor the memory of Mr. Geiken contribute to the Expansion Fund of the First Congregational Church.

Mrs. E. J. Hiller

Mrs. Ernest J. Hiller, 80, wife of the owner of the Charlevoix Lumber Co. and mother of former mayor, E. James Hiller, died Monday at the Charlevoix Hospital where she had been a patient for nine months.

Funeral services will be held at the Winchester Funeral Home 2 p.m. Thursday with the Rev. A. Robert Harrison officiating. Burial will be in Brookside cemetery.

* * *

Surviving are her husband; one son, E. James Hiller; a daughter, Mrs. Ray (Annabel) Champion of Needles, Calif.; a step-son, Don C. Hiller of Milwaukee; four grandchildren; three step-grandchildren; four step-great-grandchildren and a brother, Tony Peterson of Grand Rapids. A son, Lee, was killed in 1943 while serving with the U.S. Naval Air Corps.

At Retreat

Seven Charlevoix women attended the Charlevoix County Catholic Women's Retreat at the Sacramentine Monastery, Conway, last weekend.

From Charlevoix were: Mrs. Louis Orlowski, Mrs. Frank Bourgoin, Mrs. Charles Hamlin, Mrs. George LaBlanc, Mrs. Homer Brady, Mrs. Gerald Weissert and Mrs. Cornelius Geiken.

Charlevoix Lions To Host Area Gov.

Charlevoix Lions' club welcomed William H. McCready, district governor, to their 12:10 p.m. Monday, Oct. 21, meeting in the Weathervane Inn, Frank Ochs, president, reports.

McCready, prosecuting attorney of Iosco County, is the only blind governor in the 43 year history of Michigan Lions clubs. He has a leader dog, Storm, from the Lions-supported Leader Dogs for the Blind school, Rochester, Mich.

* * *

A CHARTER member of the East Tawas Lions Club, McCready advised and assisted Ochs, secretary Alun Bevan and other officers, directors and members of the local club in operation of their public service programs.

McCready is one of 409 district governors who supervise the activities of more than 17,507 Lions clubs.

The Lions clubs' special mission is promotion of good government and citizenship and the development of civic, educational, social and moral welfare.

The Charlevoix club received its charter January, 1962. Since then it has become noted as one of the most active organizations in the community. Sight conservation being one of its primary functions, the Club has purchased glasses for residents of the community who were in need and have contributed to the Leader Dog School in Rochester, Michigan.

* * *

THE CLUB HAS been active in community projects offering assistance to Charlevoix residents.

Assistance has been given to the school's eye testing program by the wives of its members and the members themselves.

The club has been working to improve the appearance of the faciities of the Retarded Childrens Center here in Charlevoix. The Lions Club of Charlevoix recently received the District Governors Award for membership.

Fish Biting?

Fish are biting off Ironton in Lake Charlevoix, but only if they're in the mood, Charlie Stokes, Courier correspondent, reports.

Stokes points out the following hot-spots: Near the north end of the Isle of Pines, perch up to 14 inches on worms and small minnows; Perch up to 13 inches drifting with minnows approximately 100 yards north of the South Arm; Pike up to seven pounds on minnows and wire leaders, drifting near the mouth of the South Arm.

* * *

THOUGH IRONTON anglers have taken some prize-size perch and pike, on other days they've come back without a bite. Stokes remarked. He's making no promises.

Fish Clipped By Thousands

Something like an unoffieial record has heen set by the Charlevoix National Fish Hatchery, manager John Plumb reports.

According to Plumb, 175,000 small lake trout were marked in 3½ days by ten women.

Plumb pointed out there are no official records kept, but the clipping last week was "certainly faster than we have been clipping them." Last fall the hatchery clipped 106,000 fish in three days, he said.

The 175,000, fingerling size trout were planted in Lake Superior. They are part of the program to restock the Great Lakes.

Plumb said women clipping the trout were Mrs. Albert Thorp, Mary Novotny, Reva Sarasin, Laura Wells, Audrey Mousseau, Irene Whitley, Rosemary Niswonder, Mrs. Beverly Brown, Velma Skeel and Betty Brown.

WITH CRUSHING DEFEAT OF PELLSTON

Rayders Move to Top Spot

Charlevoix's Rayders racked up win number four Friday to move into a tie for first place with the East Jordan Red Devils, who were downed by Gaylord.

In a game that saw the Rayders fumble on the second play, the local eleven scored once in the first quarter and over-ran the Hornets in the second period before the pace slowed as coach Don Carey emptied the bench.

* * *

AFTER RECOVERING the Rayder fumble, the Hornets failed to capitalize on the break and punted. Bruce Kroken returning the boot to midfield for Charlevoix. After three tries, the Rayders punted to the Pellston 13 yard line, but again the Hornet offense bogged down and they punted.

This time Kroken returned the ball to the Rayder 40 where Charlevoix started its march to a touchdown.

Dave Smith moved the ball to the Pellston 46, a pass from Del Terrill to Brendan LaBlance advanced Charlevoix to the 28 for a first down and Smith carried to the 17 before the Rayders were pushed back to the 26.

A pass from Terrill to Kroken put the ball on the seven. Two line plunges, one by Smith, and a second by Stockwell put the ball on the one where Stockwell went in to score. Larry Edwards booted the conversion with 2:31 left in the first quarter.

* * *

PELLSTON TOOK the kickoff, fumbled on the next play with the Rayders recovering. The Rayders moved the ball from the 26 to the 10 yard line on a pass from Terrill to LaBlance only to have the next pass intercepted on the Pellston 28 as the period ended.

After three tries Pellston punted, with Charlevoix's Rick Grunch taking the ball on the Pellston 39.

Smith carried to the 17 for a first down, Charlevoix lost to the 20 before Terrill passed to LaBlance on the 10. On the next play Ken Parrish went into score. Edwards added the conversion point at 9:39 left in the second period.

Pellston took the kickoff, failed to gain ground and punted with the Rayders taking over on the Pellston 44.

A pass from Terrill to LaBlance put the ball on Pellston's 37 from where Terrill pitched to Stockwell for the touchdown at the 5:22 mark. Edwards' kick was wide, but a Pellston penalty gave him another try. This time the kick was good and the score stood at 21-0.

* * *

ON THE SECOND play after taking the kickoff, Pellston fumbled with Smith recovering for the Rayders on the Pellston 34.

A pass from Terrill to Kroken moved the ball to the 17; Terrill picked up another three on a keeper before pitching to LaBlance who scored at 2:46. The kick missed and the score remained at 27-0.

Pellston took the kickoff and picked up a first down to the Rayder 41. On the next play Nick DeYoung intercepted a Hornet pass and rambled 59 yards to score. Edwards' boot was blocked and the score was 33-0 with 43 seconds remaining in the half. Charlevoix was in possession of the ball at midfield after intercepting a Hornet pass as the half ended.

As the second half got underway the action slowed as the Rayder lineup changed often. It was not until late in the period that Charlevoix started a march on the Pellston 39 that resulted in the Rayders' final TD, a line plunge by Terrill from the one after carries by Smith, Stockwell and Grunch and a pass from Terrill to Smith had placed the ball in scoring position. Edwards' kick was good as the score stood at 40-0. The quarter ended with Pellston in possession of the ball on its own 38.

* * *

THE FINAL period was marked by several exchanges of punts and the loss of the ball on downs as the young players gained little more than experience, with 31 lads seeing action.

Grunch, injured early in the final period, left the game with a knee injury that may sideline him.

COMMENT, OPINIONS, FACTS

Campground Here Could be One of Nation's Finest

LAST WEEK'S ANNOUNCEMENT that plans are taking shape for a Lake Michigan shoreline campground southwest of Charlevoix should be closely watched by all of us.

The campground, we hope, is enthusiastically welcomed by everyone. Not only will it be a major boon to Charlevoix's economy, nature lovers should find it one of the most enticing campgrounds in the nation.

* * *

ROGER RASMUSSEN, district Conservation Dept. forester, reports cost of developing the entire 14 miles of state owned lake frontage into primitive campsites would be extremely small, in comparison with other campground development projects.

The kind of family that pioneered camping because Mom, Dad and the kids love the outdoors and want to be near it is being pushed out. Many of them are turning to Canada, or letting their tents decay in the garage.

* * *

THESE FAMILIES, surveys show, are not campers because it saves them money. On the contrary, they spend about the same amount on their vacation as the family that rents a cottage. The difference being, they spend money saved on lodging for entertainment, gasoline, sporting goods, etc.

The type of camp facilities proposed for the lake shore can bring these dollars to Charlevoix and give many Michigan families the closeness to natural beauty they crave.

Few spots in the country can equal the Lake Michigan shoreline southwest of town. Some of nature's most dramatic, and most gentle, scenes are daily repeated on the beach and horizon.

* * *

THE CAMPGROUND here would be the ultimate of its kind.

There is no doubt but what Rasmussen is eager to see the project carried out. Last week's Regional Conservation Dept. Information Supervisor Charles Welch agreed the campground would be one of the finest locations in the state, and is sorely needed due to a lack of choice primitive facilities.

* * *

EVEN MORE EMPHATICALLY we cannot have a second's fear that Charlevoix Township Supervisor Clarence Rabach will abandon the project. He's been working on it too long to quit now that success seems near.

However, all of these people can get buried by lack of concern in Lansing and political pressure from other areas.

It is the responsibility of Charlevoix businessmen and citizens to see that our interests get the consideration they deserve. State and national legislators should be made aware of YOUR concern. If we don't let them know we feel strongly about this, how can we expect them to give it their attention?

★ ★ ★

Officials Cannot Explain New Con.

YOU'VE HEARD IT often, but it's still worth repeating: Government could stand to take some lessons from smalltown businessmen.

The case in point is the new constitution. While politicians were trying to sell the public on voting for, or against, the constitution we had an excess of information. Now that the product is sold, there is an almost complete lack of information.

* * *

DURING THE Constitutional Convention, and before the ballots were cast, weekly editors received reams and reams on the document. Political tongues wagged endlessly.

With the sale completed, this service has come to an abrupt halt. A businessman who ignored his customer's needs after a sale would soon be punching a time clock somewhere else.

The Courier has tried to get information on how the new document effects local residents. We felt Charlevoix County citizens should know when the next county and township elections will be held, how new assessing standards will effect them, and several other things that are changed, but unanswered, by the constitution.

* * *

SO WE ASKED state and local elected officials who will be responsible for implementing these changes in government here. We came away with the impression they do not have a full understanding of what the new constitution says.

We hope they will start searching for the answers soon. If they don't there's bound to be chaos when the basic law that effects all local and state government changes January 1.

Every year the parade at homecoming time gets bigger and better—as those of you who saw Friday's will verify.—Kids will never cease to amaze me with their ingenuity and cleverness. . . They don't have too much to work with but they certainly can come through with some real prize winners . . . And they're always so serious about the whole situation! . . .

Now and then one hears a parent say "I wish those kids would spend as much time at home doing something as they do for the class or school" . . . but how fortunate they are that their youngsters are devoting their time to something constructive . . . So the whole thing isn't a federal case, so what? . . . They're learning to work, to work as a team and to get along together and what better time and place to learn it if they are to become tomorrow's leaders . . . Everyone has his theories on why there is so much misunderstanding and hard feelings among the peoples of the world . . . I have mine and it's a pretty simple explanation when all is said and done . . . It's lack of communication—between individuals, groups and countries . . . That and the unwillingness to try to understand the other guy's point of view . . . So what better time to learn these things than on the local level . . . and if you think there's a lack of communication among these kids, you're way out in left field . . . OK, so I'll tuck my soap box away for now.

MRS. ARTHUR Stoel stopped by the other day, and in the course of the conversation, was telling about an experience she had Saturday. Seems that every Saturday afternoon she stops by the Barnard Methodist Church to ready it for the Sunday service . . . As she pulled up she found a car parked beside the church . . . It turned out to be a couple former residents, Mr. and Mrs. Martin Doctor of Muskegon and the Harry Southlands of Detroit . . . the former Gornell sisters, Effie and Ellen, who, as children, had attended the church and just wanted to see what it looked like . . . They went in the church with her and for a few minutes were whizzing back more than half a century to the time "when the Christmas tree stood in that corner," when "we sat here with our folks" . . . Naturally, the church wasn't as large as they remembered it and the doors were different . . .they recalled that the inside doors were covered with burlap and the youngsters had pulled it away from the frame to form a peek hole at their level . . . One morning everyone took a turn looking through at a stranger sitting in one of the back pews—only to find, when they finally entered the church, that the man was no stranger . . . just Will Burns, who had shaved his beard off . . . Mrs. Stoel's parents, the Clyde Smiths, were among the early settlers in the Barnard area and the sisters recalled when the Smiths were married and even described Mrs. Smith's wedding dress . . . Memories . . . happy ones like those . . . what would we do without them . . .

Lots of mail which I'd like to share with you . . . one from Jamaica where the John Dutchers were vacationing recently . . . and where they got a big boot out of the crab racing . . . complete with pari-mutual betting yet! And several from friends of this column including the Teters, Charles and Marguerite, of Hinsdale, Ill., (and who also have a cottage on Lake Charlevoix) who wrote "We were delighted to open the Courier today and again to find your column. It has been such a long time since we have seen it." . . .

From Mrs. William Jenkins of Bedford, Ind., who with her late husband, had summered here for years "I wanted to tell you how glad I was to see your column back in the Charlevoix paper . . . Will and I always enjoyed reading it so much. I'll have to say it brought a few tears for it brought back some mighty fond memories . . . I'll agree with the others the paper has improved . . . I think of Charlevoix and my friends there often . . . Much success with your column—I shall read it and enjoy it . . . I was glad you mentioned Joan Ward and to know she is as pretty as ever." . . .

* * *

AND FROM ANOTHER old and dear friend many of you will remember, Miss Rose Greensfelder, who wrote "I was very pleased to see that you are back . . . I have always enjoyed your articles and sure I will in the future. I know, too, you enjoy writing the column. Good luck!" She went on to mention the many new things in Charlevoix during the past four years since she spent the summer here and mentioned all the changes, especially on Michigan ave. where so many of her friends lived . . . Always interested in Charlevoix and its people, she has certainly kept up on things here and mentioned how much the improved airport will mean to the community.

The paper was hardly in the mail Thursday when I received a call from Mrs. Art Geer, telling me that she was surprised that I didn't know that you didnt' have to go to Beaver Island to find cranberries . . . that when she was a girl they used to pick them along the head of Susan Lake . . . in back of the family's old farm home . . . and added that the bushes are probably there . . . She warned, however, that it would be dangerous in that area now because the water line is so low that one might break through the crusty surface that had been formed on the lake bottom . . .

And to verify the fact that there's still cranberries on Beaver Island, Mrs. Steve Kewbel sent me a bag of the scrumptious berries that Mr. K. had picked while hunting ever there . . .

A Lift for Living

Seeds Provide Timely Message for Mankind

By REV. HAROLD E. KOHN

This is the season of seeds. Nature lavishly scatters her progeny across autumnal America. Burs, bearing seeds, attach themselves to the feathers of perching birds, to the fur of passing animals, and to the pant legs and coats of sauntering humans and hitch-hike to areas unknown to the parent plants.

Nature is spilling seeds of the future upon October's clear amber air. On this autumn day, while seeds of the tomorrows fall all around my woodland study, I've been thinking random thoughts on the meaning of today's seed-like possibilities and our spiritual growth. Here are a few of those thoughts:

A problem that confronts each of us is this: considering one's talents and limitations, abilities and disabilities, how is one to make the most possible of his life?

We need not be ashamed if, being an acorn, we do not become a towering pine, or being a grass seed, we do not become a maple.

But if, being grass seed, we do not become the best possible grass, or, being an acorn, we do not become an oak, or being a boy we do not become a manly man, we have reason for shame.

* * *

A GOOD TREE uses every hour for growth. It drinks sunshine. Rain refreshes it. Tempestuous winds force it to fasten its roots deeper into the earth. Even in the darkness it makes use of the starches manufactured by its leaves during the daylight. So with a soul. Fulfilled hopes and disappointments, successes and failures, joys and griefs add to the spirit's dimensions. Even sin, by demonstrating our weaknesses and our need of Divine Help, can develop us into better people than we were.

* * *

The good social order is a climate in which every individual, regardless of color, class, creed or political affiliation, can grow intellectually, spiritually and economically to the fullest extent of his latent potentialities. In such a society everyone should be able to operate with maximum effectiveness.

Of course, not everyone will actually behave in this fashion; but if not, it should be because of inner defects of the person and not because of a defective society that oppresses him and stunts his growth.

That which is nurtured most, grows best. This is as true of our inner nature as it is of farm produce. Feed and support the best that is in you, and let the worst die of neglect.

The ancient Psalmist sang about the righteous man, "He shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither."

This is a primal condition of growth; to live amidst spiritual resources, so that one can draw upon provisions that exceed one's expenditures. We must absorb more of God's truth, patience, hope and love than we can ever spend. Such reserves prevent withering and make for fruitfulness.

Finally, a tree continues to grow as long as it lives. So may your spirit!

IMPORTANT MEETING FOR CHARLEVOIX BOOSTERS

JAMES GALLAGHER will spin tall tales that might rival Ripley. Plus a penetrating look in Charlevoix's future. All this and more at the Chamber of Commerce's Annual Meeting, 6:30 p.m. Monday, October 28 in the Argonne. Get your tickets from any Chamber member.

THIS WEEK IN CLASS 'C'

Charlevoix Could Take Full Possession of Lead

With two games remaining this season, Charlevoix travels to Gaylord while East Jordan invades Boyne City Friday.

Elsewhere, Harbor Springs goes to Mancelona and Pellston entertains Grayling.

* * *

THE RAYDERS, in first place for the first time since Sept. 20, will have to be prepared to halt both the aerial and ground offenses of the Gaylord Blue Devils who have the distinction of being the only team to stop East Jordan. The Blue Devils have speed and versatility in their backfield and the ability to hammer at a weak spot in an opponent's line. They also can strike through the air or on the ground.

Charlevoix, in recent games, has shown great team spirit and developed well executed patterns on both offense and defense that have resulted in three straight wins, one over Boyne City, a team that dumped Gaylord in an earlier meeting.

If the Rayders continue in play the heads up ball they have shown in recent weeks, they should continue to share the limelight with the Jordanites but any miscue can be their undoing against a fired up team such as the Blue Devils are at the moment.

* * *

THE EAST JORDAN-Boyne City game will mark the renewal of an old and bitter rivalry that could burst into flame at the drop of a football.

Stinging from their loss to Gaylord and regular Ron McWatters, who will be benched indefinitely with a rib injury, the Jordanites will be out to avenge these losses when they clash with the Ramblers who have suffered two humiliating defeats in the past two weeks.

The Jordanites will be favored but in a game between these two teams anything can happen and probably will, making the outcome the "mystery of the week."

Harbor Springs, back on the victory trail, will be out to better its position as the Rams go against Mancelona, weakened by the loss of veteran quarterback Pat Dutcher. Since the return of George Lauer to the line-up the Rams seem to have regained confidence in themselves and will be hard to stop.

* * *

MANCELONA will be no pushover for understudy, Ron Grady, seems to be doing a good job in the quarterback position. With Bill Bushard, Dave Pruden and Barry Moeke on hand to do the ball carrying, either on the ground or as pass receivers, the big Mancelona eleven will be no easy mark.

In fact, Mancelona will have a slight edge in the meeting.

Though the injury - riddled Pellston Hornets are thoroughly dejected, they have looked good at times, and with a chance to crawl out of the league cellar, they may come through against the Grayling Vikings, a hard playing outfit with a fine defensive squad but little punch to score.

This is another game that could be a toss-up, with a chance to move out of last place the prize.

Retreat House Schedule Set

Following last weekends retreat for Charlevoix County Women, the Blessed Sacrament Retreat House, Conway, announced the following schedule:

Oct. 23-25, midweek-women, Rev. Ceslaus Kilmowicz; Oct. 25-27, women, Rev. George Conners, C. P.S.; Nov. 1-3, women, Rev. George Conners, C.P.S.; Nov. 29-Dec. 1, men, Dominican Father.

Reservations for the retreats and further information can be obtained by calling Mother Mary Augustine, DI-7-3657, or writting her at Sacramentine Monastery of Perpetual Adoration, Conway.

Navy Trainee

Don R. Anders of 310 Clinton St., enlisted in the Navy enrly this month. He will take nuclear training.

Don qualified for the Drum and Bugle Corps, so he gets out of one week of basic training and gets extra liberty. His address is:

Sanford Sweet In Army Test

Army PFC Sanford H. Sweet, 22, of the 101st Airborne Division's 327th Infantry is participating in Exercise BULLDOG LOW NOTE near Fort Irwin, Calif.

Exercise BULLDOG LOW NOTE includes phases of guerrilla and counter-insurgency desert and mountain warfare.

Sweet, son of Mr. and Mrs. Fred S. Sweet, is a member of the 1st Airborne Battle Group's Company B of the infantry, regularly stationed at Fort Campbell, Ky. He is a 1959 graduate of East Jordan High School.

Top Goal in Church Drive

Charlevoix County has gone over the top of its goal to build a triFaiths chapel at the State Hospital in Traverse City, Rev. Alexander Wood, county chairman reports.

This, reportedly brings the number of counties that have reached their all-faiths chapel fund quotas to nine.

* * *

REV. WOOD, of the Christ Episcopal Church, Charlevoix, will continue to accept contributions. Or they may be sent to P.O. Box 332 Traverse City, and be credited to Charlevoix County.

The county's goal was $2,000, based on the number of patients from here at the hospital.

OUTDOOR RAMBLING

with GLEN SHEPPARD

IF YOU'RE wondering what you'll do this winter to keep your mind busy during the long evenings, stop at the County Extension Agent's office and ask for a "Charlevoix County Lake Inventory."

A husband equipped with one of these dandy little reports ought to make his wife a nervous wreck before fishing season opens. (Which would certainly be turning the tables).

* * *

THE "CHARLEVOIX County Lake Inventory" gives a detailed description of every puddle in the County. It tells you the size in acres, depth, location, kind of fish, and some other things that ought to get interesting around February.

A total of 97 "bodies of water" are listed. Of these, 77 are classified as lakes. Only 49 of the lakes have formal names.

Three of the lakes are at least 100 feet deep. The deepest is Thumb Lake, at 152 feet. Charlevoix Lake has a maximum depth of 120 foot and Walloon, 100 foot, according to the inventory.

If you forgot, Thumb Lake is located on the east side of the County near the intersection of county roads 626 and 630. It has a listed acreage of size of 485 acres and you should be able to catch panfish in it, but no pike or trout.

* * *

THE INVENTORY, unfortunately, does not tell whether a lake has bass.

Twelve Charlevoix County lakes of 100 acres, or more, are listed. They are Thumb, Hoffman, Deer, Intermediate, Charlevoix (17,000 acres), Walloon (4,320 acres), Knowland, Twenty Six, Marion, Susan, Geneserath and Font. The inventory tells where they are.

Nineteen lakes are said to have pantish, six have pike and four have trout.

Charlevoix County's 97 "bodies of water" take up 23,415 acres.

* * *

THE "CHARLEVOIX County Lake Inventory" is one of 83 counties prepared by C. R. Humphrys, professor of resource development at Michigan State University. If you want one of another county the Cooperative Extension office can probably get it for you.

Student Speaks at Church

Maria Kroeze was the speaker for the First Methodist Church at their 11 a.m. worship service.

Maria is an exchange student from the Providence of Groningen in the Netherlands.

HER ADDRESS to the people included facts about her home, with emphasis on education, culture, industry, religion, politics, and her views on our American way of life.

Maria's American family is Mr. and Mrs. Ralph McRae, 304 Nettleton St.

Mr. McGhan and the Pastor Rev. R. J. McBratnie also included Judy Walker and Betty Bogart as participants in the worship service.

The anthems and quartet numbers were arranged by Mrs. Dean Davenport, choir director. Members of the quartet were Mrs. Mark White, Mrs. Lee Moerland, Mrs. John Kroken and Mr. John Kroken. Mrs. Leonard Burns was the organist.

LAST WEEK

Boyne City's Defeat Opens Loop Battle

Gaylord's 10-0 upset of East Jordan, Charlevoix's 40-0 slaughter of Pellston and Boyne City's 36-6 loss to Harbor Springs has thrown the Rayders into a first place tie with East Jordan.

Boyne City dropped to a four-way tie for second with Gaylord, Harbor Springs and Mancelona. In a fourth game, Mancelona downed Grayling 19-6.

THE GAYLORD Blue Devils, who played an aerial game all season, remained on the ground Friday night, throwing the East Jordan defense off guard.

In one of the club's few passes, Jim Johnson pitched to Ron Snell for 20 yards and the first touchdown of the game.

Plugging away on the ground as the second half got under way, Gaylord edged to the one foot line where Tom Mcasell scored on a dive play with Johnson booting the conversion.

Early in the final period, the Gaylord eleven repealed the play with Johnson scoring to put the victory out of reach of the Jordanites, who never seemed to recover from Gaylord's change of attack.

* * *

PLAYING AT Harbor Springs, the Boyne City Ramblers were handed their second humiliating defeat in two weeks.

The loss practically knocked the Ramblers out of the running for the title.

The Rams jumped to an early lead as George Lauer bootlegged the ball over from a yard. The Rams' second TD followed an interception by Dale Allerding. Lauer took the ball in to score and give Harbor Springs a 12-0 lead.

Boyne City got back in the game late in the second period as Bruce Lawson, playing in the halfback slot, rambled 60 yards to score.

TWO QUICK TD's by Andy Skoezylas, the first from the two with Lauer running the conversion point over and the second, from three yards out with George Kilborn running the ball over, put the score at 26-0 as the third period ended.

Bernie Corpe wrapped up the win, with a five-yard run late in the final period.

The Mancelona - Grayling game was close as the Ironmen lead by a seven point margin until the final two minutes of play.

* * *

THE FIRST period was scoreless before Mancelona's Ron Grody, second string quarterback who had replaced Pat Dutcher in the line-up, pitched a pass to Barry Moeke who scored on the play that covered 50 yards.

Bill Joseph passed to Mark Anderson in a 25 yard pass play to tie the score 6-all.

Each crumb

...is precious but who among us needs the whole loaf? Bread is vital but perhaps we should NOT live only to eat. We are invited to break the bread as Jesus broke it and the Great Baker stored the earth with plenty for all. *Woe be it to the selfish hand who holds the knife and cuts the slices thin.* We are told to beware of him who withholds corn, for the people shall curse him. Our body is of the earth and must be fed from the earth. But the soul is of Heaven and must be fed with Heavenly bread. Then let us worship in church this week and pray to God to, *"Give us this day our daily bread."*

MAYBE IT ISN'T news to anyone else, but aviator Joe McPhillips surprised this corner last week when he pointed out the haze over Lake Michigan was from factories in Chicago, Milwaukee, Gary, etc.

It seems that when the wind's just right (or, maybe, wrong) the smog from the big industrial smoke stacks blows north. When the wind shifts to the southwest, Joe explained, you can expect the corrupted air to reach Charlevoix in 10 to 12 hours.

Wonder if the City could create an anti-air pollution ordinance and take industrialists in Illinois and Indiana to court?

Joe, of course, could easily show that the smog is a nuisance to pilots. Especially those flying to Beaver Island.

Fortunately, (or perhaps unfortunately) Joe doesn't seem to be interested in fighting anyone. Perhaps if he were the City would realize his worth and give him some sort of salary (which is customary in other cities) for the long hours he spends working as Charlevoix Airport Manager.

As it is Joe gets nothing for this, except a pittance for gasoline sales.

Sort of reminds you of the old bit about nice guys finishing last. The heartless will always walk over the guy who wants to do his job peaceably. But the do-nothing agitator they pamper.

Joe will be a bit embarrassed by this. Hard working, gentle men too often shy away from controversy. Which could easily be why the noisy and selfish so often get in power.

IT'S TOO BAD it has to be said, but drat it, rundown pawn shops have better office furnishings than the Charlevoix Chamber of Commerce.

You simply cannot help noticing the shabby condition of Chamber desks. In fact, it's so obvious it seems a bit ridiculous that this corner even needs call attention to it.

—●—

COMMANDER F. J. MANN, captain of the Coast Guard's Sundew, isn't in Charlevoix for a mere tour of duty. Nope, the commander figures to retire here.

In between showing kindergartners how to steer a ship, playing host while they enjoyed milk and cookies, he got to telling about he and Mrs. Mann's liking for Charlevoix.

Originally a southerner, Mann

Ready to Pave

City workmen are tearing up the block of State St. directly east of the airport runway in preparation for paving next spring, City Supt. James Taylor explains.

The old surface should be removed by the end of next week. It will remain as compacted gravel this winter and paving started as soon as possible in the spring, Taylor said.

FINISH RUNWAY — Watching contractors put finishing touches on Charlevoix Airport's new asphalt runway last week is City Supt. James Taylor, standing. Completion of the work gives Charlevoix one of the finest airports in the north for private airplanes used for business, industry and pleasure, city officials contend. **(Courier Photo)**

RUNWAY DONE

Airport Set For New Boom

A huge roller lumbered over the last patch of asphalt last week and Charlevoix was ready for the burgeoning growth of pleasure and industrial aviation.

Contractors building the city airport's 3,500 foot hard surface runway finished their work late last week.

* * *

THE NEW RUNWAY gives Charlevoix one of the finest airport facilities in Northern Michigan, city officials have pointed out. Joe McPhillips is airport manager.

The complete airport improvement project is slated to cost $210,000. Of this Charlevoix's share comes to approximately $64,000. The federal and state government pay the rest.

Before the runway is officially open for business landing lights must be completed along its entire length. This should be done no later than Nov. 15, according to the contract.

Pilots will still be able to use the old grass runways for lightly loaded planes, McPhillips explained.

* * *

THE NEW RUNWAY will make it possible for larger planes, with heavy loads, to take-off and land here safely.

In the past twin engine planes have often had to pick up part of their passenger loads at Bellaire, and Pellston because they could not get off the Charlevoix runways with all of them aboard.

The growth in business, industrial and pleasure use of private planes has been one of the nation's fastest rising trends in recent years.

City and Chamber of Commerce officials point out downstate and outstate industrialists looking for new locations in Northern Michigan are expected to consider the improved airport facilities here a major advantage.

* * *

WITH THE GROWING interest in plush resorts that fly people in (such as the "Water's Edge" resort behind American Mold) Charlevoix is also expected to benefit because of the airport.

City Supt. James Taylor said commercial airplanes will not be lured to Charlevoix because of the runway improvement. Large cities, such as Muskegon and Grand Rapids, face the possibility of losing commercial flights, he pointed out.

As many as 25 planes have used the airport in one weekend, McPhillips reported. Ten twin engine planes have been on the field at one time, he added.

M-66 Decision Due in 30 Days

A decision on what route to follow in relocating M-66 into Charlevoix should be made within 30 days, according to a State Highway Dept. spokesman.

John Takacs, of the Highway Dept.'s news bureau, told the Courier last week the recommendation to change the M-66 route will be given careful consideration in Lansing.

A citizens group, led by Frank Smith, asked the Highway Dept. to change the M-66 route into town so it opens up new business property.

"There are a certain amount of engineering considerations which I am sure your group is not aware of or familiar with," Takacs pointed out.

Scouters Meet

The Annual Scenic Trails Council Boy Scout meeting will be held at Camp Greilick, Nov. 6, 6:30 p.m., Guy Molby, Northern District executive reports.

All area adult scout leaders are invited. Tickets will be available at the door. The camp is 15 miles southeast of Traverse City.

The dinner meeting will be held in the camp's new $97,000 dining hall. The building was donated to the camp. Eagle Scout awards will be presented.

Confusion Builds on Campsites

Differing reports on plans for campground development in Charlevoix County were received by the Courier this week.

The conflicting information concerns previously announced plans to expand Bells Bay campground on Lake Michigan in Charlevoix Township.

* * *

A CONSERVATION Dept. news release from Lansing states federal Accelerated Public Works (APW) monies have been allocated for the Bells Bay site and work will begin as soon as possible.

An inter-department information sheet, received by Conservation Dept. personnel in Gaylord and Roscommon, describes three APW campground projects for Charlevoix County, but does not mention Bells Bay.

The information sheet, according to district forester Roger Rasmussen, calls for federal-state monies to be spent for a 20 unit campground north of Norwood, 20 campsites on Walloon Lake and ten additional campsites on Beaver Island.

Rasmussen, however, asserted the Bells Bay project will be included in the $4,500 allocated for county campgrounds, even if it isn't mentioned in the information sheet.

DISAPPEARING BREED

Commercial Fishing Pays for Jake White

A man who has made a success of something that has defeated just about everyone else is sort of obligated to be outspoken.

And 67 year old Jake White fills the bill.

JAKE WHITE

'People Want Something for Nothing'

* * *

SOME 40 YEARS ago, when he started making his living commercial fishing out of Charlevoix and Beaver Island, there were 30 or so boats lifting nets. Eighteen from Charlevoix alone.

Today there are three, and most people consider their future rather doubtful. But not Jake White.

"Commercial fishing's like farming—it's what you make it," he exclaimed when asked about the future.

"People want something for nothing. I don't think hard work ever killed anyone."

* * *

RETIREMENT IS nothing more than "sitting down to die," as far as Jake's concerned. He has no intentions of sitting down, or even slowing down.

One look at his lean frame, gnarled face and wind-sculptured eye brows will show you why others traded their fishing nets for factory routine, and, perhaps, unemployment checks.

This summer Jake and son Chum fished 52 days straight at one stretch. Until last year they'd gone out all winter for five straight years.

They hope this will be a mild winter and the husky "Hazel W" will be able to break through the big lake to the fishing water every week.

* * *

THEIR NETS TAKE chubs from Lake Michigan in the late autumn and winter. The rest of the year they take whitefish.

In the old days, Jake asserts, "you didn't have to know anything" to get fish. "You could drop your nets almost anywhere."

He ought to know.

Today it's different. You don't just drop your nets at random.

You have to know the lake bottom, know the habits of fish, and have equipment equal to the beating it takes from rugged men making their living at a grueling business.

* * *

THERE ARE TWO fathometers on the "Hazel W." They tell where the hills and valleys are on the floor of Lake Michigan.

The "Hazel W" proves Jake isn't talking through his hat. He's a success at his trade and doesn't figure to quit.

He had "her" built four years ago in Escanaba "for $35,000 cash. "I didn't spare anything when I built her," Jake proudly declares.

* * *

THE 43 FOOT LONG ship can break its own way through the ice under all but the worst conditions. It's powered by a $6,500 Cummings engine.

'Retiring is Sitting Down to Die'

You don't make that kind of investment if you're tailing or giving up.

The other Hazel is Jake's wife of 48 years.

The present scare on whitefish didn't hurt Jake much, he reports. Don Bell in Mackinac, who buys the fish, cut the price from 21 cents to 18 cents a pound. But he kept buying from a few fishermen, including Jake. Seven other

Predict Continued Increases

Record at CC Dinner

Charlevoix's 1963 summer business jumped at least 15 percent over last year, if figures from the Michigan Dept. of Revenue received by the Chamber of Commerce are an accurate indication.

Chamber Secretary - Manager Dean Davenport thinks they are.

* * *

AT MONDAY'S record breaking Annual Chamber meeting in the Argonne, Davenport announced the sales tax index for July shows approximately a 15 percent increase over July 1962.

According to the state prepared report, $97,000 in sales tax was collected here in July. This compares with $82,000 in July 1962.

Figures for August have not been received. Davenport expects they will show even bigger increases.

* * *

DAVENPORT attributed the increase to a statewide trend and Charlevoix's alertness to competition and aggressiveness in attracting tourists.

He told the 208 guests at the annual dinner meeting, that next year should be even better. The improved airport and better business practices were his reason.

He pointed out that the Chamber's visitors booth handled 100-percent more inquiries this summer than last.

The annual meeting was the best attended in Chamber history.

Chamber Names New Directors

The election of three new Chamber of Commerce directors was announced at Monday's annual meeting.

Elected were: Jack Mol of Mol Plumbing and Heating, Frank Boss of Lake Terrace Mobile Court and Robert Winchester of the Winchester Funeral Home.

* * *

THE NEW DIRECTORS were elected for three year terms, replacing Katherine Fitch, Frank Novotny and James Alspaugh.

HOSPITALS ALERTED

Tornados Buzz County

Charlevoix County doctors and hospitals were alerted Monday as tornadoes were sighted almost in the City of Charlevoix.

Temperatures plummeted to 42 degrees as hail slashed the city and southwestern section of the county intermittently for two hours, from about 10 a.m. to noon.

* * *

SHERIFF GLENN Rose, who monitored weather warnings and reports throughout the county said he alerted medical facilities when the first word of possible tornados was received.

Standing on a hill two miles south of town, Rose said he spotted no fewer than six water spouts in Lake Michigan at one time.

City police reported they sighted as many as four water spouts at a time.

One tornado, reportedly, hopped directly over South Point, on the lake road southwest of town. An East Jordan patrolman told Rose he spotted a tornado no more than 100 feet over his car.

* * *

THERE WERE unconfirmed reports of up to two inches of hail in Ellsworth, Rose stated.

On the Sheriff's recommendation, Charlevoix Public Schools Supt. Rex Milligan ordered schools closed, and students bused home. Other county schools also closed.

"I figured if it did hit at the school it would get a lot of kids, but if they were home only a few would be hurt," Rose told the Courier.

At 10:20 the Grand Traverse County Sheriff's Dept. radioed this message to Rose, "There's a big one coming your way. It may hit!"

At 10:45 Rose's radio network advised county police officials and outside authorities, "We have some dark clouds . . . it does not look good!"

* * *

THE STORM CREATED tension felt in every corner of the county. Rose pointed out. His office telephone was constantly busy with people calling, some near panic.

Rose was in the patrol car during most of the alert period. By staying on the road, and in touch with all points in the county, he said he hoped to give some advance warning, and be on hand minutes after a tornado set down.

None touched ground, however.

And, though Charlevoix County escaped with nothing more than raw nerves, the storm does appear to have ended the lingering Indian summer.

On Draft Board

Albert F. Litzenberger II of Boyne Falls, has been named to the Charlevoix County Draft Board, Roman A. Dubas of East Jordan, clerk of the board, announced.

He succeeds T. R. D'Anjou of Boyne City, who resigned recently.

OTHER MEMBERS OF the board are Dan W. Genett of Charlevoix, secretary, and Arthur K. Rouse of Boyne City.

Elk Sighted

Reports of Elk in Charlevoix and Antrim counties have been received by the Courier.

At least ten elk were reported in this area last week. Three were seen just south of town on U.S. 31 and seven between Atwood and Ellsworth.

(Special to the Courier)

LANSING — The crisis for Charlevoix fishermen created by the botulism scare has resulted in a Governor's task force to study the problem.

The task force which holds its first meeting today, was created Wednesday by Gov. George Romney, at the request of local State Representative Don Gordon.

Gordon told the Courier his request was prompted by a meeting he held in Leland with Charlevoix commercial fishermen John Cross, Sr., John Cross, Jr., James Driggett and Chum White. Fishermen from Northport and Leland also attended the meeting.

In urging Gov. Romney to create the task force Gordon declared the "threat of botulism poisoning has posed a threat to the public health and had a serious threat on commercial fishing, one of Charlevoix's important industries.

"Sales of smoked fish plummetted after seven deaths from botulism and a federal warning not to eat smoke fish from the Great Lakes. Widespread layoffs in the commercial fishing industry have resulted in putting nearly 30 Charlevoix men out of work."

Romney appointed the task force within hours of his conference with Gordon. He charged it with determining the status of the problem and recommending immediate and long range legislation the state can undertake.

The 14 member task force includes representatives from the industry, government, health services and conservation agencies.

Which isn't at all surprising if you get to know a bit more about him. When he wasn't in the service he was a master ship builder. And when he isn't on duty, he sails his own boat.

What more logical place than Charlevoix for him to settle?

Barney had me thinking so fast at dinner the other evening trying to keep up with him, there wasn't time to eat. But think he finally stretched it just a little too far.

According to Barney there are still some BIG trout in the crick over Atlanta way.

If so, he's sure got 'em hid.

Reserves Edged by Petoskey

The Charlevoix J-V's wrapped up their 1963 season Tuesday night with a hard fought game with the Petoskey Reserves with the local lads coming out on the short end of a 13 - 12 score.

The game ended with Charlevoix deep in Petoskey territory with the young Rayders attempting a pass which was batted down as time ran out.

Petoskey scored first in the meeting with Mike Hastings going in from the two following a 55 yard run to put the ball in scoring position. Charlevoix countered with a TD by Mark Bourgoin later in the period to make the score 6-6.

A long run by Larry Skippergosh late in the half set up the second Rayder touchdown which Bourgoin took over from the three yard line to make the score 12-6 as the half ended.

Hastings scored from 20 yards out on an end sweep and then ran the conversion point over late in the final period.

Locals

Mr. and Mrs. Angus L. Fochtman have returned from a visit with their sons-in-law and daughters, Mr. and Mrs. Hubert Hammond and family of Buffalo, N.Y., and Mr. and Mrs. Robert Riggle and family of Lansing and their son and daughter-in-law, Mr. and Mrs. Robert Fochtman and family, also of Lansing.

Miss Frances Durance and her brother, Albin had as their weekend guests their brother-in-law and sister, Mr. and Mrs. A. J. Baumgartner of Romeo and Mr. and Mrs. Ray Baumgartner of Pontiac.

Mrs. Floyd A. Supp left this week to spend the winter in Cadillac. She was accompanied by her sister, Miss Gurley Hammar, who has spent the summer here.

Mr. and Mrs. Bonnie Nickerson had as their weekend guests their son-in-law, Russell Kroeze of Whittier, Calif., who visited them while on a business trip to the Midwest.

James Earl, accompanied by Mr. and Mrs. William Gaunt of East Jordan, were in Detroit early this week to attend funeral services for the former's brother, Fred Earl who died Sunday following a long illness.

Mr. and Mrs. Bernard Berghergerer have returned to their home in St. Louis, Mo., after spending several days with Mr. and Mrs. Lawrence Armstrong.

Mrs. Sanford Matchett and Mrs. Archie Potter entertained Wednesday evening at a bridal shower honoring Susan Himebauch.

Twenty guests enjoyed a social hour and refreshments after which the honoree opened her many lovely gifts.

★ Confusion

(Continued from Page 1)

THE NEWS RELEASE from Lansing indicated Bells Bay is the only campground due to be improved in Charlevoix County by the APW funds. The five paragraph news release devotes an entire paragraph to Bells Bay:

"Department officials point out that much of the progress at Bells Bay has been made through local help, prior to the start of the APW program. The Charlevoix County Road Commission improved parking lots at the site while the Township of Charlevoix assumed the costs of drilling a well," the release states.

Rasmussen told the Courier he is confident Bells Bay will get at least ten new campsites from the APW funds. He stated the site on Lake Michigan southwest of town will be the cheapest and easiest to develop of the four under consideration in the county.

★ Jake White

lishermen were cut off Bell's list, he pointed out.

Bell, who buys from commercial fishermen all along northwestern Lake Michigan, picks their catch up in a refrigerator truck and ships them straight to New York.

'Fishermen Won't Cooperate'

This spring for the first time in 15 years, commercial fishermen in this area were getting some lake trout in their nets.

* * *

"I WAS ALL FOR letting them go so they could spawn," said Jake. "But the others wouldn't. That's the trouble with commercial fishermen; they won't cooperate."

Jake contends the Conservation Dept. made a mistake in not getting legislation making it illegal to take trout from the Great Lakes during the restocking period.

"I offered to let them use my boat to plant the trout for nothing," he said. "Instead, they chartered a railroad car ferry and paid an awful lot."

The sea lamprey is just about whipped, Jake figures. Where he used to get hundreds in his nets, he seldom gets any today.

* * *

THE BIG LAKE, and disappearing fish have beaten many a man. In fact, the vast majority who challenged them.

But you get the notion that at 67 Jake White's just begun to fight. And enjoying every minute of it.
